Good Saturday Morning,

May the Spirit of the Gospel and the Holy Word be Always on our Tongues, in our Hearts, Minds, and in our Hands.

Holy Virgin Mary and All Saints - Pray for us!

—
—

Index Number 1851:

—

[This morning I will be going to Mass and our monthly after Mass Catholic Men's Breakfast get together, and although I did some pre-assembly of this post last night the editing and all the 'extra' publishing to the different site may be delayed, as I prepare for my early ride for the early Mass.]

—
—

In this morning's prayers and meditations I focused on getting through the routine prayers which I have composed to Balance and bring to forefront of consciousness those aspects that will better Orient me to God and World and Self.

Yesterday and in earlier meditations an Eastern passage from a Sage crossed my mind as an example of Wisdom that we can all apply .. last I ran into it was that book that I recently experienced '[The Diamond Age](#)' (old archived version) and have mentioned many times, which thrust it into my recent awareness and

consideration – especially related to Catholic Apologetics and the use of such to Evangelize and Bridge between all forms of Religion – something warped from Vatican II into destruction of The Body of Christ instead of what it should have been .. the finding of all those 'Holy Bicycle Parts' still un-Formed in Catholicism and in those other Religions.

-

Here is that passage; ..

“To put the world in order, we must first put the nation in order; to put the nation in order, we must first put the family in order; to put the family in order; we must first cultivate our personal life; we must first set our hearts right.” - Confucius

—

There was something else – a continuation of something recently mentioned which I recalled I forgot to add in my sub-conscious review of recent topics ..

.. something to do with my Model of the Holy and the assembly of the Holy Neural Network (Those connections outside of Holy Israel being the Consciousness of The Lion – Who's Female-Aspect is the Range depending on Jacob's Ladder Levels which correspond to the dying mind and brain-stem, from nearly Maiden Mary down-to Satan) and the Conversion and expansion out into the Chaos and Infinite Quantum Firmament into God's Kingdom .. the Raising and leveling of the Land out of the Sea like Holland does, or the expansion into Wilderness and Jungle into Farms and Towns and finally Holy Jerusalem ...

I am sure as soon as I start to get fully dressed to go it will occur to me again!

—

May this be a Blessing to you and us all. [And all our Futures, and future Multiverse Pasts.]

The beginning of video is a good example of a huge waste of time – for far more people who are armed the giving up weapons is a non-starter .. for too many reasons - but the fact that you cnts have no idea of the actual data – the assault-rife killing numbers are tiny in relation, and when 'good' shootings (self defense), and then the gang killings, and suicides are taken from the data the actual

numbers of all gun deaths are not large.

Also, why are you not asking why this clear targeting of Christians a 'hate-crime'? And why are you not asking why her manifesto being hidden? F-ing Female-Evil Slimy lying vomit.

But all that aside – if you came for someone's weapon I would not actively support killing you (Because God Demands Love and not Death) – but I would argue it was very Just and likely needed.

Not only is your head-up your ass on the data and the fact that you cnts still vomit the lies. What is it with you Vagina-god Satan baby-murdering minions and Witches? Unfortunately everyone who hears that you are intentionally lying or unwilling to find real information (because you do not want to know?) in this subject and likely every other topic that requires any research of virtue – everyone should realize not to listen to you, and perhaps suspect you are worse the retarded and have actual evil-intent .. why else will you keep lying and-or staying informed.

Unless you actually want to add something **New to the argument** – perhaps your teeth kicked-in and fingers broken on a few of the Witches in your family might be a good response. So, are you actively being evil – tor too retarded to take care of yourself without [Adult, decent man] supervision?

-

So .. forget it. You are wasting time. Period.

A good interview – Varoufakis has a good grasp and is willing to argue against the Golden-Calf venture capital Satanist owners, and had this policies been followed by Greece – the Fascist serf (us) impoverishing Genociding-Elites' EU who move private debt to public debt .. had they separated as he recommended and worked towards, Greece would have been better-off, and perhaps would have advance – with the UK leaving, the early needed destruction of EU.

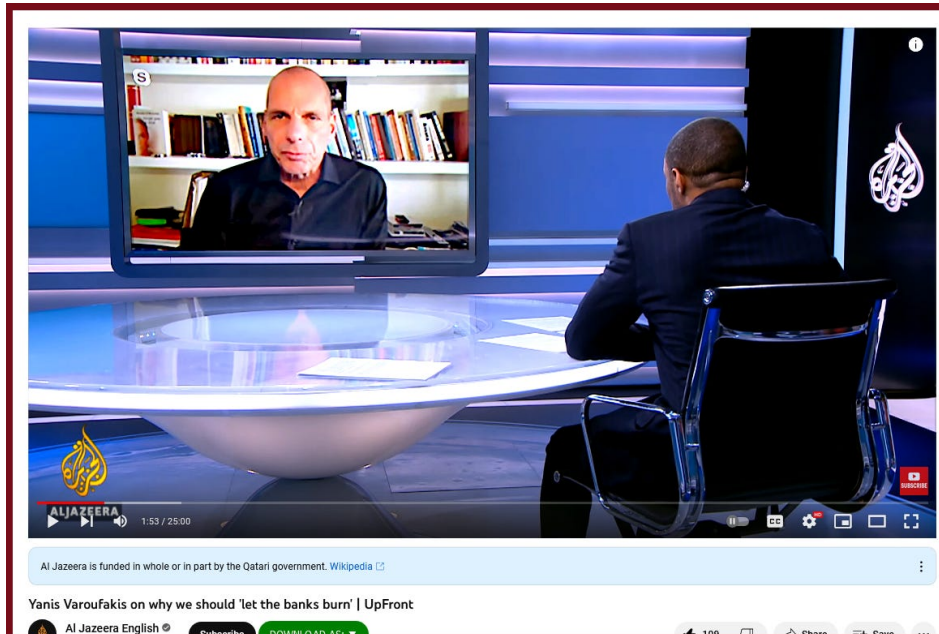

The decoupling of the straight bank in to a National version and the private risk-taking investment and loan business makes a lot of sense. I might not agree about the digital aspect – it is too easily controlled and given the pure vileness and lawlessness of those in power as we saw with fraud Plandemic abuse the 'emergency powers' taken and a court system worse then useless to protect us across the West .. the digital should not be a requirement.

I followed this case and it was a shame that he went to jail. It was a mistake and had she not been some Elite well publicized he might have gotten a chance – but instead a vindictive cnt family – sounds like the mother is a F-ing horror.

Would the victim wanted her Lover's life destroyed so badly?

I am sure if it was the other way around and she accidentally shot him, we would have never heard about it – and not only because of the sex differences. She has a media and family following and likely their relationship was not accepted by family and others – was my 'read' on it, and he was disposable to far too many.

First 5 seconds: "A bunch of White Christian children were murdered by demons! Buy my shirts! Limited time only!"

I commented this on the video itself but either him or his wife immediately deleted it. I'm really starting to hate them.

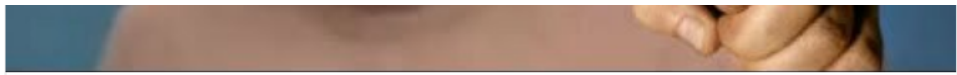

When they aren't gaslighting about the JQ or bashing White women and calling what are clearly communists "Nazis", they're shilling for their Tesla payments while they bash EVs and digital control. Pretty sure his grandmother who supposedly fled Nazi Germany was a Jew.

Back in the very beginning of his career, me and my boys were some of the first people to follow him, and we knew it was all over when he literally started taking money from pornographers (porn Jews). We told him not to take their money but of course he did, then he put normies in positions as mods, like Pastor Shitdelay, who promptly banned everyone that deviated from his gaslighting. This faggot banned me too, and many of my boys, even though I was literally a fucking mod before he was. Salty and his Mayan wife allowed this to happen because they literally only care about money. Anyone who gives this big nosed coke addict money is a FUCKING CLOWN.

Either the guy is a Jew or at least is a spiritual Jew, and no shit, he's the enemy. Him and his wife could doxx me and I almost hope they do. Money grubbing Jew and his equally money grubbing Mexican (non-White) wife. Fuckers.
