Good Monday Evening,
May the Spirit of the Gospel and the Holy Word be Always on our
Tongues, in our Hearts, Minds, and in our Hands.
Holy Virgin Mary and All Saints - Pray for us!

Index Number 1706:

[I have posted this one Facebook after I woke on tis – Tuesday
Morning – and reset the date to match the date and time I would
have posted this had I not fallen asleep – to Match the HeaderDate ..

Facebook Immediately Blocked it because of 'Reported 'Self Harm'
This – the following harm. No doubt it would have been the same
message they gave Ye West, or anyone else they used their Witch
Female-Evil Screeching 'We Care About You!' 'This is for your own
Good!' .. and similar that we have been twisted and abused from Crib
with – 'We are mutilating you mind-sex-soul because we love you!']

Facebook Post number 1698 was used as a excuse to silence me on
this (that) site -perhaps because of the Anti-Evil writings, and to
Censor all those who would have read and been considering the
upcoming Elections – many readers would only now after voting to
see this.

Here is a URLs List with all the SubStack Posts – those would have
been posted and read by you and the Future – perhaps your children,
grandchildren, .. if they would not have been murdered by those
Vagina-god Satan Venture Capital Golden-Calf baby torturing as
Sacrificing to Satan using the super-Legal corpDragon with unlimited
resources and Human Rights.

Well, why not consider such and other perspectives when reading; ..

So far pretty good interview, but only about half way.

I am waiting for Peterson to be the backward retard about the Trolls on Web and needing to Censor or whatever – maybe he has realized a better solution was to have a mode the senders and filters for viewers to be Anonymous. If that is allowed with Trusted enforcement – unlike 'confidentiality' laws today and injustices and above-the-law Class of baby-murdering Satanic evil .. of things like medical, financial, law-enforcement, housing, .. records or other widely spread through 'Business Partners' by corpDragon subcontractors and Administrative State Satanic Capture we have today, ..

'Poor Ye West' .. according to Lex & Ben - what Ye says is only antisemitism – even though it is true. So Ben says to unBunk it, and yet they do not. Of course – he says – the less then 2% population is much larger then 50% (80% 90%?) of the most powerful (and 99% The Most of those) and director of all the Nightmare White Genocide and depopulation anti-Life anti-Truth inJustice disOrder, but instead .. it's 'Antisemitic' – which we know is the word people with Power and there slimy retarded demonic-oppressed minion and evil-tools call people who the Venture Capital Golden-Calf Satan worshipers do not like – it's antisemitic to speak truths they do not like said.

Soros funding the destruction of local Prosecutors and destruction of Law-&-Order, the Censoring and Silencing, the huge massive Censoring of Ye and everyone who points out the Satanic Evil Vomited by such, and Ben's unTruth – knowingly says such – indicates his soul-rotten state ..such vileness and clear verifiable evil is only in Ye's fevered imagination, I suppose.

I had enough of his vomit and Lex's support of it – Shame on Them. Watch and listen to the Satanic Lies and Poison as you are willing to be., ..
