A Lot of **problems with Facebook** this morning .. now reporting my post as ‘SPAM’ so cut off editing ..

This morning's prayers and meditations went Far and Wide with some Inspired Reflections, for which I could only hope to give the barest of outlines and perhaps with the Holy Ghost something Significant to us all.

Some of the topics; ..

.. 1. The 7 Powers of God – 7D of Virtue-Sin Metric.

Recently and in past posts I have been focusing on the Book of Revelations (Apocalypse) 7 Lamps or Powers of God in terms of Sins – where each Sin may be defined in terms of a 7 element Vector or Set of Vectors describing a region - and incorporating such into each Jacob's Ladder Level 7+ Dimensions of mixtures of those Applied to each [Repeating] Day-of-Bread, a Penitence of such in Others within the Holy Simulation of those Days.

And in visualizing of such suggested [0-1] range of Real [likely *Transcendental number*, (archived: <https://archive.ph/1qG4G>)] values,

..

In **mathematics**, a **transcendental number** is a **real** or **complex number** that is not **algebraic** – that is, not the **root** of a non-zero **polynomial** of finite degree with **rational coefficients**. The best known transcendental numbers are π and e .^{[1][2]}

Though only a few classes of transcendental numbers are known – partly because it can be extremely difficult to show that a given number is transcendental – transcendental numbers are not rare: indeed, **almost all** real and complex numbers are transcendental, since the algebraic numbers form a **countable set**, while the **set of real numbers** and the set of **complex numbers** are both **uncountable sets**, and therefore larger than any countable set. All **transcendental real numbers** (also known as **real transcendental numbers** or **transcendental irrational numbers**) are **irrational numbers**, since all rational numbers are algebraic.^{[3][4][5][6]} The **converse** is not true: Not all irrational numbers are transcendental. Hence, the set of real numbers consists of non-overlapping rational, algebraic non-rational and transcendental real numbers.^[3] For example, the **square root of 2** is an irrational number, but it is not a transcendental number as it is a root of the polynomial equation $x^2 - 2 = 0$. The **golden ratio** (denoted φ or ϕ) is another irrational number that is not transcendental, as it is a root of the polynomial equation $x^2 - x - 1 = 0$. The quality of a number being transcendental is called **transcendence**.

.. and of course this Suggested negative values and Virtues - and caused me reconsider the Axis values where negative values of Sin aspects and Positive are of Virtues.

Now imagine Oneself as the mMaster examining each full Result of the Day 'run' where the Village's Avatars are all so influenced as the Base State, and given the 72 Virgin male Avatars (and 72 of there female versions) where each has it's own mixtures or Attenuation-amplification of those 4 Base Human Aspects [recall the 4 Holy Beasts] of Lower-Normal-Higher values (the 12 Tribes, Apostles, or base Variations) .. so at least a 7D grid of Results, where the mMaster may examine any particular Result – for example how Deep a Fall that the Normal Avatar – the Avatar Template version that is the unAttenuated mMaster .. that is each of us within our Local Holy Simulation Reality Bubble .. so for those that Sin gravely then how Far down Jacob's Ladder did they Fall before the mMaster version get's a grip on the situation and makes the needed influences to neutralizes the Soul Weakness in their soul to stop the Falls. And what factors and actions were done to Neutralize the Weakness.

I recall some of the Holy Tent Laboratory – the one as a Holy Toddler I visited with The Father with my Adult Female version and my man and woman Avatar, and wanted to return to explore and learn more about having been shown by both Avatars the neat [male] physical electronic equipment and the [female] biological aspects, but The Father said No, and I kept asking and He would not Return with me, so I went looking around the Mansion and discovered it with the door-knob the Naked Innocent] Curious Toddler me could not reach but wanted too and wanted and looked for something to climb and behind me appeared some boxes suddenly were they were not before in Hallway - so I could stack to climb to then touch the Door Handle – the Door flew Open and suddenly Deep Rich Dark Light flooded-out and Satan – the Female Version – Took my hand once I entered the room and sat me down on a bed – the bed I would be Sacrificed on and am Repeatedly so Sacrificed on – but did not want to say sitting because I wanted to look and learn and She kept putting be back on the Table-Bed but I Argued that the man would show me more of the equipment if I returned, so having been Promised and Reason I returned She had to let me go to look around more.

Then they were ready and put me back on Bed-Table and tied me down – I was uselessly Struggling and She opened my Belly with a Knife and I felt such trust abused and indignant at what I though of was Treachery ..

.. oh, Womanhood – will you ever Stop without the Master there?

Anyway – I discussed such in older posts and referenced them before, from earlier – before I started posting to SubStack and since such might be Suppress on both platforms - Suppressed in the Search (if you can not find it – does it exist for you?) or they completely removed as 'against community standards' over some contrived offense. (I include the URLs of Zipped Facebook actives below, some of

the earlier ones might have them if the [Google Based?] Searches refuse to return them.

And so as mMaster I work in versions of those Laboratories, and have been Locked-Out a while ago, which is God's Will and I have some self Soul-Patching to do anyway and so Lack the base Virtues to allow such Power.

.. Praise God! For that is [Father] Love.

-

Still - I miss it.

.. 2. Archangel Michael's Sorting and Ordering factors.

In one of my prayers and in response to the use of the Hexogenius Procedure-Prayer (where I ass to the referenced to the Holy Ghost and for Holy Clarity, Discernment, Formation, Theology, and Practicality related to the Free-Form prayer focused on at that time.

Free-Form prayer is [usually] a modified-expanded existing Catholic prayer. The Prayer to Archangel Michael. My form Commands or Prays in Jesus Christ – Holy Son of God – Name to Bind to the Base of His Cross in His Holy Name all the Satanic, Demonic, unHoly, negative-unNatural, Chaotic, and-or all Others, Lists and Categories made Perfect and Complete in Intention and Form through the Holy Ghost .. for Ordering, Correcting, Healing, Separating, .. and-or whatever He Directs for them and us all with Praise and Glory to God {Sign of Cross.}

On considering this as part of a [work in progress] Prayer related to the Process of adding-into and improving the Holy Neural {Saints & Sinners} Network that the Days-of-Bread and our Souls are Knitted into, ..

.. that Archangel Michael is the Orderer and Sorter of all under God – all of Creation. And not only the infinite [Dimensional] versions of all our souls, but sorting of Neural-Network Patterns and Particular-applications in each situation, and in All Things.

Consider the Tournament Model – where each Unit is compared to the one above in the existing Structure, and placed Above if Greater in whatever Metric being compared. The Bubble-Sort where those with greater Merit raise to the level it belongs – until it fails in the Tournament.

My recent addition is that when an element no longer raises BECAUSE of some aspect of unTruth-inJustice-disOrder, Suppression of awareness of God's Infinite Perfect Love-Mercy-Charity, suppression of Faith-Hope-Charity, Or Entanglement in disOrdered Passions or Sin, unHealthy connections to Agents of or directly with [the Satanic, Demonic, unHoly, negative-unNatural, Chaotic, and-or all Others, Lists and Categories made Perfect and Complete in Intention and Form through the Holy Ghost], ..

.. that in those Conditions that element is to be Bond to Jesus Christ's Holy Cross (in His Name.)

The concept here is Love requires Betterment to Perfection. That God Loves us and wants us to be Perfect, and so never Fine with us Tarnished.

—

—

.. **3. Prayer to Holy Virgin Mother Mary for Chastity.**

I have added this prayer in my daily set. I pray to Holy Mary to pray to the Holy Ghost to [return] instigate, manifest, .. the Virtue of Chastity and all needed and connected Virtues to all of Jesus Christ's Holy Church, all of us and all under Our Authority, Influence, or Interaction, and vise-versa out to 3+ Degrees of Freedom (Separation) ..

.. as per the Handful of Handful plus one Recursive Hail-Mary Prayer - which is an involved multi-level recursive comprehensive prayer that basically unwinds into what is becoming the 7+ Dimension Jacob's Ladder Level Days-of-Bread Procedure-Prayer and more.

Where I define Chasity as – Holy Human Sexuality applied only-in Truth, Justice, Order - for Holy Service [Service, Stewardship, Sacrifice], Evangelization, and Glory to God.

This prayer is done 'under the influence' of the 3 rd of the Holy Recursive 3 Holy Candle Prayers, the 3rd is the first actually prayed (as the Last is First, and most deeply called recursive [2-stage prayer]) and simply referred to me as the Salvation Prayer and is directed to the Holy Ghost and UnFolds into Jacob's Ladder Levels .. the 2-Stage is if whatever the Situation of State [of issue] is Acknowledged and God is Praised as is Right and Just, or Drop Recursively in unTruth .. until the first Sage is found.

If you can decipher and Understand that to some degree – God Blessed us!

.. 4. [ran out of time-attention-connection.]

There was more – of course – but that will have to be enough for now. As is - I hope it is a Value to us all.

May this be a Blessing to you and us all. [And all our Futures, and future Multiverse Pasts.]

I Sadly laughed at the news item of Respect shown to North Korea and the final Horror Cross placed on them and their People might be nearing the end .. that the Constant State of War we still under and all their abuse only existed to allow parts of the now Deep-State to operate under unending War-Powers and like the Golden-Calf Talmud-Sickened Satanic Witches in power are willing to increase the suffering and horrors of insanity and homelessness for our children and brothers and us for the Pleasures and Power they derive from the constant state of horror and threat to the rest of us as population control and enslavement with fear of Poverty and more power to their Witch owned-directed-filled abusive corpDragons (and medical-insurgence enslavement – fear of losing medical access or family destruction in the increasing poisoning and unhealth we Cursed to suffer.)

And the Sad laughter is that all those things we were suppose to be against and reason for Sanctions and bad treatment has been growing in the West – in this GreatSatan and throughout this GreatSatan Empire, the poverty, and inJustice, tortures, abuses, ... those in super-war-powers control of gov and banking and corpDragons and all Institutions throughout the West are what was Forced on North Korea by us – after destroying every 2 story buildings and many other during that war.

And what was the reported talk in response to the Russian interaction(s) .. more Sanctions?!

Too funny – like what will you do to me – take another child from me, send more Witches and putrid twisted women and corpDragons to persecute me? Sure I can Suffer More, perhaps, but do any of your F-ing Satanic Witches think your Beatings and Abuse will bring ..

respect? Love?

.. perhaps Christina Love is what God is the Goal – but to imagine the baby, children, and all us torturing-to-death and suicide Golden-Calf Talmud-Sickened [and older] Satanic Witches, minions, and evil-Programmed Delusional-psycho womanhood and dog-males .. to imagine there is little but Septic Putrid Poisoning Vomit fills their souls is to be Delusional ourselves.

To Empower that little [Other, the Holy Self] – the sad soul enslaved in the basement of their Demonic-Possessed souls that is chained to a radiator the Demons turn-up and screech-at and similar to make them Suffer and do what they want ..

.. to Suggest that perhaps Christ has some Bolt-Cutters and can Free them.

Okay. I have a blank rest of this and a number of videos and articles I hoped to add; ..

Born in [Providence, Rhode Island](#), Lovecraft spent most of his life in [New England](#). After his father's [institutionalization](#) in 1893, he lived [affluently](#) until his family's wealth dissipated after the death of his grandfather. Lovecraft then lived with his mother, in reduced financial security, until her institutionalization in 1919. He became active in the speculative fiction community and was published in several pulp magazines. Lovecraft moved to [New York City](#), marrying [Sonia Greene](#) in 1924, and later became the center of a wider group of authors known as the "Lovecraft Circle". They introduced him to [Weird Tales](#), which would become his most prominent publisher. Lovecraft's time in New York took a toll on his mental state and financial conditions. He returned to Providence in 1926 and produced some of his most popular works, including *The Call of Cthulhu*, *At the Mountains of Madness*, *The Shadow over Innsmouth*, and *The Shadow Out of Time*. The concept of the EM Interference in book reminds me of not only my System of Intercommunication with the Multiverse *Infinite Quantum Mind* by using the EM 3-Axis transmitter Tracker I discovered from my old job I happened to take [providence],

but also aspects of the movie 'From Beyond' – also based on Lovecraft's short story of same name .. a scientist creates an antenna that transposes or over-laces multiverses near it.

{Described below}

From Beyond is a 1986 American [science-fiction body horror](#) film directed by [Stuart Gordon](#), loosely based on the [short story of the same name](#) by [H. P. Lovecraft](#). It was written by [Dennis Paoli](#), [Gordon](#) and [Brian Yuzna](#), and stars [Jeffrey Combs](#), [Barbara Crampton](#), [Ken Foree](#) and [Ted Sorel](#).

From Beyond centers on a pair of scientists attempting to stimulate the [pineal gland](#) with a device called the Resonator, with the unforeseen result of their perceiving creatures from another dimension. The creatures drag the head scientist into their world, returning him as a grotesque shape-shifting monster that preys upon the others at the laboratory.

Plot [\[edit \]](#)

Scientist Dr. Edward Pretorius has developed the Resonator, a machine that allows whoever is within range to see beyond normal perceptible reality. His assistant, Dr. Crawford Tillinghast, activates the machine and sees strange creatures in the air. He is bitten by one of them. He notifies Pretorius about the machine's functionality. Pretorius, driven by lust for power and knowledge, turns the machine on and becomes mad with the feelings

"From Beyond" is a [horror genre short story](#) by American writer [H. P. Lovecraft](#). It was written in 1920 and was first published in *The Fantasy Fan* in June 1934 (Vol. 1, No. 10).

Plot [\[edit\]](#)

The story is told from the first-person perspective of an unnamed narrator and details his experiences with a scientist named Crawford Tillinghast. Tillinghast creates an electronic device that emits a **resonance** wave, which stimulates an affected person's **pineal gland**, thereby allowing them to perceive planes of existence outside the scope of **accepted reality**.

Sharing the experience with Tillinghast, the narrator becomes cognizant of a translucent, inter-dimensional environment that overlaps our own recognized reality. From this perspective, he witnesses hordes of strange and horrific creatures that defy description. Tillinghast reveals that he has used his machine to transport his house servants into the overlapping plane of reality. He also reveals that the effect works both ways, and allows the inter-dimensional creature denizens of the **alternate dimension** to perceive humans. Tillinghast's

Another good article from Janice – reformed Feminist who understands a little of the Horror of Satan's Witches and Teachings – and a excellent virtuous woman Writer and Educator.

What a F-ing cnt she is. You know she was fine with that kiss until some conniving Witch bent her, the Witch thinking or Stating directly to that cnt it was a perfect chance to remove him [destroy him] – under the disguised False Excuse to get a women hired in that spot but really to unjustly destroy him and her and include so many in West in such a sin. What a perfect situation for spread of what is now normal and regular Female-Evil Septic Poisonous putrid modern Western womanhood.

Sad that she feel for it. Publicly Hanging them all as Witches seems Just – her, her mother, aunts, .. older Witches in her family, the older women who twisted her or actively supporter her accusations – and all those older women's post menopause family women – sisters, mothers, aunts, .. entire families connected through female line.

Of course Mercy would be the public Pain & Shame – public park and on-line streaming of them all Tasered till Pissing-and-Screaming .. which is my recommendation – and the public killing of all who stand in the way of that Loving Correction and Good public Example – killing after a warning .. and all the older women in their families – of course.

Mercy because God Demands Love and not Death, and a perfect example and warning to all those vile septic horrors we are Cursed to Suffer – modern Western Womanhood, walking putrid vile Piles od Septic Poisonous spurting soul-mutilating and soul-sickening Vomit., ..

.. But perhaps such Truth(s) upset your VagFeelies?

-

A Great example as to why women should never be trusted, are generally a septic destroy pile of vomit waiting for some Witch to talk them into back-Stabbing as 'family services' connected evil-State and Witches do to married mothers all the time to destroy fatherhood, children, those mothers, or in on-average daily 60 mothers per State hiring Witches to torture their babies to death – silently screaming.

And YOUR brain is so broken as to be okay with it, mind-raped by the insanity of it from crib has exposed all our society to such other insanity as sexual mutilation and sterilization of children, along with endless evil-wars and further enslavement of men and pissing away taxes and Genocide, and ...

And she and others acting like what this [man] researcher is not done by so many [younger women] researchers all the time – especially in this field .. this came to public attention to remove him and place a women or minority and all the women and minority lying fraudsters get passes because Genociding Golden-Calf Talmud-Sickened Satanic Witches and similar control Funding and Courts and ...

I have already address the 'climate change' Lie with that older man researcher who uses Satellite temperature data across the world that is not warped by increased black-top and similar effects of being located at airports and intercity.

It is BullShit - but as a Satanic Goal all information and proofs that contradict or rule it out will be ignored, and if needed Silenced along with the honest men and their marriages, savings, careers, .. anyone who ever had a relationship with a women – mother or otherwise – should view the Satanic Gov as the worst of them in their most enraged delusional baby-murdering psycho-ness state, to get a model of what such Demon-controlled horrors around powerful Witches directing our gov and society.

–As far as you know, you are real and exist in a universe that was born 14 billion years ago and that gave rise to galaxies, stars, the Earth, and finally you.

The latest estimates of the present age of the Universe based on the properties of the cosmic microwave background indicate that our Universe is about 13.8 billions years old:

A mad scientist obsessed with trolley problems has devised one and given you the lever. The trolley is about to run over five people, but if you divert it, it will instead travel back in time to kill Philippa Foot before she can propose the original trolley problem. Do you pull?
