Good Tuesday Morning,  
May the Spirit of the Gospel and the Holy Word be Always on our  
Tongues, in our Hearts, Minds, and in our Hands.  
Holy Virgin Mary and All Saints - Pray for us!

Index Number 2016:

This morning's prayers and medications went as smoothly as usual,  
some insights and considerations of topics previously discussed in  
yesterday's post (archive, see PS for full URLs) and previous posts.

I went directly into transferring last-night's collection of videos into  
the section below and lost any of those aspects that might be  
interesting to so from my prayers and meditations. Perhaps and I  
hope that some of those videos – and comments – will be of Value to  
us.

A few of the videos directly discuss the mind-raping interfering of our  
Holy Human Dignity and interference to all our and our loves and the  
Futures Freedom-to-Hear, and so many of the others' issues were  
made [worse] because of the Female-Evils of those gaslighting, lies,  
suppression, .. that is the standard now where most of us know that  
most of the world has been poisoned by lies and mind-raping evils  
that too many of us experienced when young from our mothers and  
most women through our often crippled, broken, sad lives, and so so  
many dead - made that way mostly from such Toxic Septic Female-  
Evil.

.. To pretend otherwise is the thing Vagina-god Satan followers and  
mind-broken evil-Blinded victims do.

May this be a Blessing to you and us all. [And all our Futures, and  
future Multiverse Pasts.]

To silence those who would warn others – Female-Evil at some of it's  
most raw.

I would suggest to anyone who would attack the Father for bringing  
up those seeming clear cases of serious concern they should do well  
in arguing why he is wrong – if possible – or face the possible Just  
results of being a slimy minion of Satan spreading Horror and Evil  
throughout the Church .. along with the Golden-Calf Satanic Witch  
minion Puppets throughout Vatican and in positions of power in the  
Church.

God Demands Love and not Death – but such people should realize  
that the Just hanging of Pope and others is much more difficult then  
for them.

.. They Need to start off by proper and well articulated (written &  
spread) arguments of why they believe the Father's Charges and  
Warnings are incorrect.

The world for generations and many many souls have been too often  
murdered & damaged by the censorship and repression of Righteous  
warnings – the 3rd Secrete of Fatima for example – and kicking the  
teeth-in of any who would continue such evil and treating their  
mothers and older women in family as the Witches that twisted them  
into vile slimy horrors is a reasonable response to any more of such  
Female-Evil Poisoning.

In a Just Vatican that Values Truth would argue that Freedom-to-Hear  
is basic for Holy Human Dignity, and it Right to Stop those who  
practice such Holy Disrespect - and people & organizations that  
knowingly do and support such may be killed and destroyed if other  
reasonable efforts are ineffective.

Public examples such as public hanging and burning buildings as  
Warnings would be best with clarity as they found to be Knowingly  
offending Holy Human Dignity, ..

Ray McGovern has an old-fashion perspective.

Another sample of the kind of 'evil white men' that has been driven from most all power positions and filled with servery damaged mind-broken (from accepting baby torturing-to-death is okay on whims of mothers, child-mutilation, ...) twisted meritless virtue-sickened women and their minions and enslaved dog-males, minorities, [adult] children of power and enslaved elites, ..

The huge failure of Federal Government in Hurricane Katrina (archived: <https://archive.ph/7bQjA> ) should have shown us all that all our taxes and public resources are all only paper-tigers and (women filled) government jobs and pretend – while the money goes to Golden-Calf Satanic Witch fake businesses, and then after poor or no serious help in emergencies the Gov borrows more money for all the things that our taxes should have covered but went instead into the pockets of 'connected' family and friends of the Witches.

This excuse to borrow more money while taking it in fees and taxes can be seen clearly on all those fuil taxes that go to murder and war and horrors, and then once a bridge falls down and kills – then money borrowed from the Golden-Calf Talmud-Sicken Satanic Witch owned and directed corpDragon Federal Reserve – the Gov borrows from some private corporation and pay Usury to them ..

.. And F-you if you think this is not insane. Like baby-murder instead of forcing women to keep legs closed or carry the child – and public hanging the Witches and murdering mothers .. in this entire West our minds are F-ing broken by those Satanic Witches all around us.

Freedom-to-Hear violators .. hanged to death with mothers and older women in their families is generally a Just responded – Just but Wrong. Forget corpDragon 'Immunity' of owners and executives .. so so many dead would be Just. But God Demands Love and not Death.

Sec230 was put-in to allow Legal Speech and [Hyper-]protect those corpDraons and owners from being liable .. there is no excuse for any censorship outside of if it was disruptive or interfering with others Speech or ability to Hear.

Sorry for all the gossip mixed in – but again some very very good points.

If I had more time to do it – I would cut maybe half from video (!), yet there is too much Value in it that will be able to be heard by people so mind-F-ed that they [have] automatically dismissed it from men (because of Witch-Spells by mother and other Witches from crib), ..

The Female-Evil Golden-Calf Satanic Witch 'messages' have Poisoned Everything .. like the destruction of spaces and groups of only boys and men, every corner is filled with Septic Toxic Female-Evil putrid horror, as it has spread into what used to be places where our minds might go to and not be reminded that we are evil white males and should suffer and die – self-loathing Vomit that womanhood has been twisted into shouting - while testicle kicking .. so much so that mothers automatically Gone by 4 years old of child is likely Just, and the death of [most] older twisted Septic older women

How many women we have all had to suffer would have been better Gone? The Pretending to care and have some interest that is noble – most are clearly grasping, murdering, F-ing lying Horrors .. poisoned from crib – and now not only do the Golden-Calf Satanists in power Positioning our memories of good things in older movies and such, now nearly everything they touch is automatically made Toxic and a tool of Satan – a lot like most women are Programmed to do., ..
