Good Monday Morning,
May the Spirit of the Gospel and the Holy Word be Always on our Tongues, in our Hearts, Minds, and Hands.
Holy Virgin Mary and All Saints - Pray for us!

Index Number 1613:

Looks like I can be back on routine – the 24 hours restriction from Facebook finished yesterday evening and I finished posting and publishing with all the URLs, and such.

And as I mentioned in yesterday's post (See PostScript for URLs) it looks like we are in the less evil part of the Multiverse Paths – away from the clearly Satanic Ruled Female-Evil Master versions – once again Facebook finds that Censorship sometimes has it's Costs .. I was reminded on the Day-of-Bread I argued the creation of the hidden 8th Day of Week since the Resurrection – God's Completion of forming Creation .. that later that day all of Facebook crashed throughout world .. where the collapse of so many Multiverse interlinks decided to Censor – such a clear Test, and Cleansing of the soul-Rotting influences.

May this be a Blessing to you and us all. [And all our Futures, and the future Multiverse Paths.]

I only got a little bit into this – sounds like great history info, post WWII and the continuing undermining and destruction of West by evil-Zionists Starvation and the media and evil-Gov lies and manipulation of history .. pushing the formation of the Thieving, Murdering, Fascist Satanic-Wolf State disguised under the Good name of Israel – continuing making Europe uncomfortable and deadly to live in for Jews to drive them and the concept there, ..

.. and this looks like it will by his typical great work., ..

.. while editing this post I have been listening to this and in first 20 minutes I note that the Bishop has great points. Now at time 40+ minutes and talking about End-Times - and the Purifying the Church.

Current-events from a duel-National Legal perspective, the Collapsing of the Western Justice System.

So clear .. Witches and evil-Zionist Captured Satanic minion Elite judges, and so much more.

(Barnes enters video at about 17 minute time-point.)

These guys make a good point – and we should be asking ourselves regularly about such – and pointing it out to others - if we have not and are not doing that already already.

Scary horrible situation .. remember if some lying vile cnt – who are all around us and make up greater and greater percentage of womanhood – if she #FalseWitness's your son, brother, father, uncle, .. and data shows the something like 80% of sexual assault reports filed with police are False, and even if she decided to recant .. the male you care about and many others will have such on their record and will sho up in every modern day function .. housing employment .. destroying his – their lives and futures.

If this is not concerning to you – you are a horrible person who it would be hard to stop someone kicking your teeth in and systematically breaking the leg of every older women in your family, you F-ing inHuman horror!

The secrete evidence that the defense can use to show that the accuser was and is lying – in defense – how much be shown to the accuser who then changes her lying story to cover that. What a F-ing evil change.

.. No it seems that the people would like some exercise and try out their steel-toe shoes, then selectively the Elites in power – anyone doing really well and in power - including the 'justice system' you can not easily access might be targeted. As it the Father & Children separating horrors should not have had hands regularly broken a long time ago .. as 'a message' that they are horrors that should not be anywhere near Power over others.

Full social #SexSegregation and widespread Assumption that all women are lying horrors, and require absolute proofs that are not slimy womanhood and cnt connected – including 'research' and other vomit that Female-Poison has made worse then worth-less .. unTrue, unjust, disOrdering Vagina-god Satan horror, ..

I only got a little way in video, and the evil-Zionist Programming showing the retard Nazi and the retard Thug to train the audience not to listen an argument, to auto-demonize points of view different then the Witch-Matriarchy [and now clearly Satanic, soul-destroying, murdering, .. putrid vile] Vagina-Supremacist Satanic horrors are now pushing – that instead someone who should mind their own business unless they willing to debate instead is Basking-Seal trained to go to violence.

How about the Thug said something like .. “Hold on! Let us, put all the other points aside for now but I know that black communities recently - before Welfare started destroying the communities, fatherhood, and families – the communities and families have much better Statistics in great Values – better then average majority of American [sinners in this Fallen world] .. they are better in Church attendance, Employment rates, very very low out-of-marriage children, low fatherlessness, .. and all that is on par with Orthodox practicing Abrahamic families, so you are wrong about 'blacks' ..

.. perhaps this is an example of why you are likely wrong in much else that you talking about.

We can likely find agreement on excessive Immigration - it is reasonable that any immigrant allowed into Nation must be supportive of the existing Values, ...”
