Good Monday Morning,

May the Spirit of the Gospel and the Holy Word be Always on our Tongues, in our Hearts, Minds, and in our Hands.

Holy Virgin Mary and All Saints - Pray for us!

Index Number 2099:

—

This morning's prayers and meditations went nominally.

After finished the and while collecting myself to prepare to write this and include all those video's that yesterday evening I did not managed to include .. I skipped after Mass Adult Cataclysm – exchanging going home to eat some hot soup (tomato based canned veggie and big lump of crunchy peanut butter) and take a nap with a voice that was sounding rough like it would be a long-term voice problem, as I was dosing heavily through the Latin Singing and homily – which was absolutely not what I would choose to do .. so instead of dosing and squeaky-voice participation in class I went home, sadly.

So this morning my mind wondered about how many murders israel has done, and how silent and how hard the leaders in other Muslim countries are sucking the Cocks of Genocidal Talmud-Sickened Golden-Calf Satanic Witch Jews and other Satanic murdering Demonic baby-murdering war-criminals and supporters instead of what their populations would have them do – most willing to take-up arms and drive once and for all such evil Satanic Genocidal horrors into the sea, and why would that not be a Goodness? - but instead like all our Satanic Cock-Sucking 'leaders' in this GreatSatan and throughout West where it is a pretty safe Just positions that the hanging of every person in top 3 levels of power in every Federal Gov (and many States') Administrative departments and all the law-makers and administration, ..

.. all actively with Satan's Cock in month for 70+ years been destroying Western Society and genociding white Christians and their Virtue-Based raised generations, twisting womanhood into Satanic Demon training vile vicious lying horrors – unTrue, unJust,

disOrdering, 10 Commandment violating pushing and raising generations of children and destroying all men and boys who show any potential for Goodness and not baby-murdering slimy inHuman horrors like they are and training and forcing – through Canceling and genetic murder and Reputation destruction of any man who does not worship their Vagina-god Satan that they follow .. such is the West, and the mostly best dead or gone every older woman – Septic howling Poisoning Vomit with nearly every Breath – while screaming 'because I care!' while murdering all our Futures and their and many souls.

-

So I was thinking how much need each country's population to return to Nationhood, and ruled by Christian – Catholic – monarchs. And when I say Catholic – I mean the Catholic that returns after the Pope and most leadership is hanged to death in public or forced into isolative meditation and lives of reflection of the Satan they clearly are Tools of, and all those One World Gov Talmud-Sickened Golden-Calf Satanic Witches they have sold their souls through to Their Master Satan.

Below there is some very good material related to the murdering vile Jew Kissinger, that left millions of dead and pushed Genocide as an acceptable option to the Satanic Witch-Matriarchal ruling families Global World Order, ..

.. and I will add that how such a concentration down South America where entire extended families were murdered, and our Pope when supportive of such a genocidal government turned in two priest to gov who disregarded that gov order not to offer Mass to the 'rebels' and both were tortured and he could have been publicly hanged to death then, so before his clear Satanic Murdering Goals towards the Body of Christ as Pope became clear to us – if Justice had been implemented he would have been hanged to death with birds plucking his dead eyes .. and many many such Church Leaders such a future Fate seems clearly not only a reasonable consideration, but in protection of so so many Catholics now suffering from the clear proof that Satan is in control of Vatican, and likely their own Bishops.

—

About the vile sick example of the Talmud-Sickened Jews and Others that are now in Control and they would have openly international Gov with us in our 15 minute cities being bombed to death like Gaza on their whims, unable to leave those areas because out electronic money will not work and police and others with arrest, etc .. the 'Poster Child' of such a Demon-Possessed or Active Satanic Minion of those in power behind the Puppets, the murdering Satanic warped Jew where the concept of Hell Shines as Just – Kissinger - but by the Grace and Mercy of God – where he may have already been Burning for Eternities – Screaming endlessly .. that 3+ Billions of Witch tortured-to-death babies from 1980 may not be enough Sacrifices for his and so many other's Satanic Crimes, ..

.. the order of the Articles and videos should help make such points clear, and with Orthodox Muslims, Jews and Christians to Consider how much better off under a Catholic Monarchy – where those Tribal aspects are suppressed only as must be to allow Conversions (in any direction) and demands that others are treated as your own tribal members – if not families.

As I have argued in past, given a level playing field – Catholicism would become the world religion though active voluntary choice over a few Generations – perhaps less then got us to this womanhood-pushed Hell-on-Earth, directed by Vagina-god Satan and the baby-murdering Satanic Witches.

-

May this be a Blessing to you and us all. [And all our Futures, and future Multiverse Pasts.]

—

—

—

A very significant conversation that is a must listen-to if at all interested in who is in power over us and what they are driving towards – example, leaders who genocide openly – instead of slow slimy female-evil womanhood-supported poison injections under 'health' or open bombing of innocent families under 'defense' of things best Burned to Death, driven into Sea, .. - so what kind of horrors not only were in change in WWII – and allowing the Jewish horrors in control of Soviet Union for cold war, but drove the USA into WWI where only the Sick vile evil Talmud-Sickened Jews and Witches profited from, like the Federal Reserve or corpDragon law.

God Bless them, and all willing to consider these and other indications of Satan's direct control of our lives and all those we could ever have loved (if not tortured to death by Witches – silently screaming – and hose children not murdered directly), and Bless all those unwilling to Face such Satanic Horror, and those actively supporting such – Repentance and Seeking God is His Mercy that you are alive today with that possibility, and His Infinite Love.

I am so sorry there is not an MP3 download or alternative access – for those whom (and when) are cut from SubStack access, or SubStack in future is controlled – like Google became – by mind-raping Talmud-Sickened Golden-Calf venture-capital Satanic Witch-Matriarchal ruling families minions, enslaved elites, or retarded twisted mind-broken Demon-Possessed Tools., ..

Of course she was 'de-monetized' as punishment for being effective in her sensible critical mentions of Satan's Witches storm-troupers, the baby-murder[ing] supporters of all Satanic Sickness – womanhood – whom soul their souls in my mother generation to Talmud-Sickened Golden-Calf Satanic Power for power to murder, destroy, abuse, false accuse, false witness, to walk openly like Satan now does around us clearly filled with vile putrid hate and Satanic intent, we evil-Blinded from crib by those Satanic mothers – lying vile best dead at menopause F-ing horrors without the tiniest virtue to warn own children of the vicious vile womanhood that they will be punished, abused, tormented by – lives destroyed ..

.. and in complete immunity as long as they Sacrifice their unborn often-enough for Satan through their Witches .. so YouTube – owned by Satanic Controlled and Owned Google, Alphabet – who for everyone serious connected to those corpDragons and those supporting them (federal Gov, courts,..) would be Just handed to death over the corpse of their Burned to Death mothers and older women and close other Witches in family – it could be argued as Just.

So those Satanic Owners and Controllars will start using Demonic AI to 'train' her as they have done to so many, injecting a model of demonic evil instructions and goals – to Program them to be more and more careful about not talking about what is clearly the Media and Big-Tech Witch-Spells being cast to the children and others less clear of Satan walking the earth and those corpDragons and Federal Gov and all Western leaders and Administrative States being Horror-enforcing Tools fo Satan and Her Witches.

She could have lost those 'party' or whatever videos long ago – I tried to watch one and maybe got ten minutes in and wondered what the point .. if I wanted to listen to deranged baby-murdering tools of Satan and evil I could likely find better more intelligent versions.

I skip – as a rule – vivas beginning of these, but I did catch enough while looking for Barnes entry that I wonder if he was doing more of their pro-genocidal support and or excuse of that Satanic Hell State that should not be – the Zionists Satanic nightmares that have been genociding the West openly for the last 70+ years while we ignored the inJustice of the land stealing 10 Commandment violation in Palestine because we are Female-Evil Slimy womanhood-sicked souls who forgot how to be Christians and care for all people and the inJustice done to them – there for giving Satan a free-hand to subject us all to such inJustice, through the Talmud-Sickened Golden-Calf baby-Sacrificing inHuman-directed demonic-controlled walking F-ing nightmares and their enslaved elites in control of the West and world now., ..

.. such that likely only the hanging to death in public of every older adult in every family that is doing very very well, whom could not be without direct supporting and enslavement to Satan and Her Witches, whom never worried about paying rent or food costs or getting the very best medical care, al them hanged to death, and the younger adults and the children separated from wealth and power – perhaps sent to some kind of recovery area when basic human values and living could be shown, and where they never allowed near power of any form for rest of life, could be argued as a step forward.

Recalling – of course – that God Demands Love and not Death, and Better from us all – and that we Demand Better from those around us and everywhere – and that is Love and Charity.

Some very good conversations and points from Barnes – especially towards the end – for some reason., ..

I have not gotten to watch this yet – the title suggest they have extra points or changed to their previous coverage of False Accusations .. as I recall from last time they refused to give real number such as the 80% filed are false, or even the 1/3 of us are Bastards and womanhood is in general a slimy lying pile of vomit who 1/3 would lie life-destroying lies to family and lovers .. and so how quickly would they lie about you or me who are not family .. F-ing piles of Satanic festering vomit is a good general Average of modern Western Womanhood .. and do you think these or any cnts who want to keep YouTube Channel, or stay in careers and not life-destroyed by Canceling piles of festering Vomit mobs organized by Satanic Witches that control their minds-votes-murders .. so would they touch that.

Something to wonder about when do watching .. do they pretend – like Prof. Peterson – that they do not know or if they remember such relevant information, and are being active Satanic Minions?, ..
