Good Monday Morning,
May the Spirit of the Gospel and the Holy Word be Always on our
Tongues, in our Hearts, Minds, and in our Hands.
Holy Virgin Mary and All Saints - Pray for us!

Index Number 2015:

[I find the continued blocking of Archive (.today or .is) by FireFox (a
corpDragon of Satan) interesting.

I thought perhaps it was because I was refusing the auto-upgrades of
that web browser and perhaps needed to upgrade again (which may
have brought on this active Blocking of that site in the first place) and
assumed perhaps a Bug in code and would be fixed .. but no!

What kind of mind-raping evil horrors are in control of our Gov where
we are not protected from such inHuman Demon-directed Nightmare
Witches?

.. So I must use a different 'less capable' browser and even still
sometimes the site is blocked, although more honestly – not
pretending some fake-site was reached and so should give-up
assuming the Site stopped working .. which is a great example of
Slimy putrid Female-Evil methods, and those of us with Demon-
controlled mothers, wives, aunts, older sisters and co-working,
managing, .. putrid lying mind-raping horror modern Western women
& their twisted children should have experience with.

Feel free to continue reading and imagine how much better this
might have been had not such evil attached itself to me back as a
young man working at UVM, or any of us – including all those
Suicides driven but such active Witches and their putrid vile modern
Western Toxic Septic Horror women & other minions in power all
around us. Would we be sliding turbo-speed into Hell with child-
mutilation, babies tortured-to-death, minds jammed with Porn and
womanhood become even greater Piles of Poisoning Septic Vomit -
directed by Satan?]

Start with a song as a small change of format?

Something like "a Fool's Foreskin"?
(Strange title? I give it this as explained in this Post, (archived:
<https://archive.ph/VdEkH>, IN: 1486, See PS for full URLs) along with
more interesting model of Holy information, if interested.)

In this morning's prayers and meditations I Reflected on the
Integration which occurs and implied in my model of the Holy, the
increasing Dimensional of integrating (Knitting) together each Jacob's
Ladder Levels – capturing the choices and ultimately Recording the
mMaster's Choices and Logic in Self-Healing process.

This process I imagine is done by the Holy Ghost using Archangel
Saint Raphael, Gabriel, and Micheal and the Guardian Angels active
during each of the Day-of-Bread being integrated, and of course the
more successful the Greater the 'Weights' applied, as well as those
mMaster versions of the soul Advanced-up Jacob's Ladder -along
with at least some of the tTheir Avatar versions.

Part of this is the musings of the social-limit metric defined as Dunbar
Number (archive: <https://archive.ph/7vBFx>, use archive if possible as
better seeming then the Soros' funded more-lobotomized version
now, and consider how much better it was-would-be if Satan's hand
not erasing) which was recently discussed in this post (archived:
<https://archive.ph/4ypWS>, IN: 2008, see PS for full URLs) and I suggest
that social animals that are Projected Avatars up from lower Jacob's
Ladder Level versions of our soul may be an indication of how many
Levels they are down, ..

.. which suggested to me a different Path of consideration, thusly;

In the Garden of Eden God formed Adam, Unity or 2^0 , single cells,
and then Sex was introduced with Eve or 2^1 , and this lead to
Consciousness and Ejection from Garden and two children, 2^2 , from
which Predator (Animals) which never existed in Garden and Spawned
from a Hunger not physical, and from the Predator (Cane) he went-
through another Level of the ejection of the Garden, and spawned
perhaps a Tribe (pack) or Tribes of 2^3 or of size 8.

And in such a Process that villages and Cities, and Cities and Nations
– each putting Holy Pressure to expand the Dunbar Number ..
pressure in that those with greater abilities do better and those that
do not die away.

In this one might Argue that our [Holy] Human abilities of
Communion increases as we Advance-up Jacob's Ladder towards Top
and God's Holy Church – Holy Israel where we are Perfect and
interlinked with all Other Saints and with God.

I got tied-up updating - to some degree - those URL for the two
above referenced posts, but I think considering the rest of the post is
blank and I have a few videos I hope to add, I will continue with that,
hoping those will also [Holy] Profit you.

May this be a Blessing to you and us all. (And all our Futures and

Matt and Blonde Show – current media events discussed from a non-Lawyer point-of-view, Supper-Chats and a movie-review by both – always fun and informative (to those of us unable to follow all the weird and 'popular' topics)

I barely started watching this and am looking forward to this week's movie review (see Time|Subject list below for topics covered.), ..

Recall the most cell-phone owners have experienced that a subject of recent discussion shows-up on phone with advertisement related – unbidden – and the 'over-the-top' aspect is exactly what is intended by those Soviet-Similar Golden-Calf Talmud-Sickened Satanic Witches that are in power over us, along with insane multilevel or neurotic inducing Justice System and even reactions in employment or targeted by vile Witch-directed vicious putrid women and dog-males, and similar – and until their mothers and aunts and all older women in their families hanged-to-death and they mutilated – hand cut off for example, and this supported by society when such evil occurs or they killed – until that or something similar we can hope and perhaps pray for God to send a Real pandemic, nuke war, or similar that Breaks the evil-Gov and other Satanic-enforcers to the point where women can and will be slapped, managers and owners punched, and judges, mayors,.. hanged in public when they cross-line with Female-Evils that they are constantly doing today., ..

smartphones and Social Media: A Mass Surveillance Dystopia

sherry d'elton

In her book *The Dignity of Vulnerability*, Hannah Arendt describes the vulnerability men and women possess when they are in the public sphere of the Roman Empire. Her argument was not that a large crowd of people could be more easily controlled by a tyrant, but that the public sphere was designed by nature and history and the moral and legal obligations of government. Arendt's argument is that the modern world, with its technology and surveillance, has destroyed the public sphere and replaced it with a mass surveillance dystopia.

As a person who has lived through the technology of the early 21st century, but "Theorizing" a dystopian world about the relationship of the state and the individual, Arendt's work is a warning of the dangers of the "public sphere" and the "private sphere" of the modern world. The public sphere, as she defines it, is the place where people meet and discuss the world, and it is the only place where they can be held accountable. The private sphere, on the other hand, is the place where people live their lives, and it is the only place where they can be held accountable. The relationship between the two is the key to understanding the modern world.
