Good Thursday Morning,
May the Spirit of the Gospel and the Holy Word be Always on our
Tongues, in our Hearts, Minds, and in our Hands.
Holy Virgin Mary and All Saints - Pray for us!

Index Number 1905:

After I finished publishing yesterday's post (archived) I recalled that
my point made in previous post (archived See PS of URLs) in one of
the video comments that had some Response was related to the
comparison of the Modernists being warped Female-Rule and filled
with deConstruction, Sin, Death, Rot, Strangulation, separation,
isolation, conflict, .. the Expression of Vagina-god Satan Female-Evil
which makes whatever issues that the True, Just, Ordering Patriarchy
[Male-Rule] seem minute and like heaven to what we have here;
Order, Cooperation, Acts of Support and Service to family, neighbors,
Nation .. inspiring all to individually work together – to get hands
dirty and work hard, go home and love family, etc.

Perhaps that is not the best representation – but please consider it. I
consider all the women I worked beside and with since I moved to
Vermont and worked as a young man in Science Research at
University to have been like being followed around by Septic Piles of
Poison Vomit, and unwilling or unable to work together like men (and
many of the women I had) over years of work and active projects and
study in two previous States and .. more important – not working in a
Golden-Calf Satanic Filled and Poisoned Institution (UVM) .. all were
smaller businesses and independent Quaker high school.

Any man who ever worked around men in work crews or as engineers
– who went to work to get things done, with clear focuses and goals,
and helped each other when it makes sense and effectiveness and the
goal was always more important then the egos (those with excessive
egos were looked down on as something a little wrong with them,
and likely would benefit from a broken nose when too much of an
issue.)

I can not say that all the women I worked directly with were walking
sacks of Septic Poison vomit all the time, and while I worked with
many of them they made noises like there were human beings but
Every One of them added some unneeded problems and were a drag,
if not actively slimy lying F-ing horrors.

Sexual Abusing, hyper-privileged, focus demanding .. anti-Work and
anti-Productivity, and although I can not say that my own sexual
interest were not some of that issue – as all the men around them .. it
is like the cnt young lady that wear Yoga Pants to school and showing
everyone her tits and vag. in class - F-you if you argue that is fine.
(What a twisted vile Witch your mother must have been - sounds like
you might have been better if she disappeared early in your life and
you were raised by father or other humans - you F-ing retard.)

.. why? Tell me why that is allowed at all, never mind if it is good.
There have been enough Horrors over the last few generations of
destruction of society and collapse of everything that it is clearly a
problem – the problem is the disOrdering.

Late but time to stop wondering is all the deConstruction, hyper-
empowering mind-rapeing delusional-psychos and injecting them
everywhere – and these days few women (very few!) are safe around
men, children, and decent women, yet they are injected everywhere –
and no one that pushes such is a goodness to the world .. them Gone
is Better .. Gone and-or removed from any power.

Anyway – no society that has accepted baby-murder can be healthy
or sane. Anyone who could accept or argue such is acceptable is Sick
and should not have power over others – and likely need to be cared
for with dignity.

Birth-control was the stepping-stone into this Hell, and Sickened
womanhood into disposing men, and the rest follows – 'the hand that
rocks the crib ..'

May this be a Blessing to you and us all. [And all our Futures, and
future Multiverse Pasts.]

Matt is again making Sense .. from his Basement.

How many of these and similar I and others can easily fine on Web ..
with such Prayers of Clarity Who wouldnt think all these seem Dangerous

major installations in West and beyond, all the top 3 levels of power .. all hanging dead over the corpses of all the older women in their family ..

.. and replaced by real un-EnSlaved by Satan & Evil .. by people from modest places like his basement, that it would be an improvement?

World-Wide Anti-Fungal treatment – what would that look like? Perhaps the death of all [powerful] older women – post menopause and all who support Abortion and separating fathers-children or parents-children? Add birth-control?

.. God Demands Love and not Death, of course .. so nice communities where they can all live and suffer each other way from decent people and those that want to be decent would be Better. It is Loving that you are told you are very very Sick and all you together are a Septic Killing Poison to us all, and yourself. Repent.

This is another Substack 'Tease Article' – but you can get the idea from this short read.

IRS – DeepState is no longer targeting only Conservatives .. is it not nice to know that the Golden-Calf Satanic Witches that has filled all major Western Institutions' top 3 levels can all coordinate in LawFare and otherwise – once a Witch points at you, then howling horrors at work, public, .. and and Administrative State and Banking and .. will come after you., ..

While it was Virtue-Based [Christian] white men they allowed others to be insane and vicious and encouraged attacks against us – supporting and amplifying in media ,.. but now that Golden-Calf Venture-Capital Satanic owners of corpDragons have deeper control – you will be

Good look at the Western Society destroying minion(s) that this GreatSatan Empire as been doing – Genociding our [Christian] Virtue-based society; draining and destroying resources and virtuous White Christian men, [potential] fathers, husbands, and social-neighborhood-family Protectors ... the Golden-Calf Satanic Witch-Matriarchy ruling families would rather destroy everything they do not and can not have Strangling control over .. sending us all to Hell until She is standing on the tormented Burning souls of us all and all we love and care about.

The interview with Jeffrey Sachs (archive) follows, and some idea of the intentional evil in recent history and now can be gleaned. I knew his name from somewhere, and find his to seem to be the kind of Elites that we need in power again – not seemingly enslaved by Golden-Calf Satanic Witches as all those in and near power are, and have been increasing and getting worse through last 200+ years.

I found this strangely enjoyable .. imagine if you had the resources of Michael and some interest you were willing to direct some of those resources towards – what would it be? .. I find his interest (as seen here) to give him a deeper human dimension, and kind of neat to collect such .. I seem to recall when something like that had interest in.

When young I collected boomerangs and different weight frisbees (for Frisbee golf) .. even today I would not likely be interested in some person from history, but I can share in his Joy, and you are welcome too also., ..
