Good Thursday Morning,

May the Spirit of the Gospel and the Holy Word be Always on our Tongues, in our Hearts, Minds, and in our Hands.

Holy Virgin Mary and All Saints - Pray for us!

**Index Number 1884:**

—

In this morning's prayers and meditations I felt that some more detailed Apologetics are needed for the '72 Virgin Males' in the Village the mMaster Rules over, The Village being in the next further Jacob's Ladder Level and those 72 are Clean versions of hHim with differences is physicality and Balance of 6 of the 7 Powers of God, the Lamp Posts mentioned in St. John's Book of the Apocalypse (Revelation.)

The Perfect Balance of those 7 is needed for Perfect Holy Health. And generally we can think of touching One as one of the 7 Grave Sins, although I think such is more granulated and need to be deConstructed further .. as the 4 Beasts are the Base Natures of Man – it is only in the Mixes that any is ever implemented.

The 72 is the 6 Lamp Posts variations (Distances) under 12 Apostle or [Jewish] Tribal mixes – that is 3 levels in each of the 4 Base Natures of Man .. with the 12 Apostles being picked for their similarities to all the different versions of us Avatar mixtures of the Base Natures – and if we had more details of the actual Apostles this might be argued with better resolution .. but we can Assume that Judas had whatever mixture levels that our Usury enSlaving Female-Evil Golden-Calf powerful Satanists 'Lean towards' ..

.. and I would Argue that as the entire Bible and all of us are Hosted on the Soul of Cane – and so Murder, Concentrated Power (City-States), Skills and Scientificism dominate us and our societies because these are part of that of Cane that was unmanageable or secondary effects and similar, that we are all being Hosted under Judas and his Female-Evil Betraying Grasping Weakness.

That Weakness is seen on modern unrestrained Western Womanhood expressed clearly – Betraying our unBorn, and [male] children to a life of horror and Hell .. how many of you men these days are fatherless, including functionally fatherless were the Threat of him loosing family prevented him from Being Father?

Almost all of us are functionally Fatherless, and only the most Orthodox Abrahamic Following mother in this Nightmare CntHell where the gov and society are filled with back-stabbing Judas' in Female Skin being directed by Demonic Forces focused by Witches to Act the Will of Satan on Earth, and violence such as the Men Genocide of Christians in Ukraine-Russian, and the Taliban's refusal to allow Satan to rule is setting up the intended further Genocide of Men – leaving only Dog-males that will serve Satan and live under Vagina-god Satan Witches and Minions, and followers .. followers like most our mothers, aunts, grandmothers. .. Sanctions are being planned – as the recent 'gathering' with 'woman victims – men evil rapey oppressive Bad' narrative which purposely avoiding the details – likely in part because such practices as giving fathers and [potential fathers] men with dependents of seeking them priority does not want to be thought about ..

.. at the same time as throughout the West the clearly opposite have been geneociding our Christians men for generations .. actually, Actually paying companies our taxes to move manufacturing and jobs off shore. .. Look – it is so clear that only the Demonically Oppressed or willfully Cowardly can try to deny it.

—

Anyway, with 6 of the 7 Powers of God with Freedom to Adjust, the 7th is Assigned – Locked – for the mMaster it being the primary influenced hHe failed to Manage and so Gravely Sinned, and so all the Avatars are Locked at that Level or Lamp Distance.

The Goal of the mMaster is to .. Suffer that Sin through hHim as lLamb and to learn to Manage it in all the versions that Reflect the 144,000 Steps or similar – with Spacing such that the in-between cases are also Managed .. though Dropping down Jacob's Ladder Levels through the Avatars that Gravely Sin and are Judged .. the Judgment is partly the mMaster, as Adam would have been for Eve's Sin had out of Love and fear of Separation he did not Join her, as they were OneFlesh, or that he was Weak to her seemingly still living presence and so argued that it could not have been That Fruit .. seemingly as Cane was Seemingly still living when the Holy Simulation suddenly included other people [Avatars of him] and villages and such – when there were none before.

.. or you and I Seem to be Still Living when we Gravely Sin .. not remembering the 3 Angels that suddenly appear and drag us away to be .. Processed .. Hosting the Multiverse of Sins we Willed and Holy Love and Holy Human Dignity required exist.

—

—

We are sure through Biblical Indication that without Close Supervision and when needed meaningful Corrections - that 1/3 of females with Fall, and as I argue that the Fall of Lucifer and creation of woman in Garden are linked, that the Failure of Eve is connected, and with 144,000 different Adam-Eve pairs, the one we Under Eve.x may have been a Sacrificed to 'Save' Lucifer – to Force Lucifer back into proper Order Lucifer Serving Holy Man, and Lucifer and We are Fighting for God's True-Right Order.

And for females, 1/12th will Fall. One of the 12 Apostles.

.. One might do the Math to figure what level of internal female-aspect balance where these are used.

if 1/3 of Female Fail, and so the Female-Aspect within the male caused 1/12 Fail, then 3 times 1/12 is 1/4 th. The Male Soul is 1/4 plus whatever Male-Aspect exists in the Female .. perhaps up too 1/2 of Female is Male-Aspect but 'Masked', and not Passed through Mother's Copy.

—

—

Some things to consider.

—

***May this be a Blessing to you and us all. [And to all our Futures, and future Multiverse Pasts.]***

I did want to remind those who are worried or watching the Sudan war, and failed to ask self why so much coverage .. mostly such in African countries are ignored, Libya - for example – any putrid lying cnt that pretends corpDragon media cover has anything to do with caring about the people .. well, ask them about the human slave trade and similar .. is it not bad still? Why barely mentioned and focus on oil or other things the corpDragon Witches care about.

With Sudan .. there is oil and diamonds or gold .. but also ALSO the suggestion that it is planned as part of the Silk Road China is forming through investment development and decent treatment of the people and governments .. something our putrid evil Golden-Calf Female-Evil Howling Satanic Horrors that are in control of this GreatSatan Empire would rather Debt Enslave though giving money to

rulers that steal it all and then run, leaving Debt, and other evil F-ing Female-Evil crap that the 'World Bank' and UN have been doing for generations.

I support, have suggested, and written about that Europe and rest of world should have long ago built international system of transport long ago, of course, but such would have interfered on each political level of corruption and Fungal-Tentacle Witch controls, the Stagnation and Death of the West correlates with such Life-Soul-Joy Murdering F-ing evil .. the same evil I Suffered as a young man working in University in late 1980's and 1990's, and such Toxic Sicken Septic Vileness has turned-up and followed me since – Witch-Whisper Web unJustly and secretly active Canceling and targeting me using the every increasing Sickening Demonic-filled vile Hive-Minded putrid 'Professional' womanhood Witches and their slimy retarded and mind-raped younger women and Dog-males, ..

.. and this Toxic Sickness and those practices I suffered and now Standard throughout all places of livelihood and sources of needed resources and other Power related aspects .. it is now Worldwide.

And every workplace is a Toxic Septic evil-filled and-or controlled Hell-Hole and unJust and Evil to force anyone to work in them, as in Education. If more then 2 or 3 women in any of the power structure then at least one is a Witch and likely all are working together willing and actively Betraying and-or willing to .. the Employer or Institution and any Western Virtue-Values it is based on or targeted towards.

—

—

—

So ..

Yesterday again was late in finally crossing all the 'T's and dotting 'i's in publishing and barely got any pre-Posting work done, so I have a number of videos I would have added, but likely not get to, and will be added later if not better more recent takes their spot (Time)

Here is what little I put together or was able to throw in this morning, with thing comments; ..

It is interesting to hear some perspective of Russia from someone we can trust, someone who actively tried to prevent the Iraq war in Weapons Inspection – but since the WMD was always a lie-based reason and excuse, his actual work and coordination and all cooperation and agreements with Iraq leadership was doomed to never work – like the insanity of Ukraine-Russian Genocide goal disguised poorly as .. what, WHAT? What insanity but Murder explains it and our part of it?

How Nuke War not justified, and perhaps Better?

.. or as mention, the intention of further Genocide in Afghanistan to make more available and easily steal-able all those resources, as with Sadan, and .. and all our children and souls .. howling Demonic Witches and further Slide into Deeper cntHell., ..

Was he video-taped killing someone? If not - I will not even listen to the details against Tucker. True or not. Does not matter to me, and absolutely Damns all who push them .. if not active False Witnessing, then the kind of people who's .. Goneness .. for example their hacked-to-death corpses would be a pleasure to clean-up compared to their Septic Evil Vomit they force you to suffer one more time.

Glenn and those who are showing clearly the insanity are not to be confused with those creating and pushing it – of course.

-  
Like most people – Tucker is clearly a good guy and not a Saint, but his history suggest that his Virtues and active Intentions are something you can Bet on.

I would like to see a New West .. where anyone who actively tried to destroy decent men and others they are publicly beaten and an arm

or leg of some significant percentage of the Witches in their family.

corpDragons .. well, long ago such evil behind legal Immunity should have been addresses and why I argue that Death or similar of owners is often Just regardless of our Satanic Controlled gov or international system disagrees.

Imagine a world were everyone involved in this or similar in all nation, and local – the public death or significant Corrections involving Screaming over long periods of time of all connected, supporting, and those that had or should have had a hand in raising and shaping such Curses on us.

At what point do you look across the office or workplace to the Witch who is vomiting Evil on all and decide that killing them and all who hired and allowed her to Curse the rest of you .. what kind of vile vicious evil overall is in place that prevent you from even correcting .. if a man you would suggest or threaten a visit to parking lot or similar, and any person in office or company who objects to expect a beating, and because such slimy horrors will likely call the police who will side with Owner – killed screaming might be the way to handy them ..

.. of course, God Demands Love and not Death, and Better from us all.

Although it might be Just – and if you could kill everyone in the top 3 levels of Power throughout the world and all those institutions and the Witch Fungal-Tentacle Links and Coordinators, and especially all the older women in their family .. such would result in so little relative inJustice as is regularly suffered in the first hour of any day because of them. It is not to be handled that way.

We are being Forced to Suffer this because the Betraying murdering Horrors in Power are there to make us Hate such Sin and to find a way to manage it – in ourselves and in society .. reforming all that need such, correcting self and society.

This is something the Catholic and other Churches used too address, instead of blaming and attacking us. That was before Satan and Her Witches took Open control of them, and with Gov, Education, Medical, ..., ..

I watched this through. Some interesting discussion of which some aspects I disagree – especially to any argument against the literal interpretation of the Bible .. the Holy Simulation and Multiverse and other Apologetics explain all those 'problems' people with .. limited understanding of Science or Imagination have.

I think it was here that the attacking of other sects and interpretations were mentioned, and as such it reminded me of the Witches I ran into on Church Street while people watching – claiming to be Baptists and on clear reflection they were intending to Vomit on Christians and especially Baptists, and is probably the Best point for the Value of the Christian Sect of Baptists – because when Satan targets something – it is because it is a Threat to Her, containing some Truth She is Destroying .. like how Catholicism has been and still is, or decent men are targeted.

Aside of that, it is more of a 'Struggle Session' and of limited value for many – unlike most of his other work I have seen., ..

No. 12.

# WHY WOMEN SHOULD NOT VOTE.

THERE are many reasons for refusing to grant the Parliamentary vote to women, reasons of which the cumulative force is overwhelming. In the first place, the extension of the franchise to women would place upon them a burden for the **fulfilment** of which they have, speaking generally, neither capacity nor leisure. The **conduct** of politics makes demands upon certain qualities of mind with which women are less fully endowed than are men. This does not imply that women's minds are inferior to men's—that point is as yet unsettled—but that they are different. The difference is fundamental, owing to physiological reasons which no training can obliterate. Women are more easily swayed by sentiment, less open to reason, less logical, keener in intuition, more sensitive than men. The qualities in which their minds excel are those least required in politics; their strong points are wasted or harmful there. The greatest statesmen have had thoroughly masculine minds; they have been men who took wide, and, above all, calm, views, who refused to be swayed by sentimentalism or perturbed by criticism. To add to the register thousands of voters who will always (and rightly) be moved chiefly by sentiment, would be a grave menace to the equilibrium of national politics.

Can it be said that women have, as a rule, leisure to give to public work? A woman's work of making a home may take many forms besides that of actual housekeeping, but all these forms give full scope for the peculiar qualities of a woman's mind. They require sympathy, intuition, and the fine shades of sentiment, which she possesses in a high degree.

Women cannot be spared for political life, not only because they are incapable of doing men's work (for they could do it in some fashion), but because men are similarly incapable of doing women's work. Whose sphere is the more important no one can say, for they are interdependent; but the two spheres are distinct.

I do not speak of exceptional women, but of the mass of woman-kind. By their enfranchisement you would add enormously to the

BECAUSE it would be subversive of peace in our

BECAUSE it **FLIES IN THE FACE OF NATURE,**  
which has clearly indicated the spheres of

BECAUSE those who make the laws should have the

women do not possess;

BECAUSE the measure now before Parliament will  
almost certainly lead to a strong demand for

BECAUSE if this is done, the sovereignty of the British

# “VOTES FOR WOMEN, NEVER!”

**Men of England**, your interests and those of your families, and the welfare of the country are in danger. Rally to prevent it.

A large number of women are demanding votes for Parliament. A large number of amiable but short-sighted **M.P.'s are willing to grant the demand, without getting your permission.**

**Remember** there are **1,300,000 more women than men in the United Kingdom**, and if everybody has a vote, men will be outnumbered, **women will have the dominant political power**—in fact, the Government of the Country and the Empire will have passed from your hands to those of women.

**Resent** this attempted **tyranny** and let the Suffragists know that you simply will not have **petticoat government** for this old Country and world-wide Empire.

They call it “justice” and “equality.” It is nothing of the kind. It is the **subjection of man to woman**, turning the order of nature upside down. It is contrary to commonsense, to experience, and to history. Men in all ages have had to do the brunt of the world's business, and ought to govern.

Don't make yourselves and your country the **laughing stock of the world**, but keep political power where it ought to be—in your own hands.

Above all, let your M.P. know what you think, and tell him **not to vote** for this infamous injustice and topsy turvey proposal till he knows through the ballot box what his constituents wish about it.

Play up and save your country. Save suffragist women from themselves, and other women from Suffragists.

Congresswoman Lois Frankel sold First Republic Bank in March before the stock dropped 80%

After she sold First Republic, she bought JP Morgan Chase which just bought First Republic. She clearly had inside information.
