Good Friday Morning,  
May the Spirit of the Gospel and the Holy Word be Always on our  
Tongues, in our Hearts, Minds, and in our Hands.  
Holy Virgin Mary and All Saints - Pray for us!

Index Number 1885:

In this mornings prayers and meditations I wondered into how  
something could be technically wrong but perhaps more Right, and  
how that could be.

Since we live in a Fallen world, with imPerfect people it is not hard to  
believe, yet sometimes people cut through it. My thoughts wondered  
around Saint Stephan and his martyrdom – which was a recent  
Catholic Reading from the Bible, and his assignment to taking care of  
Widows and Orphans as part of the growing early Church and the  
need which became clear for such Service, then his Stoning for  
relaying his Holy Vision – the Stoning which might have been the  
final motivation for Saint Paul's initial Persecution and then his own  
Holy Visions and Conversion.

But I was Considering how we need a Saint Stephan these days – we  
so many Divorced and Satanic State-married 'widows' and [Fatherless]  
'orphans' throughout the West. And someone to motivate others to  
Conversions.

And I wondered if there was ever a Pope Stephan .. when the Church  
decides to fill the Chair of the Vicar of Christ with someone Willing to  
be the Focus of the Holy Ghost [not refusing it], that would be a Good  
name for Them.

I ended up considering such because I was remembering a women  
who was filling out some form when I was young and she misspelled  
my name as Stephan [on of the 'French' versions] and I corrected her  
and she spent a noticeable period of time staring at me .. and it was  
long enough that I have a memory of it, and wondered at it and still  
do when the memory comes up [sometimes when giving my name or  
someone misspells or calls me Stephan, ..] if she was considering the  
degeneration of society and West, the possible ignorant of parents, or  
...

Anyway – perhaps she was able to Look through this reality and See  
my Holy Name, and perhaps it is spelled 'Stephan The Proud' instead  
of 'Steven and Proud' .. which is how I have been Hearing it.

There were other interesting Reflections, but faded already.

I did want to mentions the reason that my 12 Point Apostle-Tribe-  
Variation Compass is not the variations (mixed levels of the 4 the Base  
Characters of Man as seen in Book of Apocalypse, and recently  
mentioned in yesterday's post - archived) – that those 12 Points are  
one the Compass Arm itself – not on the circumference as with a  
clock.

Think of it as a 'Lever' allowed to spin from center point, and on the  
extreme – the [Female] Church on Left side tip, and the [Male] Single  
man on the Right side tip, that those are the most sensitive, that a  
force difference between any imbalance between them would be  
most Amplified with many time the differences between the  
difference between the two closest to the pivot-point.

A Perfect balance would be a balance sensitivity to Force measured  
Perfectly Normal – that is the Compass Needle points Perpendicular  
to the force, and any deviation indicated some deviation from Ideal.  
For example in this Female-Evil Filled cntHell where suppression of  
the Normal Male expression and Poisoning is Church, Military, Civil  
Order [Police], Civil Welfare, Courts, .. and the destruction of Marriage,  
Education, Ability of a Man to Stand against Evils, the attack and  
suppression of Truth, Righteousness, Seeking Justice and Education,  
etc. ... all these indicate the Point of Compass pointing directly at and  
away from Grace – so a Waste and ineffective use of Grace.

Some things you might consider.

May this be a Blessing to you and us all. [And all our Futures, and  
future Multiverse Pasts.]

The End of the internet .. The few inter-connected Golden-Calf Satanic  
international ruling Witch-Matriarchal families and their Satanically  
EnSlaved Elite Families are working to be absolutely sure you can not  
read this of anything people want you to have access too., ..

God Demands Love and not Death, but here is a suggestion of a world where such horrors learn to not be Evil.

The Just death of anyone willing to actively support the murdering of babies is not the Line to start killing those and the horrors that support and shaped then (Especially all the older women in their families), nor is that line those who actively support separating fathers-children or parents-children.

The simple fact is the Just hacking to death or other forms of public execution is Just that moment someone interferes with our Freedom-to-Hear, that is you write or say something with the intention of letting me or anyone else who desires to read or listen to it, and then some Late-For-Grave cnt decides to – uninvited – interfere with that ..

.. and then that interfere is responsible for the death of hand fulls of people – their mothers, aunts, grandmothers, employer and possible every major owner and executive of any corporation that supports them – knowingly supporting them .. a blood bath and possible weeks of local and World-Wide entertainment as such F-ing evil Witches and Minions are chained together and dragged to death attached to special train cars designed to allow paying spectators to sit and watch them running along while the train starts and eventually each falls and starts to be shredded on the crushed rock they sliding across .. yet unable to scream because their victims could not be heard and the silence those who would have listen is represented .. babies tortured to death unborn, those who never heard the information that would have helped them or informed not only them, but indirectly but truly everyone connected to them, and all those in the Future.

If the mostly now vile lying vicious slimy cnt women and mothers were raised and also raised their children where such was a real possibility, how much of a problem would these kind of evils be. When killing the mother and the Witches in family and all those that actively supported such now regular average inHuman vile Septic Poisoning family, fatherhood, nation, Institution, Gov, .., and children destroying and crippling Witches and their minions and retarded mind-raped Tools that is modern Western Womanhood and their last 2 or 3 generations of Fatherless and male-hating practicing Delusional-psychos – they are so dense that in any busy city street if you gathered up the older women from those families that were not living in Debt pay-check to pay-check – perhaps 1 on 10 would be a hardship for others; neighbors and-or society – or would be unJust if dragged to death screaming as an example of what a life of baby-murdering, child-mutilating, Joy-murdering, fatherhood and man hating and family destroy, gov and anti-Liberty expanding howling retarded slimy lying F-ing Nightmares and Curses of those around them that wanted a decent productive and peaceful life of merit-virtue & hard-work rewarded life with a family and a chance to Serve mankind and God.

But do not get me going or your VagFeelies might get hurt.

.. I am only sorry that more people are so evil-Blinded from crib by Satanically-Directed putrid mind-raping mothers .. too Numb and Rationally-damaged not to See this, and to openly tell them and others that until they Repent from their Vagina-god Satan ways – that them Gone, that pretty much any and every powerful post menopause women, and many 'middle-class' ones – would be a Cleansing of Septic Poisonous Evil from the world.

I only have watched the first few minutes so far – he mentions a few things worth hearing and thinking about it – including the Pharmaceutical Company head's recent video admiring the Satanic Goals of the [my details] coordinating few international Witch-Matriarchal ruling Golden-Calf Satanic families.

The drone as a 'false flag' by Russia made me consider all the on-going shelling and killing in Eastern Ukraine by the Golden-Calf Satanic Minions and their Nazi attack-dogs after the 2014 GreatSatan Empire DeepState overthrow of the democratic elected gov of Ukraine .. so were all those 14,000 murdered by Nazis and other DeepState agents a False Flag also .. to reflect on what I expressed before – imagine a Western Society with such Evil is not supported by LawFare threats of fines, gun, jail, .. by an evil Gov, where such clearly evil supporting murdering and murder pushing Satanic tools could be privately dealt with .. they and those that support them not able to hid behind a corpDragon or lawyers, that those and all the older women in family tied to poles in public and an invite of anyone who has been injured to have a swing with a base-ball bat ..

( [Warning: Graphic violence]  
<https://youtu.be/Xy3MtnDeqq?t=125> )

.. even those of us who have had over 1/3 of earned money taken through adult life and used for such Genocides – to be forced to support the Holodomor Part II .. almost a Century later with same Golden-Calf Satanic families, following to the planned collapse of israel and the bloodshed to be pushed later as 'another' Holocaust – and so all Jews should take over Ukraine-Russian area now being Genocide – and Rape the resources that Russia has .. as suggested before.

History may not exactly repeat, but it 'rhymes' – same patterns repeated over generations giving the Secular history re-writing Golden-Calf Satanists to obfuscate and destroy oral histories, turn women against men, children against parents, needy from benefactors.

BlackPilled Devon Stack conversation with Blonde – in her Castle-Tower?

Devon is likely in desert covered in Killer-Bees being tormented by his out door cat he rescued – always on wrong side of a door and too lazy to Multiverse Skip.

At this time I am waiting for the Stream to Start in a few minutes .. should be good. An excuse to stay-up later and get ahead on this Post for Publication tomorrow – it been seemingly taking longer and longer to finish getting all the technical bits done .. I would drop some of it, but who knows what fraction might survive the ongoing Satanic re-writing of history .. some fraction on Minds – for example – might turn-up and be used by those studying this period and the Mass Insanity we are going through.
