Good Sunday Morning,  
May the Spirit of the Gospel and the Holy Word be Always on our  
Tongues, in our Hearts, Minds, and in our Hands.  
Holy Virgin Mary and All Saints - Pray for us!

Index Number 2098:

[ It is Sunday morning again – Praise God!

I will be going to Mass this morning and Adult Catholic Theology  
Cataclysm class after, so will not return until the early afternoon, so  
what I can not get to this morning will be finished later – God  
Willing.]

Quickly going through morning prayers and meditations - mostly  
review of recent Reflections. My soul seems might Lighter after going  
almost two weeks (13 days) between Confession and Mass.

Yesterday after Mass at the monthly Men's Catholic Breakfast there  
was some Catholic topics but that was from further down the table  
and I could not hear enough to follow, so my neighbors and I enjoyed  
the food and discusses general social topics. I ordered sausage with  
my eggs as I have had a hankering for sausage for a better part of a  
week .. I had an Italian Catholic house mate back in the 1990's and he  
cooked a great pasta red souse which was very thin but well spices  
and contained sausage and I this Popped into my mind last week, and  
if I had gone shopping I would have gotten some sausage and a lot  
of fresh garlic, fine chopped onion, green & red peppers, and with my  
basic tomato sauce I would have made a basic 'soup', as the pasta  
would have to be skipped – sadly .. I was thinking how I used to  
quickly cook-up some pasta, throw in a chunk of butter and cheese  
and garlic and that – after a hard afternoon of putting in fence posts  
or such, would hit-the-spot.

The simple things in life that when they not possible anymore – like  
running - become even Sweeter.

So I ordered extra sausage .. but now think I should have ordered  
tomato juice. Oh, well – God Willing I will someday go food shopping  
again, and will make that meal .. perhaps before this nutritional-  
caused craving.

May this be a Blessing to you and us all. [And all our Futures, and  
future Multiverse Pasts.]

I have argued that the killing of all Zionist genocidal supporting and  
excusing peoples, and the significant aspect that maybe must be out-  
lined is that those people we hear that are promoting such are being  
Amplified by their Talmud-Sickened Golden-Calf Satanic Witch-  
Matriarchal ruling families – most often through those Sick vile  
venture-capital corpDragon owners and directors, and all those  
enslaved elites .. and of course the entire chain of power could Justly  
be hanged over the corpses of the rest of the older adults pile, and  
entire family and connected social-peers stripped of wealth and  
power would not be a question if we all not twisted from crib with our  
howling evil mind-raping 'baby-killing-okay' broken Rationality, and  
all the constant Witch-Spells we received daily, through every major  
Institution throughout the West.

The Sick syphilitic drooling Jew or their other twisted victims sitting in  
our feces-covered streets shouting for the killing of Palestinians are in  
need of Help – perhaps with some of those Billions of dollars given  
for war-crimes and genocide – And not hanged from light-post over  
the corpses of all older women in their families and close social-peer  
families .. like for those with Power shouting the same things.

And clearly across the Muslim world we are seeing that those in  
power in each nation are Zionist Cock-Sucking horrors that likely Just  
to kill .. entire families who – like we see in this GreatSatan are clearly  
enslaved Talmud-Sickened Golden-Calf Satanic Strap-On penis  
sucking lying F-ing horrors .. all pretending to be Muslim but only  
another Satanic Demonic Tool of evil.

.. I would hope that since your Muslims are not 'baby-murder-okay'  
mind-broken and such would be Clear to you, especially after so  
many clear recorded and distributed murders, war-crimes, genocide  
of other Muslims – F-ing Shame Shame Shame on you!

Another good article from Janice – I repented ex-Feminist, so she

With Ireland so significant recently pushing back on the clear Western-Wide genocide of Western Society by packing in excessive people who hate us and our way of life – stripping all resources and raping our daughters and stabbing our children and others and increasing crime to outrageous degrees .. and if you argue that all older adults in every powerful wealthy family was killed – somehow – and remaining family stripped of all wealth and power and applied to repairing the damaged those Satanic Witch enslaved elites have been pushing for 70+ years .. one might think that anyone who never worried about paying rent or food or excellent medical – if they all in graves – not more then the 3+ Billions of people – to correspond to the legal and State baby-murder from 1980 ..

.. do you think filling the streets with well-to-do family adults hanging across the West's light posts and trees – would that be a good Step forward – if not, what else would be better?, ..

Nearly every woman is a survivor of sexual assault these days, so let me add a little insight to the litany of stories. I was abducted in a public swimming pool when I was about 10 years old. The word "abducted" makes it sound like I was taken to some far-off land in the past I finished my homework, and I went off to bed as I could. That was it. A bad wave of abuse passed through me and made me run to the pool stairs. That I had not a good night of sleep and my giggles and giggles were at a very high level in his last hours or early into the proper. I understood that it wasn't only me, and the giggles of the other girls dispelled the abuse.

If that was the worst the man did, I hope he was able to stop and never see the inside of a prison cell.

The man, according to the police, the man for sexual assault, was never seen by the police, he was being followed. The feeling that one was alone with an experience so one the individual or even acknowledge that enough. Now, details into the most serious dimensions of all victims of such assault, were quite clear and treated with great reverence, because that was to have become an honor of dealing with the terrible horror—quite the opposite. The resulting force on sexual victimization were only to have created more victims.

A case to point involves the infamous sexual abuse of Dr. Vincent Padua, a now-disgraced GP at the University of Ottawa Health Centre, who in the 1980s was sentenced to 10 years in prison after he had sexually abused dozens of patients and several women during a 10-year medical practice. The exact number of victims was hard to determine, owing to change in every report's date of their bodies and girls for nearly the resulting of women to his negligence while they were continuing to undergo the sexual abuse—a type of deeply experimental conduct that might have gone forever unnoticed by the victims if not hospital women had not seen the evidence, revealing that nothing in his brain is related and given to everyone. There was also a degree of sexual assault nearly undetectable in their details there might medical teaching, the main distinction being that the teaching was "the
