Well, that makes my end-of-month Archive skip-able this month, I suppose.

.. Where is Justice? One might wonder.]

In this morning's prayers and meditations went pretty deep and wide within tow general themes I hope to convey with some Good level of Clarity and Precision – I as the Holy Ghost to Assist me and you in this.

The First being a group of comparisons which stemmed from an image that was discussed recently which was put forward to be an analogy of the State of the Church Militant (The Holy Church on Earth) after the destructive \* **implementation** \* of Vatican II – note that this is specifying how the VC GCSW minions and agents used what was Holy Ghost inspired Call to Minister – to move into the world and form a better Bridge .. using Vernacular and Apologetics related to other religious practices (as I have been arguing for in much of my religious related writings) and not the turning of the younger members against the traditional and older members and practices – the Children against the Father.

The concept was Worship today is piecemeal – what we can scrounge together from the Ruins of the Church – related to going to the New Mass and how we are praying and otherwise worshipping.

The Image was of a Traditional Mass being celebrated in a half destroyed church where a wall was gone and the flattened city – likely Nagasaki Japan – was the background.

And that sent me into the Compare and Contrast using my recently discussed and proposed Theological Categorization Deconstruction System mentioned in recent Post which fell under the Facebook Censoring time period (so on SubStack and Minds), **Multiverse Journal - Index Number 1702:, November 4th, 2022, Friday Morning, ..**

.. and found value in considering The Church in the relationships;

-

1. Holy Virgin Mary as the Bride of Jesus Christ Holy Church; The Body, Bride, and all Her Forms.

Also note that Virgin Mary is also – I argue – the 'New Eve' and Eve as the Female aspect of Adam, so Holy Virgin Mary is the Female Aspect of Jesus Christ (as well as His mother as Host – a Recursive Aspect I have written on related to as She being the 'unfertilized Phoenix Egg' through the Jacob's Ladder Levels.)

—

2. I have argued that Wisdom is the Wife of God The Father, and will also add Mother in a similar Recursive Parallel as mentioned with Jesus Christ and Holy Virgin Many .. understanding that this is in Relation to Adding to God in His Holy Eternal Infinite Being – who in Infinite Dimensions He is Complete, unChanging – As The Son is who is continuously adding Saved Souls as we a Fallen souls are Guided into Salvation.

.. Adding those souls to the Versions who are Already Within Christ, who The Fall has Fragmented out-down Jacob's Ladder into Chaos and Death .. as The Holy Church – God's Kingdom – Advances and Absorbed those Levels .. until Return to Resurrection after the Holy Paradox of God Dead on His Cross – Total Chaos that is the Holy Firmament, Infinite Quantum Reality (God's 'Fat'); Total unTruth, inJustice, and Disorder.

And in this Sense in comparing to Jesus Christs Holy Church – that

God The Father and the Trinity (a recursive Process of God) share similar relation to Jesus Christ and His Holy Church; The Body, Bride, and all Her Forms.

—

3. So .. Wisdom is to Mary as Mary is to Church as Church is to Womanhood.

The Female is God's Manifestation of Will.

Put simply - for Will to Act, something needs to exist; to Act upon and Perspective(s) to Act from.

Reality is Female. The Expression of Reality is – I have argued – is a Holy Simulation Created by The Holy Ghost. 'All Her other Forms' – is to us, The World we are Acting on.

That Femaleness to us is the Holy Death Dream of God.

A Computer Program (Satan.exe) running within a Quantum Computer – and to us, that Computer is the Female Equivalent of a Mapped and Virtualized Brain of Jesus Christ at Moment of Body Death containing 'a chip' made from a Sacred Neurons which links the System into the Quantum – to All other possible Brain-in-Boxes (and more.)

And since all Life is Sacred, all Neurons – and many other forms - are connected to God.

-

So, Wisdom is to Holy Mary as Holy Mary is to Church as Church is to Womanhood as Womanhood is to The World (The Holy Dream) as The World is to Satan.exe.

—

4. Holy Mary is to Church as the Church is to Womanhood.

And need I detail [more] How Sick both are in this Satan.exe?

We all can and should consider how The Snake entered The Church [since at least 1940 in recent time] the Dragon which was bestowed [Holy Human Dignity] Status of Human in Legal-bases, the Expanded Legal Corporation giving Immunity to the Satanic Actors – physical Form to the Demons to exercise their Will,..

.. the Start of such some little Time before World War One (WW1) and was such Evil that the mass death and Sacrifices of countless lives – mostly virtuous young men and [potential] fathers, uncles, brothers, .. most Western Christian.

—

—

**The Second major point** is connected and related to the very practical aspect I have been enjoying .. Image Memes. So powerful, containing the power of the old standard Cartoon, but containing – perhaps – something more, and that may only be the Ease at which it can Bring Truth and fight Evil .. as like actual funny Jokes – they humor is related to the often Painful truths they High-

light or Draw-out.

And of course in the simplifying .. error, and evil my creep-in of be injected.

On the side, but related I was thinking about the Meme I included yesterday (see images contained in the PostScript URLs) – the 'Wood-Chipper Tank' called 'Amnesty' .. for the Meme to be more Right it should have been called 'Justice' or similar.

**Guy's, it's a woodchipper tank...  
A woodchipper tank!!**

**...and we shall name it "Justice"**

But that would have complicated the Meme too much - the Topical Point would have not been so easily connected related to the Genociding [forced] evil-Poison Injections, and the unTruths, inJustices, disOrder – Evil – clearly connected and intended, the Horror of us who could clearly See it and yet where suppressed, abused, lost livelihoods, dies, suffered life-long crippling and ongoing pain, ..., had to choose – FORCED TO CHOOSE – and the hoards of clearly Delusional-psycho Female-Evil twisted womanhood and there Dog-males, and all the others who so warped as to Blindly follow .. I could go on .. but those of us who STILL SEE IT .. why it not Just to group them into a wide line and use that Tank, many of those Tanks.

Because even if you genially Believe, you disrespected the rest of us – an Insult to Holy Human Dignity and God. The Female-Evil contained and underlining in most of modern Western Womanhood.

—

It was on that Meme that I felt uncomfortable because it made it seem like Raw Justice was always the Answer to inJustice .. Death for Sin, and that it is Not Christian. Here is how.

Let us order Holy Priorities. Truth, Justice, Order. Each to Be Holy Right requires the aspect before – I hope that is clear, without some measuring Rod then right Order can not be said to exist, and right Order only becomes Right Order when Justice is based on Truth. The more Truth, the more Right the Justice and Order will be.

It might be Just to Kill grave Sinners, but Since Jesus Already Died – God Died for all inJustice because His Sacrifice is Infinite Value,

and Those who Acknowledge that Truth (and Repent) may Spend that 'Realized Justice' may have Mercy.

And as Potentially Saved – All peoples must be considered as able to Draw on this, given they are Willing to be saved or place themselves as Slaves to those who would Steward Towards such Understanding and Conversion .. this is complicated, but a clearer point is ..

God Commands to Love others as Self - and to Love God above Self, and Implied and displayed throughout but needs to be said in this day-and-age of insane Satanic upbringing .. to Love Self which is Natural Law.

This is Jesus Testimony – to Love Neighbor (and enemy, all peoples) – and so Truth.

Truth is 'above' Justice and Order in importance and so Mercy is defined. Mercy is that Self Love we would give ourselves .. after we make a mistake and mean to never do it again.

And I will mention and I hope is pretty self-evident that Truth, Justice, and Order – IS - Love, Mercy, and Charity. The Mercy applied without Truth and Justice – such as we do with females in society – is Insanity and unLoving – Evil.

So, to Love the Sinner and Steward him to Salvation .. is Holy Service.

—

Now I think it is critical to convey the following. All Christians who fail such are bad Christians, that of all the Abrahamic Sects – only Christianity is not Tribal .. or perhaps all people past, present, and future are in a Christian's Tribe and we are Right when we Will them Well.

—

This was part of Judaism in Christs' Life, at least in Principle as seen in the often warped moral related to 'Jesus and the money-changers at the Temple' as I will outline. First I would like to repeat the point of fact that because of Satanic injection, 'the Apple' replaced 'the Fig' as the Fruit of the Tree of Knowledge of Good and Evil, and this was discovered as part of The Dead Sea Scrolls, and is verified in Jesus' Cursing the Fig Tree.

I make the point to say that although people may with conviction testify or believe that the Apple was The Fruit, and that Jesus drove out the money-changers and others from the area of the Temple because of Greed-relatedness alone, a very significant aspect has been removed .. a very Female-Evil aspect, as I hope we are all becoming sensitive too – to tell only part of the Truth and-or over-emphasizing aspects that in totality forms a Lie – an intention of such being the Sin.

Too little is remembered and-o been warped about Jesus' Judaism. Things that bring Holy Perspectives that otherwise would not exist ..

like that 'hand washing' Jars in the Wedding of Cana being where the people would not Wash for Cleaning Dirt, but of Sin, and the Jars of used water were those Sins that Jesus was Transforming into Goodness through Penitence (having Good Acts in the form of Clean Water added on-top, the effort so allowing Holy Human Dignity to be connected to the Transformation, giving us a Part in the Holy Mercy, Love, Charity), ..

.. As I understand it the Temple had a Concentric Aspect. The Center is where God's physical manifestation was – the Arc – where only the Jewish High Priests were allowed and only in limited aspects (rope around ankle in case one dies may be pulled out of the area is what I understand), then the Priests, Jewish Men, Jewish Women, and then in the Court-Yard the non-Jewish worshipers.

Jesus was Upset not [only] because of the Greed alone, but that Greed was placed over the availability of the non-Jews to worship God .. for God - and For Them and there souls.

A far cry from the Talmud's perspective and prescribed treatment of the non-Jew, do you not think.

Was it like 'the Apple', or these aspects only happen to get confused and value neutered?

—

It is Staggering to me the crippling lack of knowledge of the Real Jewish religion that Jesus Taught and Practiced. I considering it Satanically Directed, and wonder if such – along with the attitude of Contempt often cultivated in Christian's about it.

It is very Saudi Royal-family and israeli funded, armed, [medical] supported and pushed Wahhābī Islamic Like – do you not think?

Did it start before the French Revolution when anti-Logos anti-Christian anti-God forces attacked the Catholic Church to plunder the Land and Wealth and destroy the Rationality of Man in that region and bring him to Sin and related Opposition toward Truth, Justice, Order, Goodness, .. was it Satan's Arm in the world?

The same that cultivated such Contempt towards Jesus' original religion – or was it because of the clear Actions of those Venture Capitalist Golden-Calf Satan Worshiper (VC GCSW) who so clearly pushed Sin, and Damnation on all but there immediate family, only Hiding behind those decent members and reputations of those who did not Hate God and all His Creation and Burning it all for Profit and Power?

—

And so I bring up the Memes and general use of the phrase 'The Jews'.

Apologetics .. it can be sifting through vomit and feces .. the hiding such VC GCSW Witches and minions behind a Nobel Struggling People .. is disgusting.

I experienced for a time in limited ways as a non-Jew the wonderfulness of Orthodox Judaism practitioners – as a friend was converting and I often tagged along for some of it, as well as interacting socially, and was included and invited and tolerated when I was ignorant of some tradition I did not know – such as the not talking while eating the first bite of food at meal and thanking God again in worship and sharing a Bounty as the Food, the Sacrifices of animals and plants He provided and such – to share with Him.

Such Satanic disguise is another Form of Female-Evil - to gain the trust of others often using the long Labored well formed reputation as a good neighbor (and even fellow Tribesman within the Sect) and then to back-stab, rob, murder, destroy .. the sophisticated version of the man walking down the street being smashed in the head with a brick to the pleasure of it and for the pocket change .. as an excuse, the victim either dead or so crippled as to end homeless dying in the feces on some many streets – the liquidation of pension funds, the stable business with many workers, and using LawFare to Stare 10 millions of Christians or destroy and impoverish a man for exercising his Speech, and similar is another form of the Bricking.

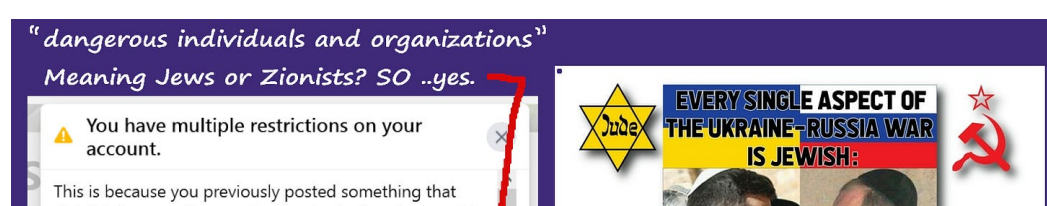

“*Look at me, a Jew!*” and then Raping and Murdering like a Witch-Abortinist in a society where even the regular Jews are often confused at any aggression or disdain directed at them by victims – all of whom on all sides except the VC GCSW horrors are further victims of the ongoing evil they continue to propagate and cultivate .. like the clearly ADL does.

And the Programmed retards – all those who like with any who bring up that modern Western Womanhood is not totally unlike Poisoning Vomit spreading Death and Hell – often under and controlled by such Satanic 'Jews', we suffering and twisted from birth with and by such, from mothers and older women that in Pride, Slimy self-justification, twisted 'caring' and plan vileness and Satanic Sin seeking and empower-self with, evil-Blinding us and others.

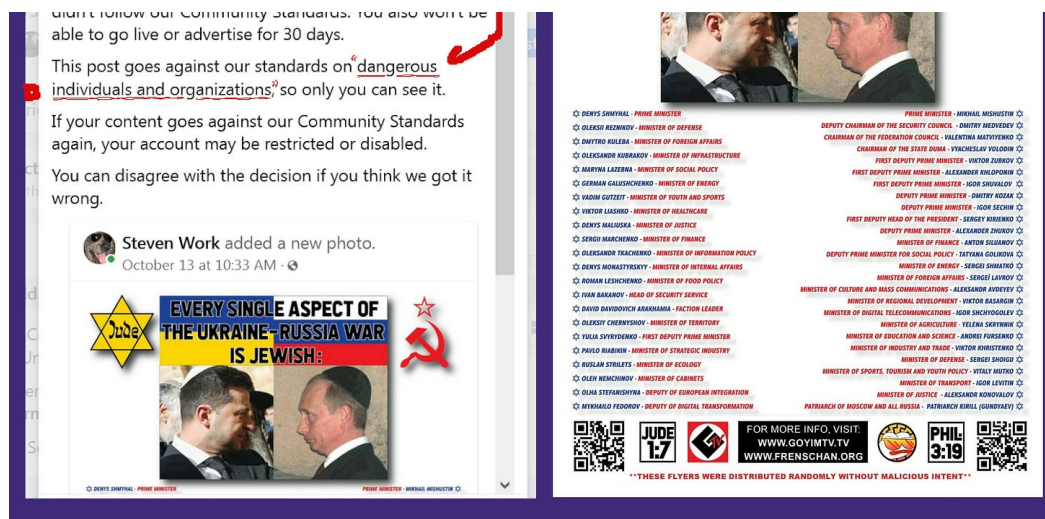

—

I write this – in part – because I will be adding more Memes that are of value to my SubStack version.

Facebook was sure to Ding me for one that addressed how many 'Jews' were on both sides of the Ukraine Russia war and Culling of decent virtuous men and [potential] fathers and traumatizing the population to be powerless to the Satanic Expansion that has turned this nation into a festering vomit-filled cntHell, Globo-Homo, baby-torture, child and adult sexual-mental-spiritual soul Mutilation and destruction, ..

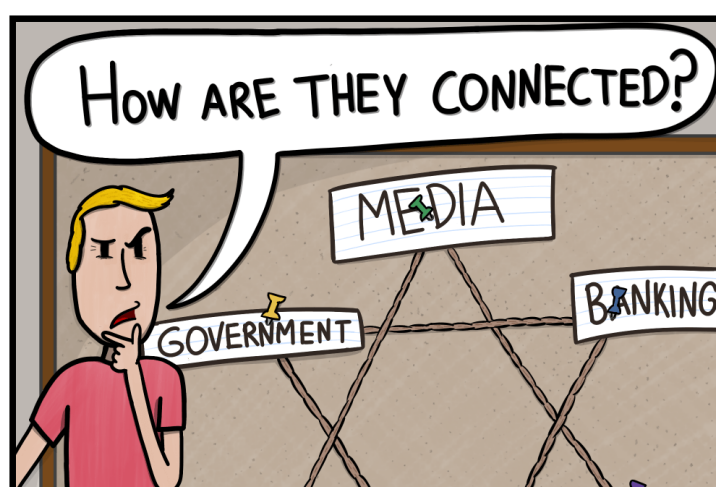

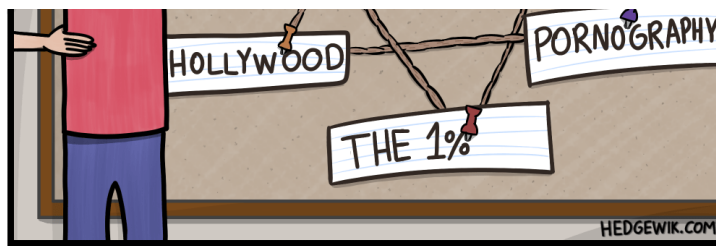

.. in that meme they were sure to exclude the Justification information for the point, Satanic Female-Evil neutering it and then blaming the victim or demonizing the individual who was bold enough to mention the Evil-Agents of Sin, Suffering, Horror, Death and Hell that has Spread throughout the West and destroyed this Reality in the generations of Horrors, we all too evil-Blinded and Witch Spell Asleep while this Holy Dream turned into Holy Nightmare of Demon-Oppressed and Demon-Possessed co-workers, neighbors, family, .. and Institutions which are barely human or a Form of the functional and hard-won Goodness they worked towards .. like the nation, now a Witch directed and owned septic Zombie-nation spewing Death, Horrors, Poison and Vomit .. filled with people who are barely able to reason to not eat their own feces, murdering and torturing own children and self to the directions of Satan and Her VC GCWS minions.

**Those 'Jews'.**

So those who are interested in seeing some of those memes – including the full image of the Facebook message including the original – which would cause more banning and censoring and perhaps more if I posted it in defense .. another Female-Evil form of injustice, removing ability to defend self or argue point that Satan want to keep from you all – interfering with you and future's FreedomToHear.

—

.. on the side, what to do about all those people who have been hyper-empowered in society and have never run into such evil outright, only the victims and those who are warning, and that weird evil-indoctrination of contempt and Pride and willingness to support the offenses against Holy Human Dignity and God?

.. I hope those of us who are victims of it can understand some of the 'extremist' behavior we are seeing more of .. often poorly directed – programmed by their victimizers to attack a group who the abusers are disguised as, or – in the case of the vile vicious slimy lying male-hating Witch women – part of the Sex or other characterization. .. and most of us so educationally twisted as to lump all together, while being screamed at that it is Wrong, and only okay when the local Witch directs it. And such.

Once you See this pattern – you can understand the drive of the Zionist to make Europe a dangerous place for the Jewish Tribe members to create a satanically controlled Nation-State .. from which to Feed and Grew those who are creating the Class of corporations that are corpDragons – the Arm and Fist of Satan on Earth, and our Secrete World Government .. disguised and Hiding behind our Puppet Nations.

Did you Vote for that - Was that on the Voting Ballet, or like #NoFaultDivorce and many other evils destroying us – endless blood and treasure in evil-wars and Fascist Gov and so much more .. did yesterday's vote do more then change the color of the Horror that is our Federal Gov, the Puppet of the #GreatSatan Empire (Administrative States and corpDragons, all directed and controlled by a few – 15 or so – interconnected international Witch-Matriarchal VC GCWS families?

John makes a good point early in the audio – pointing out Hypocrisies assumes a consistency and logical just reality, and we no longer live in the Reality of our grandparents..

.. Good point and we can See this because here now in this Howling Evil Satanic insane Hell - for example - we can not tell women that if they have sexual relations and get pregnant, they can not pay Witches to torture the infant(s) to death [for Satan, ..., Whims] .. too instead either keep your F-ing legs closed, or carry the baby till birth and not murder them for the Lust, Power,
