Good Wednesday Morning, 4th Octave of Pentecost

May the Spirit of the Gospel and the Holy Word be Always in our Minds, on our Tongues, and in our Hearts.

Holy Virgin Mary and All Saints - Pray for us!

**Index Number 1551:**

I had a good morning of shorten prayers and longer meditations. It seems that what I call the 'Holy Candles' prayers have reConsolidated after a long period of deConstructing them and expanding and polishing the parts that are now Codified in the lighting and the short phrase I say .. think of it as a Programming Macro – and the longer – sometimes much longer when I recall all

my extended family members I know of and include such as all the children they conceived while sexually active and the families of their lovers as part of the intertwined Multiverse extended family .. which is likely only 2 of so degree-of-freedom (separation) from most of you – if you live in North America, and likely no much more than that if you do not – my cousin.

—

The meditation touched briefly on the reflection of the 'Of Course!' that was Echoed of reading the comment on the last video in last post – see PostScript for URL.

I keep repeating the Censorship will cause a reduction in the Grace-Level for this Holy Simulation and for some reason the clear and obvious reasons are ignored – the fact that Censorship is an interfering of Holy Human Dignity, that it is a clear Sin against others – not only the person sinned, and others in numbers most of you can not conceive of, that any Reality or Expression of this Sub-Soul that is so Sinful and Foolish and Retarded CAN NOT be given the Holy Power to corrupt all those connected to us .. like a Mind-Cancer and God has Mercy enough to allow to continue to Live to provide enough Grace so the Holy Influences within can do their work – but can not be given the Strength to Poison through the Holy Neural Network all the others Near & Connected .. and so many other reasons that should be clear or clearly obvious on reflection.

But then have me mention an point that a Greed Centered group can understand and all of a sudden it makes sense – in a greater way then it should as such becomes a much clearly justification as to who any grace at all should be given to this version or similar .. but such a response only high-lights how little you understand how much God Loves us and will Try to Save us for us, that we allowed to continue not because of something a worthless in comparison as the harvesting of information but Because we are all together a sub-soul of a sub-soul of a .. someone that God Loves – and so Loves us infinitely.

There is much Value in these .. but it would be Folly to a Foolish degree to imagine you have any idea on how to gauge what it could be .. do you as a grandparent value the same things related to your grandchild as him or her or even their parent – one of which is you child? Do you think the grandchild has any idea even if told by the grandparent (like the biblical and Church Doctrine) – especially as you clearly as so quick to ignore or even to Coin it for a piece of candy or whatever?

.. which reminds me of a song .. later.

—

And what a response to my characterization to my friends' situation – especially how the evil-Programming has so Chained and Isolated him in a way that anyone who mistreats him – any Witch or such who would mind-soul-body Rape him, or similar, becomes to him 'only what I deserve' and all who would befriend him are worth of contempt or only a matter of time until they see what a monster he is, and the point about the systematic Female-Poisoned Society where EVERY education System (most of Western Institutions in general) are not only active in do such to the male and men, but the girls and women are groomed to play the rolls needed and a great number will not only incorporation that mind-set of the Vagina Supremacist and pure disdain and disregard towards males – and decent females who are not part of that Soul-Poisoned group, etc., etc., ..

.. if I have to spell out the entirety to you then understand your mind has been retarded and-or soul so twisted that you can not think clearly (and so Repent from the clear evil you support if not do & Fix yourself!)

—

The bit about Peterson and possible Jewish wife and the fact that he was not totally destroyed hit home to many. Some because even if they do not believe it then it helps them model better why some are totally destroyed and others not so much – and the simple 'Left-Right' is clearly a Red-Herring to prevent a deeper examination, and similar to others and in the future people can apply this as a possible connection.

Some were correct in objecting that if not for Peterson's amazing complacency that he would have been destroyed – and I agree with his handling was fantastic – but he was allowed to remain to fight, which so many would not have been, and more related .. he was Punished and the intent was to make him understand to keep his mouth shut, and although he still will discuss such – he still is mind-warped and -or unwilling to discuss Race or the roll of putrid vileness & Poison that modern Western womanhood Is and Spreads.

.. I could go on, but he is doing a fantastic job in every respect but for some blind-spots or areas he will not go near – and in these times of Satan's Rule, Not being a Cheer-leader for Evil or Defender of, is a Positive.

—

What else? .. The Russia Response point was generally agreed – and I think that is important. The general man-on-street with any independent thought sees that what is happening is clearly unJust, and add to that the fact I would characterize – as many should –

Russia as the last country that could be considered Christian, and the having suffered so under the evil-Zionist orchestrated Soviet-West prolonged and needless conflict, etc ..

.. and amazingly many people are starting to wonder if death is not better than this hell where cnts -on-testicles murdering babies and destroying everything decent and take children to torment and torture and twist into the sad horrors we see the schools and single mothers producing – and us and those children dying might be better than this clearly constant abuse and suffering – surrounded by everyone who is clearly suffering also but so mind-warped by the Witch-Spells from crib and pushed constantly that they attack anyone who would try to help themselves and them in meaningful way.

A day or two of vomiting and radiation sickness with death following seems like that might not be a bad deal to get away from such a clear and vile Horrible Nightmare – this #CntHell where the Demons look like regular women and most of the women – and too many twisted from crib males - actively support them

—

Good to hear such considerations are being consciously made. The point about the older women in families and in general being a constant re-infection for the Female-Evil Poison and Horror makes a lot of sense to many. At the very least removing them from any source of power over others will have to be a significant part of any full solution, and clearly by extension women in general as they have and are demonstrating **a clear and present danger** when they have power – to all involved including themselves and generally should not be considered unable to shit in their own soup bowl.

.. and most males raised by single mothers and in homes where the #NoFaultDivorce removed the father as Father and head of household and family – should be considered as unable to function reliably and fully capable – until vetted and vested.

Good time to talk about social Vestiture - National Service as one of the requirements for power over others; voting, jury (for men – no women regardless), full contract rights and business owning, work or run for gov at any level, etc.

.. I have written a bit about such, and tied with education – this and getting away from our putrid mothers and other women in sex segregation (#SexSegregation) in nearly all things, but education clearly.

We must end not only having women involved in children older than 5 – at least for generations to pass and the vileness and putrid evil now rotting their souls and families is cleared – but the twisted

process of not allowing young men to get used to their bodies before they are actively punished, that anyone who thinks a young man who is in puberty does not have a hard enough time focusing on his education and other things even with no women around, never-mind wearing yoga-pants with a camel toe ..

.. well, well, you need to stay away from men who have suffered the clear and clearly now for most – I hope – system of abuse arranged by the putrid horrors in power – because I can think it reasonable for such a person to use a knife and scare your face-up and then when ever you say anything about it – everyone pretend they are foolish to imaging that being disfigured should result in being treated differently, and if you insist .. how can you not be actively evil? Or so retarded as to be Poison Vomit on everything and everyone you near.

One would reasonably argue that a warning is needed before the carving starts, and I agree – but I would understand. And also add that at least they were showing Mercy and not finding and killing the older women in their family and anyone else connected to such a clear vile and horrible evil-Tool.

—

Well, I suppose there is not point in me trying to re-Connect to the Infinite Quantum Mind .. as I want to escape myself myself after touching that subject and getting my reaction.

And Besides that bit of my own Vomit, ..

Return To Tradition

I touched earlier on the clear child-hate, family, future, society destroying, and Satanic aspects of our Schools and major Institutions – like media – a little earlier. And I would add that how could anyone not see with this and supported and allowed to continue from the Powerful – that Satan is our secular Ruler, and dying of radiation for us all might not be worse – provided we, our loved, neighbors, .. Right with God.

How much does the Catholic Church Leadership support – in silence or in active promotion of the disordered and destructive lifestyle?, ..

They will encourage mothers to torture our babies to death so they do not have to tell them NO!, do you think you to such horrors more then another inconvenient group of cell?, ..
