This morning's prayers and meditation focused much on aspects of [yesterday's post](#), and at this point I am not sure if I could add much to it – first because I have been in a mind-block of wanting to create a recursive program that uses the Pi as a summation of 4 over (+/-) fractions, where on each Pass another Digit is added, that I seem to recall that every division of two hole numbers is never irrational and so eventually repeat digits – either a single digit like $1/2 = 0.5000 \dots$ or a repeating pattern of 2 or more digits, and wondering if the length of the pattern could be bounded (less in length) related to the Denominator, and so for all the terms actual 'manual' long division (to stay in integer math) would not be needed before the adding and the actually addition (and subtraction) be limited to only as many digits as reflected in the size of the Denominator .. and frankly a lot of really cool other thinking, like how best to organize the algorithm and how minimized I could make it.

Rate of convergence

Some infinite series for π converge faster than others. Given the choice of two infinite series for π , mathematicians will generally use the one that converges more rapidly because faster convergence reduces the amount of computation needed to calculate π to any given accuracy.^[82] A simple infinite series for π is the Gregory–Leibniz series:^[83]

$$\pi = \frac{4}{1} - \frac{4}{3} + \frac{4}{5} - \frac{4}{7} + \frac{4}{9} - \frac{4}{11} + \frac{4}{13} - \dots$$

As individual terms of this infinite series are added to the sum, the total gradually gets closer to π ,

and – with a sufficient number of terms – can get as close to π as desired. It converges quite slowly, though – after 500,000 terms, it produces only five correct decimal digits of π .^[84]

An infinite series for π (published by Nilakantha in the 15th century) that converges more rapidly than the Gregory–Leibniz series:^{[85][86]}

than the Gregory–Leibniz series is:

$$\pi = 3 + \frac{4}{2 \times 3 \times 4} - \frac{4}{4 \times 5 \times 6} + \frac{4}{6 \times 7 \times 8} - \frac{4}{8 \times 9 \times 10} + \dots$$

The following table compares the convergence rates of these two series:

Infinite series for π	After 1st term	After 2nd term	After 3rd term	After 4th term	After 5th term	Converges to:
$\pi = \frac{4}{1} - \frac{4}{3} + \frac{4}{5} - \frac{4}{7} + \frac{4}{9} - \frac{4}{11} + \frac{4}{13} + \dots$	4.0000	2.6666 ...	3.4666 ...	2.8952 ...	3.3396 ...	$\pi = 3.1415$...
$\pi = 3 + \frac{4}{2 \times 3 \times 4} - \frac{4}{4 \times 5 \times 6} + \frac{4}{6 \times 7 \times 8} - \dots$	3.0000	3.1666 ...	3.1333 ...	3.1452 ...	3.1396

There is part of me that drags my attention and thoughts back to it.

—

And also because I got distracted as I was doing something else before I sat down and so became more disconnect from the Infinite Quantum Mind.

—

Part of the something else was consider objections to what I put forward, and how many would likely find it Heretical – mostly because their Catholic Formation did not delineate VagFeelie-vomit presented as some vague explanation and what is established by the Church Fathers and-or written about by the Doctors of the Faith, and much is because it is complicated and to simplify much more would make it actually incorrect in smaller scopes – which is how we take in such – and lead to people dismissing because they know it as wrong by the doctrines – and they would be correct .. the disOrder displayed which is expressed to shown inJustice but no one waits long enough to 'get the point' .. like trying to tell a story where the person is not able to pay attention through it because his pants are on fire to find fault or dismiss or other reasons.

So, as I have written before I am not Stating my Model

of the Holy is Truth – although I do believe and have lives and memories of much of what has inspired the version – I AM saying that here is an example of how much of the Mysteries and seeming Paradoxes can be resolved – and SAY that if I can come up with this – then those Mysteries or seeming Paradoxes should not be assumed impossible, as so many do – and I always encourage a Better solution, if you can generate one – for the entirety or even little bits of it.

The kind of dismissive attitude – as well as threats of some form of Censure and punishment is Satanic .. and likely exactly the situation where Martin Luther ran into .. where reasoned debate and interaction may have rewarded the Catholic Church with some modifications and expansions of the Doctrine – not a Change of the Basics, but a further better Understanding.

And we have a history of Satanic Leaders who Worship Worldly Power and destruction of all who would – and as I realized in unrelated context related to being forced into competition with women and slimy cnt males that I did not realize were competitions as we were suppose to be '*on the same team*' and supporting each other – but to the howling retarded vile typical cnt that is all around us – if you display any aspect better then them in anything – they would have you dead after a life of horrors and sufferings – modern Western womanhood and their slimy twisted fatherless children – murdering own babies and crippling their own children instead of being corrected or forced to change their mind or onions .. walking Septic-Poison Vomit-bags of Horror

that nearly all the rest of the Sex will support and hide even the clearly worst .. I would suggest that the 1 or 2 in 1000 that might be of some actual value above the slimy horror that seems to follow .. and not like that are not worth the putrid back-stabbing vicious evil that too many are and the rest support and-or stay silent about – and you risk great hardship – life long suffering as vomit-souled inHuman F-ing cnts whisper ahead of you their lies where ever you go – poisoning the well before anyone gets to know you – further isolation and because they are disHonorable vile screeching nightmares it is not in the open so constant confusion ..like how our mothers drove-away or silence (no fault divorce threat) our fathers, and women supported the driving away of men – decent men – from teaching and all other child-care and raising .. as if women were not only pleased in torturing us to death but upset when we lived somehow and wanted us endlessly suffering from the inHuman demonic evil of the worst of them – all while pretending we all not better they .. many of them – perhaps most – thrown too death off building .. as the Witches they are or support Just-ends.

And since such is destroying our society, fathers, men, and other [potential] decent and virtuous future adults and entire Western-Society Systems. The disOrder of turning one Sex against the other while gaslighting and disguising it ..

.. like turning Catholics against other Catholics (attack on Traditional Latin Mass) when it is clearly for that weakening and destruction is the Goal - and if everyone in leadership or ordained who supported that

insanity was hanged to death it would be hard to say it was unJust.

And so if every older women dropped dead – leaving only those that clearly communicated the insanity and festering vile evil that womanhood has become as clear warning to at least the males in their life. Pretending to not be inHuman monsters that can at least go through the motions of what most all older males were raised to and no man (or women) would want around unless they were at least human enough not to sit-back and watch those they profess to love suffering and die in constant horror and pain .. brain-F-ing pushers of self-male-hate .. but in a society were hiring Witches to torture own babies to death, perhaps we should assume it Good that the rest of us better most women dead – or otherwise Gone – at menopause or before – that such raging Satanic Horrors should never be near power in any form, etc.

How unJust to let your life-time of silence (and Amusement at your sons, fathers, ..., and brothers lifelong suffering and pain) so benefit us with your silent in the grave (or away) - and so benefiting us in not supporting and vomiting evil, feted constant horrors, your constant virtueless putrid evil; baby murdering, family-father-male-children-woman family society yourself twisting and destroying – you F-ing walking horrors, and excuses for more evils?

God Demands Love and not Death, and better from me and us all.

It is Loving to say thee things and Ask you Repent, and Seek God and His Love.

—
—
Well. I was going to actually mention other things – but
F- It?

Your clear system of putrid evil vileness directed at me
(and so many others – all children, men and women)
has made all else besides warning you and us all seem
unimportant and an Error to not say – to somehow be
silently supporting it. As if I am in a room that is on fire
and horrible death is a minute away – yet do not
mention it!?

If so .. then what would I be? – your mother, sister, aunt
– or some other inHuman vile chunk of baby-murdering
male-hating human Vomit and Sickness?

A modern Western [older] woman?

—

Sad. Birth-control and legal baby-murder has made
women - and us all - into soul-mutilated cripples nearly
unable to love – society-wide!

The desired population for this GreatSatan and those
Witches in power – sending us to Burn in Hell.

God Bless Rasmus Paludan and what is likely coordination with Turkey!

Good move to block the Golden Calf Satanists' and Ruling few international Witch-Matriarchal families' drive to Poison Sweden by joining the Globo-Homo baby-Men-Father murdering society-traumatizing children-mutilating endless-warring evil group coordinating and part of NATO - driving the Death of West, our souls, more Hell on Earth.

What a good way to derail such an evil move – and I hope that Muslims can Forgive the method as a Sacrifice, that if Jesus can sacrifice Himself against evil and for our Salvation for us all then Muslims would be petty and small to consider this as a greater Sacrifice.

Is Islam a religion of Peace?
