Good Tuesday Morning,

May the Spirit of the Gospel and the Holy Word be Always on our Tongues, in our Hearts, Minds, and Hands.

Holy Virgin Mary and All Saints - Pray for us!

Index Number 1663:

—

In this morning's prayers and meditations I was still a bit disOrdered so going Deep into the Infinite Quantum Mind was not happening – at least for this version of me – although it seemed pretty clear I was being Invited as there were Touches.

I did see a shooting star, and it was while considering the Demonic and Parasite Model I have written about, and I was particularly drawing parallels to that Wasp that stings and lays eggs into other insects- spiders are well documented – and the young Wasps

Hatch and eat the living paralyzed insect.

It is not hard to connect the 'Bad Thief' sinner on Cross forced to Host the God's Will Rended Multiverse from There (against God's Will) Sin(s) and that Burden – and the Multiverse that must be supported from that Sinned altered State of their and all souls connected in this version of the World As They Burn in Mind, Body, and Soul – their Blood (Grace, Holy Attention, Simulation CPU Priorities and Resources) and Body (the Mind and Body that must be 'sucked off' as each of us Flashes into theirs for a moment in a giant round-robin cycle – with all the pains and pleasures and in-betweens rapidly being flashed – and the rapid changes feeling like Heat into the Bones and the Mind filled with Images .. etc.)

.. and because not Forgiven and that Burden Taken by Jesus Christ, they must Suffer as those 'within' being Hosted also Rend God's Will and must also Host, .. onward and downward towards the Paradox of God Dead on Cross at the outer boundary of God's Fat, the Holy Ferment, the Infinite Quantum Realities from which – infinite - Paths to His Death and Resurrection occurs

—

For a good analogy of the Burning while Hosting others Minds and Bodies I like to think of the old wired phone system. The ending of the 'party line' was when the Multiplexing using the same line was implemented – that is each phone line held up-to 16 different phones and they did this by moment by moment and coordinately 'paid attention' to the different phones in use. If a phone was not in use that period of Attention was blank, and zero value (Voltage) .. I forget the exact number per second but it was in the 1000's of times per second – 20,000 times-per-sec sticks in my mind – the rapid switching occurred (and still does in older phone systems still in use). Imagine if those were going through your ears, and you were Forced to be that wire .. but the entire body of each person on the phone system – upto 16 – not just the sound but the months, eyes, images, minds, thoughts, memories being accessed, aches and pains and such.

-

As such even the Blank ones would cause a Change that would feel like Heat .. as well as yourself throughout the rest of your live(s) in those Paths, you forced to watch the same Sins repeated and so likely – but by the Grace and Mercy of God – have that 1/16th period further divided into 16, so that period would be 16 time more painful .. 20,000 per sec.

—

Many people have rejecting the Burning in Hell concept because they do not understand that it is not some punishment for the sake of being mean .. you disregarded God's Will and so why should Jesus Christ Host you and the Evils .. you Own that and since you decided to Be God, well – there you Go – and Holy Human Dignity

requires that your actions and choices Must be Implemented –
Someone has to Host them .. and so Justice is maintained.

There are a lot of opportunities for Mercy .. I daily pray
acknowledging those in the Holy Host who Suffer to help relieve my
Purgatories where I am Burning – not only Jesus the Lamb.

—

So I was thinking about the Wasp that does that – and seeing if that
parallels the 'Female Clown' which so many are around us and
destroying our society and children and us all – laying the ground-
work of lives of grave sins, confusion, inJustice, unTruth, .. our
Satanic daily lives of Horrors who will mob-together and destroy
anyone (Men) who stand against or try to bring Virtue and Merit
and God back into focus for our children and others. .. how modern
Western Womanhood has become the Army of Functional Evil in
this #GreatSatan, and the many many many ways they are hyper-
empowered into silencing, punishing, and destroy us .. and of
course the 'imagine if' that all older women post menopause dies –
all being at least 3 generations of Vomit-Filled Horrors – all thinking
and twisted into believing they should not Justly be slapped and
told to Shut-the-F-up and perhaps fingers broken as reminders of
the howling vileness and horror they Curse us and themselves with
– and of course after 3 generations or more of Witch Control we
have so many young men who are not active in such evils, and
most or all the rest have no idea .. and can barely function when
each day is a horrible punishing degrading filled nightmare where
many women are vile vicious twisted howling cnts and someone
their Grandfather and Great Grandfathers when they have social
and real power did not kill them?!

How to connect-the-dots on how this could have been – assuming
that such nightmareness and howling demonic evil is and was
always part of womanhood, not only recently twisted into them –
fed like mother birds feed their young – except filled with Female-
Evil Poison Vomit – and not only months – but pouring into eyes,
ears, crushing testicles and minds.

.. 'Imagine if' God sent a Cleansing Force – a Real pandemic – and
kill them all .. I would like to qualify that and say – only this or that –
but considering how Fine womanhood has always been on
disposing men and boys for society .. the better of them feeling
grateful and not laughing and masturbating to the humility of the
homeless and the drug-users – but actual real Humans that almost
could seem to have male standards of humanity – not the vile
demonic howling retarded and active vicious horrors they act and
most in power seem to not be able to resist being .. perhaps they
can be removed by God and we could Sadly Celibate – Sad at
those who we know and love and see are positive (mostly positive
– most will still help destroy a man the Witches have pointed too)
and then in a few months or years we can Celibate the entire of
Vomit that is starting to go away – the 80% or more of World Evil

which fads when not driven by the howling evil Witches and pushed and supported by the mind twisted vile cnt older women – and of course we could establish a system where the younger women, girls, boys and men are Actively Corrected – painfully if needed and it is! - when they start to act like the horrors of their mothers and other Witches, Demonically Directed public women, and such.

—

—

I was also thinking about how a few of the ideas or points put forward by guest in the Peterson interview video touched on some of my ideas – the 'competition' between religions being one – and with the Abrahamic Justice System as a Check and Correction to the secular system I suggest, as well as enforcing (as needed) the requirement that someone and families can Convert and not be punished – more then the possible reduction in the Religious support from what ever version they once were in - not allowing and actively able to punish those areas that will threaten and carry out violence - is something worth considering on how too .. the physical punishment of the religious leaders in those regions being one, and this reflects what 'Arm of Power' question that such as system can and should have .. in a Perfect world where such punishment is ineffective or say would not be done by the local regions powerful then the death of the older women in the [real] powerful families would be best – but if no one willing to punish the leaders then Bombing of area those women were know to go killing everyone near seems a good option – warning first – severed heads delivered will keep your home and family safe.

.. this sounds extreme but consider the child-mutilating baby-torturing family-fatherhood-society destroying clear path most of you are okay with today – let me suggest that some #TaseredTillPissingAndScreamin for you and the horrors that raised you – perhaps a lot of it – before I would consider anything you think as not being Howling evil – you twisted F-ing cnts.

We as a society need to start calling the vileness and putrid common women and the young male-dogs out as the horrors they are .. the brain-F-ed retarded nightmares we all have to Suffer now.

—

Anyway – that guest said there were many things that Islam has which we could emulate – lost over the generations – and he talked about Courage which is a good example, and I would add a reasonable policy towards sex differences – #SexSegregation of course being one, and we need some way of discounting women's testimony and ability to bring vomit, death, and horror on the rest of us .. and the 1/3 value of testimony might be reasonable for women who have been raised with The Fear of God in them – but for our modern Western Witches and Howling vile cnts – our not only Godless but Vagina-god Satan worshiping and following Horrors – that 1/10 might not be too much.

When mothers – a good statistic sample for women in general of that age – are accepting and actively supporting the lying of entire family; children, lovers, and husbands -those they profess to love – in life destroying Lies - of the Parental Fraud in the 1/3 rates – and the 80% of false reports [to police! Official - not Whispers to other vile lying cnts] of rape – how can anyone sensible not just tell them to Shut-the-F-up and perhaps Slap them when ever they say anything that might be a lie – or perhaps the silence that is the typical lie .. when mothers, teachers, gov-workers,.. drive away men from children and then purposely lie to them and pretend that most of us would not be better if many women were dead and in graves and too many of the remaining it would be Just to kick their asses pretty regularly and never trust them .. those lies – more life destroying lies – that we have all been subject too because of their silence.

In fact – that would be a great standard – if a post menopause women Never warned a male they had access too about such things that women generally know and keep from men – they died (weird cases like Nuns in monasteries) or were otherwise removed from power and influences of others – then that would likely be all that was needed.

And a good measure for the women reading this, young and old – that is you get to be that old and never serious instructed and warned so the male believed you and acted differently and such – then I suggest you never really cared about the male in your family, co-workers, .. and are a vile putrid cnt who's death a long time ago might have been best for society and your poor family.

.. And I want to be sure to say that you are not alone, and this is the Standard – and is a condemnation on Society – that today you can start to change such behavior – and the God still loves you and the rest of your life could be a Blessing on yourself and us all.

In other words – you and we all are given this and every Day-of-Bread with God's Love, Mercy, Charity, and desire that you Love Him Back – Better.

—

Again – perspectives that – like the Statistics now hidden in common search-engines (Google, for example) and actively supported by evil-Zionist Witch Institutions, Authority and Big-Tech are getting as rare as decent men & fathers who are allow, free, encouraged to be fathers without the threat of vileness and evil directed at them from every level of society. And until that radically changes they the death of every older [real] powerful woman would seem to be a good happening. Say at the Rate of the babies tortured-to-death daily – 100,000 per day world-wide was the number I last saw that might have been somewhat accurate, but who can tell anymore when women and twisted men clearly in power in everything?

And perhaps it will continue until the situation changes or your

mother, older, sister, .. perhaps you are gone .. if needed you howling baby-murdering child-taking sexually mutilating vicious lying slimy cnt.

—

—

The other thing I was thinking about related to videos was the Vatican active involvement in Support of China and their Sin & Evil, particularly with what is know with Cardinal Zen, and it got me thinking of the Persecution of Cardinal Pell – and the lack of even resources to fight such false accusation – clearly false, and about what a F-ing retard Cardinal Pell was in his interview I saw ..

.. saying that the Church is/was correct in not supporting such accused Priests because .. retarded Class-based vomit and feces statements (see above video) .. 'Imbalances' and such – pretending that the evil-Zionist are not swarming over and supporting such attacks and destruction, pretending that every accuser is not actively supported by media, State, even the Vatican in the active destruction of Name of Body of Christ, and so many others .. like he should have seen.

I will do a kind of Apologetics for him in that only someone who can afford a good legal defense would be such a retard – like the cnts we always get as managers who are all independently wealthy and from family money who think of anyone who needed a job as unworthy 'souless goy' 'unwashed masses' and such who are filling the top 3 levels of power in every institution – such a F-ing cnt .. although I support him otherwise but the day such retards are taken

from power over other – Excluded Because of Wealth until and unless they show something other than Class related evil the day we will start to Heal as a world.

(Why do you think Wage suppression was and is supported by such howling cnts? Families never formed and destroyed by such powerful – and without families and fathers able to support them you get – well look around – womanhood married and Prostituting to State and Satan .. generations of them.)

.. it is enough to make you wonder that all those in such families and power position should not Go the pay of the powerful menopause women in those families .. Brain-F-ed horrors who do not even consider all the impoverished Priests that are left draining all the money of the families they come from, and anyone else near that know them .. and if you are the kind of horror that suggest that it should be that way – how Late for being #TaseredTillPissingAndScreaming are you and every vile older woman in your family?

If you and your family are doing well in this world – where Virtue and Merit (merit not in service to Evil) is actively attacked at every level – it is a pretty good rule of them that every one of the older women in your family are Witches or active supporting them and Gone would advance the entire world and benefit us all. You should know that unless the world changes course – your death and their's would be hard to argue against in a Secular Way.

If you are doing well today – you are connect to Evil. Pretty clear rule and when society collapses you better not be near sharp people who had children taken, businesses destroyed, wives and women abused them with State support – hacked to death screaming would be unJust for far too few of you.

.. God Demands Love and not Death, and Better from us all – but you and your families have been directly Muting such ideas, believes, and systems that support such Goodness .. why it not Just you die Screaming at the hands of those so twisted and evil-driven?

—

—

There were a few other things I considered – it is so easy and quick to consider when all that Vomit-of-Evil that I must try to communicate here is really only the Absence of Love - in the Infinite Quantum Mind.

.. so much Absence in this Vagina-god Satan #CntHell – do you agree?

Repent and Seek God.

—

—

May this be a Blessing to you and us all. [And all our Futures,

and future Multiverse Pasts.]

Bishop Lei celebrates the birth of China's Communist Party in Leshan cathedral

Celebrations took place on 29 June, Solemnity of Sts Peter and Paul, two days before the Party's official "birthday". Catholics are urged to "listen to the word of the Party, feel the grace of the Party, and follow the Party". Politics has entered the Chinese Church. The regime's control over Catholic clergy is getting tighter.

EXCLUSIVE: Cardinal Zen criticizes Vatican for 'despis[ing] the heroes of faith' in China

In a 20-minute discussion, the cardinal lamented the Pope's silence on China's abuses of power in Hong Kong and described a dire situation for faithful Chinese Catholics.

.. one of the reasons they (#DeepState) can be so blatant about this stuff is because most voters are women and they do not care after they masturbated and screeched about something – their Argument from VagFeelies and they do not care if it goes against the Narrative their Witch Satanic Handlers tell them, and if you try to discuss it with most they do not care – are only interested in voting for the evil the evil-Zionist VagFeelie pushing mind-F-ing Agents are pushing that moment – even so call 'Professionals' .. like Maygn Kelly and Alex Jones – they do not want to know because they are F-ing cnts for who inJustice and destruction of society and men's lives are okay as long as they dop not have to realize something or if it hurts someone they do not like for some cnt reason.

Late for Goneness – slaps and 'Shut-the-F-ups' are all these vile horrors should get. Evil-Tools of Satan to vile and grasping to see they are crapping in own soup pot and killing their children.

—

About Maygn Kelly – she quickly came to mind because she clearly hates and is willing to lie a common narrative lie even though she Must know (or incompetent)that Alex Jones has done more court Discover then likely anyone else for a similar case .. in fact I recall the Robert Barnes was on her show and I wonder if he told her then .. I would not be surprised, and I think she is 'lying' and I put quotes around it because I do NOT think such women – too many around us all - have moral agency at some point and should be considered infants - and definitely not be given power over others.

Just treat them like they clearly are – little more then a baby-making Prostitute F-Machine who's Master seems to be the Vagina-god Satan.

.. or is that too harsh for your VagFeelies?!

Democracy only works when mind-F-ed grasping retarded modern-day Western women voting for VagFeelie Witch directed things the Vagina-g

Only in other places not so Female-Evil Poisoned do things like this happen – in the #GreatSatan Witch-Controlled vile women ruled #CntHell – the soul-dead evil-Zombie nation of Horror, War, and Evil Poisoning the World – can this happen still.

One problem with that new Gov is their support of the Globo-Homo evil-Zionist ruled Ukraine and Satan's drive to destroy the last Christian Nation on earth with baby-murder, family & fatherhood destroying soul-murdering child-mutilating Evil like the entire West has become.

So, they like another Turd-Sandwich but with a women leader – although slimy retarded or actively Satanic leaning, maybe much better then the other evil-Zionist EU owned and controlled soul-dead nations?

Only a women would have been able to say such – all the men are immediately attacked and howling cnts like those around us all in the West all jump in and start testicle kicking – destroy their lives.

Ad because such women like this are so rare – F-you we are all being destroyed – actively supported by your delusional-psycho Cnt howling-evil retarded votes and other actions., ..

As long as slimy cnt testicle kicking women are hyper-empowered involved in politics even the reasonable discussion of removing anyone Vagina-god Satan Tyrant in a public manner to prevent as example anyone near power to consider such things as this will not happen – with hyper-empowered cnts standing on the testicles of boys and men from the crib onward as Tools of Satan and State, we will never stop the howling evil that is destroy the West and all our souls.

Because – after all '.. **won't SOMEONE think of the Children!!**' .. the children and Their slimy grasping vile vicious lying baby-murdering selves!, ..

The beginning quote he opens with is played every Sunday Night live show of Matt & Blonde, if interested. 'We will do it Live! .. F-it! - we will do it live! ..'

I have not watched him in a while. Sounds like his following in growing now he on a platform not completely actively Satanically Censoring.

.. although GAB does censor - as I have demonstrated & documented in a number of ways – just in different kind of vile

#FreedomToHear mind-F-ing cnt ways.

These are long and I barely started this – so who knows if it is worth the time .. in the past there have been a few sections worth attention, if you can Sift through it all., ..

.. he is funny – I am listening to this while I am editing.

The only thing that you should be warn about him is that he bans and silences others – and so in one of those mind-F-ing cnts who thinks they should control what we see and hear .. a #FreedomToHear interfering cnt who should not have power over others until his Brian is fixed.

—

I am afraid that I need to see Proof of the 'Moon Landing .. I have the position that those who question it, are probably correct .. after all the lies and silence of mothers and other women in society .. and those in powerful do not have to be even nearly NEARLY as putrid vile slimy cnts as that.

.. by the way – F-You! I do not want you in power over anyone I care about, Voting or to be believed when you say anything about others or important aspects.

—

I forgot he is constantly going to Chat .. so much good stuff he either gets – or Transforms into funny.

—

I agree with him about Iran situation – Color Revelation pretty clearly. My question when I hear about it was what the F was wrong with her, but on the head-covering because we do not need your Western twisted sexual abuse – ** tit's out ** and screech when approached – a distraction to others and children and abuser who

would screech if a man did something related-ly similar.

A strange kind of jarring song to enjoy so much – I owned this Album, one of the few I every owned when a very young man – and have a lot of good memories of foolish energetic joyful youth and health .. perhaps that is why I can still enjoy it more then I would normally these days., ..
