Good Saturday Morning,
May the Spirit of the Gospel and the Holy Word be Always on our
Tongues, in our Hearts, Minds, and in our Hands.
Holy Virgin Mary and All Saints - Pray for us!

Index Number 1851:

[This morning I will be going to Mass and our monthly after Mass
Catholic Men's Breakfast get together, and although I did some pre-
assembly of this post last night the editing and all the 'extra'
publishing to the different site may be delayed, as I prepare for my
early ride for the early Mass.]

In this morning's prayers and meditations I focused on getting
through the routine prayers which I have composed to Balance and
bring to forefront of consciousness those aspects that will better
Orient me to God and World and Self.

Yesterday and in earlier meditations an Eastern passage from a Sage
crossed my mind as an example of Wisdom that we can all apply ..
last I ran into it was that book that I recently experienced 'The
Diamond Age' and have mentioned many times, which thrust it into
my recent awareness and consideration – especially related to
Catholic Apologetics and the use of such to Evangelize and Bridge
between all forms of Religion – something warped from Vatican II into
destruction of The Body of Christ instead of what it should have been
.. the finding of all those 'Holy Bicycle Parts' still un-Formed in
Catholicism and in those other Religions.

Here is that passage; ..

"To put the world in order, we must first put the nation in order; to
put the nation in order, we must first put the family in order; to put
the family in order; we must first cultivate our personal life; we must
first set our hearts right." - Confucius

There was something else – a continuation of something recently
mentioned which I recalled I forgot to add in my sub-conscious review
of recent topics ..

.. something to do with my Model of the Holy and the assembly of
the Holy Neural Network (Those connections outside of Holy Israel
being the Consciousness of The Lion – Who's Female-Aspect is the
Range depending on Jacob's Ladder Levels which correspond to the
dying mind and brain-stem, from nearly Maiden Mary down-to Satan)
and the Conversion and expansion out into the Chaos and Infinite
Quantum Firmament into God's Kingdom .. the Raising and leveling of
the Land out of the Sea like Holland does, or the expansion into
Wilderness and Jungle into Farms and Towns and finally Holy
Jerusalem ...

I am sure as soon as I start to get fully dressed to go it will occur to
me again!

May this be a Blessing to you and us all. [And all our Futures, and
future Multiverse Pasts.]

A good discussion in video. I can not download the video (nor watch
it at a higher speed) so it has to be watched on SubStack, or not at all.

The beginning of video is a good example of a huge waste of time – for far more people who are armed the giving up weapons is a non-starter .. for too many reasons - but the fact that you cnts have no idea of the actual data – the assault-rife killing numbers are tiny in relation, and when 'good' shootings (self defense), and then the gang killings, and suicides are taken from the data the actual numbers of all gun deaths are not large.

.

Also, why are you not asking why this clear targeting of Christians a 'hate-crime'? And why are you not asking why her manifesto being hidden? F-ing Female-Evil Slimy lying vomit.

.

But all that aside – if you came for someone's weapon I would not actively support killing you (Because God Demands Love and not Death) – but I would argue it was very Just and likely needed.

.

Not only is your head-up your ass on the data and the fact that you cnts still vomit the lies. What is it with you Vagina-god Satan baby-murdering minions and Witches? Unfortunately everyone who hears that you are intentionally lying or unwilling to find real information (because you do not want to know?) in this subject and likely every other topic that requires any research of virtue – everyone should realize not to listen to you, and perhaps suspect you are worse the retarded and have actual evil-intent .. why else will you keep lying and-or staying informed

Unless you actually want to add something New to the argument – perhaps your teeth kicked-in and fingers broken on a few of the Witches in your family might be a good response. So, are you actively being evil – tor too retarded to take care of yourself without [Adult, decent man] supervision?

So .. forget it. You are wasting time. Period.

A good interview – Varoufakis has a good grasp and is willing to argue against the Golden-Calf venture capital Satanist owners, and had this policies been followed by Greece – the Fascist serf (us) impoverishing Genociding-Elites' EU who move private debt to public debt .. had they separated as he recommended and worked towards, Greece would have been better-off, and perhaps would have advance – with the UK leaving, the early needed destruction of EU.

The decoupling of the straight bank in to a National version and the private risk-taking investment and loan business makes a lot of sense. I might not agree about the digital aspect – it is too easily controlled and given the pure vileness and lawlessness of those in power as we saw with fraud Plandemic abuse the 'emergency powers' taken and a court system worse then useless to protect us across the West .. the digital should not be a requirement.

I followed this case and it was a shame that he went to jail. It was a mistake and had she not been some Elite well publicized he might have gotten a chance – but instead a vindictive cnt family – sounds like the mother is a F-ing horror.

Would the victim wanted her Lover's life destroyed so badly?

I am sure if it was the other way around and she accidentally shot him, we would have never heard about it – and not only because of the sex differences. She has a media and family following and likely their relationship was not accepted by family and others – was my 'read' on it, and he was disposable to far too many.

.. those in the family of such a victim who REQUIRE pain and suffering of someone for a loss, even accidental – they can dropped dead and we all would likely be better off. That level of viciousness and lack of Mercy is very disgusting .. May God have Mercy on them – and us all!
