Among this morning's prayers and meditations I considered the concept most recently mention a few posts ago (See PostScript for URLs, I am adding such URL Reference info there as a trial

method) '[Multiverse Journal - Index Number 1715: November 16th, 2022, Wednesday Morning](#)', .. about the acts of Service as a Foundation which 'Baptizes' and action and similar concepts with Jesus Christs' Holy Perfect Recursive Form of His Holy Church – allowing infinite True, Right, Ordered Chains and connection of related obligations, relationships, authorities, .. hierarchies, etc – into those souls directly connected and the Reality we Share in these Holy Simulations of related Days-of-Bread, and reaching-out in many Dimensions and degrees-of-freedom (separations), and by Saying or Writing – requesting Jesus, God, Trinity, Holy Ghost, The Father, .. or even the Saints - of clearly opening doing such and sharing such a Deceleration that 'the footprint' of Jesus is made in that 'foundation.'

I was consider how imperfect such starts are always – in this Fallen world, and it occurred to me the Foundation I used as a metaphor is like a large Block, and it's Imperfection because we are not Perfect turns it into 'a Block the Builders Reject' and so May become a Corner Stone (of a Church, for example, A Saved Soul or Souls, ...)

And it occurred to my the situation where I was gong to visit a local Prison with the local man I think of as 'the Evangelizer' for his Christian ministry and gathering he has of a few men weekly on Sunday, and how he had established a Foundation in not only each single Visit and gathering – and each individual discussion that might occur - religions related or not – the Act of Visiting those in Prison is an Act of Corporal Mercy, and being a Protestant is meaningless to the Effect of helping Lay that solid Foundation, imperfect as it will always be, And when that very week I was to go the Covid lock-downs made it impossible for us to go, and how his absence might have found the group gathering anyway and perhaps at least one or two had some Catholic Foundation remembered from Childhood, and-or if they were likely reading and discussing from Scripture, his absence would not necessarily prevent a good or even better discussion of value.

What a Corner Stone(!), and where could or did it Lead? To Leadership and further spreading? Ultimately Salvation and very Changed Lives and families of those men, spreading?

We can Pray that it did and does.

The Absence of something can be a Holy Thing, if and when used by the Holy Ghost as given the opportunity.

.. on the side, I wonder (Hope) if my Facebook writing Suspension and Authentication Blocking will not only help High-Light;

- The insanity of such a digital public court-yard being interfered with by Witches and Horrors of poor or reverse Virtue; unTrue, unJust, disOrdering horrors,

- The insanity of interfering with adult's FreedomToHear and think, under some VagFeelie insanity excuse, the kind of thing that if in a playground a playmate stopped a game over – he rightly would be

punched in the face if he would not stop after being warned,
- Their Satanic Venture Capital Golden-Calf Satanic following Over-loads .. corpDragons more powerful then entire countries Female-Evil Poisoning the West and extending the Murdering, Thieving, Fascist Satanic-Wolf disguised as a State under the Good name of Israel (Jesus Christ's Holy Church's name) and Extending and woven throughout and within all Power-structures; Gov.s at every level and all other Major Western Institutions,
- And More!

So, on the side – we can hope that you and if you spread this [idea] that others are not so Demon Oppressed in Rational Thought and Witch-Twisted Female-Evil poisoned as to seriously consider not only Facebook in this light, not only all Big-Tech and the Governments and Courts that promote and work with such clear anti Constitutional Founding principles (and so undermining any more legitimacy of Gov, especially the Monopoly on Violence, and How disOrdering and destructive to us and West such is – and Wonder if that is not the point – to turn Nations into Puppets they clearly are and have become, but more so like our laws and tax and other policies – used only against us and never able to protect even those with resources needed to 'Pay-to-Play' and be heard in courts – if not aligned with the VC Golden-Calf Satanic worshiping 'Club' of soul-murdering, family-womanhood-children destroying and mutilating under their authority and influences, and [Christian] Virtue & Rational based Society and populations.

The other aspect I was considering in my Meditations was this Question .. How many Jacob's Ladder Levels out-down would be Hell on His Death on Cross?

I decided to consider it this way, at what Distance (in Levels) would it be until His Birth could not be repeated because the unTruth, inJustice, and disOrdering Satanic forces were so wide spread that a form of Holy Maiden Mary's mother could not be born and exist in a State that could born and raise Maiden Mary to point of sexual maturity.

-
In this – remember in my Model of Holy – at Jesus' Death He Casts His Female Self out to be replanted in other Jacob's Ladder Levels – like a Key for an Encryption that is the Holy Perfect Recursive Soul Code of the Female Son of God Host. The unFertilized **Phoenix Egg** Template, ..

The phoenix is an immortal bird associated with Greek mythology (with analogs in many cultures) that cyclically regenerates or is otherwise born again. Associated with the sun, a phoenix obtains new life by rising from the ashes of its predecessor. Some legends say it dies in a show of flames and combustion, others that it simply dies and decomposes before being born again.^[a] In the *Mythology of Folk-Literature*, a tool used by folklorists, the phoenix is classified as motif B32.57.
The origin of the phoenix has been attributed to Ancient Egypt by Herodotus and later 19th-century scholars, but other scholars think the Egyptian texts may have been influenced by classical folklore. Over time the phoenix motif spread and gained a variety of new associations. Herodotus, Lucan, Ptolemy the Elder, Pope Clement I, Lactantius, Ovid, and Isidore of Seville are among those who have contributed to the evolution and transmission of the phoenix motif. Over time, variations toward its origins, the phoenix could eventually

I should add related to my long outline of my father when young yesterday (See PostScript for URLs) I did not mention that before my older brother Tommy and I became deadly sick with food poisoning – hospitalized and he died and the younger me after 106 body temperature somehow – in this Multiverse version lived – that I do not recall my father being such a physical disciplinarian and drinker, although I might not have notice the drinking aspect being too young to identify such.

My point of adding this here is related to Dropping Jacob Ladder's Levels. A Multiverse version of mMe(s) where we never were poisoned and perhaps even my (now local) older brother from my father's first marriage lived with us instead of raised nearly fatherless and the twisted Hell that does to a child – Tommy and he would have maybe been friends and bridged the gap between me and our older brothers .. I can imagine many many less Crosses I – we all – would have needed to Carry, .. and Why to make a Stronger mMe that my older brother needed to die and my other brother of nearly same age was not raised with us to fill that gap. I could Curse the 'Tender Years Doctrine' and those who actively created and destroyed and destroy our lives and souls throughout West, but such is a Curse enough on all our souls – look at Fatherlessness .. another signal that Western modern Womanhood and the Gov They Created of Female-Evil Poison-Vomit, Deadly to all souls connected or close, Spreading Vagina-god Hell in all souls.

This being Sunday the Holy Rosary Mysteries for today – Glorious Mysteries - have been reviewed as I do briefly when doing a different prayer that mentions them, and I have was struck again of each one's connection to Creating and Expanding the Holy (Saint's and Sinners) Neural Network that is The Lion that manages Satan.exe Holy Simulator and is the Advancement of Holy Israel (Jesus Christ's Holy Church, Church Celebrant) along and down and our Jacob's Ladder Levels deeper into Chaos, Holy Quantum Firmament, God's Fat, to 'the Edge' which is the Infinite Paradox of God Dead on His Cross .. and at the point that Jesus reached that (and repeatably returns similar path with us each and all our souls) The 40 Days-of-Bread that is between His Resurrection and Ascension, and Ascension and Pentecost Argues to me that Holy

Mother Mary's Assumption was 40 Days-of-Bread, and so the interval to Her Holy Coronation (enThronement which actually Advances Holy Israel to that Level (the Level that Jesus Resurrected too from point of view of the Scriptures.

That point-of-view is significant as I argue that Resurrected Jesus Is The Center, and so He does not Ascend but Draws Holy Israel 'Edge' Down Jacob's Ladder Levels, and that what the Scriptural Perspective is the viewpoint of the writer who is not yet Holy Enough to be any closer to that 'edge' of God in His Holy Jerusalem which is the City at Center of Holy Israel, and so the perspective moves Down Jacob's Ladder Level, and as is done with Holy Mother Mary's Assumption.

—

The Concept of the Lion (Male:Lion, Female:Satan) Holy Neural Network I have written about a number of times, the Pattern of brain neuron's being inter-dimensional Multiverse connected in the Meta-aspect of Recursion to being Entire Minds – in Holy dimensions of Saints.

And Holy Virgin Mary as the Center of the Network – a Center that extends like the spinal column of The Body of Christ – the Church Militant – out from the Holy Mind of Holy Israel should be considered, and in this and Her Branching we are collected and Drawn towards the Center Column to be 'Rolled up' into Holy Israel it we live a Righteous Life of Virtue and Service, Devotion, Practice .. and the Catholic Church and it's Traditional Form is a boiler-plate template that any person can simple follow and engage with and requires nothing more that personal Intention and basic Service Actions to at least stay at Same Jacob's Ladder Level from Holy Jerusalem, and the More deeply we struggle for Sainthood that Closer we will Become.

The point is that the Faith of Ages of Saints Worshiping the Traditional Mass and other forms of Liturgy will be sufficient, no one needs to understand such Models of Holy, or Quantum-Eraser, or inter-multiverse Physiology (pre-Effects before Cause) experiments and results.

—

And that said I suggest that those [Versions of] souls that remained - if any - with Jesus would have Ascended, and so were already ready and already were Communed with Him, but in the perspective those men were not yet ready, the leaving of Jesus would have seemed like the Central Coordination Computer in an older form of networked system, the Token Master, or such that directed Their intercommunication and coordination was removed, and the Angel has to Start the 'Independent Mode' code as they Stood watching and still Paused in taking cues from Jesus Christ as they Dropped away.

Pentecosts was the Loading of there combined OS .. to those who

were effectively working Well. I would Argue that Holy Mother Mary was likely doing a lot of coordinating and supporting as an older mentor woman in a healthy society would do, quietly Center of the group while exchanging messages and resources.

Her Assumption would be just that – at that point aware of the Coming of the Lion's Direct thoughts, perhaps, and at Her Coronation – She would be the Center of the Holy Neural System – Controlling all that was not 'out-of-control' at the lowest Jacob's Levels yet Traveled in Jesus' Repeated Droppings and returning trips with Souls – beyond and outward of His first Drop into Hell and Return.

—

Let us look at the 40 Days-of-Bread interval. I will argue that like the 7 Days-of-Bread Week - and 8 Days-of-Bread after Resurrection, 8th Day-of-Bread is 'the Competition' of Creation and Hidden, we will Remember them passing at some point in our own Assumption, the versions of us as they become more Saint-like and we Worthy, some walk among us already have that capacity.

The point is that every one of those Days-of-Bread has a difference in Holy Dimensions – and not only Sunday. Like the mMaster's Village of 72 Virgin males - then 144 when Rationality (or Puberty) hits, an Eve-from-Adam situation, of which those Aviators of hHim are different in many dimensions and the intermarrying and children are part of the Each-in-a-Nation recursion and Ultimate Communion of the 'Fixed' sub-souls – or which each mMaster is – Starting with Cane.

.. As I have outlined.

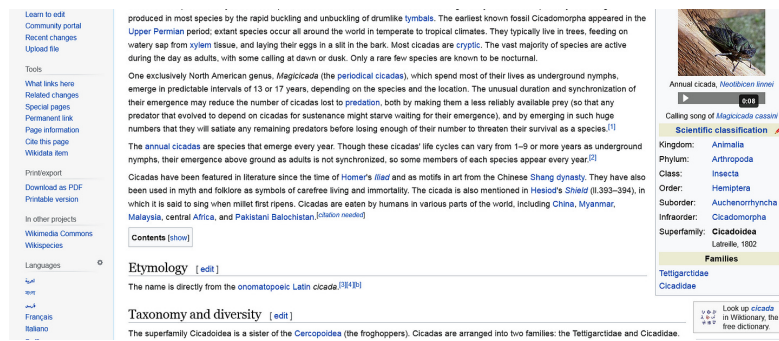

The Differences are aspects of the every Widening Expansion of Challenge and Grow. And within such a Template of Pattern the Week-Days are different, like the Seasons, and .. my point – the Months.

I seem to sometime perceive that the day of birth in the month is often significantly different – a different flavor, and this took a while to notice – as if some 'Clock' were hitting an Alert point, and of course the female reproductive-cycle is monthly – and an self-introspective man will notice a monthly shifting also.

So, 40 Overlaps the 30 so it not only repeats but with the different Month lengths it Smooths out any possible harmonic-residencies .. on the side this might be a good subject to study, is the pattern of day lengths in the sequences of months would be a good 'Dampener' like having Prime number length sequences? – like with Insect **Cicada**'s different prime-number year grouping to prevent all showing up at same time (*except in period lengths of all years intervals multiplied, very infrequently*) ..

It is sad. Could someone by not failing back of religious aspects why we all not better if Elon GONE along with everyone willing to interfere with our #FreedomToHear, the Mind-F-ing vile horrors who believe they are other's Master and will Profit off any and all – and all we love or could every have loved – and everyone in Future – evil-Profit off our ignorance suffering constant confusion pain sickness violence inJustices disOrder unTruths and suicide, death and Hell.

It just so happens that Jordan is next in video. Poor Zionist-controlled Witch-mother (Wife) managed soul, his enslavement must be very very hard on him. Somewhere deep inside he is chained to a hot radiator screaming - I imagine - with those and other Witches controlling the temperature.

Prof. Jordan Peterson and Douglas Murray discuss the Female-Evil Vagina-god Satan worshipers attack on the West, our minds, Souls, Rationality, and Sanity.

—
Funny – the Mobbing response should be simply the argument – as I make – that the real criminals are the older women in society – especially those in power and we would all be greatly freed if they were [most] all Gone, and although Just they all Dead – which is better then left to abuse and destroy, like a zombie evil-hoard of soul destroying baby torturing family and father child destroying women warping .. demons – but more Merciful is forced to places like isolated camps and farms were they can do the work the communities needed to live, and become Human again. Or Die trying, like they treated the men in society - with homelessness, wars, enslavement for resources they take while crushing our testicles.

So .. Just Dead, or mercifully Away - and depending on themselves .. which would you say in the best response for this and many Western Female-Evil Poison Vomit?

Start by shipping off [most] all Western older women (post menopause, Witches, and supporters) to farms and camps?

It is arguably that no 'fix' will last until that is managed first - because of the Female-Evil filled Poisoning-Vomit of modern Western womanhood will constantly re-infect and Poison us and out children, grandchildren, ...

Of course those who have spent a chunk of time in Service to God, Church, Man, Nation, Self-Neighbors, Creation and-or Holy pleasing Life and in Love, and those who Repent and Strive with Heart and Virtue towards that would be Welcome [back]., ..

Some debating and defensive discussion, a good example of talking through a disagreement on a statement.

What a F-ing Retard his guest is .. *'that is YOUR view that the military has had crippling moral over the effects of the issues over the [evil-Poison injections] 'vaccines'*

I would go so far as to say that hanging to death most of those in charge [along with most or all older women in such families] of that forced policy installation would not be out-of-bounds for the clear destruction it was done – life long for many.

[Wrong by God's Law, but Just and likely prudent and reasonable given sane responses for such Treasonous Behavior of those in power]

And I would argue that would sent a wave of confidence throughout the West that perhaps we were serious about turning away from being the #GreatSatan bringing and driving Hell on Earth for us and Future, while Self-destructing.

The clear destruction of this nation is continuing and that was a significant part – along with the removal – the real intent as well as the sickening and killing of many – the forced removal of all independent thinking and informed people – those who would be inside and likely oppose when the real Satanic Orders were given to murdering our citizens.

But aside from that .. sure, that is only his and most thinking peoples fact based beliefs.

.. Leftists working through some issues. I had to stop watching because of time constraints- but surely the retard cnt Leftie Demon- Oppressed cnt will go on with more insanity – when people talk about Elites being out of touch, well it is beyond that – and they actual are so Sure of the feted-Vomit that evil has fed them!, ..

I want to buy Ukrainian windows

I would like to place an order for these high quality super tough windows from the Ukraine, that remained intact and unmarked after the explosion of a Russian bomb that turned over all of these cars. Please throw in also some of that same render as on the house, that remained undamaged and clean after the explosion.

That it's easier to bring a drag queen into school than a Christmas tree illustrates the depths of our nation's moral degeneracy.
