Good Sunday Morning,
May the Spirit of the Gospel and the Holy Word be Always on our
Tongues, in our Hearts, Minds, and in our Hands.
Holy Virgin Mary and All Saints - Pray for us!

Index Number 2196:

[It is Sunday morning again – Praise God!

After Catholic Mass today we have the monthly Brunch Pot-Luck, the
first time I will have actually go to the Pot-Luck and I am looking
forward to it – we have great cooks throughout the Church families.]

Daylight Savings! Unbelievable – normally it does not throw me but at
what I think in 2am in the morning (my stove-top range clock)
impressing that I have an extra hour of sleep possible then puts be an
hour behind ..

Many do not realize there was a Bill in Congress to get rid of it which
was supported by the entire nation except for Orthodox Jews that
pray at sunrise and that would interfere with their scampering and
slithering-off through their baby-rape tunnels to the Banks and
Investment, Tax preparation, and other such Jobs .. Know who is your
Master, or at least the Master of our Satanic Federal Gov.

Remember that at least twice a Year when this happens, and resent it!
– the genocidal Jews and Zionist are in control of every major
Western Institution and it might be best for a world-wide Nuke war to
break such Fungal-Strangulation.

Oh, well – that shot any connection to Memories to my foreshorten
prayers and meditation Reflections.

Comments on the few videos below are limited as I – luckily –
assembled them yesterday late. I hope they benefit you and us all.

Some things to consider.

Saint Fulton Sheen, all Saints of the Day – Pray for us!

May this be a Blessing to you and us all. [And all our Futures, and
future Multiverse Past.]

I stumbled across a better then I recall book, one I had read at least 3
times but today the book seems so much better then it every was. I
seem to recall I was always with a feeling of frustration, as he
struggles to each goal and then have it disappear as he approaches it.

'Job: A Comedy of Justice' (Archived: <https://archive.is/a6ov6>) has and
is a breath of fresh-air for audio-book, a book reminds me that others
similarly good are likely a good Search away.

Way back from HS days when my father and mother were separating
and he had an apartment in Middlebury VT near the bridge he was
suppose to live in during that period.

He loaned it to me and my Lover Gloria for one of those periods
when HS was out.

Sunday we bought the Sunday NewYork Times with all the 'extras'
from the previous week, we laid in bed or at table drinking coffee and
spending a chunk of the day going though it.

This song reminds me of then. That Magic time of young Love. and
Joy of Life.

So sad that for most American NYC is not remembered and now only
is another ShitHole horror city, ..
