Good Wednesday Morning,

May the Spirit of the Gospel and the Holy Word be Always in our Minds, on our Tongues, and in our Hearts.

All Saints, Pray for us!

Index Number 1355:

As I was preparing to post this I realized I had a notice on Facebook – that an older Post, February 23rd, 2021, Tuesday Afternoon, 'Index Number 705:', is being Censored by them.

Here it is transplanted to SubStack, so you can see what the anti-Logos evil-Zionist Brain-F-ing Witches do not want you to read or think about. I edited only a little – putting in Archived links and minor things. May it be a Blessing to you, and us all.

Archived: <https://archive.ph/3RDuv>

Consider how easy it would be for someone to go and 'flag' many of my posts – enough to have my (or anyone's) work removed .. what else but the Dropbox compressed data-file could be done to save it and have it available, complete with all the 'Referenced by:' comment links?

A good set of morning's prayers, but little is retained from the Quantum Mind link – reviewed some of my earlier – recent – posting and in the Glorious Mysteries Rosary I considered (again)

how Reality is Female, as our Bodies and Brains, and the center Switch-board of our brain is the Brain version of Holy Mary's Position within the Lion .. things like that.

Now back to my regular post material; ..

I have run into too much of this attack on Jack Murphy, and Barnes does a good job of Apologetics in this video, highlighting that he has done 10 times more good things than most of the Cancel Culture people on the 'conservative' side attacking him.

We should all check the mote in our own eyes before the speck in others – too much bandwidth being spent on this – like mainstream media does, distracts and ignores other actual important events,

ideas, considerations, ...

I put the YouTube URL link to the spot where Barnes starts talking about it .. I am glad to hear something Good about the man after so much BS. (Time: 1:14:00 for BitChute)

Gettr is yet another brain-F-ing evil #FreedomToHear interfering Satanic corpDragon, pretending to have virtue and good values, but only another lying manipulating horror.

More brain-F-ing Satanic horrors like everyone who had power in this #GreatSatan Empire!

Which is less useful than Gab, that also has censored me and blocked links to websites, but Gab allows me to put a longer samples of my Facebook and SubStack Posts (3000 characters) than Gettr & Twitter (when I was not Banned by it), and Gettr – as twitter - do not allow editing once posted!

It is always good to consider the All forms of Secular Power in this #GreatSatan Empire, and the world are Captured and enSlaved by

Satan.

.. We see this as even new forms of power like Google, and social media are recognized for it's potential (or to prevent it) the anti-Logos evil-Zionist Investment Bankers and others Satanic evil minions get to work on it, and the older forms of media; news papers, radio, television, .. all went through such, and are now solidly controlled by and for Satan.

The NYTimes is one of the evil-Zionist Paper of Vagina-god Satan Propaganda, and interlinked by evil Witch-Matriarchy with FBI, CIA, #DeepState, and Administrative State .. including many courts., ..

A much shorter video – less than 20 minutes - found only on his BitChute account with Perdition for upcoming year I found interesting – he clearly sees the deranged religious aspect of the evil Spreading through the West, and all our souls being slowly evil-Poisoned and Murdered by the Horrors in Power – us all Sacrifices to Satan, as our babies have been at rate of 60 per day in every State, close to us each – ripped apart or ground up alive like being pulled apart by tractors or fed into a wood chipper, to our silent and sometimes active support and our taxes and public resources spent to further turn womanhood – and the rest of us – into soul-mutilated unHoly horrors., ..

.. The regular torturing to death of our babies is not enough anymore for Satan.

The collapse of the Quantum is the limiting of the Holy from all our lives – like King David did when he counted the number of his Army – blocking God's ability to manipulate his Reality towards Success.

May God have Mercy on us all.

Post-PSs. I still try to place these in YouTube and BitChute comments so those that block them are at Risk of Judgment, to Host by Burning all the Sins that were not prevented, and the souls who may have been saved – their Damnations and Burning may fall

on the souls of the major owners and controllers of YouTube, Alphabet, BitChute, .., and all who Support and enable their evil – but by the Grace of God.

.. you evil vile twisted #FreedomToHear-Hating cnts take children from fathers and fathers from children, murder babies,.. – Censoring those who speak of such and other issues that is needed from Love - shouldn't you be at Risk of Burning in Hell?
