.

Good Tuesday Morning,

May the Spirit of the Gospel and the Holy Word be Always in our Minds, on our Tongues, and in our Hearts.

All Saints - Pray for us!

.

.

.

Index Number 1536:

.

.

.

.

This morning I did not get far along in my normal prayers. After waking up at my normal time, having spent at least the regular length asleep I felt the need for more, and along with a nagging feeling that maybe I needed – for some reason – to return to the Darkness of Sleep and the Rejection of some of God's Blessings – this Glorious Day-of-Bread for which one should know to be Ashamed that he does not wake feeling as a child does in waking on Christmas Morning ..

.

.. instead a sense – in a spiritual way – of what a person might do when his body is responding to an illness not yet fully manifested into consciousness – for which a few more hours of healing sleep will take days off the length, and perhaps reduce the maximum state of illness by a large fraction - and for some illnesses that can be the difference between physical life (after a fever breaks at 103

And I wonder if this has anything to do with the Images and Voices I heard while trying to pray yesterday, and having the sudden Dose that hits like a wave – the drop what your holding catatonic suddenness that was a problem when I had years of diagnosed sleep apnea (when tested was avg 46 times an hour – for those who can imagine the psychological aspect where consciousness and dreams overlapped, of falling asleep standing still and catching self before collapsing) for which – given the length of time I suffered it, would have been an excellent study subject (which I am now to myself) and insight into Consciousness and Dreams.

.
So first was The Man who I spotted 'off in a corner watching me suspiciously, furtively, and clearly disapprovingly – who was dressed in black and had a strange hat – geometric in some manner – for whom upon my seemingly moment in time return to consciousness (at this level) I Banished to be Bond tot he Base of Jesus Christ Cross – in His Name .. which is perfectly fine if he was not evil – because then he would check-in and be released .. that process for which I Ask (and many of you Catholics Ask Saint Micheal to do in standard prayer) is to disconnect that Holy Neural Network connection – which for our own Weakness we are Entangled with in a disOrdered manner – and ultimately we would learn from the removal of influence and the return (because we end up Calling the connect back as whatever 'function' that sub-Soul does is ultimately needed – but the temporary change, relief, and absence and growing need, helps us – I mean Us as the profane [Master, Priest, Programmer] to the functions and what our weakness is about and suggests possible ways to reRoute or replace or someway deal with such without disOrdered entanglement and bleeding away of [extra] Grace.

.
So after I did the Banishing, I Dosed and hear a voice clearly

.. So, Welcome whoever you are. May I Be of Perfect Service, Stewardship, and Sacrifice to you and all of Creation that it is Holy Pleasing and His Will.

.

It reminded me of after being sexual tortured in Hell and Waking on my Cross crying with Eve (in her Satan roll) standing there, and I told her why am I bound, if those women wanted sexual satisfaction it was a waste to do that to me, I could bring them pleasure without such as they were doing, 'it is such a Waste – I am Good at that!'

(Part of the torture I realize was exactly that, the wanton waste .. like many feel when they consider the Tax dollar and such going to evil murdering war and death – when it could go towards cleaner drinking water, betterment of society and the world.)

.

.. 'it is such a Waste – I am Good at that!'

And her head snapped a little in sudden focus – I suppose she Knew Truth when spoken – and she considered.

.

And of course – in a counter intuitive way I grew in power through that – the women I Serviced were Changed through what Holy Caring which such sexual interaction can bring, and this was ultimately what Eve (in her partly Holy Mary roll) wanted – because those women were sub-souls of her and such Healing was needed.

.

So when I Heard 'You have a new Client.', after wondering a moment or two about what that could mean, my mind went to Related .. I have written about before I was Baptized and became Catholic of waking-up with dreams of waking in apartment and women's dorms confused and wanting to escape, to be confronted by young women who could 'Freeze me' at a gesture, and if I escaped running naked through the street looking to return back

.
That was some time ago, and I suspect that in those situations – as with this reality – Eve is still in the Master's Seat and she is slowly Holy Healing, that the Male-Female rolls were reversed after the killing of my daughter – by me as Master of my '72 Virgins' Village of once Innocence – sub-Souls of me – 72 males which became 144 (12*12) males & females (as the females part is created from the 'rib') ..

.. of which 144 is suspiciously close to the Dunbar's Number,

Back to my Narrative ..

.. and the guilt from the horror I watched – the Changing of so of those original Virgins into the Satanic Tools too away my Confidence of Right to Command - drove me from the Master's chair – and as I walked away into the Darkness that surrounds the Chair Eve called to me and pointed at the empty Chair she only knew to Serve, now empty, and there being only us two and it seemed as if Someone Must occupy (I now wonder if that was true, would I not have eventual returned – if not forced too or replaced by another Master by the Master above?) and because Eve had been against the killing of her – going so far as asking me exactly how she should be killed – which I should have reversed, which she clearly was pushing for, .. anyway – she seemed like the only choice, so I told her to Sit, and at first she did not want to – so I Commanded her, and when she Sat she suddenly seemed to like it and I turned my back and walked into the darkness – glad to not

.....

.. and as we see – the horror I saw as response to introducing Satanic Tools into My Village, warping so many, the spread, .. well, with a female in Command – lacking Judgment ability, Drive & Need for Truth & Order .. well .. just Look around us.

.

So, I think .. I think we are getting into a better situation.

.

The use of Holy Human Sexuality to her sub-souls is helping to bring us back to the One Flesh state we were before .. before I became Master – from the Level above, and is likely the Only way now to take back the Seat – to Heal her and myself, and so Rule together in Just proper Order, as Jesus & Mary, Lion & Satan, and all in between should.

.

.

So when I heard 'You have a new Client.' some of this flashed through my mind, and I wondered .. I came across a different news anchor women who's voice I found very sexy, just a touch of that husky aspect some women have, and not a bad looker, and some part of me responded in the sexual interest, and my mind flashed

kind of awaking level while I watch.

.

The most sexy women I had seen recently was from a tcktok video I came across in a YouTube search. She is attractive, fantastic shape - has huge breasts (I am sure perfect for her, but really too big for me not to feel she must have problems, but her Cross, and God Wills) which is a clear sexual signal – amplified – and she is dressed conservatively with a tie and what I assume is a school dress-code outfit, and at first before she does whatever the 'challenge' is, she shows a vulnerability and concern to get everything correct, then positions herself – and relaxes and is clearly having fun doing the – very – silly dance, which is very cute, and having a great time – clearly.

.

.. I am not sure how such a short video could have pressed more Sexual buttons. And I do not mean only is the limited sexual manner we have been trained to limit ourselves in .. besides the huge breasts and the very attractive face, a 'planer' young women acting just the same would still be sexy ..

.. I am reminded of that Shuttle Dance and the related posts, and using such as part of a portfolio for possible future marriage – with that as only a small part of a women's version and the men's version being filled with competitions and related, and the men picking some number of women from the public profiles and they would receive the suitors full profile and select from them the top

formal – world wide – version of what happened in large towns and small cities in some past, or at least depicted as such.

2nd one I wrote about is not coming up in the Facebook Searches

.

.

Anyway, I am now very tired. So much struggle that in a Just and True world would not be needed .. so much evil Witch Poison and Lies and Evil .. it is so tiring to struggle against.

.

I am sorry, but how could I have know that I would put so much work into such a back-stabbing vile horror filled evil institution – at least it was not or seemed not when I invested into it .. but I am not alone – YouTube, Google, Twitter, .. so many people's work and struggles removed at the push of some howling evil horror, so soul-murdering Demon – flesh and Controlled or Driven, or evil-Programmed flesh or AI.

'BlueHaired' screeching cnt horrors, or their Witch-Matriarchy connect Army of Minions, or ..., ..

.

I was going to write about my Insight about the; God Demands Love, not Death.

.. simply put, Jesus Christ – His Son – was sent to be the Last that needed ever to Die, and so it is in that Rational that no solution to a problem should – or need too – contain the death of anyone.

.

.

I think that is a good point to end this mornings reflections or some Meditations, and you can wonder at how quickly this too – with such – will be removed from us and all the Future.

.

future Multiverse Pasts.]

.
. .

I am too tired to compose or edit any more comments than what I put in already. Banging my head against something that is pretending to be a service but really is a torment and torture and time & resource wasting Tool of evil, with so much investment into and with barely enough return to be of value – and of such infinite promise, as all this Big-Tech is and was, and snagged everyone in and then evil-Zionist international Witch-Matriarchy ruling family Vagina-god Satan Serving horrors took control, and using it for evil and Suffering .. so tiring and saddening!

.

Still - I hope the rest of post is still of valuable to you, as is.

I Clipped it – towards very end of the very good review of how the evil-Zionist pushed Vagina-god Satan following 'Professional' class is destroying our courts with their 'experts' that should be no where near a court – unless for charges for [#FalseWitnessing](#) followed by public [#TaseredTillPissingAndScreaming](#) – too start – the results of evil in control of generations of education and all Western Institutions.

.

A good example of what we can expect and how the Police are unable to use common sense by evil-Feminist Satanic Powerful Policies – when they would normally have in past when men where in power in society and the howling horrors of baby-killing vicious lying retard delusional-psychos that are now everywhere women occupy and actively support in their soul-Sicken nightmare state., ..

.. Unfortunately I did not then take the time to dig-up the referenced item where I saw the info, and so you will have to ask your local police department head if they can expect abuse and accusations, possible firing, and cut in funding if they do not 'help the numbers' along or are they forced into insane situations like above – putting officers, and the family at risk – not only because in many cases it Just for a father to result in force against officers

children from her control, but dragging him away – a real case – BTW, and if he fought and dies of killed – they it would be every vile cnt in power in this Hell-Hole that should be held accountable – and most of you vile child-taking (and supporting) F-ing horrors.

.

Go ahead – Try to explain to me and others why horrors like such should be allowed to Breath their soul-sickening vile evil Breaths and their demented delusional-psycho whims on anyone else – and not be removed from all power over others – if not in fact require competent and decent supervision over themselves while the Exorcism of twisted Demonic Evil removed?

.

.. Why - except for the destruction of Truth, Order, Justice, Goodness, Love, Joy, Security, .. the active bringing of Evil?

[Quote-On]

.

One of the problem is vile retarded or actively-evil cnts is we get laws that are twisted.

I recall reading about local police departments may loose funding if they don't have a certain ratio of domestic abuse cases against the male, that they assume anti-woman if almost all arrested or cited of the cases isn't against the man.

.

We know women initiate most of the violence in relationships, with Lesbian most violent, mixed next, then gay men the least. Real

.
I know for most of you this is new. You never cared enough to find the real information, but instead listened to the lying vile Witches, their minions and evil-Tool cnts in your life.

.
So by law, the police must be unjust or be wrongfully accused, and penalized, as well as Police Chiefs likely lose position because being 'against women' will destroy your life, because lying putrid vile vicious evil unjust cnts make it so.

.
So men are being artificially charged, often exposing any children to violent psycho-state mothers without the father there to blunt, redirect, protect the children. The State turned into a force of Evil, again, because of you lying Witches and your twisted vag-feelies.. you F-ing cnts.

.
I bring up the example because there is little doubt that the Obama laws mentioned in video (as spun as evil in article) is one of those laws .. like if blacks are 20% of the population in region, but are arrested at number greater than that percentage – like 50% - that .."Maaa Racism!" and the police department is labeled, funding-cut, department heads fired,..

.
I've included enough info about the regular racial differences on avg, that although blacks make up 18% population they account for 2/3 of murders – and similarly overly represented in all correspondingly all crimes.

So police are forced to charge white [men] unjustly if they hope to actually arrest the correct number of black criminals.

.
So .. you cnts have to ask yourselves – are facts racist?

.

I have written about this in the past, about limits of these lying cnts-for-hire, a slimy vile secrete Witch-Matriarchy in every organization – ready to arrange for political destruction in every Institution of significance; Military, Industry, .. and a damn good reason to have no women in any position near critical men, and no critical position to be held by women – if you have an allegations and wait longer then 6 months – it is a lie, ad should be treated as such, and everyone who 'supports' someone accusation older then 6 months before reporting – to police then those slimy vile supporters should be treated like the original [#FalseWitness](#)'er.

.

We need these vile cnts publicly [#TaseredTillPissingAndScreaming](#) – watched by older children and any vile horror that is supportive of this kind of putrid womanhood .. so evil and destructive it is not surprising that much of history would bring on Stoning of such horrors and all or most of the older women in their families., ..
