Good Tuesday Morning,
May the Spirit of the Gospel and the Holy Word be Always in our
Minds, on our Tongues, and in our Hearts.
Holy Virgin Mary and All Saints - Pray for us!

Index Number 1585:

This morning during prayers and meditations I spent a little time
considering what roll the 3 Archangels (Gabriel, Raphael, and Micheal)
play in my Model of the Holy. Archangel Gabriel stumped me the
longest, announcing Conceptions and Deaths (Judgments) what does
He do in our Day-to-Day-of-Bread?

And how is Death viewed in the Model.

For this I will bring forth the physiological functions of neural cells –
to consider what roll they all play in the Holy Neural (Saints &
Sinners) Neural Network which extend around the through these Day-
of-Breads existing throughout Jacob's Ladder that projects from the
Surface of God's Holy Church – Holy Israel out to the Infinite
Quantum Paradox (Realities – Days-of-Bread) of God Dying on a
Cross, and where our Holy Redeemer perpetually Falls in Fidelity of
Being from all unGlorified version of us Either Taking some or all our
Sins at end-of-Day (Sundown) Judgment (or at moment of God's Will
Rending Sin) or With us through the many-levels of Hosting these
Days we Created against God's Will and Holy Human Dignity
REQUIRES must be followed .. and in God's Love - through to His
Resurrection.

There seems a discontinuity here about how a version (copy) of our
soul who has been Damned be involved in Resurrection and I think of
two ways – we become a permanent Node in the Multiverse Path and
as Holy Israel 'Sphere' Expands down Jacob's Ladder we are Absorbed
– and at that point we are Hosting Days-of-Bread worthy of God's
Kingdom Come, all our deConstructed, Derivated, Attenuated, etc.
sub-souls are Worth to Enter Holy Jerusalem – those not 'Drop' into
further Multiverse Hosting.

This 'Death' in a neural cell sense is the equivalent that it stops
differentiating – the Stem Cell takes on her final form with
connections that no longer change, part of the nervous system in that
form.

The other form I was considering is that the sub-soul is so Burned as
to return to it's initial State – along with Holy Links to the State it was,
and used in a new Conception .. a new Baby, with later ability to
remember all the past Multiverse Paths that brought her to that State
– and all those sub-sub-souls who did Repent, following a Path which
lead to Being part of the Holy Neural Network many already within
Holy Israel, a Union in a true form.

This version helps us make sense of those who Remember past lives –
as different people – they have Holy Access for God's Reasons to
Glorify Him and perhaps to help Settle dimensions of our
Understanding of Jesus Christs' Holy Church, and Reality and all that
follows, to more Fully 'Flesh-out' and perhaps correct Doctrine, and-
or likely so many other Holy Reasons only the Holy Ghost (The Trinity)
could provide

So I suggest Archangel Gabriel announces and plays a significant roll
in such for His Day-to-Day-of-Bread that is not outlined in Biblical
Truth given us – Praise God!

And Archangel Raphael plays a roll in selecting who are Guardian
Angles are for all the Holy Perfect versions of us, all we have Authority
& Influence over, and interact with (such as the Holy & Demonic – for
everyone else we interact with we have Influence over – all those
who's Souls are changeable .. meaning addable-to), and vice-versa
(that we are to those others not included in this first Category List – I
do not have First-Level Authority or Influence over some souls, yet
they [may] to me, and so included), and All within at least 3 Degrees-
of-Freedom .. my cousin's manager's person he stood behind in line at
a coffee shop's person who is involved with the water system he uses,
for example.

So our souls are given – likely indirect connection up through Jacob's
Ladder – Holy Neural Network Connections through to Them to
Guide us ,, some very significant number of and rarely Changed
number of those, ..

.. since each Day-of-Bread is constantly Repeated from Start with
Direct Profane Holy-in-Training Master's (and Above's Masters)
changed Starting conditions – those aspects not Quantum Collapsed
(consciously know by the sub-souls) unless He wants it to be .. as in a
Miracle and-or to bring intentional doubt of their perception of
reality, etc. during that Repeated Day-of-Bread. Another example

who has a more successful Path to Salvation.

.
Each repeated Day-of-Bread is the Node to another Multiverse, and sub-Masters who sit on the Master's Round Table under Him, and that Table also includes all Past Multiverse Masters – the Holy Best and others – back to .. like their Entrance into Rationality – 8 years old.

.
This Round-Table concept is a simpler way of defining a sub-section of the Holy Neural (Saints and Sinners) Network. Not that to those Above in Jacob's Ladder we would in some aspect be 'Sinners' below them.

.
And so in at least this one way Archangel Raphael is Instrumental in Guiding Us, if we Choose to carefully Discern and Holy Listen – those most Relevant to our Success (at least Passing through Judgment at Sundown, to not be forced to Own and Host any of our Sin(s)) – those most Relevant are accessible.

.
The 'Judgment' is done by the most immediately above Profane Holy-in-Training part of the trinity that the immediate Redeemer is part of – and is a big-part of how the Master Above Judges Him – and will influence the sub-sub-souls' Day-of-Bread to 'Exercise' or as needed to further Discern what changes the sub-Master's Redeemer much go through to help Train that Master .. and Himself, of course.

.
The constant adding Multiverse Nodes – below in the Jacob's Ladder Quantum Realities are who a Soul Changes .. and how in the Meta-level how God can be both unChangeable and Changing in the Addition of new souls .. in a real Sense we all were always with Him in our Holy Perfect Health State, and those Multiverses below are what we Holy Spawn in our 'Thoughts and Holy Word' .. another Manifestation of His Word.

.
And Archangels Saint Micheal 'Adjusts' the Holy Neural Network – adding Weights and Connections – often routing through a Path where Jesus Christ has Fallen to The Paradox in one of His infinite Deaths .. 'Binding to the Base of Jesus Christs Holy Cross.'

.
There was a lot of other things – but let us leave you with that to consider and meditate on – and give Questions and Ponderings too (up through our Guardian Angels – which you are connected to me through in this Post - as a Degree-of-Freedom.)

.
.. recall that such ponderings are a Form of Prayer in themselves.

.
May the Holy Ghost Guide and Clarify to you All that is Loving, Merciful, and Charitable for you, now and throughout our Journales to our Holy Salvation – too Perfectly Love and Commune with the Trinity.

.
And, ..
May this be a Blessing to you and us all. [And all our Futures, and future Multiverse Pasts.]

.
Oh, I decided that at least one of the reason Satanic Controlled Facebook is giving me weird URLs – unlike years' history of simple Numerical Character Strings – is to disconnect the 'Referenced By' links from old Posts that I add to form a Web of related subjects.

.
(For those who use Facebook to post, did your URLs change to the seemingly random alphanumeric strings?)
I recall when I started to request the Archives of my Post that the URLs within were not of the reasonable form – and wondered at it and considered how that made someone who was researching unable (directly) to link the 'Referenced By' to the place in the records – to build a complete Web that serves the function that was intended – that a common user may do.

.
I did not think much of it because it seemed always to be that way and so likely some internal reason, inconvenient but not actively Nefarious .. but we know understand that such Witches have access to the Multiverse through they torturing-to-death of babies and souls Burning they enSlaved and it was likely that such Webs constructed were significant in my and other's Souls Glorified – in Witnessing – and such, and so ...

.
.. so I Ask again as I do at most every Banned person, Censored Post or video I come across – what is it that Satan does not want you to See or Know .. and should you not pay attention to them & those?

.
Recall that it is my main contention I was removed from Facebook because I was effectively using such to create a Cloud-of-connected Tweets where each contained a simple point and often at least one URL to articles and-or videos that express and support that point – and in combination they entire meta-point, and those tweets linked back to the main-body of some [sub-part] of the Cloud of work, of Tweets.

often Hidden and Obscure, it is not only not contradictory but mutually supportive .. much more that such horrors did not like the word 'retard' – for example – correctly used, especially the inconstant enforcement and those who support or do torture babies-to-death by 100,000 daily world-wide would be expected to not only lie, hide, obfuscate, .. their Real Satanic reasons, but want such to be available – if they really believed it was 'hurtful' and not Lovingly Correcting – they would want it broadcast to everyone as they do to the many many other God's Will Rending and Warping Sins they active promote and protect.

And of course those who actually own and control both Facebook and Twitter – are Vagina-god Satan minions over very very many levels .. including those near us who are passively supportive of #FreedomToHear of us and Futures' interfering evils.

Okay – so that is one more likely reason out of many I considered of such clear weird likely-evil (given track record) with few neutral and no good reason thought-of.

Here is what I put together from Yesterday and touched on to correct spelling and expand a little the non-commented videos.

What the Sins of Church Leadership has [passively] Supported since After miss-applying the Spirit of Vatican II the Body of Christ became Wounded and Evil has openly poured in!

.. as like our illegal immigrants through our Open-Boarders or a deep-into-bone cut in your hand as it moves through a feces filled toilet-bowl after a diseased occupant (sure not all the contents in toilet is only Sickening unto Death, but too much -to- most is!)

The silence against specifically #NoFaultDivorce and removing Fatherhood from Children and visa-verse ranks up there as amazingly bad – the hyper-empowering the soul-Sicken and soul-Sickening womanhood (motherhood) is the cause of such – and as noted in yesterday's Post (URLs in PostScript) our Vatican Leadership wants to Accelerate the Murder of The Body of Christ in all our Souls by putting women into power-positions!

Our Satanic connected Pope .. I am not sure what you need to hear or see to have you seriously Discern this Evil, to un-enSlave yourself from your Sins and Act in a Holy Inspired Manner .. to the Church and the Satanic Mirrored throughout Society.

.. last 60 years most recently, and since such vile horrors are constantly inserted into power-potions and we forced to Suffer them where a man would use care or know better because if you punch a man for lying about you society could support that, but you raise your voice to such F-ing horrors all around us, and you are easily socially destroyed and likely the Satanic-State jumps in, mobbed by lying False-Witnessing inHuman vomit-souled cnts that can not wait to jump out and kick some male in the testicles and feel 'righteous'.

Welcome – you evil-Blinded horrors to a little of the evil-Power that has been used to destroy excellent men and fathers, potentially good young men and boys by the Things that are shaped female but baby-murdering society family child father employment destroying F-ing horrors who long ago would have Stopped and been more careful had – when they allowed to work near men been allowed to be beaten bloody and the older women in their families legs broken for the Curse of the [functional] fatherless horrors they created.

I have suggested a number of effective measures – including [#PublicDataBase](#) and the expectation that anyone giving power to someone who has been provingly and recorded on such their lying manipulating destructive .. Female-Evil practicing horrors – then those are legally and socially responsible for the damages done.

Physical punishment such as interpersonal [#TaserDuels](#) and socially public [#TaseredTillPissingAndScreaming](#) replacing the old fashion public flogging without the long-term physical damage (unless death from stress - so stay healthy, sane, respectful, virtuous, .. and avoid), and much needed for most of us who if Lovingly Applied Justly much earlier in young adulthood would have stopped most of our public destructive behaviors.

The very threat of such would have cause most the women now a Curse of themselves and all living and connected to them to have not been shaped so .. if we include the older women in families sharing in the punishment then their will be a great improvement in many ways. as I regularly argue – those twisted by the ability to torture their babies to death for convenience are clearly inHuman by most Sanity and Virtue Standards, and so much more likely to not only Coin their (and other's) children but also warp them into self-destructive manner for many goals – the least-reason is not to be used to attack and destroy others through their twisted evil-Tool spawn ..

.. the classic 'Islamic Mother' who raises her boys to become suicide bombers, except instead of God these children of many Modern Western Vagina-God Satan following Motherhood are twisted to die and murder for their Vagina-god following mother or others whims.
