Good Thursday Morning, Easter Thursday,

May the Spirit of the Gospel and the Holy Word be Always on our
Tongues, in our Hearts, Minds, and in our Hands.

Holy Virgin Mary and All Saints - Pray for us!

—

—

Index Number 1863:

—
In this morning's prayers and meditations there were a few aspects I hoped to communicate.

The Clarity, Discernment, Formation, Theology, and Practical [Profane] Application follows from the Truth-Justice-Order identity, the 'functional application' of such, and with the realization that the Clarity & Truth from the Holy Ghost must be tapered with Love, Mercy, and Charity.

.. and Holy Virgin Mother Mary's Sacred Heart as learning and facing Truth is painful, and often the biggest issue in relation to Faith is the pain and suffering aspects in the Sure and Certain Knowledge that our souls are Eternal and this – when healthily applied should give us the motivation to work through the deeper causes within our Pain and Sufferings, but often instead given our natural avoidance and cowardness against pain and suffering – gives those forces within and without that deny such Truth the power to Enslave us.

Of course such Truth will set us Free and Move us Closer to He Whom does not Suffer HimSelf, from which we – through proper Clarity (in Truth), Discernment (in Justice), Formation (in Order), with Theology and applied application through the Church Militant to effectively Transform the clear Blessings, the constant and often ignored Blessings, the error, sin, wickedness, evil and potential evil all around us into Service, Equalization, and Glory to God – towards more Perfect Love, Union, and Communion with God, The Trinity, all of Creation, and-with-through-as God's Holy Church, and all else which is Holy Pleasing and Directed.

I realized that the Clarity which manifested about why the Command 'God Demands Love and not Death, and Better from Me'

as a Pause to the Lion impulse to automatically rip our septic teeth (to use that analogy) which would lead to a toothless but otherwise still Sick soul from which other Septic Spread would continue – but to Seek underlining Understandings .. as to why one might allow an attack dog to chew on an arm while drawing the sight and bringing the gun to kill it's Master, and then as needed – to address the dog and the injury., ..

.. and how this Realization seemed to Trigger some internal Demon-Parasite (see previous references) to cause the Sin which brings on a sudden multiplication within the Multiverse – to Spread the application of this Understanding out and around.

—

Today's Rosary/Chaplet is the Luminous Mysteries, and I reviewed them through the Lens of the Holy Perfect Recursive Template of Jesus Christs' Holy Church; His Body, Bride, and all Her Forms – from which Jesus' Baptism Defined for us and these Holy Simulations, and suddenly allowed all Days-of-Bread which are a Manifestation of our Souls to be Ordered Justly and interlinked.

I have discussed Margins or Remnants as a concept – that which remains that does not fit with that Holy Template .. and might be considered as 'the remainder' in a long division process. 543 divided by 12 is 45 with 3 'left-over' or remaining. So that '3' must be further re-processed, perhaps dropping down the Jacob's Ladder Levels where our Animals are projections to Avatars (people) and the plants are animals, and that '3' might be a tropical storm that brings hardship and blessings in degrees to each.

—

The Wedding at Cana is an exciting passage as it shows Holy Mother Mary who was the Correction to Adam and Eve's Weakness

in Just Ordering – as seen in the early Correction of transitioning Jesus from Child to Rational older Boy at the Finding in the Temple to Obey His parents in this Profane world over the wonders of Holy Realizations He was being filled with. To have a Solid Anchor between the Holy and the Profane in God's Love in the form of His Laws – His Sacred Laws.

'It is not yet my Time' .. yet on this Repeat Multiverse Path Version Holy Mother Mary Pushed for what would be the New Sacrament that Her Church would need – to go along with the Perfect Template and the later Proclamation of the Kingdom of God – the Holy Structure where those Perfected Days-of-Bread would all be interlinked in many many Dimensions and become the Track from which Holy Israel would extend across.

Another Aspect of that Mystery is related too the Formation for the Church of the Confession-Absolution Sacrament which we see the Completion of it in the Good Thief on the Cross, where the Sins of the Jews that joined the Wedding were added to the Sins already washed into the Ritual Containers from which Jesus directed the Servants (Penitence) to add the Clean Water from which He Transformed into .. Service, Evangelization, and Glory – into [Holy] Wine.

—

The Proclamation of the Kingdom of God Mystery has been mentioned – now our day's soul may be Cleansed and then Linked through the Perfect Template Defined in Baptism, and the Sacrament of Confession, leaving Any Remnant behind the Repeating Day-of-Bread to be Transformed through, the entirety being Cleansed and Sanctified and made Perfect – for Jesus to collect and add to all other's and at the proper time to Expand, Amplify, and Multiply (like with the Bread & Fish) before God's Altar

to be part of His Holy Sacrifice in His Holy Death – the Pulling of His Blood from Body at moment of Death.

Our Humble Offerings and Services Transformed into His Body and then part of His Perfect Sacrifice.

—

The Transfiguration on the Mountain is one of many many times Jesus Interconnected the Old Existing Saints with selective Apostles in many Holy Neural (Saints & Sinners) (sub)Network Adding to the Consciousness of The Lion and as Holy Israel Extends – His Consciousness and those interlinked intertwined Days-of-Bread – part of His Body and Holy Virgin Mother Mary as the 'Nerve' Center and System – the Church – that keeps all Creation so Transformed from the Holy Firmament into His Body – it all Healthy – His Will be Done within and throughout us each and others and the World around us.

—

And the last Mystery – the Last Supper .. I touched on the not yet Risen Christ as Man and Priest who Connects to the Jacob's Ladder Levels above where He has Sacrificed already to Transform the Profane bread and wine into the Sacred .. as our Priests do at each Mass.

.. The Perfectness – the un-alterness of the normal deConstrutive DeGenerative Attenuating Derivative'ng Process of Death and Dropping Jacob's Ladder Levels where the Village-Avatars of variations of the soul to Tease and Ferret-out the weakness and failure sections to Transform and Heal them .. those 'Fun-house' Mirrors we are deConstructed into as male and the possible 144,000 different female pairs .. with His Perfectness He is exactly the Same .. the mathematical Symbol e and the function of

derivative which leaves a fraction (so many copies) of the same unchanged Symbol.

As I have outlined – and This Perfect interconnection, the Holy Conduit that is Perfect Fidelity is the Channel that our Ordained Priests use to Transform to His very Real Body from which His Blood and Sacrifice is performed.

—

—

What else? .. of course the Quantum Infinite Mind seems to progress in reverse to what we normally believe we think .. Solutions are Provided and they create network of branching realizations from them. One Insight might spawn countless connections to specific points all over the mind, in reverse of our normal logical patterns .. like a voltage potential that is resolved in many pathways to different locations – like a lightning strike and the dispersing .. the endpoints Pull the Lightning as much as the Source Pushes.

If I am lucky I can hold part of a Pattern for a short time – but it degrades – often before I can really focus on it to any degree.

The Dyslexia aspect of it is Striking. I have argued that God Thinks in a Recursive Method – that if we imagine the Edge of Holy Israel as the surface of a still pond of water and an Act of Will like a stone dropped in the center – the Wave not only travels on the surface – each water molecule (H₂O) as the Trinity-of-Perfect-Heath versions of us interlinked – the Wave moves under the water and each of those molecules is a Day-of-Bread that Grace (Holy Attention) Animates .. every moment of ours is countless amount of Holy Time and the Recursive Wave is the 'Question' and the Collapse back to the Recursive Function Call (analogy) is 'The Answer' so the

direction of the Thoughts is not one directional.

—

Anyway – I am wondering now. I would like a cup of coffee ..

Which Reminds me!

I decided as to why [one major reason – there are many good reasons] Jesus wants me to only drink coffee only with others. Most people I drink coffee with normally are Church related, and '**When two or more are joined in My name – I am There.**' And so .. both as an effort of Expanding such to non-Church-goers, and this underlining aspect suggests .. as a am an Apologetic Rationalizing [Grasping] Fool – that when I am in Prayer and meditation directly with Him – I may drink coffee.

I suppose also when directing prayers, meditations, and reflections towards and with Holy Virgin Mother Mary – which is actually a surprising amount I realized not long ago .. and Start with Her, and then with Blessings all around so as to Open-up Conduits throughout. After all .. as a wee-soul after the Coloring Crayons Transformed me into a first Cell and the Explosion of Cells I drew, She became my Go-Between and I was resistant to interact with The Father directly when that time came. And Tested God also – as I described – as my first non-toddler Act of interrelation.

Refusing to Bless Him because I should not need to for Him to appear, if He was God.

What Childishness! He Wanted me to Want Him to appear – and that was the Proscribed way, as Holy Mother Mary said. Stiff-necked and logical from the start.

—

May this be a Blessing to you and us all. [And all our Futures,

and future Multiverse Pasts.]

There are a lot of videos and articles presented, and some likely rough comments. I suppose I should mention – it offered to me this morning in relations to some conversations I had at the after Easter get together that I should make clear that I had been raised a Feminist, and as such insanity and life of horror and twisted pain that resulted will come across sometimes as extreme – but these are not some parroted talking-points I heard somewhere ..

.. but by the conviction of the death of my mother and every older women who ever stayed silent or supported such Satanic evil, mind-raping evil – all our lives would and could have been made less Horrible and insane and Hell Filled.

So when I discuss the hacking-to-death of Witches and such – it is not out of Vengeance but as Protection and Public Example to let the powerful others know that their severed heads publicly displayed on poles, with video of them screaming as they are sawed-off is a small Price for them to Pay as the Wages of their Sins, and such deaths would go a long way in encouraging others to Repent and Seek God – to release the Grip of Power they have – into an ideally Ordered System of Transition towards Truth-Justice-Ordered society and States of Being.

And of course I should add;

.. that for each of them - There Go I.

My Female-Aspect, unRestrained.

God Demands Love and Not Death, and Better from me – and us
All!

—
Okay – with that said, the rest; ..

—
—
So much [Female-Evil shaped] unTruth. InJustice, and the horrors that follow .. Truth is discarded with the sweeps from floor – Truth being of so little regard. Here is an example of the people who push these lies – out-of-context warped Statistics should result in public Tasered-till-Pissing-and-Screaming and without such – like the slimy lies about sexist in wages – the evil mind-raping should excuse killing those who actively practice – the death of one of them and the older women in their families for every child or adult that goes to sleep with increased confusion, self-loathing, unTruth-sickened state because of them.

When you hear someone claiming children and it turns out they are young adults 15+ YO, Publicly administrating a broken finger of all the older women in their family and their teeth kicked-out might be a reasonable Start to their Correction. Mind-raping Witches! Slimy manipulating VagFeelie cnts., ..

I was wondering what happened to Economist Dr. Michael Hudson, he seemed to disappear from the regular places I watch that he used to visit and contribute.

Always worth listening too.

He has a new book;

The 'Official' Debt numbers these people quote always makes me

Why? .. An estimated 21 Trillions of Dollars of off-books Dark-Money had gone to military contractors by end of 1990's – and the 2009 Zombie-Bank-Investment hand-out was over 14 Trillions before the regular Trillions a Week REPO Market 'shoring-up' started., ..

Ship of Theseus Trolley Problem

If you do not pull the lever, one person will be crushed to death instantly. If you do pull the lever, the trolley will divert onto a thousand-mile stretch of track with one person tied down at the end of it. If as the trolley rolls down this thousand-mile track, a crew systematically switches out every piece of the original trolley with a replacement part, did the trolley which you diverted kill the man?

Quote sent to me by a friend.

"It is simply no longer possible to believe much of the clinical research that is published, or to rely on the judgment of trusted physicians or authoritative medical guidelines. I take no pleasure in this conclusion, which I reached slowly and reluctantly over my two decades as an editor of the New England Journal of Medicine."

— Marcia Angell

Again, this circles back to BETRAYAL TRAUMA. Of all industries, the medical / health industry is the one that received the highest marks in multiple surveys. Now, no longer. The ONE institution most people had confidence in... has fallen.

Good evening Mr. Musk, I don't suppose you'd be interested in an unscheduled, impromptu interview?

Of course, come on in.

You're streaming it live on Spaces so I can't edit it before publication? T-t-this isn't fair I'm leaving!

Tell your friends.

Imagine what was happening to our children on Epstein's island and New Mexico ranch.

That your husband was confirmed to have visited.

Neither our Founders—nor prior generations of Supreme Court Justices or members of Congress—would believe what is being done to our children in the name of the Bill of Rights. Shameful.

My beloved Father died when I was twelve. My beloved Mother carried on at a time when women did not have equal rights in America. She was the most inspiring person I've ever known. We all know what a woman is, whether some people admit it or not.

They knew what a woman was when they refused us bank accounts.

They knew what a woman was when we still couldn't purchase a home alone in 1982.
They still know.

For April Fools' Day in 1998, Burger King took out a full-page ad in *USA Today*, announcing the launch of the "left-handed Whopper" that was designed specifically for left-handed Americans. Burger King said that the condiments of the burger will remain the same, but they will be rotated 180°. Thousands of people showed up the next day, asking for the lefty Whopper.

One of the most disturbing revelations of TikTok and Instagram reels for me is that millions of people live their lives with a smoke detector in their home that beeps every 30 seconds due to low battery. And these people think this is normal, it doesn't bother them whatsoever
