.
Good Monday Afternoon,
May the Spirit of the Gospel and the Holy Word be Always in our
Minds, on our Lips, and in our Hearts.

.
.
.
.
Index Number 952:

.
Wow, so much time Swimming in Prayers that I am behind on all the
good videos I have found, and want to review.

.
I still need to finish the Viva & Barns from last night, and now
Peterson has another – likely great – video interview, plus from a
Castle Tower and his mothers basement, last night's Matt and
Blonde's current event (non-Legal) review as a contrast to V&B, and
this good-looking debate between Trinitarian and Islam, and likely I
will come across more before the day is finished!

.
.
During morning prayers I was thinking about the Male containing
Female, mentioned in recent Post, ..

<https://www.facebook.com/Steven.Work/posts/10226638310928248>

.
.. the Female 'missing' aspects of the Male which brings about .. new
souls, life, greater Kingdom of God and the Infinite, ...

.
And it occurred to me this (probably offensive to many) analogy ..
Father as Christian, Mother as Jewish ('missing' Christ), and Islam is
their pain-in-the-ass teenage Son, who is rebelling and refusing to
Become like his Father.

.
.
Ahhhhhhh!

I just come across a 4+ hour interview with Daniel Schmachtenberger
by Lex Fridman.

(Lex is a great interviewer who – I think – puts on a persona of being
a little slow.

It disarms the guests and audience, and makes for very good
interviews – even if you end up slapping your own forehead at times
because you can not to slap the back of his head, over some of his
questions.)

.
Praise the Lord!

Our Cup runneth over, ..

.. We may drowning in good material.

With all this material, I feel like a deer must – at night in headlights of
a freight train - as to where to Start.

.

.
 Not enough is generally known about Islam – perhaps this will help, and stimulate questions, ..

 Given I just very much enjoyed a few days ago watching an interview with Michael, ..

.
 .. and Jordan has been fantastic recently as host to interviews, even if he causes me to Rant at times, .., how can this not be a great interview?, ..

 “Malice, or the Establishment? | Michael Malice | The Jordan B. Peterson Podcast - S4: E30”

by Jordan B Peterson
<https://youtu.be/L9HqHzA3atQ>

.
 .
 Time | Subject

- [00:00] Intro
- [0:18] Jordan introduces this episode's guest Michael Malice, an online personality and author with a quick wit and sharp sometimes abrasive sense of humor.
- [2:00] Jordan selects Michael's book the New Right, and specifically 4chan, as the discussion starter for the show
- [5:30] Discussing the changing nature and cost of voicing one's true opinion to the world
- [9:30] The specific type of testing "trolling" of established authoritative institutions. Michael admits that everyone makes mistakes from time to time even the media, but it's how you handle the mistake (covering it up or admitting to the error) that makes the distinction in how he views media institutions
- [12:30] Malice outlines the specifics of 4chan for those who may not be familiar with the platform.
- [17:00] What about 4chan made it such a hospitable place for the New Right as Michael calls them. Michael defines what he views "trolling" to be.
- [21:30] Jordan comments that the extreme contempt he sees coming from the Left for average working-class people and to some degree the downtrodden of society. Michael explains how he thinks Trump was able to win these people over when they felt abandoned by the democratic party
- [32:00] Jordan digs into memes, looking at examples from his own experience being meme'd many times
- [40:30] Legacy media is burning out so what is next? Examining the positives and drawbacks of the network TV format.
- [52:00] Talking about Michael's more anarchical views of America contrasted with Jordans hesitations to complete fragmentation and

[1:00:00] Playing "games" cooperating with different viewpoints to keep the country functioning

[1:05:30] Micheal describes his estimate of who the elite are. Jordan plays the role of a defender of the patriarchy to counter. Michael outlines one of his core premises that he doesn't want others to tell him what he should inherently value.

[1:20:30] The two debaters circle back to the engaging aspects of podcast format

[1:25:30] Jordan revisits and tries to sum up where he feels Michaels distaste for established powers stems from.

[1:29:30] Malice asks Jordan if he has engaged on 4chan. Michael continues to make his point that structure and corruption can not be separated from institutions. Both comment on giving people the encouragement to be a better version of themselves to strive towards

[1:36:20] Michael's issue with the deification of the intellectual class in all aspects. Jordan gives his assessment of his time at Harvard and the people there, in the '90s at least. They continue exploring differing views on inherent corruption in politics.

[1:51:00] The marriage of truth and humor, Malice gives an example from his book Dear Reader: The North Korea Book. Looking at the satire in the movie The Death of Stalin

[2:03:00] Jordan responds on the importance of staying on the right side of funny

[2:09:00] Wrapping up the show, one last question from Michael

How about something 'light', a short video ..
.. as an after dinner mint - "It's only wafer thin"

<https://youtu.be/uRpt4a6H99c>

.

It is only a little something about the ongoing evil-Zionist Witch family rulers destruction of West, and push for White Genocide, like after the early 20th Century ruling Russian Jews did to Christian Ukraine – the Holodomor – 10+ of Millions starved to death in a form of 'Lawfare', a decade before the Nazi Holocaust, yet that information, and who was responsible - is strangely suppressed and the two never connected ..
