Steven Work

December 3rd, 2023

Good Sunday Morning,

May the Spirit of the Gospel and the Holy Word be Always on our Tongues, in our Hearts, Minds, and in our Hands.

Holy Virgin Mary and All Saints - Pray for us!

**Index Number 2098:**

—

[ It is Sunday morning again – **Praise God!**

I will be going to Mass this morning and Adult Catholic Theology Cataclysm class after, so will not return until the early afternoon, so what I can not get to this morning will be finished later – God Willing.]

—

—

Quickly going through morning prayers and meditations - mostly review of recent Reflections. My soul seems might Lighter after going almost two weeks (13 days) between Confession and Mass.

Yesterday after Mass at the monthly Men's Catholic Breakfast there was some Catholic topics but that was from further down the table and I could not hear enough to follow, so my neighbors and I enjoyed the food and discusses general social topics. I ordered sausage with my eggs as I have had a hankering for sausage for a better part of a week .. I had an Italian Catholic house mate back in the 1990's and he cooked a great pasta red souse which was very thin but well spices and contained sausage and I this Popped into my mind last week, and if I had gone shopping I would have gotten some sausage and a lot of fresh garlic, fine chopped onion, green & red peppers, and with my basic tomato sauce I would have made a basic 'soup', as the pasta would have to be skipped – sadly .. I was thinking how I used to quickly cook-up some pasta, throw in a chunk of butter and cheese and garlic and that – after a hard afternoon of putting in fence posts or such, would hit-the-spot.

The simple things in life that when they not possible anymore – like running - become even Sweeter.

So I ordered extra sausage .. but now think I should have ordered tomato juice. Oh, well – God Willing I will someday go food shopping again, and will make that meal .. perhaps before this nutritional-caused craving.

I have argued that the killing of all Zionist genocidal supporting and excusing peoples, and the significant aspect that maybe must be out-lined is that those people we hear that are promoting such are being Amplified by their Talmud-Sickened Golden-Calf Satanic Witch-Matriarchal ruling families – most often through those Sick vile venture-capital corpDragon owners and directors, and all those enslaved elites .. and of course the entire chain of power could Justly be hanged over the corpses of the rest of the older adults pile, and entire family and connected social-peers stripped of wealth and power would not be a question if we all not twisted from crib with our howling evil mind-raping 'baby-killing-okay' broken Rationality, and all the constant Witch-Spells we received daily, through every major Institution throughout the West.

The Sick syphilitic drooling Jew or their other twisted victims sitting in our feces-covered streets shouting for the killing of Palestinians are in need of Help – perhaps with some of those Billions of dollars given for war-crimes and genocide – And not hanged from light-post over the corpses of all older women in their families and close social-peer families .. like for those with Power shouting the same things.

—  
And clearly across the Muslim world we are seeing that those in power in each nation are Zionist Cock-Sucking horrors that likely Just to kill .. entire families who – like we see in this GreatSatan are clearly enslaved Talmud-Sickened Golden-Calf Satanic Strap-On penis sucking lying F-ing horrors .. all pretending to be Muslim but only another Satanic Demonic Tool of evil.

.. I would hope that since your Muslims are not 'baby-murder-okay' mind-broken and such would be Clear to you, especially after so many clear recorded and distributed murders, war-crimes, genocide of other Muslims – F-ing Shame Shame Shame on you!

The screenshot shows a Substack article page. At the top, the title "The Fiamengo File" is centered, with a purple "Upgrade to paid" button on the right. The main article title is "It Doesn't Matter Whether I #BelieveWomen or Not" in a large, bold font. Below the title is the subtitle "If they can't be trusted". The author's name "JANICE FIAMENGO" and the date "DEC 2, 2023" are displayed next to a circular profile picture of Janice Fiamengo. At the bottom of the article preview, there are three circular icons: a heart (likes), a speech bubble (comments), and a refresh icon (reposts). To the right of these icons are a "Share" button and a three-dot menu icon. The bottom portion of the article preview is a dark image with a yellow border, showing what appears to be a close-up of a textured surface.

Nearly every woman is a survivor of sexual assault these days, so let me add a mild example to the litany of stories.

At the bottom left, the streamer's profile 'Black Pilled @Blackpilled' is shown with '22K followers'. To the right of the profile are buttons for 'Join', 'Following', and a notification bell.

With Ireland so significant recently pushing back on the clear Western-Wide genocide of Western Society by packing in excessive people who hate us and our way of life – stripping all resources and raping our daughters and stabbing our children and others and increasing crime to outrageous degrees .. and if you argue that all older adults in every powerful wealthy family was killed – somehow – and remaining family stripped of all wealth and power and applied to repairing the damaged those Satanic Witch enslaved elites have been pushing for 70+ years .. one might think that anyone who never worried about paying rent or food or excellent medical – if they all in graves – not more then the 3+ Billions of people – to correspond to the legal and State baby-murder from 1980 ..

.. do you think filling the streets with well-to-do family adults hanging across the West's light posts and trees – would that be a good Step forward – if not, what else would be better?, ..

I do not think we'll get to the 2024 election.

Things are going to implode in Washington before then.

Our economic financial condition is fragile.

It's going to come home to roost in ugly ways.

It is not "moral" to give away the accumulated hard work of your ancestors (your country and your civilization) to racial

and cultural outsiders that will treat your children as an enemy

In fact it is the exact opposite of moral
