Good Monday Morning,

May the Spirit of the Gospel and the Holy Word be Always on our Tongues, in our Hearts, Minds, and in our Hands.

Holy Virgin Mary and All Saints - Pray for us!

—

—

Index Number 1902:

—

One of the subjects I considered in this morning's prayers and meditations was related to the Betrayal of Jesus by one of his apostles. The Need of such Betrayal to fulfill His Holy Infinite Service, and as discussed in previous posts the Least of the 12 would fail, that each of 12 likely were picked because they represented 12 States (4 Base Natures of Man seen as Beasts in Book of Apocalypse [Revelation], each at 3 levels – lower, median, higher) that were also the Template for each Tribe of Israel, and given different situation and Graces that the Betrayal might have come from – in Multiverse Did come from each - other Apostle [Type].

And so I invite us each to not focus on the actual Apostles described – too briefly – in Holy Writ, but in the kind of Betrayals.

We have Greed already. As we see such in the world all around us – this is easy to understand.

What others are Predominant and in-fact God is using Satan to Show us within ourselves and others as described in [*Psalms 51:3*](#) ([*archived*](#)) - '**.. all my Sins are before me, ..**'

Create in Me a Clean Heart, O God

(2 Samuel 12:1–12)

For the choirmaster. A Psalm of David. When Nathan the prophet came to him after his adultery with Bathsheba.

- ¹ Have mercy on me,^a O God,
according to Your loving devotion;
according to Your great compassion,
blot out my transgressions.
- ² Wash me clean of my iniquity
and cleanse me from my sin.
- ³ For I know my transgressions,
and my sin is always before me.
- ⁴ Against You, You only, have I sinned
and done what is evil in Your sight,
so that You may be proved right when You speak
and blameless when You judge.^b
- ⁵ Surely I was brought forth in iniquity;
I was sinful when my mother conceived me.

is a reminder that when we are Judged and must Host of Sins – as Cane is – we have that Sin all around us and directly harming us and those we love and care about, that once we start to Change with this Revelation and Repentance and God's Grace, still it is everywhere and we come to Hate that Sin and those connected to it.

Perhaps for Peer, Boss, Powerful Recognition, to look and be though of better by those leaders at the temple, to wiggle a better position or favors .. kind of pathetic Virtuous Appeal as we see many co-workers and others announcing that they spent the weekend at a BLM or 'Climate Change' protest. But then Betraying a co-worker for suggesting that BLM was not all virtue and Light, or that climate change was not what Satan's Narrative says it is.

Or more visceral is the Betrayal of mothers of children for the 'Trans' label and the imagined 'benefits' of such, like a hyper-version of pushing for some kind of diagnosed condition for a child to not gain great Social Security Federal money but to parade around such

'bragging' whenever wanted or perceived an advantage.

The Trans version covers a kind of pure deep Betrayal, an active destruction of the souls and future of their children even far greater than the now standard Septic Female-Evil Poison of male-hate (fear & despair into girls, and self-hate and despair in males) a Castration and Mutilation of the soul, but with the Trans it is an extension – like the sexual mutilation of boy infants but far far more Satanic a Betrayal.

—

I invite us all to look around and see what others causes and reasons for Betraying Jesus might have been the Fall of one of the other Apostles, as clearly all our Sins are before us. Clearly our children are a good source for such Illumination .. as womanhood as long since been crippled and mutilated.

—

May this be a Blessing to you and us all. [And all our Futures, and future Multiverse Pasts.]

—

—

Some longer videos today, and a lot to review for me and hopefully you will find them valuable. Most could be stripped of video and made into MP3s to listen to while traveling or walking, of course.

I hope you will enjoy and Profit from them.

It seems strange to me that different artists doing 'Covers' popular songs often has me listening more closely – likely for differences in style but – brings the actual words and meaning better than the originals ever did. Although this is likely because when I was much younger those meanings – if perceived at all – were shadows within myself of what they are now, but still – Rational reasons aside – it really is a Joy .. and perhaps consolation to much younger versions of us that growing older and facing hardship has many – often imagined or could be imagined – benefits., ..

.. I had a kind of weird insight flash about the clouds and another song by a different artist than the original where she added 'clouds' as a dream as an excuse to sing about something different .. as if I Senses that she pulled that inspiration from the perhaps then popular original song at the time.

Besides her stating such happened – even if she could remember it if true – there is no way to check that, yet I Sense it is true in part because it came out of no-where I could Rationally point too.

I suppose it could be disproved – if the song I believe was inspired happened before the other was written, performed or otherwise

shared.

Man, **don't get me going on this subject! ..**

Insanity. Male-Hate and family-destruction gone insane.

This alone given that most voters are women and support this is Rational Grounds to suggest that the Death of all post menopause women would be Just – by any standards of secular Justice that this such insanity can exist.

In fact the hacking to death of them all by Teams of Septic-Cleansing groups of men, women, and fathers, mothers and those who Hope to be and who have been victimized seem Rational in comparison. If it started for real, why would I do anything but argue that it is rational – and although God Demands Love and not Death, in this Hell such a situation of widespread murder seems most Sane., ..

It is things like this the Burning in Hell – suffering all the Sins you created - exists .. one painful death is not enough for some things .. people must Suffer the lives of their victims and other such Justice .. Fearing God is the beginning of Wisdom!

'Special' courts for sexual assault cases .. like special 'family' courts?

How many of those Witch judges can and will say what the Parental Fraud rates and the false rape accusation filed with police?

Anyone involved in such – like with the family courts – argue please why it not Just to publicly hang them all over the corpses of their mothers, aunts, .. [most] all the older women in their families.

Please, and unless you do it well – die screaming with your mother, aunts, ..?

Only being accused of being a sex offender! – even if it goes not further because the initial investigation or it is withdraw- is enough to get name on a list that destroys a life – often hidden because people do not know .. everyone connected to such – please argue they not hanged over the corpses of their mother, aunts, ...

This is a good self-and-others' measure of how evil-Blinded and Demon-Oppressed or Demon-Controlled we are. If this does not seem insane given personal and information which I and others have provided – no fault divorce statistics of 80 percent from wives and over half gave reason 'because not happy', Federal laws to promote the taking of children from fathers (through matching awards), false rape accusations filed to police of 80%, the pure untrustworthiness of modern Western women as a class in this cntHell with 1/3 of us Bastards, .. and similar - if such an increase in Active Evil by Western courts does not seem insame than let me ask .. how does it feel being a Toxic Horror to self and world – and most of us would be better if you Gone – dead for safety to others?

“WAR AND THEFT THE TAKEOVER OF UKRAINE’S AGRICULTURAL LAND”

by Frédéric Mousseau and Eve Devillers, The Oakland Institute, 2023

<https://www.oaklandinstitute.org/sites/oaklandinstitute.org/files/takeover-ukraine-agricultural-land.pdf>

EXECUTIVE SUMMARY

The war in Ukraine has been at the center stage of foreign policy and media reports since February 2022. Little attention, however, has been given to a major issue, which is at the core of the conflict – who controls the agricultural land in the country known as the “breadbasket of Europe?”

This report addresses this gap – identifying the interests controlling Ukraine’s agricultural land and presenting an analysis of the dynamics at play around land tenure in the country. This includes the highly controversial land reform that took place in 2021 as part of the structural adjustment program initiated under the auspices of Western financial institutions, after the installation of a pro-European Union (EU) government following the Maidan Revolution in 2014.

With 33 million hectares of arable land, Ukraine has large swaths of the most fertile farmland in the world.¹ Misguided privatization and corrupt governance since the early 1990s have concentrated land in the hands of a new oligarchic class. Around 4.3 million hectares are under large-scale agriculture, with the bulk, three million hectares, in the hands of just a dozen large agribusiness firms.² In addition, according to the government, about five million hectares – the size of two Crimea – have been “stolen” by private interests from the state of Ukraine.³ The total amount of land controlled by oligarchs, corrupt individuals, and large agribusinesses is thus over nine million hectares, exceeding

In the 1950s, southern politicians warned that integration would be a disaster.

Then integration was forced on us.

Then it was a disaster. Everything they warned about came true.

And our response as a country? We decided that truth isn't important.

A 17-YEAR-OLD GIRL FOUGHT OFF A RAPIST. NOW SHE'S BEING CHARGED

A 17-year-old girl managed to escape being raped by fighting off her attacker as he ripped off her clothing. Now police say she will be charged with a crime for defending herself. ...

Denmark: A 17-year-old girl managed to escape being raped by fighting off her attacker as he ripped off her clothing. Now police say she will be charged with a crime for defending herself.

The teenager was attacked around 10p.m. by a man described as "dark-skinned" in central Sønderborg, Denmark. She told police her attacker struck her, threw her to the ground and began forcibly removing her clothes.

Using a canister of pepper spray, the 17-year-old was able to fight him off and escape the attack. Now that tool of self defense is going to leave her as the only person charged with a crime in the incident.

"It is illegal to possess and use pepper spray, so she will likely be charged for that," local police spokesman Knud Kirsten said, as cited by TV Syd.

Users of social media websites expressed their outrage over the incident. Irony being what it is, the girl only began carrying pepper spray because the local police have failed to curtail a wave of sexual attacks by asylum seekers and refugees.

Attacks in the city have grown so bad that nightclubs have been forced to ban people based on what languages they speak.

Making the most profoundly ugly, degenerate and vile things common.

That is an unavoidable consequence of the presence of lesser races.

If you believe otherwise it is because you have been lied to, tricked, brainwashed.

All you have to do to see that what I'm writing is the truth is open your eyes and be willing to see what you DON'T WANT to see.

And why don't you want to see it? Because you've been programmed that seeing it, just SEEING IT and acknowledging it in your heart makes you "Evil".

This is the damage your enemies have done to you spiritually and psychologically.

Only you can break it and only by being honest with yourself.

Knew he looked familiar somewhere.
The blood of your ancestors flows in your veins,
as rich as a spring pouring out of rock. From
their place of rest, they observe your deeds,
and smile; having seen that all they fought for
was not in vain.

[@KeepNHGranite](#) Yea, you can poke fun at the Pregnant Thug White Ladies all you want. I did. Took out the trash last night - three of them were waiting for me. Before blacking out - the last thing I heard was, "So you think you're uncomfortable?!" Then the lights went out. I'm moving out of Vermont as soon as possible. The beautiful fall foliage isn't worth my life. South Central LA - here I come. Update: the police have recovered my credit card; but not before 6,500 bucks in new charges for maturity clothes, Shea Butter, and Ben & Jerrys were added.

our country makes more sense when you realize everyone in power is either a jew, a pedophile, a jewish pedophile, or being blackmailed by jews, pedophiles, or jewish pedophiles

and SOMETIMES it's even jewish pedophiles being blackmailed by other jewish pedophiles

OMG guys, this is just the most wonderful picture of inclusion, diversity, strength and the power to over come! Lets all just hope that they do not force gender labels on their beautiful brown jewbies and they raise them to know that Israel is their homeland and they have just as much rights to live there as any other jew. Preferably ASAP. [#MulticulturalJewsAreAmazing](#) [#ThisIsIsraelsGreatestStrength](#)

More Jewish Women Are Marrying Black Men Than Ever Before

BY SIMON COHEN FEBRUARY 21, 2021

Progress is winning.

And the signs have never been more apparent. In recent years, more and more Jewish women are stepping outside the strict rules against marrying non-Jews adhered to by their ancestors.

This is especially true with regards to interracial marriages involving Black men and Jewish women. Perhaps born from the mutual experience of being oppressed minority groups, countless Jewish women have been finding their soul mates in the Black community.

The cancelation of a long-time instructor is bad enough. The attack on classical music - a pinnacle of [#westerncivilization](#) is bad enough.

spiked-online.com/2023/05/20/the-cancellation...

No, it's the ENTHUSIASM for the cancelation that is apparent that is the critical thing. Brings to mind this stunning insight into human nature by Huxley:

We do not throw away perfectly good food in this household. We put it in a Tupperware dish until it goes bad, THEN we throw it away.

Guess who invested \$12m into a company that produces red seaweed methane blockers 2 months ago?

Bill Gates.

For those of you still unfamiliar with the JQ, this jew doesn't give two shits about the bible, he's using it - like all jews do - to make you accept your replacement by other races so that his tribe can control your country unopposed.

Of course, they themselves never "welcome the stranger" in Israel.
