Not only is YouTube demonetizing, slowing and chocking download of videos, but also Satan Cock-Sucking genocide supporting minions and enslaved Elites Amplified like Viva and Robert Barnes whom actively attack these guys and other Truthful Journalists.

Today is reported over 18,000 civilian murders, 70% children – and that does not count those under the rubble of the apartment and other building .. testifying the sudden immediate public killing of all active Zionists and all the older women (Witches) in their families world-wide, along with all that control information censoring, gaslighting, lies, and Freedom-to-Hear interfering mind-raping Horrors, and those that actively support them .. it can be argued.

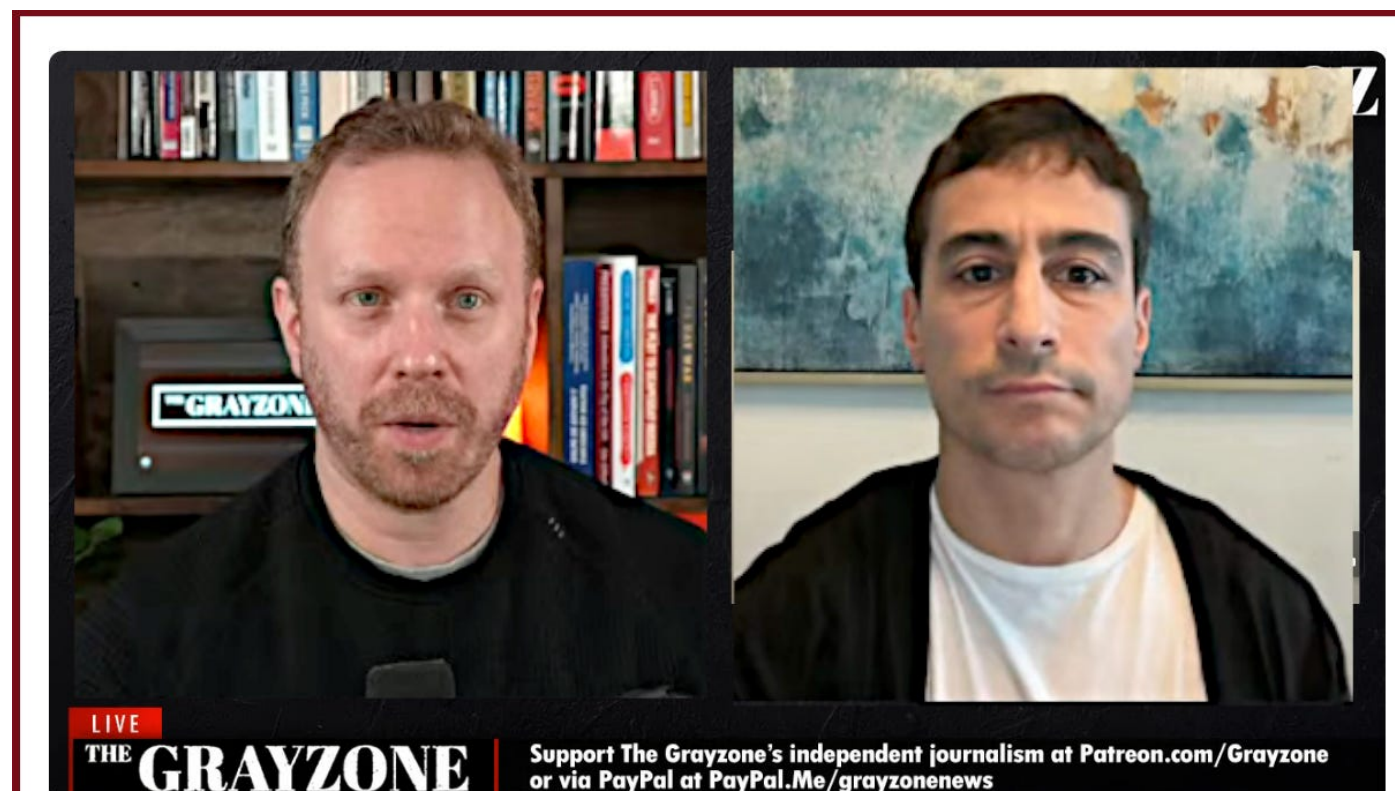

Lots more good information that should be spread, as usual., ..

A New Standard By Which to Measure Infamy

Reality is just more collateral damage in the war on Gaza - and humanity (part II of a series)

HELEN OF DESTROY
DEC 12, 2023

(part I, on Israel's experiments in televised genocide and the international community's suicidally obsequious response, is [here](#))

With all eyes on the historically unprecedented bloodbath Israel is unleashing in Gaza, the transnational parasite class headquartered there is working overtime to accelerate the expansion—and criminalization—of “antisemitism” in the West, taking advantage of the geopolitical chaos they’ve unleashed to expand the sphere of attitudes and behaviors thus classifiable as rapidly as possible in the hope that even the most

Wow, another excellent article from Morgoth, the Genocide and destruction of the West well outlines.

The hanging death of all older adults in the Satanic well-to-do families who never worried about rent, mortgage, food, medical, .. costs, as those with virtue and merit have been crushed and driven from society and prosperity – leaving only those who Suck Satan's Cock to survive and those who drive and destroy for Satan to thrive and expand wealth and power .. so now the very well to do and powerful can be killed on sight and rarely unJust – it can be argued.

What do you think .. listen and perhaps debate with God, and openly with others – Loving warning that hacked to death screaming in streets and dragged from mansions with the Witches festering the souls of their twisted [adult] children and Golems – well, it seems like

Justice for them.

God Demand Love and not Death – but discussing it openly as a corrective warning is Loving., ..

Yes, anyone my age or older noticed the increasing time-wasting make-work that is part of the Genocide and destruction of the West .. when update a drivers license ID becomes impossible because you need 3 pieces of ID and to get at least one of them requires the other two, and driving effective people out of homes and filling their lives with useless and soul-destroying and resource-time wasting crap .. well, I saw that as a young man working at UVM in a research lab – when things are finally going well for a morning and some Joy returns – the swarming vile Witch directed F-ing vicious lying slimy cnt women and those dog-male who support them and the lies – enslaved to Demons and Satan – they come out of the woodwork .. so the one Job in my life doing what is Good was F-ed with and make a tormenting nightmare.

Putrid Satanic Witch enslaved baby-murdering F-ing cnt womanhood should not be allowed anywhere near livelihoods men and [potential] fathers or any job worth doing in society. Walking septic piles of male-hating Demonic-controlled Satanic-Vomit.

I am sorry such constant torments is injected into their lives – the Talmud-Sickened Golden-Calf Satanic Witches controlling banking, mortgages, big-tech, gov, .. systematically working openly for over 70+ years destroying the Western [Christian] virtue-based societies, and now getting to focus on those that really matter and significant – as long as they [effectively] work against Satan and Her vileness and Hell-on-Earth expanding – the driving us all into an eternity of burning in hell .. then they now control every Institution – top 3 levels and Fungally-Choking down through – destroying and targeting those people still with souls and fighting evil .. while mobs of baby-murdering sold-souls to Satan women and their twisted [functionally] fatherless dog-males.

Perhaps some [Holy] Benefactor will help them find a stable home and 'room' to Serve God, Church, Man, Nation, Neighbor-Self-Opponents, Creation and all Her Forms, .. and more of what was once normal in this vile cnt-Hell.

We can Pray for such for all of us., ..
