Good Sunday Morning,

May the Spirit of the Gospel and the Holy Word be Always on our Tongues, in our Hearts, Minds, and in our Hands.

Holy Virgin Mary and All Saints - Pray for us!

Index Number 2196:

—

[It is Sunday morning again – Praise God!

After Catholic Mass today we have the monthly Brunch Pot-Luck, the first time I will have actually go to the Pot-Luck and I am looking forward to it – we have great cooks throughout the Church families.]

—

—

Daylight Savings! Unbelievable – normally it does not throw me but at what I think in 2am in the morning (my stove-top range clock) impressing that I have an extra hour of sleep possible then puts be an hour behind ..

Many do not realize there was a Bill in Congress to get rid of it which was supported by the entire nation except for Orthodox Jews that pray at sunrise and that would interfere with their scampering and slithering-off through their baby-rape tunnels to the Banks and Investment, Tax preparation, and other such Jobs .. Know who is your Master, or at least the Master of our Satanic Federal Gov.

Remember that at least twice a Year when this happens, and resent it! – the genocidal Jews and Zionist are in control of every major Western Institution and it might be best for a world-wide Nuke war to break such Fungal-Strangulation.

—

Oh, well – that shot any connection to Memories to my foreshorten prayers and meditation Reflections.

Comments on the few videos below are limited as I – luckily – assembled them yesterday late. I hope they benefit you and us all.

—

Some things to consider.

Saint Fulton Sheen, all Saints of the Day – Pray for us!

-

May this be a Blessing to you and us all. [And all our Futures, and future Multiverse Pasts.]

I stumbled across a better than I recall book, one I had read at least 3 times but today the book seems so much better than it every was. I seem to recall I was always with a feeling of frustration, as he struggles to each goal and then have it disappear as he approaches it.

'*Job: A Comedy of Justice*' (Archived: <https://archive.is/a6ov6>) has and is a breath of fresh-air for audio-book, a book reminds me that others similarly good are likely a good Search away.

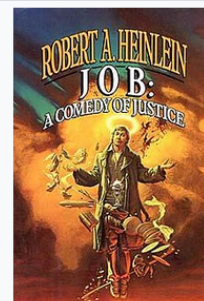

Job: A Comedy of Justice is a novel by [Robert A. Heinlein](#) published in 1984. The title is a reference to the biblical [Book of Job](#) and [James Branch Cabell's](#) book *Jurgen, A Comedy of Justice*. It won the [Locus Award for Best Fantasy Novel](#) in 1985^{[1][2]} and was nominated for the [Nebula Award for Best Novel](#) in 1984,^[3] and the [Hugo Award for Best Novel](#) in 1985.^[4]

Plot summary [\[edit \]](#)

The story examines religion through the eyes of Alex, a Christian political activist who is corrupted by Margrethe, a Danish [Norse](#) cruise ship hostess—and who loves every minute of it. Enduring a shipwreck, an earthquake, and a series of [world-changes](#) brought about by [Loki](#) (with [Jehovah's](#) permission), Alex and Marga work their way from Mexico back to [Kansas](#) as dishwasher and waitress.

Whenever they manage to make some stake, an inconveniently timed change into a new alternate reality throws them off their stride (once, the money they earned is left behind in another reality; in another case, the paper money earned in a Mexico which is an empire is worthless in another Mexico which is a republic). These repeated misfortunes, clearly effected by some malevolent entity, make the hero identify

Way back from HS days when my father and mother were separating and he had an apartment in Middlebury VT near the bridge he was suppose to live in during that period.

He loaned it to me and my Lover Gloria for one of those periods when HS was out.

Sunday we bought the Sunday NewYork Times with all the 'extras' from the previous week, we laid in bed or at table drinking coffee and spending a chunk of the day going though it.

This song reminds me of then. That Magic time of young Love. and Joy of Life.

So sad that for most American NYC is not remembered and now only is another ShitHole horror city., ..

THE CONCLUSION IS UNAVOIDABLE. AMERICA HAS A ZIONIST OCCUPIED GOVERNMENT

There are 30 cabinet-level officials in Joseph Biden's regime.
 Jews are 2% of the population if there is not a racist preference for selecting Jews for top positions, about 1 of the 30 cabinet-level officials would be Jews. But Jews have 1400% to 2700% more cabinet positions than that. In total, 27 of the 30 cabinet level officials are Jews, are Jews by marriage or have Jew deputies just "below" them. America has clearly been colonized and coup'd by semites. The government no longer represents the people, just Jew rodents.

It is fair to conclude that any journalists who avoid talking about the semite coup of America are liars and enemies of the people? Could it be that Miller only tried to save his people from Jewish racism?
