Good Friday Morning,

May the Spirit of the Gospel and the Holy Word be Always on our Tongues, in our Hearts, Minds, and in our Hands.

Holy Virgin Mary and All Saints - Pray for us!

Index Number 1906:

—

In this morning's prayers and meditations a period of Attention was devoted to Clarifying what I have thought about and called some form of 12-stage (Apostles, Tribes, Human variation) Compass 'Needle', including such as Asking Holy Host to use what we understand about the Ideal Church – for example – and the version we have Realized in our version, the Ideal version of that – and the differences, as well as All forms of Religion and Worship that is Organized, the Abrahamic, the Eastern, the America's Indigenous, and such variations, and an Avatar in relation to all those as Priests down to those not connected directly but under some form of Authority, Influence, or Interaction and vice-versa out to many degrees-of-separation.

I go through each in Turn, the Military of a Nation, modern versions, historical versions, the Ideals and Intended, and the Avatar as every positions including those struggling against.

Similar for Social Order Institutions such a Police, .. National and otherwise Social Assistance such as HUD, Social Security, Income Assistance, .., Justice System, Social-interaction in Society men-men, men-women, women-men (unmarried and married) interaction in Employment, Public, .., and so on.

—

This seems like a good suggest and if we have a Vatican Based international Debate System as I have discussed – had it been started immediately after Vatican II that the Bishops [Rabbis, Imams, local temple leaders, Shaman, .., non-religious access point perhaps in Universities] this likely be one of the Earlier topic in such a Debate System – or I suggest it as.

Not only known problems - as such warping from even the Ideal as defined in Laws and Goals throughout the World, and same for all those Institutions and State-of-Being and interacting in Communion at all Levels .. to have a Protected place to bring Exposure not only of clear Abuses and failure of the goals spoken and put in law, but open-up to Betterment in a wider discussion of the Ideals, with historical references and those who consider from a academic points, and others.

—

Although this morning I barely touched on the incident mentioned about the Female-Evil abuse and resource wasting – Fear and Guilt and disOrdering Hate spreading - by powerful related to some minority at a sport event having a hussy-fit because he heard bad words shouted at him.

I hope others are tired of this clear abuse .. it is as if our putrid slimy Female-Evil Tyrant mother screams at her children every morning and randomly because someone – perhaps a grandfather – was told to have done something she did not like.

The Clarity from these is that the Powerful are Evil, and actively Hateful and destructive.

I and almost all I was raised with and interacted with learned to despise racists, and all my life I perhaps – until recently – have interacted with maybe 2 or 3 through all those years – and since I like talking to strangers they have always been brief interactions, and so rare as I indicated.

Recently the Tone has changed because of all the Evil directed at us – our Black President pushed such as has those controlling our recent Satanic Puppet, and of course the Golden-Calf Satanic Venture-Capitalist Witches that own and control all institutions or have such LawFare and destructive power that all business and most people can and already know they can not survive if such Evil is directed at them.

The increases in Criminal White Christian society-hating grasping influx as well as an over all increase in violent crime being realized and discussed has made reasonable arguments of Separation by races. I do not subscribe to that – instead I know and Pray for a Common Goodness and Symbol that United the West in the Crucifix and God .. as the solution, and so it is Possible not to Separate, but I can easily Apologize – especially since the Evil is clearly intentional from the Powerful – and a Better Apologetic argument to put forward given the level of powerful at all levels being enSlaved and controlled by local Witches, and baby-murder and a kind of insane disconnect from humanity and demonizing of regular people who want to raise a family and live without needless howling evil directed at them ..

.. as I mention a Better solution is the Removal of all in families who never had a worry on paying mortgage or rent and similar – they as a Class are powerful and functional evil, completely disconnected to an increasingly suffering and unJustly treated regular man and families needs and believe and are acting insanely. Those people should not have power over others .. the woman Gender Studies major

as a social-worker who was filled with Putrid Evil Lies and mind-raping as hired to interact and help with homeless and suffering men is a clear example – especially the Witches with power as Managers and above directing them.

There are more than enough men who were homeless at some point and sharp enough to handle such jobs – clearly, and be able to push-back on the clear insanities that even I know about – such that the Promise of help that will never come enTraps many into situation where they are forced to go in weekly and be monitored, which is clearly the point – and given my interaction experience with the Social System the goal is more related to Evil and not.

—

As I have mentioned the insanities related to getting a new ID, or the Witch filled vicious family-destroying exclusive women filling in 'family services' and so many White Man genocide steps of filling gov with make-work and increasingly complex trained from University male-hating family destroying women, all 'good jobs' that is consolidated and the intentional needless complexities that enslave not only the women working them in useless and disgusting extra work, but make things that should be easy a form of punishment for those of us that have the IQ to figure how, but make such impossible for the average minority with sub-normal IQ and so they – like me – do not even try anymore and so are unable to do with life what there grandfather could do because needless abusive separating and excuse for 'racism' situation.

.. of course the constant evil of suppressing such information that the average IQ of many of the ancestral counties many come from are not high-enough (if such was a single person) to enter the military – which is almost 20 IQ points below the normal of 100.

So such policies are abusive and sacrifice those people and all involved in the false-based lie and resentment injected that Racism is the cause, like that women are paid less than men on average not because the real reason but because of Sexism.

These are two example that no one who has power over others should have if they do not understand such, and today the awareness of the Golden-Calf Satanic Witches the are Fungal-Strangulating us all and are not further than 2 degrees of separation – usually some slimy unreasoned or lied-based resent-filled White male-hating cnt co-workers or in public – connected to such evil Witches that are the tip of Tentacles of great Witch-Whisper-Web of corporate and Gov lines that go into the top 3 Levels and further to the few international (15 or so) interconnected and coordinated Golden-Calf Satanic Witch-Matriarchal ruling families – that Serve Satan.

—

What I did not mention about those gov jobs is that any two or three of the decent jobs – but this cntHell standards – barely Living Wages – but 2 or 3 (or more when the insane redundancy and intentional abusive policies are removed) those Genocidal Tool women could and should be replaced by a single man, [potential] Father, Husband, and Protector of Society .. that would be able to have a single income to support a home, car, family as was once the Standard through middle class and West, and on average one of those not

Genocidal Tool could and would be married and raising children, involved in local schools and such.

—

Let me suggest the Evil that clearly taken all Institutions that were through the history of West the defenders of such, Education, Church, Medical, .. all had the Father-Mother-Children and neighborhood as part of the Standard Background – children raised towards such, treatment and education, employment, .. all with this in mind – unlike now which seems and often clearly is the destruction of such Order, increasing inJustice and filling all with Lies.

—

My Question is if you have been so Mind-Raped and Demon, Witch, .., AI Programmed that you have your own Demon Screeching inside your mind - Can you even Consider such .. or have the insanity of generations of mind-raped and soul-raping women-mothers, removal of Truth & Protection Loving sources; Fatherlessness and decent men in Authority, the whim based Witch murdering of babies and separation of Fathers-Children and similar as Normal – has that Broken your Reason?

Broken your ability to even Remember this information and points for longer then a short time?

—

May this be a Blessing to you and us all. [And all our Futures, and future Multiverse Pasts.]

—

—

This stuff makes me sad sometimes.

What a shame – when I think were the West could have been ..

.. had Satan not took over and Sicken Womanhood, corpDragon law not expanded, the Federal Banking early last Century, or the Evil Enslaving Federal Gov not successful in Civil War (and never was fought!), or the French Revolution, that Debt Jubilees remained and practiced through world, .. or that Golden-Calf Satanists were always treated as the inHuman evil monsters they are.

What would you add to the above list?, ..

I do not follow professional sports but am subject to the reports when 'news' happens and for about a week I have been forced to hear all the masturbatory abuse of us all because some pussie European football player whining and threw a fit because someone in audience suppose-able yelled racists names at him. If true, F-him anyway.

Who would not mind a professional position like that even with such happening once in a while .. I doubt it is racist, but perhaps he Sucks or it is envy and would happen if he was white .. but we do not hear about those – do we?

First – the immature child that has a fit every time someone calls him '4-eyes' or 'carrot-top' is a fool and without a father or decent man to explain that he is only encouraging more abuse by over-reacting and to shut-the-fuck-up and take-it .. or be beaten by the adult ..

.. they do not punish everyone in class of school and force them all into some tolerance class – that is Female-Evil Abusive cnts Witch-Shit that is Evil and Abusive, male-hating and insane. And seems to be Standard in this Witch cnt-Hell.

Same goes for this .. everyone entertaining this and amplifying it – given the time and abuse passed out – it Just then all those in power that could have stopped it, and all who pushed it – gone.

Perhaps not publicly killed but examples made of them all .. picture of them and mother, grandmothers, aunts, with evil-cnt Witches to be 'Thanked' for Vomiting such howling F-ing horrors we are Cursed to Suffer .. pictures well distributed – owners, and others who supported such abuse of us all .. and so they know each of us deserves to punch them in the face for all the children that went to bed either unreasonably afraid or self-hating for not being some different color pussie. Punch them in the face and break a finger of their mothers, aunts, grandmothers .. and other family Witches.

WTF is wrong that such is clearly not understood and abusive – this alone is an example of why the death of all powerful is not unJust – they are Abusive evil insane horrors who Hate us .. have we been so fatherless and Senseless that this female-evil abusive putrid shit is normal? F-you.

I like this version a lot! The band and especially the lead singer looks like the kind of people you want to Party with as a young man .. do you say different?

And about powerful abusing us ..

Not only is Tax policy only for those unable or unwilling to be in Satan's Club of off-shore and special wealth hiding through the Private City of London and other Golden-Calf Satanic Witch established systems – where our taxes support them and their untaxed existences and vile abusive evils – but as policy Taxes are repressive in general and designed to destroy families and goodness, but with LawFare such can further punish any what catch the eye of the Witches and F-ing Horrors that it is Shameful they not afraid of being public ally killed for their evils.

.. but do not get me going of I will be suggesting we Pray to God to remove all post menopause women from every family that never worried about mortgage payments or rent – as the F-ing evil Witches and clear Satanic minions and tools that are destroying all Goodness and Sanity – because if by now you do not know this then you are too F-ing retarded and Demon-Oppressed to Hear it now., ..

This evil shit has to stop! .. Female-Evil F-ing Horrors.

Some local Witch finger his, clearly. What was his real crime beside being a White man? Did he not curse Trump enough .. sexual whispers – each of these should find the most powerful women connected Gone – hanged to death in public over the corpses of all the older women in their families might be considered Just by some.

.. And in an insane world where they murder babies legally – why not it okay & legal then to hack them to death in public while mouth covered so they can silently scream like those babies ripped-apart that is fine and legal?

What would be too much to save Society and families and our children? Must we publicly drag to death the slimy cnts who 'cancel' and all the older women in their families?

The older women clearly must be shown to suffer as is Just - because driving away fathers and separating young from decent men is and clearly always was Wrong and vile and abusive. .. every mother and women should understand their Sins and evil poured into their

children will leave them Burned to Death in public as the Soul-Destroying horrors that they clearly are all around us.

What evil F-ing mothers and Witches in Education and Gov has supported such clear horror and obviously Piousness practices?

One of the saddest aspect of Greed is that it forced those of us who's focus on wealth is to whatever degree is needed to live a decent life and raise a family, find work that is rewarding, and such.

Instead, Greed as a measure of Power – and as we see with the Golden-Calf Satanists in power that the only Power they care about is the power to murder babies, twist and torture us all, to have power over more then life-&-death but the souls damned in Hell.

Could you ask for a more interesting Battle? You start off life wanting to work in Science and believe all the slimy lies about women were not really basically Prostitutes – most will drag pleasure from making men suffer who they can not otherwise Suck-Dry in any other way and basically Sacks of Putrid Septic Horrors anywhere near or in any kind of influence over you or anyone you care about.

I found from the young ladies I knew before working in the Golden-Calf Satanist directed and filled University – before then women were human and were not septic inHuman evil cnts .. or were the young women I remember as being human and my friends and lovers had not yet turned .. they were young enough they had not been Sickened and mind-raped into Delusional-psychos that if they were not human but a Beast or Machine that acted like they do - then the destruction or driving away of them would be rewarded ..

Yet because they are the source of babies they have value – except is that still true? Baby-Murdering and mind-raping lying F-ing horrors destroying children before they can leave and when they leave – if they can – they are so lie-filled and warped that they are monsters to decent people.

Something to wonder about. At what point do the Witches and their warped murdering vicious horrors they have empowered be recognized as such? That perhaps it is Insane and Evil to raise children and have a society where murdering babies is fine .. instead of demanding that those that engage in behaviors that produce them be responsible for them?

.. otherwise that No to sex is not only possible, but expected of them.

Anyway – the video has little to do with that. Instead Michael starts off decently about history but seems to enjoy outlining the Churches earlier warping and sins as it was adopted by very corrupt and sinful Empire and used as a tool like a sword .. but it is a history book.

I think sometimes of having a simple life in the Age-of-Faith in Europe where one could work a day and get wages that supported a family, and the Church was a place of Protection and Justice .. Romantic I suppose - from a man who imagined and shaped myself for Science from a young age to find it a putrid Vagina-god Satan poisoned Hell-Hole with vicious lying slimy male-hating cnts .. retarded and lacking basic Merit often.

Americans torture Germans to extort "confessions"

By FRED REDMAN

TODAY I am able to tell the full story, revealed in Washington, of the American war trials scandal. It is an ugly story of barbarous tortures inflicted in the name of Allied justice.

It is time that the British people knew all the facts. Little has appeared in our Press until today.

The charge is that American soldiers, building evidence against Germans accused of war crimes, have behaved with the same sadistic cruelty as the beasts who terrorised Europe when it was under Nazi domination.

The truth has come out through the persistence of an American lawyer and the frank horror of an American judge who refuses to be muzzled.

Judge Edward Van Roden, member of a U.S. Army Commission of Inquiry, tells how burning matches were forced under the fingernails of a prisoner by American investigators to extort a confession. For months, he says, men were kept in solitary confinement on near-starvation rations

And they were beaten up and savagely kicked till strong men were reduced to mumble any admission demanded by their prosecutors

Commission sent to Germany to investigate was even more candid.

All but two of the Germans, in the 139 cases we investigated, had been kicked in the testicles beyond repair," he charged. "This was standard operating procedure with our American investigators.

They would put a black hood over the accused's head and then punch him in the face with brass knuckles."

U.S. Army prosecution teams had, he said, posed as priests to hear confessions and give absolution

At mock trials men who refused to confess were confronted by a crucifix and

HUNT FOR 5 SHIRT-SLEEVE SOLDIERS

FIVE soldiers in shirt-sleeves, held as absentees, escaped from the Central Recruiting Office, Great Scotland Yard last night.

They were being taken from their cells to an exercise yard when one of them

noticed a door left open at the end of a tunnel. Pushing the escort aside, they reached the street and disappeared in Whitehall.

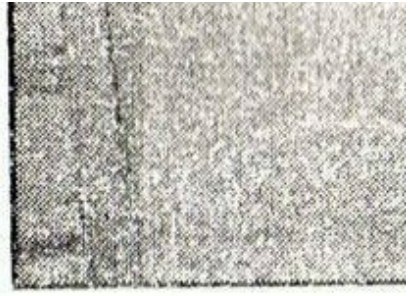

The five, all privates, are Arthur Hounslow, 21, Royal Berkshire Regt.; Robert McAlpine, 20, Argyll and Sutherland Highlanders; Thomas McDermott, 27, Cameronians; Joseph Whitehair, 20, Royal Norfolk Regt.; and Sapper Hutchinson, 21, Royal En-

The War Department have shown the judge's personal report only to General Lucius Clay, their military commander in Germany. Washington suspects the reason was that it was too shocking for public disclosure.

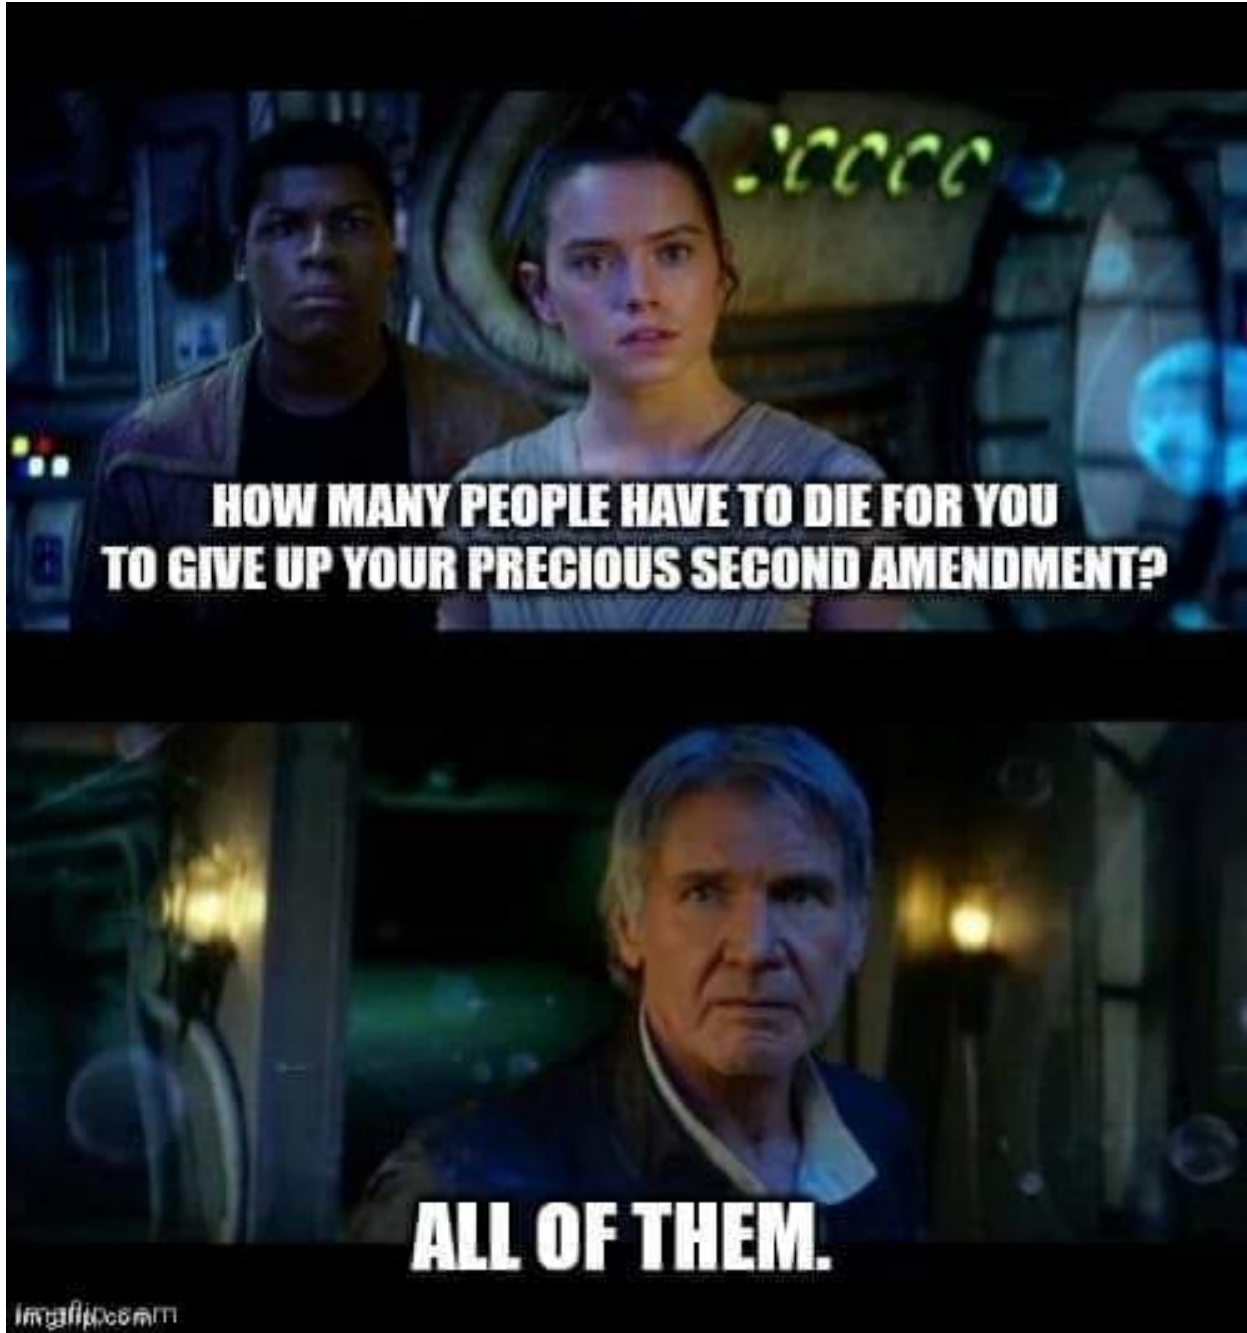

But Judge Van Roden is not so squeamish. The grim truth, he declares, must be told.

burning candles. Those sham courts, attended by men in U.S. Army uniform, passed sham death sentences. Then the accused were told: "Sign this confession and we will get you acquitted."

Army witnesses explained that they had "a tough case to crack," and that "persuasive methods" were necessary.

When we say "there are no good cops" this is what we're talking about.

Clinton didn't tender his badge. He reported to DEI training like a good dog. And now he'll ticket your White wife for driving 2 mph over the speed limit when she's late to pick up the kids, while letting a drunk Mexican speed through the school zone at 45 mph over the posted limit.

I stopped a vehicle for a minor traffic violation. When I made contact with the driver I learned he did not have a valid driver's license and was in the United States illegally from Mexico.

I placed him under arrest and called ice to see if they wanted to deport him.

I called for a tow truck and made a inventory of the items inside of the vehicle. Once I open the trunk on the vehicle I found hundreds of stolen driver's license and social security cards.

I was reprimanded for my actions and sent to a

cultural diversity training class.

The reason white racism is increasing is because this generation of young white men were raised to be the least racist generation of whites to ever exist in the history of this planet. We grew up being taught that racism was bad, that we were ALL going to move past it and work together towards a better future. Even here in the most traditionally racist part of the country, nearly every young white boy in my generation grew up watching black athletes, black actors, listening to black musicians, etc. It was all normal. We were 95% post-racial.

So as we got older, we stuck our hands out in friendship to EVERYONE, like we'd been taught to... and then every nonwhite group on the planet came by and sucker-punched us from behind, called us evil white devils, and told us we deserved to die. We were ready and willing to move on from the past, the rest of you weren't. Instead of shaking our hands and marching off together, you chose revenge against the only white people who've ever let their guard down.

So now you won't be our friends, we're reforging the identity we were taught to shed.

Damn...
tough crowd

I grew up in a
neighborhood so
tough, the sign
on the LIBRARY
wall said
"shut the fuck up"
