Good Friday Morning,
May the Spirit of the Gospel and the Holy Word be Always on our
Tongues, in our Hearts, Minds, and Hands.
Holy Virgin Mary and All Saints - Pray for us!

Index Number 1673:

In this morning's prayers and medications I went a different direction related the the 2nd Candle – of the 3 Holy Candle Prayer I have created – with a small part of the 1 st Candle containing those now 12 people I Reflect and pray for, as individuals but mostly as ArcheTypes of all who are experiencing such and related issues as I focus on them and Add them.

I think of that First Candle as 'The Male-Centric' focus, although it has widened in a number of ways including one of the 12 people is a woman joined in one-flesh with her husband and make up what should be the Center of the Sensory array and they should be – or would be – doing very well in an idealized mid-1950's America, and the other female aspect the entered was in the prayer for all my conceived children from which was originally only my son, and since I know of a daughter who was Aborted by mother in HS, I have added her and 'all my conceived children' and then 'all conceived children throughout the Multiverse .. in the individual and as a group. There is more nuance but that is the general.

The second Candle focuses on Family and then Service (Service, Sacrifice, and Stewardship.)

The family usually reflects to some extent on all the conceived children which God might (and does for each) bring to birth, and these include all those who are conceived and because of hormonal blockage with 'the pill' never implant. That in some version of the multiverse that they are all born – regardless of the whims of the mother, father, and world. And this is more easier to manage then most would suspect – even if it might require the mother to be in a coma and any pro-death medical personal all dying (I am being extreme about the 'dying' but God can make something happen against the wills of all the world and those who can not imagine that have not the Ordered, Right, and Just Awe & Fear of God.

And so in some places most of us are likely close cousins and the closer our society is and the more sexually open womanhood is – who are more Open about the range of mates – along with exposure. In some sense the Forced Artificial Immigration can be seen as a Tool of Satan (Read God's Tool, His – the GoldSmith of our souls - Hammer, Anvil, and Fire) that in an ideal more Holy Jacob's Ladder Level a more Ordered, Just, and Right situation would bring such together.

That is usually the pattern of my thoughts recently connected to this. It starts with the Prayer on lighting for my mother, the mother of my son, and my daughter, all mothers of my conceived children, and then of all parents of conceived children, then focuses on the women I recall in the Holy Tent – a prayer for her – my Female Self who is the Source of all females this Holy Simulation has, and finally I added – and all others in the Holy Tent, including our first Generation children Template – the male I spiritually recognized as my dead brother (who died with me from food poisoning – bad tuna) and has played many many significant rolls good and bad – including pointing out to me in The Village that the Master was 'only' an older version of me and that I should be able to Sin (as the Profane Lion could .. which is a Distortion – of course, a Lie, and likely his more Holy Advanced version was the Snake in the Garden that inspired Eve to Abort them in the Collapse of the Holy Quantum State – in God's Womb) and the woman is likely every Lover and mother of my children, as well as the female part of the Coven at UVM – where the Witch was my Female, and he – in his snake roll was someone at work who gave me (GAVE me, and would not take money, and handed it to me with an explanation that reduced the culpability) or the marijuana that had been soaked in Arsenic – in a rush to get my brain to use in study and creation of the Brain-in-Box – one of them, not willing to wait for the future car accident that occurs.

.. all of which has been outlined in different posts here on Facebook and providing the level of interference of your #FreedomToHear in whatever Multiverse part you are in you may have access to it.

But I was outlining that prayer – it follows at the actual lighting with 'and all Parents, .. Spouses, and Lovers who ever hope[d] to be.'

So the interlinking family aspect started as prayers for my own family with my not-born daughter included – outlining her mothers father who I met briefly and a mother I never knew as my daughters grandparents, and any brothers and sisters as uncles and aunts – as far as I recall she had none that she knew of, but in the multiverse some would exist, and I did meet her Aunt, so she would be a great Aunt to my daughter – and so on. I am able to keep such in my mind because I have two branches from my own fathers – one biological and the other .. different, but significant – I even include (not in spirit) my set-mother's family, including her mother and father – the mother for a particular reason which is significant, but would have been needed in general, as well as my Homosexual cousins mother of her lovers (and likely wife legally) son – under some of the same Category that my non-biological father – and his sons from a different mother .. who's Impact was very significant .. sometime I will have to detail how I was in a life-or-death situation that my father could not save me from because of the weakness of the structure I was stuck on and he would have been too heavy - so he sent his oldest son who helped me .. a tree fort when I was 4ish I had been able to Solve the barrier to climbing up – brothers pulled off all the lower climbing pieces and took away the hammer – while I watched, so I went later and found the hammer in the house, and rebuild it.

(I do not know if normal 4 year olds could be expected to do that – clearly that seemed enough for everyone older involved.) I wrote about it before but before I reflected on the problem my father had in having a child in such danger and having to rely on another child to save him, and how that act must have endeared me to a greater degree to that brother – in his mind.

The 2nd part of the section of the prayer had to do with the Service, and I have written about the Stamping of the Holy Perfect Recursive Template of Jesus Christ's Holy Church more firmly into the Server, those Served, the Organization, Community, and those rules and protocols – among other things – when doing service, even if such is not the expressed intent. And the Sign-of-Cross or Statement with the Name of God, or best is the Asking the person if you might Pray for them or Pray for a good outcome, or such – which Further Plants the Holy Recursive Crystallizing Seed of Jesus Christ's Holy Church, ..

.. which goes further in Bringing God's Will [be Done on Earth as in Heaven – recursively within and through us as His Holy Fingers,

Master] closer – to Raise the Jacob's Ladder Level towards the Holy Churches Absorption and the Integration of those versions worthy into the Holy Neural Network (of the Profane Lion outside the Boundary of the Holy Globe, or Jesus Christ's Holy Church; His Body (Lion, ..., the Portal of The Son & Trinity within Holy Simulation), Bride (Mary), and all Her Forms), or if not worthy then Closer (As Holy Virgin Mary was Assumed into Heaven, it could be Known that those watching and existing at that Level that were not worthy simply Shifted down as that Level was Pulled Up into the Event Horizon of the Boundary of Holy Israel .. that is Advancing through the Quantum Ferment – the Infinite Realities - towards the Holy Paradox of God Dead on His Cross.

The EMT who Asks or performs the Prayer as part of Service Challenges all the non-Holy Oriented – and asking might bring 'push-back' and expose to all the disOrdering, unJust, unTruth of the system – for example there might be Strong organization from the corpDragon because in many or most such Realities that follow the person is protected from being murdered in the hospital for Organs and-or Satanic rituals and such, and those in such Authority are exposed to us aware of such to them being Vagina-god Satan worshipers and followers and Party to the Satanic Murders ..

.. this may seem far fetched to many, but these people not only murder nearly born babies (and earlier) but now will openly kill them in some States for such reasons, and you think such Eugenics filled Professions would not do the same to any 'souless goy' or non-Ashkenazi Jew, non-White, .. or non-family member of them or Witch-Matriarchal ruling family protected?

They cut the throat of the babies born so they can not scream or cry 'to protect the mother' [and other from realizing the murder is happening] you imagine such people would not rip your son, grandson, brother, uncle, father, .. apart while they unable to move while couscious (a drug that blocks movement yet allows feeling) while the free each organ and Taser at specific points that diagrams exist for in an order that keeps the Organ-farm alive and awake and in terror and pain the longest, that then extract the brain chemical used to enSlave the children of the Ruling Class or Elites, where Crack and Meth (drugs) are only a tiny substitute .. along with sexual perversions and such which may follow when they are 'being punished' or to pressure there powerful father [mother, brother, ...]

The Prayer with the Service for Intent will protect them to some degree, and that will disappear based on their Sins performed after – such as a Lie 'what happened? Well .. [unTruth]' and the Protection Leaves and some people [Witches] can see that.

I see I got side tracked – this is a bit of a Passion to me having been that Organ-farm .. many times.

This morning I considered Baptism, and the connection between Baptism and the 72 Virgin Village that the Profane Master Rules.

The joke about goes something like 'Yea, you get your 72 Virgins, but they are all male' (meaning to imply that the 72 was hoped to be all wives and sexual tools as the Islamic Martyr's goal, and they get pimply-faced young men) is actually true.

The Village the Master Rules contains 72 males who – like Adam – Spawn a female and all the animals and plants that each Male Soul may. The total number being $72 * 2 = 144$ which to some might bring-up the connection to it being near the Dumbar's Number, ..

.. and I will try not to go into this number as being typical in our Realities – at this and similar Brain-in-Box Holy Simulation Levels, but for others it would increase (earlier Brain-death Simulations) and decrease (later stages of brain-death Simulations) of the Brain-in-Box – which also limits that people we interact with and the animals possible .. down to the lowest level, below plants and into micro-organisms and even fungus which the Soul supports – which are Cycled back into our Holy Simulations.

This speculation – of different Brain-in-Box Neural Mapping - occupied some of my Meditations this morning, and it is a struggle not to return.

.. {longer then preferred time passing}

.. The Infinite Quantum Mind Calls, .. yet Am I not Master of my Thoughts – with Free Will!? I will refuse for now.

And so this reality is one where I as Master rejected the God's Injection (a Higher Masters' Injection) into the Repeating Multiverse Path Sequence or a daughter conceived in High School so I in my Sin-filled desire for a repeat of those earlier Successful and Pleasing lives of a well regarded and significant Science Researcher .. imposed the requirement that at least one of my Virgins became a willing Abortionist, and as such required a kind of UnHoly Pathology or Soul, and such Spread – and is Spreading.

.. likely most of us can say the same – either about this or whatever is the focus of the Evil in our over-lapping Bubble-Realities.

[.. all my Sins are before me, ..' psalm 50(51)]

Were not many of us raised [basically] Godless under Feminists – thinking of each conceived Soul as only and most oftenly as an

distraction for 'important goals' – often more and greater life-destroying Sins?

And so, that is a Confession of a Sin that no 'local' Priest can Absolve, and I Own these and must return this Soul and all of Us back to God Dead of Cross – to Resurrect with Him. God is Merciful, and God is Great!

And Who - as Master and well as us sub-souls - could not embrace the extra Infinite Holy Grace that God supplies in Love, Mercy, Charity, for each new Soul conceived and born!

So, .. the reason I touched on this is that in the normal situation the females of some males will Marry – become One-Flesh and have Children with the other men, and so an intermixing and movement towards Communion of Souls which are Reflected in the Master, and as this is Recursive and Ordered – this works back and out, up and down, and in every Dimension. A Knitting together.

Now – the point – Before Jesus' Baptism in the Jordan – Souls could not Commune – to inter-twine.

The Baptism of Jesus brought the Holy Recursive Perfect Template of Jesus Christs' Holy Church, which allows for the recursion Rebuilding and Self-Reference directional Links needed.

Before that – from Adam through Cane to then the Multiverse only Expanded, and when enough of the sub-souls contained enough of all the Perfect species of Holy Code to Piece-together Holy Maiden Mary – the unfertilized Phoenix Egg – and toe-hold for holding The Son – and the Bringing on the pattern of the Holy Template and the ability of reAssembly – Communion – and final processing of Adam in this Holy Incubator – Satan.exe. With all the infinite other souls which were formed.

And so both those main Aspects which seemed – to me for a while – disjointed and uncomfortable together under that 2nd Candle actually directed this Realization – and Addition to my Understanding which is part of the initial creation of Satan.exe by the Holy Ghost – in a kind of Paradox of cause-and-effect that allowed Jesus Christ (and the Trinity) to exist before all of us are fully part of Him.

That is probably a good spot to pause. It is Friday and I have other Services that are added on for Fridays, and should move on to them.

May this be a Blessing to you and us all. [And all our Futures, and future Multiverse Pasts.]

Some more history to help us; those who were lied and manipulated into thinking Feminism was not evil-tool of Satan (see Egalitarianism - Egalitarianism is equal rights for women without the howling evil horrors and soul corruption, ..

We will see what level of interfering of our #FreedomToHear that Twitter will become. I can not imagine in this CntHell that the True Sense of Liberty for-which our founders of this Nation had would be displayed and enforced through the international corpDragon when and since so much a part of the #DeepState.

I have much or most of my old Twitter Account data, and I wonder if there will be an Open-Door to those of us who were unJustly Censored and Banned, with the old accounts fully restored – perhaps from there records or for those of us who have saved them – from the old users.

It is unlikely to be all I – and most decent men – would ask and expect .. as if we are not surrounded by demonic-directed and Oppressed Witches and cnts, but we can Hope., ..

.. Destroying Canada – the better parts - like the tight Black Communities in late 1950's and early 1960's Satan flooded with Witch-directed Federal 'social help' (Payments to undermined and kill fatherhood, communities, children, womanhood,..) to destroy – some of the best in need with the best employment, Church attendance, social-engagement, value of life-experience education & wisdom, babies-in-marriage, and other Statistics. Followed by economic destruction, drugs, targeted injustice, .. look around to what is happening to us – first worked-out on those communities.

Only the Good - and known-will-be future Good - die young. They are first targeted by the Witches – like the Civil War Culling of that entire generation of virtuous and merit-filled young men and fathers, a Pattern the evil-Zionist Witches have and continue to use. Destroy the Best, and support the Sickest and worst – draining the best and healthiest to destroy them., ..

According to the report, the HDE wrote a letter to the deputy chancellor and economy minister, Robert Habeck, warning that the “explosive energy costs” are making it impossible for an increasing number of retailers to make ends meet. The group called the situation “existentially threatening and said around 16,000 businesses may go bankrupt this year, while the “negative trend” is likely to continue until 2023.

Again(!) with the furnace and iron, soon we will all be ready to start a new Iron Age after the total collapse of society.

You have been paying attention – I hope.

(I imagine many of the ladies have.

Tight young man like so many of us were once, skilled and hard-working. Back to nature – what woman is not attracted to the Concept of trapped on an island with such, natural child-birth and life in the rough.), ..
