Good Sunday Morning,

May the Spirit of the Gospel and the Holy Word be Always on our Tongues, in our Hearts, Minds, and in our Hands.

Holy Virgin Mary and All Saints - Pray for us!

{And still Authoritative Blocked}

Once again it is Sunday morning - **Praise God!** - and I will be leaving earlier for Mass, and must be ready when my ride arrives, so it is likely that [better] editing will have to wait until later morning or noon-time when I return. No regular after Mass Class today, so I expect to be back earlier – God Willing.

..

In this morning's prayers and meditations I spent some time considering the 40-day periods found often in the bible.

I have argued at one point in these writings that the length was at least in-part significant because it is longer then any of the months

– and the Holy Simulation Templates of 'life-events' broken apart into those additions factors based on what day of the year cycle – including seasonal.

This in Post '[Multiverse Journal - Index Number 1719:., November 20th, 2022, Sunday Morning](#)' (Click or see Postscript for referenced URLs)

And BTW when discussing this I had forgotten to argue that the fact that a year's length of time is 365.25 (ish) days which is why we have 'Leap Years' makes it so on New Years Day and for the rest of the year we are never under the exact stars and facing exactly the same external Universe, .. and the months are of variable lengths in a pattern that might be set to repress harmonics, and our (men and women's) Fertility Cycles of about 28 days will fall under different aspects of those other cycles, all to provide a wide range of environments situation to maximize many conditions from which our soul is under and Exercised through.

I wondered if the Traditional Jewish Mourning period was that length also – and no, it seems to be 30 days. I was thinking of this in relation to my recently remembered fact that I Mourned my older brothers death only as a young man and it took a while to reach equilibrium again, in Post '[Multiverse Journal - Index Number 1730:., December 1st, 2022, Thursday Afternoon](#)' (Click or see Postscript for referenced URLs)

And likely avoiding such is part of the benefit of taking a month .. where each day in one of those cycles that you reflect on the person's relationship before their death, now, and what the future will be likely like with them gone, and throughout the year would 'inoculate' from such a reoccurring aspect of that monthly pattern Triggering sometime in the future an unresolved aspect that suddenly adds to the regular burdens of life, and I would think that ideally the process should be a full year for this to be complete.

But that was aside – consideration.

I was thinking about the 40 day cycle in the Glorious Mysteries Rosary [again], and on the side that even non-Catholics should consider the Rosary – or something [contrived .. because Protestants must be so 'Special' in the increasing fragmentation and Satanic deviations and isolationist of Sect cafeteria Faith] similar.

.. I would be able to suggest Authoritatively that Catholicism – our Church – is where you should return back too .. except in our Satanically Directed destruction situation from the Vatican and much of Leadership - I have to say to 'Return' to the Traditional Catholic Faith, and not the Protestant version(s) that have Sickened and been Poisoned The Body of Christ since before 1960 .. in the Satanic Murder and destruction of our souls, and family, Nations, and World.

—

So the 40 days in those situations – and I extend the duration through all 5 Events, and argue that the reason the Assumption was not written about directly is because the perspectives of what has been documented is from the Jacob's Ladder Levels that those still unWorthy to remain with Jesus in His Ascension and the other Shifts .. forgot about Holy Mother Mary because they Shifted away from the Versions where she became an Active Central part of the Apostles lives in the Holy Female aspect, Healing, Straightening, Supporting, and Practicing for when She would be the Center of The Holy Church, and the Center of the Lion-Satan (Male-Female) Duality in the Holy {Saints & Sinners} Neural Network from which is connected to within the Holy Church – Holy Israel.

This is according to my Model of Holy formation, not official Catholic – or any others I know of Doctrine.

So why again 40 days-of-bread besides the 'longer then a month' aspect .. I felt that it was a case of Filtering-out and only the Best remained, with all the others falling away .. in terms of the Multiverse and many versions of each of our souls, the Repeating Day-of-Bread each is as each Day-of-Bread is reShaped so each of us is Assumed into each Day-of-Bread as it Ascends up or In Towards Holy Israel.

So if each Day-of-Bread we are presented with a Holy Challenge r Test from which half of us will fail, then after 40 days that version of our soul will be 1 in  $2^{40}$  .. a big number. The 2 is  $1/p$  where  $p$  is 0.5, 50% (or half) .. so 1 in 1,099,511,627,776 .. 1 in 1 Trillion.

Pretty selective .. but that is at 50% ..  $p=0.5$ .

My question is what would it have to be to be 1 in 144,000 (Washed Lambs) - multiplied by - 12 (Tribes, Flavors, Apostle-types)?

$$(1/p)^{40} = (144,000 * 12) \dots (1/p)^{40} = 1728000 \dots p^{40} = 1/1728000 \dots 40 \ln(p) = - \ln(1728000) \dots$$

$$\ln(p) = -\ln(1728000)/40 \dots \ln(p) = -0.35906188070865344956857757008924 \dots$$

$$e^{\ln(p)} = p = e^{-0.35906188070865344956857757008924} \dots$$

$p$  approx is 0.70 .. (the calculator had  $\ln()$  but not  $e^x$  function!)

.. so a failure chance of about 1/3 at each step would remove the lest Worthy leaving the proper proportion to be including in the Apocalypse, so the Master defining our Day-of-Bread should or maybe likely Challenges us to that degree in at least one of those 12 Flavor Categories.

At least that is my Intuitive Take-Home. Perhaps you can start to pay attention .. first you must Realize what issues you have problems with, the Sins that you are Weakest in, and see how those are Challenged when you are not focusing on them. Note if they were tempting but maybe only 1/3 of a huge number of you would have failed it or variations of that forms presented.

—

—

Which reminds me – and since I am running out of time I will try to be brief. The last two Posts discuss the CS Lewis reading that inspired me into thinking in a different direction, and one of his significant points I had not mentioned is that until our Recent Western-wide Sickened Female-Evil Demonic Oppression occurred, back even 100 years ago that most people Knew they were Sinners and in Need of Forgiveness, and that such an aspect is reversed these days under Satan and the Demons' Oppression .. the average person thinks they should Judge God because they over burnt there toast and why did He allow that ..

.. and this – I would add connected to where the reading went to about that many people disBelieve that such effects happened .. and not only biblical, but even the Roman Empire, and other things seemingly disconnected to their person realities .. and being Divorced from the concept of societies Advancing much as people do .. for those who even do believe that, who can look at an old man or woman and Know that person was their age – even a Baby and before.

That kind of purposely retardedness injected into our children, the anti-Rational self-focus that makes it so easy to disBelieving what they do not want to believe .. like a few generations ago older women were actually a Blessing to society and not the vile Curse that most are today, .. you know because F-you if you Allow the Demon-Blindingness of self (and others under your Authority, Influence, or Interactions) that makes that something other than a Statement of Fact.

—

I think that is exactly were I should leave it.

—

—

***May this be a Blessing to you and us all. [And all our Futures, and future Multiverse Pasts.]***

.. And since the Western Wide and World Wide reach of the Golden-Calf Satanists and Witches that direct such Dollar policies and implementation I think it might be argued that Banks and those 'top brass' in any Nation that supports the actions would be reasonable targets – even if the nation has not officially declared war – because Sanctions is an Act of War, and so default they are at war and should be targeted in Nuke or other strikes as regular protocol.
