Good Thursday Morning,

May the Spirit of the Gospel and the Holy Word be Always in our Minds, on our Lips, and in our Hearts.

.

.

.

Index Number 1058:

.

.

.

I have temporarily skipped a set of my normal prayers in my routine because I was excited to consider and share part of an Inspiration while doing my Thursday Rosary – the Luminous Mysteries.

.

.. While preparing some tea for this post composition it occurred to me that the Luminous Mysteries has been the source of more Holy Contemplation than likely all the rest combined, and one of the reason I think many of the Traditional Latin Mass people are wrong to not consider it because it was added at or after the Vatican II period, if I understand correctly, the history is not clear.

.

But I consider it Inspired, and again I argue that it is one of the reasons I Believe the Holy Ghost was Present in the Vatican II members – many of them – and that, as I argue many times, it was in the Abuse of Vatican II Inspiration that is destroying the Church.

.

Like an evil servant told to feed the cattle of the Master from the Master's Barn, then does it – but adds Poison – all under the Master's Authority.

.

I will try to focus better.

.

The 2nd Luminous Mystery is the The Wedding at Cana, good video link here, ..

.. and in the video he discusses how it is Mother Mary that puts forward to Jesus that He should do something about the wine running out, which seems to Start his Ministry and path to be our Redeemer and Salvation.

.

As that Post linked above shows – I often consider the actual miracle and the roll of the servants, the parallel to Sacrament of Reconsideration (Confession), and other aspects, but not on this aspect of Him starting his Ministry under the Inspiration of Mother Mary.

.

.

SOOooo, Why was not Jesus self-motivated to do the Miracle anyway? Was He not interested in wine, and forget the others? Was He hiding His ability?

.

It reminded me of a comment I left on one of 'The Trolley Problem' videos, here, ..

“I argue that you Must Not touch the switch.
..but would not prevent others from touching it.”

.

.. and it is with a strange Certitude I felt about this Deceleration that I could not understand.
I think I do now. Better at least.

.

shortest distance and Path to Holy Communion and God's Kingdom.

.
I now point to Jesus' intended inaction as Argument that it is the case. A Utilitarian aspect that means the wine runs out early and perhaps things are not done or done that overall is Best, that if Jesus had a barrel of regular wine and added it, that later on some major sins would occur, where they would not have been or been minor and so gave the sinner a chance to change, etc.

.
This was a large part of the reason for my Answer of not touching the Switch - the Responsibility which comes from the Changed Multiverse Paths.

.
Yet if no other person where on the side track and the driver would not likely stop and not crash into the end-terminator and so derail and kill himself and passengers, etc, .. if there was reasonable expectation of no deaths, of significant change of any others, then I would change the switch, which seems a contradiction – I understand. That might require a long essay and I would have to work in out in my mind – perhaps a later mediation.

.
Back to Mother Mary's Role.

.
If the mother of one of the 4 men who would die if the switch were not thrown came running up, and was not strong enough, and Asked, would you then Change the Switch?

What about if it was the mother of only one man, and the switch would cause 4 others – who's mothers were not Asking?

.
.. what if they were Children, Babies – with and without mother's involved? Would the future of 4 children make it different? Should it? Why?

.
Here are my other Posts that have different essays by Prof. Sadlar on these essays by Judith Thompson, which .. as you might realize – my answer of not touching the Switch, ..

I have not gone through it in my mind fully, but I think she does the basic Evil that we all face today in the #GreatSatan – you must choose one the evil-Zionist Witch family rulers' 'evil-right verses evil-left', .. CHOOSE NOW!, CHOOSE ONE!! QUICK!!! and both Evil.

.. instead of the Just, Ordered, True, Best choice .. 'Right verses Wrong'.

Judith Thompson lived that Switch problem in creating the False and evil argument that many – myself included – considered much more deeply them we should have .. not Understanding that not touching the Switch was the correct answer.

She – as so many of our Political Leaders – gave us two evil choices

womanhood twisted us from crib with same Falseness and Evil.

.

May we Repent and Stop making those same Choices.

.

For so many Babies tortured to Death, Billions – over 1.5 Billions for a fraction of the years it had been legal and .. Satanically exercised as a 'right', that was only from 1980 to a decade ago world-wide.

.

So, 2 Billions .. more? in total since States and other countries made it Legal?

(After Birth-Control was allowed .. and started rotted our minds and souls.)

.

May God have Mercy on Judith Thompson's soul. And all of ours.

.

.

Again, another Tangent, but these Insights in their Applications – is where the 'Rubber [tire] meets the road'

May it Holy Benefit us all – and the Eternities with new-borns, Love, Truth, .., and new Kingdoms of God to Come.

.

.

Now – to stop my 'slacking' and get back to my Prayer Routine! .. God Bless you.

.

.

May God Bless us all.

.

.

.

.

Post-PSs. I still try to place these in YouTube and BitChute comments so those that block them are at Risk of Judgment, to Host by Burning all the Sins that were not prevented, and the souls who may have been saved – their Damnations and Burning may fall on the souls of the major owners and controllers of YouTube, Alphabet, BitChute, .., and all who Support and enable their evil – but by the Grace of God.

.

.. you evil vile twisted [#FreedomToHear](#)-Hating cnts take children from fathers and fathers from children, murder babies,.. – Censoring those who speak of such and other issues that is needed from Love - shouldn't you be at Risk of Burning in Hell?
