Moral ambiguity coming from the man the world thinks is pope is a bad look in general.

When Archbishop Lefebvre returned to France from Africa c. 1960, he was shocked at how far they had already lost anything like the faith in which they had been raised & formed.

We are either Catholic which means we follow Our Blessed Lord Jesus Christ and ALL His teachings in and out of season, or we are not Catholic. There is no other choice. And that goes for Francis, the bishops, cardinals, priests, etc. and the laity. I would have to say that Francis and his bishops, cardinals, etc., etc, are NOT based on their speech/actions which are not in line w/true Catholic teaching and action. Perhaps we have reached the point of decision which means we, if we are Catholic, stop going to the Novus Ordo counterfeit church completely. Find either an SSPX church/community or a Pope St. Pius X church/community even it you have to travel a distance to attend. I do and am happy I made that choice. But at all cost, keep the faith and remain in Communion w/ Our Blessed Lord Jesus Christ.
