Good Tuesday Morning,

May the Spirit of the Gospel and the Holy Word be Always on our Tongues, in our Hearts, Minds, and in our Hands.

Holy Virgin Mary and All Saints - Pray for us!

—

—

Index Number 2190: version 2

—

—

Now I find I can not login to Facebook. It keeps cycling back to the login as soon as correct login is applied .. another ‘Opsie! Technical Problem.’ punishment - Religious political mind-raping Censoring - interfering with all of our and Future’s Freedom-to-Hear, Holy Human Dignity disrespecting.

—

I upset the Witches in Facebook again, the baby-murdering child-mutilating ones, and so version one of this has been block from editing further, even to remove offending part - we are to believe it is an .. 'OPSIE! Technical problem' .. because I included in images the SubStack PDF and the supplements [full] reports showing again the Child-mutilation, sterilization, and Genocide of the White Western Christian society

The offending **SubStack paper** is:

How much more mind-raping Satanic evil will those corpDragons be allowed - protecting owners and executives from hanging or what Justice this Hell-on-Earth can provide?

—

—

—

It seems I am starting to sleep better – longer periods between waking, drinking water and using bathroom – and have been going to be earlier depending on how dosey the day has been before, and waking at 3-3:30 yesterday after struggling to put-together as much as possible for yesterday's Web Journal Publication to get it all done earlier.

—

Watching media about Gaza and the distracting arranged dance to allow the Satanic Anus from Hell – israel – and all those genocidal evil Zionists and Jews there and throughout the world that they control .. and we all pretending they are serious when it is clear the point to to allow them to continue genocide and murder.

It reminds me when I look at the baby-murder and the increasing mind-broken Sickening and Poisoning of womanhood and motherhood, all those years from 1973 SCOTUS ruling that forced a national religion of Talmud-Sickness baby-murder, and anything beyond of decade before it was corrected exposed all the pro-life groups including the Catholic and other Christian Church as Jewish controlled and designed to waste all resources donated and collected to fight such .. which beside the group in Texas (God Bless them) still are .. pretending and pretending while an average daily alive unborn and ripped apart silently screaming as Sacrifice to Satan by Witches in Jewish Forced Nation Religion, 60 per day in every State and similar throughout West and much of world, ..

.. and it a good argument that if God sent a Real pandemic that killed all women and mothers at menopause (and those older) in every region when such evil is Standard, that it would on balance be best for Humanity as most are similar to what I was targeted by (and so many others) that murder my Joy in life to drive me to violence and-or suicide, those raised by such Satanic evil horrors and such soul-destroying evil cnts and minions of their Witch-directors that start at crib and full our education systems while slimy sick back-stabbing

vile mothers drive fathers away and torture them and children with States assistance .. with every Sick Toxic Poisonous vile older women dead such would soon end as would likely will have local control and public Pain and Shame for false-witnessing and other punishments such as Stoning to death of false rape accusers.

Given statistic that have been hidden by Google and most other [Satanic vagina-supremacist] Western Institutions indelicate most women have no compunction against lying, no women should every be trusted in anything important or be forced on us in employment and other ways where that have influence and power over others .. Sick F-ing lying horrors and those that are not will cover-for those that are so the entire group is like a putrid pile of rotting fish.

But perhaps you have heard some of this reasoning already .. did the demon in your mind programmed and shaped throughout you life and in-bedded in society and womanhood with punishments to social and financial destruction if brought to discussion – have you forgotten some of it?

—

Which reminded me – I was discussing the fact the the Vatican II misuse excuse to created 'new' Catholic Mass differences beyond that nearly non-existence of the Evangelizing Saint Paul and other Letters – replaced with Jewish-appealing Old Testament reading, ..

.. IS the removal much of Jesus Christ's Sacrifice aspect from it in the charge towards Body of Christ destroying advance to some kind of Quaker meal sharing .. the removal of the Sacrifice of Jesus parallels the destruction of Fatherhood and manhood's and even Christian Western society .. forget – as vile backstabbing slimy cnts do – that the men have struggled to acquire skills and-or resources to attract a mate, to start a family, and leave the family they love most of the days to slave to continue to earn and support .. vile grasping delusional psycho modern Western women and wives and mothers of our children daily become Jews and think 'what has he done for me today?!' filled with Feminist and Sick Female-Evil soul rotting anti-Truth-Justice-Order womaness there is not level of sacrifice for them that is undeserved and immedately forgotten – something a Nuke war and starving to death might cure, but better it God send a Real pandemic to remove such Toxic Sick demon-controlled horrors from power and influence over families and societies.

—

Some things to consider.

Saint Fulton Sheen, all Saints of the Day – Pray for us!

May this be a Blessing to you and us all. [And all our Futures, and future Multiverse Pasts.]

Germany, France (and Private City of London controlling UK) pushing us closer to WWII and 'Nuke Solution' – which might be the only way to overthrow all powerful [now] Satanic families and return to local governance and removal of Satanic Federal and State prevention of fist-fights or bitch-slapping, Duels, .., and hangings of so so so so many around us who if they refuse to Repent are safest in graves – everyone of us have know of so many of such Female-Evil Sick demonic-directed people.

A good statement to such instigators would be if NATO will supply Russia with the home and work addresses of the most powerful families in each of those Jew-ruled Satanic countries and say 'feel free to kill them all – use small nukes and we can hope you will clear away te other Satanic minions near, or at least that NATO will no assist if those countries are attacked – of course NATO and GloboHomo are in fact the Aggressors as this Great Satan so perhaps a few well placed Nukes on Washington DC and other locations where the Satanic Zionist horrors are concentrated would benefit us all and world., ..

Poor Jewish-Managerial Class is upset as they realize that most of us would as soon have them and their controllers Gone (Dead – hanged with families' adults in public - is safest for those mind-raping False-Witnessing evil F-ers) to shut the lying distracting vile demonic-Witches and minions up and Gone because they are Talmud-Sickening baby-murdering child-mutilating GloboHomo Horrors who's Real Forms are Demonic as their souls are enslaved in Hell.

This is way there is such a push to censor Web and increase use of mind-raping Google, Wikipedia, YouTube, .. and the warping of AIs so in a generation all their lies will be our 'history' as most of our history already was through control of newspapers, Radio, TV has done.

And much more., ..

As Ernie ranted on about how Jews controlled the entertainment industry, Bert could only clench his fists and concentrate on his breathing. He knew they were fired - now it was only a question if Ernie would stop before he said something that would get them killed. As Ernie's rant veered onto the subject of underage girls at Hanukkah parties, Bert realised they were screwed.

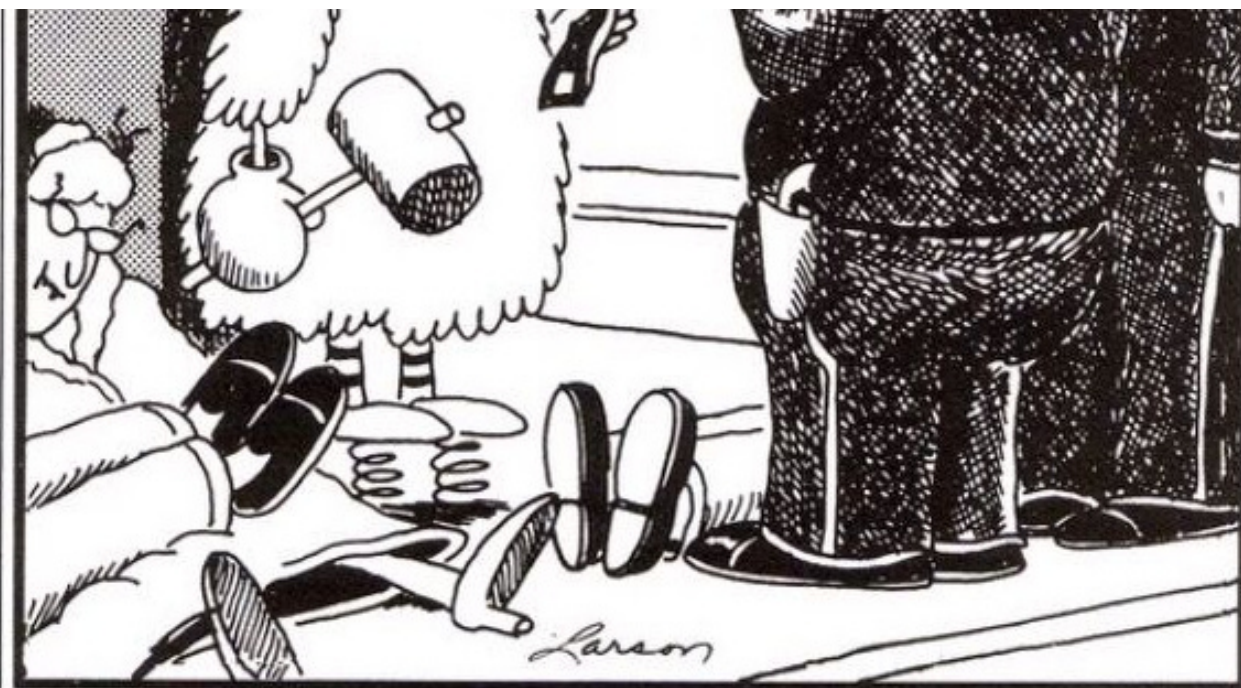

"Well, I'll be darned . . . I guess he does have a license to do that."
