Good Wednesday Morning,

May the Spirit of the Gospel and the Holy Word be Always on our Tongues, in our Hearts, Minds, and in our Hands.

Holy Virgin Mary and All Saints - Pray for us!

[Not allowed to Post on Facebook – for 16 [more] days.]

In this morning's prayers and meditations I considered a number of aspect of what I have written before, and left out, or had not filled-out as well as I should.

The first has to do with the recent post about 'Baptizing' through Service (Service, Stewardship, Sacrifice) and it making or starting a Foundation of Jesus Christ's Holy Church in the world and all the souls involved including our own, that it automatically injects a kind of Obligation relationships as well as implied Authorities, Influences, and Interactions, and Protocols, and Invites a continuation and expansion in Good Works, as well as interdependence – a kind of family structure - and as a Christian done in Love, Mercy, Charity, Faith, and Hope links all such Starts

to the Holy Church. Also by Specifying Jesus', Holy Ghost, The Father, God, .. by name, making the Sign of Cross, as a Calling and places a FootPrint of God in the foundation and that Action and those related will outlast all unSacred, all Profane that surrounds us all, and motivates Holy Mary when Cleansing and Sanctifying such actions (through refinement in Repeated Day-of-Bread and our increasing Holiness along with the Glorification of each and every Day-of-Bread, an Incremental Advance up-back Jacob's Ladder Levels towards Holy Israel) ..

.. while making a Perfect Offering handed to Jesus to be Gathered together and Expanded, Amplified, and Multiplied and Placed with all others on The Father's Altar and at the Proper Time Transformed into His Holy Body and Blood .. being Actions done by us in His Holy Church; His Body, Bride, and all Her Forms For the Father, the Trinity, all of Creation, and And-With-For-As His Holy Church.

And that is more detail then I mentioned in Post, '**Multiverse Journal - Index Number 1719:, November 20th, 2022, Sunday Morning**', with URLs in PostScript.

And so I wanted to add that part of this aspect is to be an Alert – the actual Actions of Service, and-or the Announcing it is for God, and with the Imposition of Structure and Order might bring Opposition, which can be a service. High-lighting those the Support and those the Oppose.

Perhaps you are part of a medical EMT crew working as responders for medical emergency and as you arrive you find the patient and the situation allows you might ask '*do you mind if I say a personal prayer to Jesus for your Health and our Service?*' or such, and so whatever they are anyone says – the needed Holy Injection has occurred.

.. this might bring some kind of positive or negative response over time .. say the Satanic corpDragon Hospital and-or the Head Medical Officer for which you are under Authority decides this is not something they want – hoping to torture the patients to death for organs and 'Brain-Juices' for example at the lower Jacob's Ladders which Share the Multiverse Overlap and so this practice might interfere with those cases where there Alerts indicate some international Witch-Matriarchal ruling family member's local Minion's family member needs a liver that happens to match and so will pretend something happened medical and so rip them apart while alive as they do routinely with babies to Harvest and Profit from not only providing a 'service' for there Satanic Howling evil ruling families, but in the extended tortures the brain-juices can be used to enSlave the next President's child or similar.

So in issuing the directive that such Prayer is against Satanic Howling-evil corpDragon policy they make it known that the entire organization and building should likely – in a Just world – be closed down, extensively Demonically Exorcised and repurposed, and all

owners and major management and [most] all older women in families shipped to camps and farms and not allowed power over others, and if not exercised & repurposed then Burned to ground and ground salted.

But if that is not possible then Everyone should and could be Warned that Satan's Hands and Fist is directly connected to that Howling evil Den of Witches, and likely most everyone in power within are involved of passively supportive – definitely the top 3 Levels of organization and all major owners, and executive board and such. EnSlaved Captured Elites or active Satanic minions and Witches.

.. and perhaps those who work for such or volunteer might make sure they do what Protections possible when forced or required to come in contact with Active Demonically controlled and Summoning Witches, and such. The Church has 'Shields' and Metals, .. that can be worn or carried, and special prayers which should be considered for if they decide to report '**you suddenly collapsed**' (and these days of course that would be less scrutinized with if happening so often from the evil-Poison Injections) when in hospital planning to murder and take your organs but mostly because you showed them to the world – or would if they issues such a decree against prayer – that they Are Satanic Horrors and Evil.

And be sure to Confess and celibate Mass very regularly – more often than weekly is likely best.

Remember that the Satanic Horrors that manage and run education system – child and worker soul-mutilating public schools - remove all religious Christian Symbols and want to ban personal prayer (if they could) because the place is Packed with Witches and such Demonic Injections as possible, and such Protections are against Satan's Goals.

—

And I should remind that same Protections should be used if interacting with any other Institution known to be Satanicly Controlled, Military, Larger and city Police forces (most are directly connected to the Murdering Thieving Fascist Satanic-Wolf State disguised under the Good name of Israel [Jesus Christ's Holy Church] through repeated and regular 'training' by connected groups and often the '**white shirts**' Zionist-Agent manager types go there to learn how to murder Journalists, start violent responses, lie, torture, .. like those practiced and 'improved on' by torturing and murdering political or military and other prisoners (Palestinians, Russian-speaking Ukrainian citizens, soldiers, .. by the evil-Zionist Nazis) and throughout most of the West where Satan's Control is.

And a lot of Gov Administrative States – of course things like State 'Family Services' departments – they actively filled with Witches and goal is destroying family by using mothers and wives to Coin the father and husband, all the horror and sin to all connected – including her.

—
Only that First one is now remembered, so the rest will have to be mentioned at some later date when they return to my consciousness again.

—
—
May this be a Blessing to you and us all. [And all our Futures, and future Multiverse Pasts.]

I am most of way through the (audio) book that inspired the movie '[Avatar](#)' called '**MidWorld**', ..

<https://en.wikipedia.org/wiki/Midworld>

Archived: <https://archive.ph/DGGug>

Midworld (1975) is a science fiction novel by American writer Alan Dean Foster. It is set in his primary science fiction universe, the Humanx Commonwealth.

Plot [edit]

Midworld is a planet entirely covered by a rain forest three-quarters of a kilometer (almost half a mile) tall. Born is a member of the primitive human society that has lived peacefully on Midworld for hundreds of years, careful not to disturb the natural balance of the jungle. His people live in a gigantic tree called the Home Tree. When they die, they are ceremonially buried in another gigantic tree of a species called They-Who-Keep. Each of the locals forms a lifetime bond with a powerful and intelligent photosynthetic animal called a furcot. When they need to damage a plant they are familiar with, they communicate with it empathetically ("emfoting") to make sure it does not object.

The world is disrupted by the arrival of an exploitative business venture from Earth whose representatives know nothing of the delicate stability of the planet. A man and a woman from this company crash in their aircraft near Born's home. He, a fellow hunter named Losing (both hunters are in love with the tribe's most beautiful girl), and their furcots lead the castaways safely through the jungle's surprising dangers to their station.

Born realizes that the newcomers are on his world to gain a life-extending drug from the buris formed by the They-Who-Keep trees around buried people. Horrified by this discovery and the invaders' callousness toward living beings, he uses native plants and animals to destroy their station. In the final fight Losing is killed, but Born returns to the Home Tree. Losing's brain and mind are absorbed to form part of a developing planet-wide network of consciousness involving They-Who-Keep and the furcots.

Reception [edit]

Spider Robinson praised *Midworld* as an adventure novel, citing it for "an intriguing premise [and] a richly inventive background world," but noted that the writing "is just a cut or two above stupefile level."^[1] Brian M. Stableford listed it as one of the "notable examples" of the "elaborate and ingenious" Earth-like worlds of late-20th-century science fiction.^[2]

In popular culture [edit]

In 1981 a *Real Time* article titled *Midworld* was published by Green Science, and was planned for release on PBS, *Earth*, and Star Trek.

.. and I like this version.

It is a lot different but the living In Union & Communion with Jungle world is similar.

No flying ride-able Animals .. yet. The natives are mostly human and stay midway level of Jungle – they consider the Top and bottom as 'Hell' and few survive going there because of the extreme dangerous animals.

-
I like the concept of living in trees – although in these Jungles it is so Think that reads like actually Plans of the levels, Branches so thick you can generally – with care walk at same height and if you fall then will hit another think sub-level (as part of that general level.)

I regret that before my son was born that I had not installed grabbing handles along the walls and ceilings in my old farm house

(which my ex-wife would never have stood for) and climbed around when my lower back was giving me bad pain, and imagine raising a son that want to and starts climbing around early like that. Same with Barn and perhaps a Zip-Line from house porch down to barn.

Of course I could have spent another \$100K and likely much more in only fixing the place up, just what was needed, so to do those kind of projects were always too expensive.

What a great note from ArchBishop Viganò!

God Bless him, as least as He has Blessed us all with him.

.. The power of Evil and Her ability to be interfered by money has passed.

Gov and all major significant Institutions have all been Captured along with generation of the most powerful Elites' families that control and fill upper 3 levels of all of them, and similar Agents of Evil are networked down through such places so that any smaller business or even wealthy person can find themselves without Banking, access to communication, harassed and targeted at every

turn from even the lowest service workers who somehow through the Witch-Web know to target a person being Canceled and often driven to dispare and confusion not understanding how coordinated and unwilling to believe the seemingly super-natural evil that follows them and Vomits from strangers.

The howling mind-twisted Satanic Zombies that started out as mostly sad and unreasoned resent-filled women who were soul-Poisoned in Universities and similar Witch controlled systems, but after generations of baby-murdering – the few that were allowed to live were fatherless raised and twisted so that younger evil-warped trained Dog-male [adult] children are becoming common – as surely many hare barely functional and damage everything they near – including themselves.

And we are hard to believe because each of us have found that since our father's and grandfather's generation we are much more limited or even strangled and families destroyed on the bases of wage suppression and other related Sin that Calls out to Heaven and the Churches Silence or near Silence of this is an example of how since before the 1960's the Vatican has been Satanically Oppressed and finally clearly Controlled.

(I personal believe that all significant ruling from Pontiffs since 1940 should be re-evaluated, but clearly since 1960 and the suppression of the release of the 3rd Secrete of Fatima then – which was likely because of the clear warning of the implementation of Vatican II would be warped into Church Self-Hard and Destruction.

We personally all have to consider almost all of our actions in world as limited by money – and so can not conceive that Businesses and corporations and the few Elites who are not so worried – that have been turing and Blinding us and many to the concept that those actions are also limited – yet we watch money somehow being supplied – usually through Gov bailouts – when pushing more Satanic Goals and population Sin and destruction of Society. CorpDragons who are not interested in money because Narrative Control, Mind-Twisting, soul-Mutilations, and soul-Poisoning is more important.

And the belief that actual withholding money as a powerful influence is no longer true because at some point the control of the Dollar by the Venture Capital Golden-Calf Satan worshipers immediate Masters' – the few international Witch-Matriarchal ruling families and control of the corpDragons and other Institutions (including Church) Leaderships and Gov – all doing the Bidding of Their Vagina-god Satan and Her Goals are Theirs.

What next – in schools they will have a suicide booth?

.. Once most Western Womanhood became baby-murdering soul-

mutilated Female-Evil male-hating Poison-Vomit spewing Toxic powerful people able and willing to immediately destroy all Men (and the few decent women) who try to Stand against the evil, well .. one can suggest that little short of a Real pandemic that kills only most all post menopause women throughout West and some places else-where (like Everywhere post-Conception murder is Legal and-or widely practiced) we should expect that every single day to be a general Slide into Hell and the destruction of all around us – that only God will protect us but is suppressed and those people targeted especially., ..

.. That such pandemic from God – a different kind of Flood that Cleanses and give those remaining an opportunity to put into place the Truth, Justice, and Oder affirming practices – many I have suggested which Lovingly Corrects those young before they become the Howling Vile Evil-Horrors we have to Suffer in every group where women and theretwisted Dog-males are – that such would continue until no more babies are murdered and child separated from father (and family), saving those who Repent before menopause and living a life of Service, Sacrifice, and Stewardship for Goodness .. would be a Clear Sign that Divine Love is with us.

This British Morgoth seems like he would make a great Neighbor — or even Brother in-law.

Someone with this level of clarity is hard to find.

-

He mentions the concept of Google declaring war on France as a concept.

I have written about how local, State Gov should handle such corpDragons after they crash society and Dollar, the Open '*Letter of Marque*' where all property can be taken by those willing too, with reduced or no taxes and fees. I wrote about this often, like in Post, '*Multiverse Journal - Index Number 1410:., February 7th, 2022, Monday Afternoon*', and URLs found in PostScript.

That everyone in Gov must sign a Testify they not and would not be working for corpDragons or immediate family, etc. (unlike the Satanic Agents today throughout) and serious punishments if found to violate such. And if war declared then all those who violate such to be treated as Treason - Spies and Agents., ..

A decent interview. And MD Ph.D. who was deep in research and started to raise concerns and warnings when it was clear the Plandemic was not 'following the Science' and as we know was and is being used as population control and genocide and will be used more and extensively again soon.

People have long been Fools – myself included – to ever have trusted the corpDragon medical system and all connected to it. I like and trust my Doctor but I do not trust anyone he trusts or needs to depend on in the system he is in, including likely many of his mostly female staff and administrators .. not that I have anything but a Knowledge based on Feelings that there is some kind of internal argument between them about me, with 'sides' taken, and unlike when a young man at UVM looking back would say they are much better than UVM was, at least last I knew some of them were not totally ready to destroy my life or murder me as I have run into in the over-all connected system.

That was a little Tangent and not related to video – which did not discuss the problems specifically of a medical system filled with Witches and minions of Satan .. but more as 'they somehow got it wrong and then tried to destroy all who tried to fix or warn .. surely accidentally because we all evil-Blinded by vile mothers and educators and such who trusted and Blinded us to Female-Evil from

Some very interesting biblical sexual relationships – marriages, wives, and concubines and King David and the Greeks twisting of the scriptures meanings.

It is a bit 'Dry' but he has outlined some excellent points in other of these videos.

A Huge part of the value of these videos are not if he is correct or not, but as an example of explorations of a subject that is Important – and it is a Form of Worship to Seek to know God and this is a very good way.

.. That issue played a big role in making the alternatives unobtainable, even Pharmacists refusing the filling of scripts .. it is interesting to note that I know of none were beaten nearly to death for this kind of vile evil-crap by Pharmacists – because if someone

reasonable and tired of this huge pile of shit and sick-feeling or loved one is and are driven to hit a Pharmacist or service worker acting like that in this cntHell then likely will be legally punished badly regardless if a slap of anything short of killing, so broken hand, leg, kicked teeth-out .. but not dead or such might seem like a reasonable goal for some to thank them for being a Curse on lives of others and their Abused victim they drove to respond, and if their mother, aunts, .. happens to be there or near ..) .. even by regular doctor's Rx.

#TaserDuels of course would give an alternative to explosive violence which reasonably lead to beading short of death and sometime too far - and #TaserDuels would make such vile cnts and women more careful when wanting to crush the gonads and putting everyone around them at risk – because a person they driven that upset bight end up shooting everyone or driving car-truck through wall or building to ram the working area .. it would be reasonable that entire line of people waiting for service to side with the correct side or risk being killed like the F-ing slimy cnts most ass-holes are who automatically side unJustly instead of staying silent of supporting the correct side, usually Against the Female-Evil vile cnt Authorities in a cntHell where Satan rules and few but vile vicious lying virtueless horrors are given positions of power – as most instinctively know.

I know personally of people that have been so abused that such is not unthinkable – and those mostly Vomit-women and dog-males who Always sides on Evil and Power might never been so upset that the man they ar tormenting can and will Kill them and anyone around them and only die sad at the moment they did not kill all the vile Witches; mother, aunts, grandmother, .., teachers, and other that shaped them into the vile mind-F-ing and mind-F-ed Curses to all, as so many are when they have power over others.

Of course God Demands Better from us all.

So it Loving to be sure if you are near and silently supporting such walking Satanic evil cnts, you are at risk of becoming involved and who would not be fine with a cnt like you dead also – like any betraying older women who pretended to care about males near her yet does not warn them that most women her age and many much younger should be assumed these days to be walking Demonically-Controlled forms from Hell hiding behind a form of a regular human .. but really a Witch and baby-murdering male-hating walking Curse on Life, Love, Joy, Order, Truth, Justice, .. and a Future not ever worse and more Hellish.

.. but do not get me going of I might upset some VagFeelie cnts who see this and Recoil at Sense and Just statements of warnings.

Repent!

In every version of the Trolley Problem, you always know how many people are tied to both tracks. You can tell where the train is headed, and you can tell what will happen when you pull the lever.

Who told you about these facts? Nobody.

You tied those people, you set up the situation.
You are the villain of the Trolley Problem.
