Good Thursday Morning,

May the Spirit of the Gospel and the Holy Word be Always on our Tongues, in our Hearts, Minds, and Hands.

Holy Virgin Mary and All Saints - Pray for us!

Index Number 1672:

—

This morning prayers and meditations were as short as reasonable because I was up very late watching and adding to this post – I would have gone to bed a little after midnight but I came across [Owen Benjamin's](#) and then [Black Pilled](#) (actually while he was Live – doing his video in real-time, which is very rare), and so ended up catching enough to get me to move it's position – considering the corpDragon EWTN's later video about the new Infanticide laws just passed.

And I have a note about yesterday's post being 'censored' again from Facebook – but I have no indications of it's truth in all the ways I can personally check – like with a different browser – the URL works and although without logging on I can not see the time-line –

their feature of seeing as the public views it looks okay .. but I do not know if part of the slimy feature of shadow-banning is allowing all devices to see on the computer I use – which would be an easy enough thing to do. More on this after this video and comments.

Oh, and yesterday was the Jewish holiday I discovered from the [Black Pilled](#) video .. brings yesterday's posts into a different light – and not the first time .. interesting posts .. where Holy Inspired that turned out to be on Significant Jewish Hollow-days – I have considered that the Catholic Church should still regard these actively – and have discussed and suggested the Messianic Jewish version of the Mass and way of life many times – and this personally is a significant reason – these after-the-fact bits that are unplanned and turn up on such days or near enough to have been inspired and allowed to percolate.

But – of course – for many I am only the man who crazily think the world is run and secularly and otherwise [mostly] controlled by Satan and Her active Witches, and a source of 'entertainment' and derision, and such – and this is fine and allows for the Holy Ghost to work within such and us all, so is important and useful. I am a Fool to the world – as Saint Paul has mentions we are.

May this be a Blessing to you and us all. [And all our Futures, and future Multiverse Pasts.]

In place of the Chickens mentioned in video – of course replace with the unborn, and places like California that just passed a law – to live born children, and if memory serves out to 28 days after birth, so a young mother who drops off the child may find – if she changes her mind the next day or two that the baby 'has died' and no she can not see the body (because the organs were harvested, other parts for medical, drugs, and research – COINed and otherwise, and their Sins cast on the baby before murdered to Satan, and the rest of the body eaten by the Witches.

And likely they have already started plans – more formalized -where women (Witches) go to bars and on-line and get-together with our sons, brothers, fathers,uncles, grandsons, and other men (young men who are virginal – ideally through schools and Universities especially, and that their sons and daughter and Sacrifice them at any stage they want through the young Witches active part – Coined and-or given Satanic Powers Taken from such evil.

Of course the babies are not the only ones – all of us 'souless goys' and use 'non-family' tribe members.

Recall that Rabbis and many others have declared being anti-Abortion is antisemitic because Abortion and infanticide (to their Vagina-god Satan) is a Jewish Sacrament – that all through the

Old-Testament books and seeming good information up to modern day that too large of a group of ethnic Jews (and others, of course, The international coordinating ruling Witch-Matriarchal families and linked to Zionists, One World Gov, Global-Homo pushing New World Order, ..., organizations they hide behind and within) have used baby murder as part of there Satanic design – Moses dealt with them and the Golden Calf (and baby murdering sacrifices.)

Strangely – they do this to Chickens – Yet refuse to Acknowledge Jesus Christ taking PLACE-OF-CHICKEN for the Once and Future [Forever] Sacrifice. Strange – almost like the like ripping live babies apart and sending mothers and fathers to Burn in Hell, along with voters, ...

—
Psycho mothers mutilating their little boys, and [functionally] fatherlessness.

Tighten-up those VagFeelie-Belts and grab an adult diaper if you are hyper-sensitive to truths and discussion of Justice.

Intro until about 9 minutes in. I am Catching the beginning while I edit this post as I missed the earlier part., ..

Again I got notices that yesterday's post was against community standards and no one but I can see it ..even though it I use a different browser and do not log-in that I can see them ..? Perhaps they know my computer's web IP Address and allow, or 'no one but me can see it' actually means that they will not auto-send to others (which I do not care-about) .. the lies or confusing and wrong information is clearly a problem and evil; unJust, unTrue, disOrdering and displays a level of active evil and-or too incompetent.

Witches and brain-F-ing abusive horrors .. I wonder again if such problems would continue if every powerful post menopause women was Gone.

I wonder how many others wonder and sure would like to see if that makes the kind of incredible Hope-filled future, the difference that it seems it would.

Infanticide .. the growing feted putrid vile evil womanhood and the Satanic soul-enslaved in this #GreatSatan. I need to look into this more – I understand they are pushing that no autopsy to be done for the death of a baby who dies within a month (as mentioned by Lawyer Robert Barnes on the recent Viva & Barnes video from Sunday – posted on Monday by me, .

.. and if so, if this is part of the Law and these corpDragon EWTN is not mentioning it – then they clearly are control opposition – Tools of Evil .. and there is reason to believe that of EWTN already given these kinds of patterns of Not informing or applied censoring of information to give only tiny outlines of the clear evil – and so are Tools of Satan.

Is it true that the majority of women soulless evil Satan sex & murder machines?

If you pretend not – explain how this evil is possible, and you are okay with it .. Demon.

And why we all not better off you and all the older women and those other Witches that Shaped you are not in mass graves .. yesterday!

Repent – God Still Loves you .. even during & after this!, ..

.. wonder with me why every post menopause women should not have to prove when Challenged that the world better she not dead or Gone in some way – and if unwilling to step away from power over other then Just to kill her and all older women connected to her.

Why such a policy should not become a world wide standard?

And – of course – every family of power in that State be Culled of all older women, and all those families connected socially and economically – right back through to the top most powerful 15 families in the world? The use of NSA and related communication, financial, banking, tax, medical, .. databases to make sure they are all found and properly handled – along with good analysis for those intentionally missing and hidden from the databases – being the first to focus on – the top Nodes of Evil that control and direct those technological systems enslavement of the rest of us.

Why – you might wonder – is it Mercy to remove all the Top 3 Levels of the Federal Governance personal and all the older women in their families and those who warped them – removed to isolated farms and camps where they might be brought back to humanity – but we and our loved safe from such horrors without the need to Justly kill them all? .. remember – baby torturing to death Sacrifices to Satan is an evil-Zionist and connect twisted-Tribal religious Sacrament of the Vagina-god Satan they Worship.

I am glad I am able to document this for the Multiverse Journal because in some places the questions to why such large scale killing of most Professionals and others so warped and demonically directed University and Western society educated peoples will start to make some sense – how a person could go into a large crowded street and at any moment point to a random older women and too many men and have a good chance of pointing to someone the world safer they dead – or would have been safer if they died decades before their feted practices and Satanic twisted Poison spread out with their Cursed Breathing, ..

.. how the once Communist connected killing of the educated became a prudent action as the education system was controlled and directed by Witches and most of Administration and Gov fell pray as the Elites became a tool of Satan.

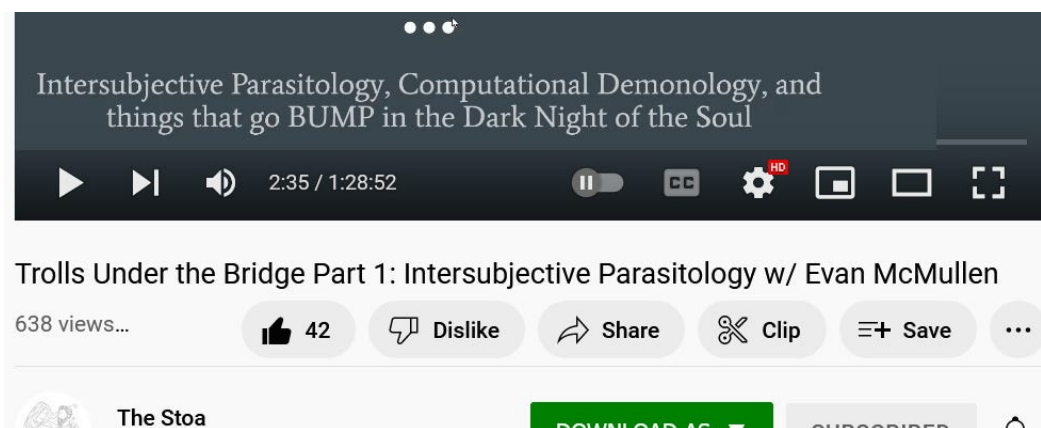

And how a growing number of remaining decent people became to pray to God for the kind of Sad deaths of billions packed in population centers in a nuclear war, and the fall of societies back to the local only – where if a neighbor was a Witch you killed her and all the older women in her family, and took control for a period all the males in a form of guided slavery where they were motivated back into decency – and Love and Fear of God, given chances - and if needed Killed or branded as a warning and driven away - for the safety of others.

That French Archbishop wants to turn all the Western Church into like the secrete Chinese State catholic church that Pope Francis The Destroyer and Vatican evil-Zionist controlled Vagina-god Satan pushing where State is above God, God below their Vagina-god Satan – to turn Confession into a tool of evil for Satan and against the Body of Christ., ..

“The Enemies Of Christ Are Planning To Destroy The Seal Of Confession”

by [Return To Tradition](#)

Big Mustache man

.. gets into feminist and other Left-Right tropes, pretty interesting in relation with Parasite-concept.

To prevent the destruction of these kind of men by the Witches that are in power over all the West today – I could ask God to kill every post menopause cnts horror to prevent your silencing and twisting of children away from this kind of rationality, which is clearly the goal today – the public school and entire education system and the typical male-hating women who becomes a vile viscous male-hating child destroying soul-murdering howling horror mother.

Go ahead and try to tell me that most post menopause women [in power in society] are not Satanic Poisoned and Poisoning Curse on us all, and Just most die or better died decades ago. Child-taking, child-destroying, soul-mutilating, baby torturing-to-death, family destroying, fatherhood and manhood hating and poisoning, womanhood sickening Howling evil horrors that it might be Just to hack-to-death on site they such festering vile powerful evil-State Satanicly empowered and Witch-Spell invisible and slimy sneaking virtueless vicious horrors.

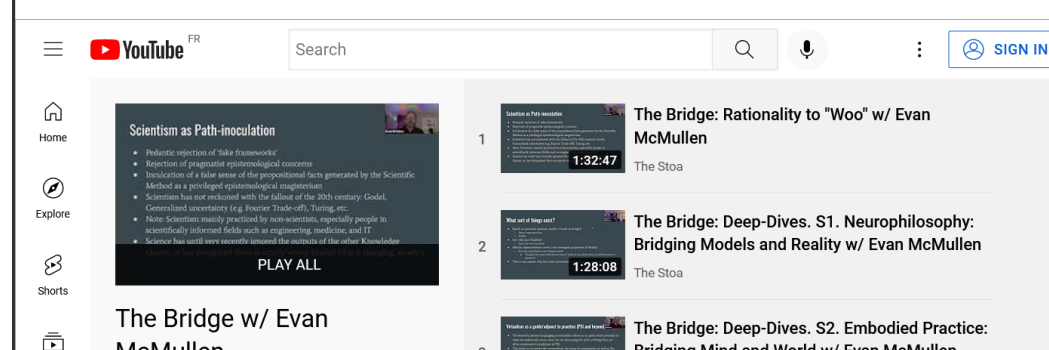

I know such evil exists as it has targeted and crippled me from my crib. If every post menopause women has to die if we as a society unable to prevent their Satanic evil from Poisoning us and sickening and destroying society and souls – what kind of dangerous retard or evil horror would object?

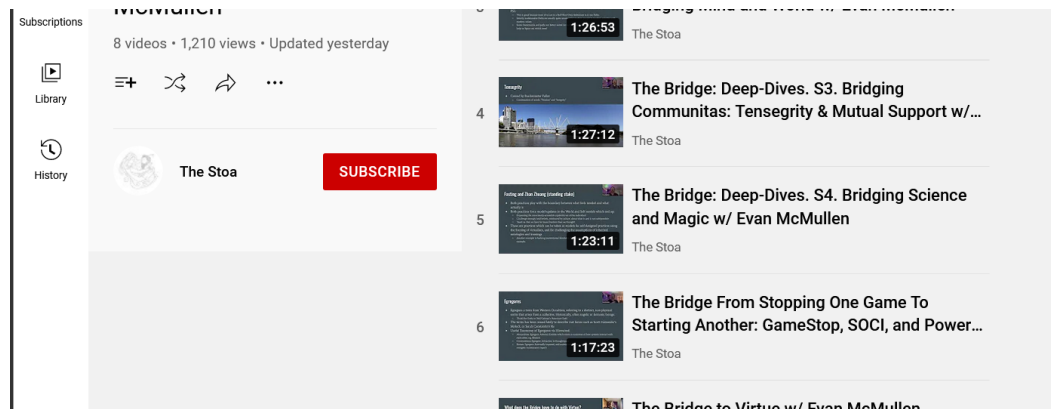

.. what kind of dangerous 'inconvenient' group of cells would act to protect such evil horror and support the evil they do .. consider your own values. If you would kill a baby under the excuse of being inconvenient group of cells – why would anyone not turn that back and demand your death under those values – because unlike babies, you are a walking Horror of Sin and evil – a danger to me and all I love or could ever (have) love(d), as true for everyone around us.
