I discovered after writing the following to post as a warning to readers .. I discovered I have a 6 day suspension – which might actually be longer as they added a day to the 3 days one recently.

I am putting this here and suggest that to avoid or reduce being victimized by the twisted demonic arbitrary VagFeelie disOrdered, unTrue unJust abuse and loss of access of older work, and related, I will post URLs to other sites and PDFs of my work.

At least I probably should do such - but likely that would cut off from a group whi can not access SubStack and-or DropBox were the full version would be. And that seems like the purpose.

The 'Bullying' is clearly an excuse - the Spiritual and political aspects are clearly what the Witches and Golden Calf Satan worshipers do not want you to see, and want me to choose to not publish so they are not responsible for all the Sins and Salvation they encouraged and prevented, and related.

They will have to do that themselves. Evil is slimy and it is best to assume the simple response and-or the less considered response is what Satan is pushing and manipulating us to do, serving Her evil.

.. and then – and then when I went to add an image – the title of SubStack last post with the first group of images found at top, which gave me an error message and discovered then – after creating a post to alert others – not realizing because I was not told of the actually suspicion yet – looked like a warning only.

F-ing designed to waste time and resources! Never Clear, always slimy and passive aggressive testicle kicking howling cnts. and designed to be that way – I have not idea specifically what image or statement they are pretending was the Bullying .. as if I pretended they not so clearly evil and suppressing my post because it goes against the evil they Poisoning us all with.]

This morning's prayers and meditations touched on many topics, and as usual some answers to barely formed questions and wondering as well is extra Insights into aspects of my Model of the Holy, and interactions with this Reality and all the different interfaces beyond the close-at-hand personal ones.

While going through my regular 12 people (11 men and one woman) who provide a Ordered Range of Oppressed Female-Evil world-wide and society wide Demonic Oppression and different mixtures of aspect such as male-female focus within each one ..

.. one extreme being Rob who represents all those carrying the Cross of the World and unable to communicate the situation, often brought on by a sudden unexpected situation, a Man who is only able to walk in the world under constant Suffering and Resistance – internal and external – invisible to most and little more than someone to avoid often to those family and even wife-children he sacrificed and suffered for for so long, and a society that hates him for his Being [white, Man, Christian raised and-or influenced, Values based, sacrificing, Serving, and when possible Stewarding those less able, needlessly he suffers unrealizingly that he is Hosting so much through it and thinking carrying it alone – not putting it onto God more through worship and prayer.

And the other extreme of Clergy – who knows the proper management of all All such situation is to 'give it to Christ' to turn - in the Spirit of Saint Joseph who Mentored young Jesus – into Transform All things into Holy Value and even Holy Goodness.

.. Holy Meaning & Service from common and extraordinary Sufferings.

Next to Rob is whom I think of as 'The Evangelizer' and it was in short contemplation of him in review that I realized part of God's Allowing the break in access to Facebook, and how Absence of something can be a Values greater then what might have occurred in all went as normal.

It was in considering how one of the last times I ran into him was to find out that we could no longer do the planned visit to the Prison to visit, talk, and Evangelize .. his weekly visit and I was to do it the first time and maybe regularly, because of the insanity of the Plandemic 'lock-downs', and my regular prayer was that his Absence for at least some of them would – with all the other issues and sufferings prison contains make some realize they were really looking forward to his regular visits, and in missing them some find Motivation to seek independently what he was handing them, some once practicing as youth Catholics and others would start to more fully reflect on whatever Formation was layed-down when younger, and start to extend it .. and perhaps – God Willing and in His Mercy – those Catholics might, if and when the Protestant Evangelizer returned – start to re-focus him towards a Fuller Faith, a Truer Version, .. perhaps.

That such would Spread within to others – even one other. Etc.

—

Perhaps not only can and does the removal of my last Post on Facebook bring a huge Focus on what was being suppressed – as most I hope realize that such excuses such as 'Bullying' are nearly

transparent excuses – that the information, ideas, even methods of thinking is really what Satan does not want Seen and considered by others. .. and many might move permanently away from Facebook which would isolate many's voice from the Multiverse where Facebook being the First is widespread, moving to SubStack or directly to DropBox – a very much smaller Multiverse existence,.. .. but in seeking those removed – may further wonder and return focus to the writings of others that Satan have censored or Banned – perhaps motivating someone like new social media owners to Actually republish everything removed under whatever classification was used – all but actual Criminal Speech as defined by the Constitution – that is. Perhaps under special searchable accounts.

This idea comes from the consideration of using my Archives of Facebook posts and comments I have been monthly including – of writing programs to pull out those posts that were later deleted and no longer existing on later versions, ad so getting a Time-Line of what Satan wanted removed and-or of the Spread of censorship – someone with System wide access to all the backups of Facebook and similar can get a Reality Wide version of such and with decent AI pull out and organize by Virtues Suppressed, and Sins encouraged, etc. groups of removed posts and information.

The entire situation would show much that can help us understand what the specific Goals beyond 'evil' and 'increase ignorance sin lies suffering war poverty death ..' and time-lines that likely would reveal much in a Postmortem (after death) of the once Shining Living Loving Western Society we once had, and the souls of our GrandFathers and Great GrandFather backwards as they were murdered by the spreading Female-Evil, choking and drowning one at a time at the hands of Witches and Satan's evil-Tools – those women and their Dog-males that were warped from crib – often fatherless Witch born and raised – turned on decent men and boys as well as the institutions & practices such as fatherhood, honor, virtue, truth, sacrifice, self-control and discipline, etc.

—

So one without such access might start with the single Posts removed – asking Self '*what is it that the Satanic Witches ruling my world do not what me and others to read or see, and to consider*', like with yesterday's – which still exist on SubStack and the PDFs in DropBox, Post, **Multiverse Journal - Index Number 1698:**, **October 31th, 2022, Monday Morning, ..**

Okay – a lot of lightly or uncommitted-on videos (and article) linked below, and since I have a Full Mass later today and many extra things to do I will mostly leave them so – in hopes that for many of you that the Perspectives and suggestions I normally inject will be considered while watching them and if you add or improve on them – consider them in your daily prayers & meditations and perhaps the Holy Infinite Quantum Mind will pass them through and around.

I did watch the 5th part of Big Mustache man's newest posted video on Stoa Channel, and good to hear that he has gotten feedback, and hopefully will consider it - Looking forward to this entire Project ReWorked with newer perspective and Sharpened and-or others with a the self-referential realizations that he was – in technical study and intellectually – battling his Family Demon and perhaps will shake it mostly off with the realization of his warped – as many are – warped Female-Evil filled from-crib conditioning.

.. What a body of Work he could produce!

Using the Demonic that is clearly Here Now – included with a different Light on the history and perhaps what was clearly done in distortions and what was being hidden.

The modern evil of damning a peoples in the pre-Christ period of not using airplanes and so were evil then, and if evil then – all they could have produced – including airplanes – was clearly evil!

That kind of logic that in intellectually Vomit Poisoning everything Good that our past Benefactors have bleed – sweated – died – killed – struggled – suffered - .. - For [For Wives, Mothers, Aunts,.. us and children] and they Gave us. ..

.. to be Damned by our Demon-Controlled mothers aunts grandmothers sisters from our crib and followed by Wives Lovers Daughters .. in some kind of coordinated warped Satanic evil-practice that evil-Profited them with the powers to murder, destroy, steal, rape, torture, lie, control, .. at their Whims and directions f the Demons and Witches and with the assistance of evil-Gov and corpDragons – all demanding our souls (and theirs) Burning in Hell for only one more baby tortured-to-death, good man destroyed, young man suicided, another village bombed, child sexual-emotional-soul mutilated for there next 'Gov Pay Check' or local Witches' Promotion .. into and towards a warped imagining of some kind of god. Vagina-god Satan.

The more Scandalous Pope Francis The Destroyer is, the more Wondrous can be he Church's Transformation – with all our prayers and assistance., ..

'Hate Speech' laws: Welcome to Stasi Ireland!

'Hate speech' laws are not simply censorship. Their deeper purpose is to terminate equality under the law, so the normative indigenous members of a nation are made to feel like an alien underclass.

Those who have doubted that Western Civilisation is in the process of being dismantled are about to receive their definitive reply. The supposedly 'unavoidable' fire-brigade damage inflicted on our freedoms in the Spring of 2020, which has never been repaired or reversed, is about to be consolidated. The shout of 'Emergency!' was at that time sufficient to quiet most objections

A Rising Christian Russia looking sadly at us soul-mutilated miserable Venture Capitalist Golden Calf Satan Worshiper directed Hatred towards them because they Resist the howling baby-murdering vile vicious womanhood and Elite Poisoning horrors, Sad because for 30 years Russia tried to join the once Great Western Society .. but since we are Rotting evil corpses insane screeching Female-Evil Horrors, they must Turn Away and do Sane things and Morn our Death and resist our evil-Zombie #GreatSatan lumbering

dangerous evil., ..

.. but perhaps I have embellished it a bit in my review.

I saw that Russia kept trying to join in and help us return back into Greatness Potential, and I was not even looking .. and personally think that Nukes in the homes of every Ruling Witch family – a Bullet into the head of the evil-Zombie – seems reasonable or close to it – and if so, those of us regular people who survive the following decade and willing to remove those vile soul-rotting Female-Evil locally when and where it shows it's deceased and murdering hand .. could eventually look back with Thanks to Russia and God for the Futures given them.

So, F-you and be happy if we are selectively Nukes.

I expect to be dead as this is clearly a Center of Evil – Burlington Vermont and would Demand if it were to be done, that might as well be done Well and quickly. F-ing putrid vile baby-murdering child-taking F-ing cnts at every turn – being prodded forward to Hell by Witches at every street corner, every corner of State and Federal Gov, every power position.

.. I found the Rumble playback kept freezing .. for seemingly no reason and tired of restarting it and watch the version I downloads – the last time was as George saying something about Sen. Raskin – turns out he was saying what I expected and made sense of 'Opsie – Technical Problems' if VC Golden Calf'ers ..

.. George cut-off from saying Sen. Raskin sounded like a Bulsavic (Holodomor Christian Genociding Russia Revolutionary) about Ukraine and support was for baby-murdering child-sexual abusing

Globo-homo children destroying Feminist male-hating woman-destroying .. and other mutilating Satanic Goals – Sin, Suffering, Horror, Death and Burning in Hell.

Sad about Rumble – if so. More festering vileness in yet another Institution – but all these significant corpDragons are Captured by Satan – and those do not all need Banking and Gov and other aspect to not Cancel them.

Recorded a short time after #GreatSatan attack on Russian's North Stream [underwater] Pipeline.

Prof. Jones does a good job of correcting the channel interviewer who is full Retard about Russia, and this would be good for many who still are feces-playing Witch-twisted Western Media only followers who do not know and seem to be unable to understand .. Another excellent interview from Prof. Peterson worth looking at.
From video discretion - *'Dr. Jordan B. Peterson and Newt Gingrich discuss the state of conservative politics, why the young generation is drawn to it now more than ever, and how across demographics, big changes are in store following the midterm elections.'*

Speaker Newt Gingrich is Chairman of Gingrich 360, a multimedia production and consulting company based in Arlington, Virginia. As former Speaker of the House of Representatives, Gingrich is well known as the architect of the "Contract with America" that led the Republican Party to victory in 1994, creating the first conservative majority in the House in 40 years. He was a Republican candidate for President of the United States in 2012. Gingrich is a Fox News contributor, podcast host (Newt's World), and syndicated columnist. He is the author of 41 books, including 18 fiction and nonfiction New York Times bestsellers. His latest books include Beyond Biden: Rebuilding the America We Love and Trump and the American Future: Solving the Great Problems of Our Time.'

[Sorry – this video was removed - likely by YouTube before I could grab it – they talked about covid and the alternative forms of treatment – Karen about her dog was instantly cured by the 'horse medicine' why she suffered for over a week (misinformation? – her personal testimony?) – and such, which may have been the cause .. more things the Witches, the evil mind-F-ing horrors, the #FreedomToHear interfering public resources and taxes Sucking evil horrors that want us all dead and dying Burning in Hell and Must Be Obeyed – the owners and controllers of Gov and all Instatutions – must be Obeyed.

I leave this here as a reminder of the Evil FootPrint of Satan Stealing our Joys, Learning, Sharing, Loving, and leaving at best Blankness and Emptiness – but usually howling insane Female-Evil Poisoning Screeching and Horror.

I missed hearing Karen and sorry because I assumed I could return and listen I did not catch all I could of her and Alison and .. I forget his name, but good stuff.

Emptiness instead – Like that emptiness too many of us feel knowing Aborted children of ours and others Should be near and Loving us and us them.]

Karen Shines in beginning with Alison about Feminism history and hyper-appeased women's testicle kicking thank you for the bending backwards for them – and Karen does not sound belligerently drunk (yet), ..

.. then wonders off into cold and sickness. Bogger-talk for a little bit talking about funding and donations.

And gets into an article discussion., ..

The media is much angrier about the free speech of Kanye West than it ever was about the crimes of Jeffrey Epstein and Harvey Weinstein.

Really makes you think....

" You white people are on an endangered list. And unlike, say, the bald eagle or some exotic species of muskrat, you are not worth saving. In forty

years or so, maybe fewer, there won't be any more white people around, and that's a good thing..."
