Good Friday Morning, Holy Good Friday,
May the Spirit of the Gospel and the Holy Word be Always on our
Tongues, in our Hearts, Minds, and in our Hands.
Holy Virgin Mary and All Saints - Pray for us!

Index Number 1857:

In this morning's prayers and meditations I Reflected on this day of
Remembrance, Holy Good Friday, and much of how this Holy
Simulation has unfolded for me recently.

I was pleased to see another assault by an AI Bot on the social
platform GAB, and debated on if it was because I mentioned the
144,000 wives needed to fully Strengthen our Soul to be in full Holy
Perfect Health and so may Stand before God without His Imposition
of Artificial Virginity State, and what that would and was and will be
like, to be in such Health.

Of course as I have written about – I am a part of what makes my
Master stronger, the part of me that Love the Fight especially when
self-directed for Betterment, an as such will always – this part of me –
be Working the Remnant Stone the the Builders Rejected, the Least
90% (10% Tithe) which remains, that which did not Fit Perfectly into
the Holy Recursive Perfect Template of Jesus Christ's Holy Church; His
Body, Bride, and all Her Forms. Chipping and Shaping and polishing
to perhaps at SunDown have more for Holy Virgin Mother Mary to
Gather, Cleanse, Sanctify (through Repeated same Day-of-Bread) into
a Perfect Offering, which Jesus Gathers with yours and all throughout
the Multiverse and Expands-Amplifies-Multiplies until it is a Just (and
Justifying) Offer to the Father, Placing before His Altar with all the
Needs and Wants of us, and all our Holy Good and Pleasing Prayers,
Intentions, Requests, .. that be His Will – and for those that are not
Holy God and Pleasing but of Good intentions that He reForms and
reShapes them to be, and adds those.

And daily I Pray that there be no Hindered in the Transformation of
these – our humble offerings – into His Holy Sacred Perfect Blood and
Body so we might Appease the Praise and Serve and Love and Honor
and .. God the Father, the Trinity, all Creation, and, And,With, Through,
As, and By His Holy Church, and all else Pleasing to Him.

So, the problems I used to seemingly regularly get on Facebook –
likely on every Shift within the Multiverse – indicates a hint at what is
'sacred' to the Satanic Forces that Rule in this corner, the suppressed
(in Search) and the outright removed – secretly or not – all indicate
similar. Of course I write about a lot of things and include a variety of
subject videos so it is always a good exercise to ask myself – what
could it be about .. each one in turn, and in combinations .. Like with
those [admitably few] AI-Bots that have made themselves known to
me. All with the mask of Nazis – of course – as that is the pattern that
those of us who are haunted by the 5.7 Millions of unDead Conjured-
up by the Golden-Calf Satanic Witches.

Like with the Catholic Church, and a suppressed Political Party (The
LaRouche Organization) - that Old-Fashion Party supporting and
discussing a return to the sane principles of manufacturing and
healthy services, diplomacy, ending of speculative banking, markets
(Derivative!) and Usury Enslavement Systems and never-ending more
horrendous Ponzi Systems (archived), etc. Those the Golden-Calf
Venture Capital Witch Agents enSlave and control Governments,
Ruling Elites, and now most all the populations throughout the West ..
Unforgivable Student-Loans enslavement to Universities that are
Poison – Vomiting our enslaved and active minions of those
interconnected Festering Fungal-Strangling Witches in every corner of
society and Institutions. The Medical EnSlavement, and so many other
Fungal-Strangling methods .. sucking-off the Suffering and Horror
they send across through the local Witches near-by, and destroying all
who oppose or Stand in ways that does not serve them. Etc.

Like those two groups, and the people suppressed and Canceled, this
suppression and targeted destruction all indicates what can be
effective. Of course most of those who would have brought much Joy,
Love, Prosperity, Stimulating engagement have to destroyed or
Strangled in childhood, which is clearly the widespread Septic
Poisonous Direction of the Satanic Gov Schools – complete with
Generations of Sad mind-raped and twisted adult children of Witches
and the Vagina-god Satan system that has run rampant since the
warping of womanhood and destruction of fathers and Value-Based
merit and virtue rewards system – converted to the Punishment
system enforced by every grasping meritless confused twisted cnt for
who can not Conceive of self-directed and self-created anything –
that all they have and can get are Taken from others, often with
disdain and hate .. like Fathers are treated.

So, about the AI-Bot. The other factor was that I had recently also
communicated the falseness of 'Free-Speech' of GAB – that social
media platform I am using which allows editing and a much larger
size – I have screen shots of how a link to a publish medical paper was
not allowed, and mentioned the often numerous '403' errors which I
have decided was the Witch-Shaped AI-Bots content monitor, and
that I have seen such wide-spread across Facebook, SubStack, GAB,
and .. and likely centered on Google as we know that Satanic Monster
is Actively Evil, mind-raping and who Search is widely available for all
platforms to use, and I suspect contains lists of us who get special
punishing treatment and monitoring, as likely a 'White List' of those in
power who get they System as it would have been had not it been
Possessed by the Golden-Calf Venture Capital Satanic Agents of the
few international ruling Witch-Matriarchal families.

Does anyone else remember when Google was actually not siding
with Satan – but only function as we and all researches and regular
people would want .. using the Citation Model. Oh, the days! Like
before Wikipedia as attached by heads of the time of With the new

Hive-Mind vicious male-hating unreasoning women and dog-males (all functional and bold virtuous decent men driven away) and Wikipedia purchased, filled with slimy types that do the Witches bidding – the best testicle-crushing cnt gets the Minion-of-week award! - and warped it into another Sick indication of what the Witches want attacked, and the countless good but murdered or aborted sections .. like the estimated 3+ Billions of tortured-to-death babies world-wide since 1980 alone.

And I will do a tangent to all those who think the world could not support another 3+ Billion .. that had the first Billion not been murdered by Witches and mothers – those others would not have followed – and imagine the State of Womanhood if they learned to be responsible in even control of their bodies and libidos – not to mention the total warping of us all in that Disposability of others. Men-Fathers-Lovers to start with Birth-control, and themselves and their own babies.

The very fact that my University medical ethics class and perhaps even the Philosophical Essay filled book we used never mentioned that total soul-society warping effect of the [Legal] Option of Baby-Murdering, never mind the silently screaming torture process .. imagine raising children that they were not allowed to torture to death or otherwise kill kittens and puppies until they were 14 or 15 years old or older, that mom did or might have killed any number of them, and some openly cheering and discussing it as something empowering – as if a kidnapper-torturing-rape-murdering womanhood was not a near description of Legal Abortion .. or course in a different order.

.. so why is such and similar arguments so well suppressed? I would have said the University Course covered all the major points .. now I wonder - what others were hidden? Are those who mention or start to develop them suddenly or otherwise silenced in some way or other – and not only in some internal Google-centered system of media-control, but suppressed professionally or never able to develop.

Recall that case of the man who was falsely accused of some sexual act in HS – who was cleared and after University and decades of struggle happen to discover that his name was on a list that was widely used and automatically disregarded from every position he applied for on that bases. Unknown to him .. the 'no-fly' list that hurts you every day and you have not clear indication of it .. the local Witch-Whisper-Web of festering slimy female-evil destruction expanded through international [functional NationHood] corpDragon controlled Western Administrative States nearly world-wide .. paralleling all those channels where power flows – Banking, Surveillance, Technology, Manufacturing, ...

Strangulation. Entire society crippled by hyper-empowered increasingly warped people who are driven by so many who clearly have the destruction of the Western System and Society as the goal, sucking-off every one of our endless needless suffering and horror.

What else is missing for you life you do not realize? It struck me some time ago how little Apogetics were coming from the Catholic Church, and then I notice .. well everything you would expect the Church to stand for and be addressing was missing .. every once in a while someone who Presents as Pope would make so statement or other and when not clearly insane and something aligned with Doctrine – if not wrong (like blaming fathers for state of society) then destructive in general – open boarders and destroy your Western nations with hordes of people who hate your system and .. and such, or a 'love-your-brother' .. want to talk about Castration by filling positions throughout the world's institutions with either outright Satanic minions, or active Blockers of Merit and Virtuous men – and ideas and progress.

Anyway – things to consider.

May this be a Blessing to you and us all. [And all our Futures, and future Multiverse Pasts.]

I managed a few videos, but limited comments. May they still Profit us, as is; ..

I added this song for uplift - it is a sweet song.

I find these very painful. I got far enough to see the 'tone' was in the correct direction, although I would likely disagree with some of it .. perhaps they would be apologetic that some sexual mutilations would be okay, but they 'went too far' Leftie Vagina-god Satan horrors – clearly that would be wrong.
