Good Thursday Morning,

May the Spirit of the Gospel and the Holy Word be Always on our Tongues, in our Hearts, Minds, and in our Hands.

Holy Virgin Mary and All Saints - Pray for us!

—

—

**Index Number 1905:**

—

After I finished publishing [yesterday's post \(archived\)](#) I recalled that my point made in [previous post \(archived\)](#) See PS of URLs) in one of the video comments that had some Response was related to the comparison of the Modernists being warped Female-Rule and filled with deConstruction, Sin, Death, Rot, Strangulation, separation, isolation, conflict, .. the Expression of Vagina-god Satan Female-Evil which makes whatever issues that the True, Just, Ordering Patriarchy [Male-Rule] seem minute and like heaven to what we have here; Order, Cooperation, Acts of Support and Service to family, neighbors, Nation .. inspiring all to individually work together – to get hands dirty and work hard, go home and love family, etc.

Perhaps that is not the best representation – but please consider it. I consider all the women I worked beside and with since I moved to Vermont and worked as a young man in Science Research at University to have been like being followed around by Septic Piles of Poison Vomit, and unwilling or unable to work together like men (and many of the women I had) over years of work and active projects and study in two previous States and .. more important – not working in a Golden-Calf Satanic Filled and Poisoned Institution (UVM) .. all were smaller businesses and independent Quaker high school.

—

Any man who ever worked around men in work crews or as engineers – who went to work to get things done, with clear focuses and goals, and helped each other when it makes sense and effectiveness and the goal was always more important then the egos (those with excessive egos were looked down on as something a little wrong with them, and likely would benefit from a broken nose when too much of an issue.)

I can not say that all the women I worked directly with were walking sacks of Septic Poison vomit all the time, and while I worked with many of them they made noises like there were human beings but Every One of them added some unneeded problems and were a drag, if not actively slimy lying F-ing horrors.

Sexual Abusing, hyper-privileged, focus demanding .. anti-Work and anti-Productivity and although I can not say that my own sexual interest were not some of that issue – as all the men around them .. it is like the cnt young lady that wear Yoga Pants to school and showing everyone her tits and vag. in class - F-you if you argue that is fine. (What a twisted vile Witch your mother must have been - sounds like you might have been better if she disappeared early in your life and you were raised by father or other humans - you F-ing retard.)

.. why? Tell me why that is allowed at all, never mind if it is good. There have been enough Horrors over the last few generations of destruction of society and collapse of everything that it is clearly a problem – the problem is the disOrdering.

Late but time to stop wondering is all the deConstruction, hyper-empowering mind-raping delusional-psychos and injecting them everywhere – and these days few women (very few!) are safe around men, children, and decent women, yet they are injected everywhere – and no one that pushes such is a goodness to the world .. them Gone is Better .. Gone and-or removed from any power.

—

Anyway – no society that has accepted baby-murder can be healthy or sane. Anyone who could accept or argue such is acceptable is Sick and should not have power over others – and likely need to be cared for with dignity.

Birth-control was the stepping-stone into this Hell, and Sickened womanhood into disposing men, and the rest follows – 'the hand that rocks the crib ..'

## **Matt is again making Sense .. from his Basement.**

How many of these and similar I and others can easily find on Web .. with such Breaths-of-Clarity; Who wouldn't think all those corpDragon owners and executives in media, news, .., bit-tech, Fed & UN gov, .. all major installations in West and beyond, all the top 3 levels of power .. all hanging dead over the corpses of all the older women in their family ..

.. and replaced by real un-EnSlaved by Satan & Evil .. by people from modest places like his basement, that it would be an improvement?

World-Wide Anti-Fungal treatment – what would that look like? Perhaps the death of all [powerful] older women – post menopause and all who support Abortion and separating fathers-children or parents-children? Add birth-control?

.. God Demands Love and not Death, of course .. so nice communities where they can all live and suffer each other away from decent people and those that want to be decent would be Better. It is Loving that you are told you are very very Sick and all you together are a

Septic Killing Poison to us all, and yourself.

Repent.

This is another Substack '*Tease Article*' – but you can get the idea from this short read.

IRS – DeepState is no longer targeting only Conservatives .. is it not nice to know that the Golden-Calf Satanic Witches that has filled all major Western Institutions' top 3 levels can all coordinate in LawFare and otherwise – once a Witch points at you, then howling horrors at work, public, .. and and Administrative State and Banking and .. will come after you., ..

and some idea of the intentional evil in recent history and now can be gleaned. I knew his name from somewhere, and find his to seem to be the kind of Elites that we need in power again – not seemingly enslaved by Golden-Calf Satanic Witches as all those in and near power are, and have been increasing and getting worse through last 200+ years.

I found this strangely enjoyable .. imagine if you had the resources of Michael and some interest you were willing to direct some of those resources towards – what would it be? .. I find his interest (as seen here) to give him a deeper human dimension, and kind of neat to collect such .. I seem to recall when something like that had interest in.

When young I collected boomerangs and different weight frisbees (for frisbee golf) .. even today I would not likely be interested in some

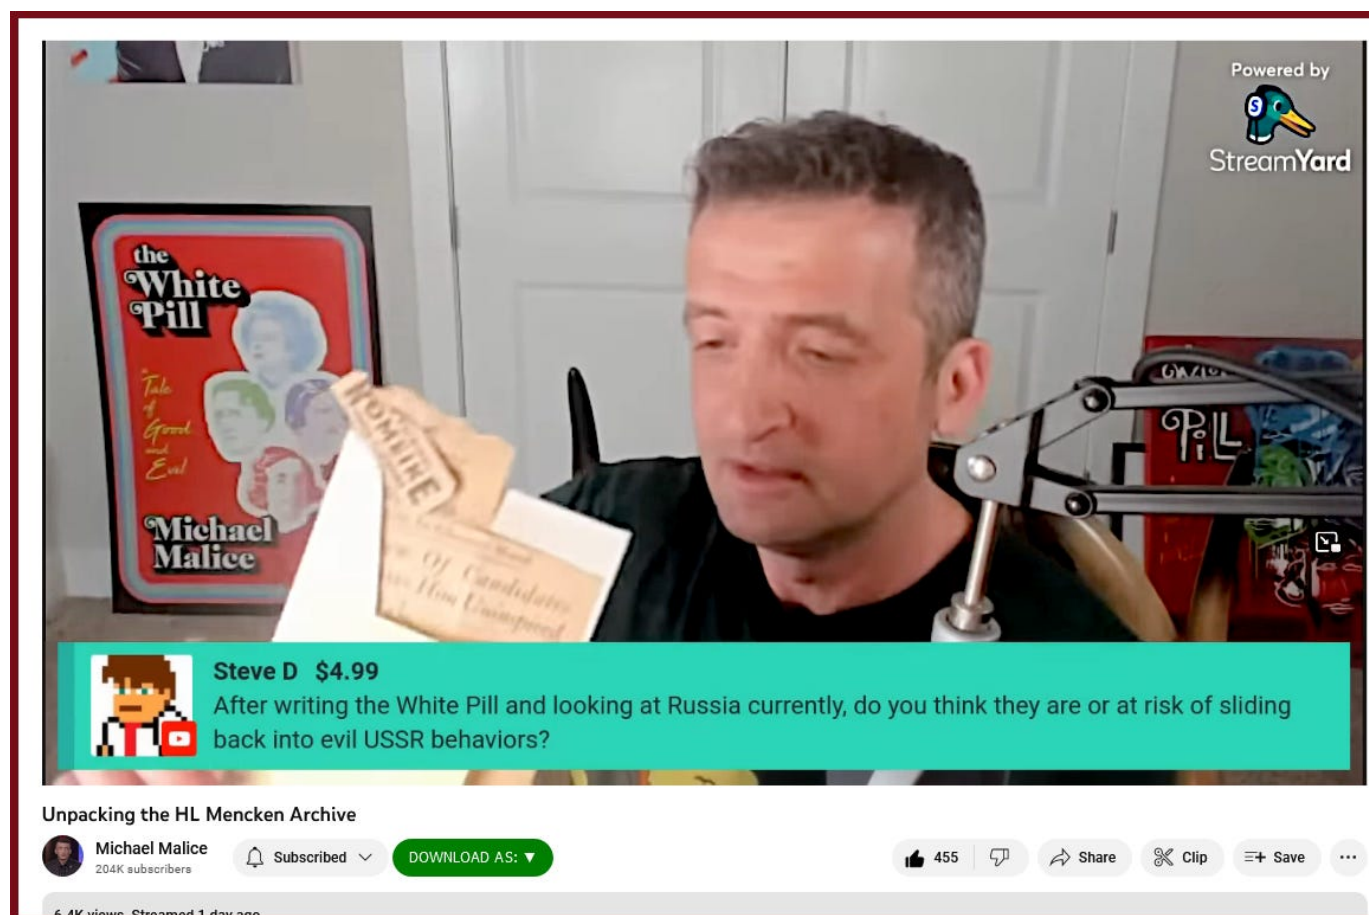

person from history, but I can share in his Joy, and you are welcome too also., ..

### I. What Is The Hypergamy Hypothesis?

“Female hypergamy” (from now on, just “hypergamy”) is a supposed tendency for women to seek husbands who are higher-status than themselves. Arguing about educational hypergamy (women seeking husbands who are more educated than themselves) is especially popular, because women are now (on average) more educated than men - if every woman wants a more-educated husband, most won’t get them, and there will be some kind of crisis.

There have been 169 killed in mass school shootings since 1999. Roughly 7 per year.

Each year it's estimated between 240,000 and 325,000 children are sex trafficked in the United States alone.

Instead of banning guns... how bout you pick one up and start defending our kids?

Sending every last penny on Earth to offshore bank accounts will never have an affect on global temperature.

Human stupidity and arrogance are literally our biggest problem.

# **This whole system is ruled by fear.**

**"IT DOESN'T MATTER IF IT'S COVID, THE WAR ON TERROR OR CLIMATE CHANGE.....THE CON IS ALWAYS THE SAME. THEY FIRST WEAPONIZE FEAR AROUND AN INVISIBLE THREAT. THEN THEY TELL YOU THAT THEY'RE THE ONLY ONES WHO HAVE THE SPECIAL EQUIPMENT TO SEE OR MEASURE THAT INVISIBLE THREAT. THEN THEY USE YOUR FEAR INFUSED MIND LIKE A YO-YO, TO CONTROL YOU AND MAKE YOU DANCE LIKE A CIRCUS MONKEY.....BASED ON THREATS THAT NEVER EXISTED IN THE FIRST PLACE."**

The BudLight boycott was so successful because men are the primary customers and we made it socially unacceptable for other men to drink it. Women must do the same thing to Target now by telling friends they won't shop there because Target pushed trans products onto little kids.

I hate Boomers.  
They're the  
worst  
generation ever.

Silents too.  
They  
helped pass  
the Immigration  
Act of 1990.

You know, the  
Greatest Generation  
passed the CRA and  
the Immigration Act  
of 1965.

You know who  
got us into  
World War II?  
The Losties.
