Good Saturday Morning,

May the Spirit of the Gospel and the Holy Word be Always on our Tongues, in our Hearts, Minds, and in our Hands.

Holy Virgin Mary and All Saints - Pray for us!

—

—

**Index Number 2202:**

—

My brother, his son and I had a fun shopping trip. Only minor 'downer' was by brother's son got some pissy attitude having trouble going through the self-serve. I noticed that she was one of the 3 women I said hello to and that organizing flowers looks like a fun job I commented on last month and they all acted like I was some kind of violent rapist and their facial scowls was enough to have the security guy from door heading our way, I noticed as I waved and turned while deciding womanhood is too sick, our society even more vile and mean then years ago when I spent so much time people watching and chatting downtown .. so F-ing sick when you can not say hello to a few women surrounded by flowers as you pass-by them.

.. if you are the kind of cnt that thinks that only powerful attractive sex men or others your can Suck-Life out of should talk to you, a women supremacists that such a pleasant comment from anyone your got realizing your vag will not destroy, then so sorry your teeth have not been kicked-in long ago as a Correction to such .. but that is your F-ing Sickness and what makes more and more of your cnt women better Gone, and definitely all the older women, all the F-ing male-hating Witches sucking Satan-Jew Cocks.

But that was a minor connection, that toxic cnt spreading vileness and hate everyday – male-hating horrors (I ran into this in the medical system and every day teachers are tormenting and hating males – F-ing Witches) .. how many of those do you women think any of us need to run into when we leave our homes before we start to think mass graves of such vicious horrors could fill – if God sent a Real pandemic – before such Toxic horror society can be reversed?

—

Anyway - somehow I ended-up with that rant. I go out once a month twice besides Church and run into Toxic cnts. Excuse me for noticing that as soon as society collapses I expect many of such women to die screaming – Justly, mostly. The loose end will be few will go find their mothers and aunts and kill them also -so such F-ing Toxic Septic vile Horrors will be left to continue to spread their Satanic Vomit they have been most of their lives, destroying others [males], and Sucking life from others with the skill of many Jews-Leaches, without the intelligence, only slimy vag-cunning and depending on evil-Blindness, and goodness of us to victimize us through.

—

Hopefully there will be something positive to consider, and a benefit to us all.

*Saint Fulton Sheen, all Saints of the Day – Pray for us!*

-

***May this be a Blessing to you and us all. [And all our Futures, and future Multiverse Pasts.]***

—

—

—

Another good roundtable about the insane policies of this GreatSatan and Her evil-controlling Zionist and Jews.

About Russian intelligence touched on towards end .. our evil enslaved Elite managerial Female-Evil cnts and Dog-males filled Class are so disconnected to understand than may in this hell-hole of torment and repression would find it easy to pass-on anything that could destroy them and all those evil Western controlling vile horrors or would release WWII to skip the horrors such Satanic evil are planning for our children and onward, people who find dying to cause any problems with Satan's Slide into Hell directed by such insane baby-murdering-okay enslaved horrors., ..

Biden and all close hanged in public would not only be Just but only the barest of starts. He has sold his soul to Satan and the Jews to

become President, the Violence against Women that turned women even more vile viscous lying murdering horrors with power of the courts and society – blaming men and destroying them at whims, domestic violence most often cause by those F-ing vile cnts turn into the taking of children and home and torment and torture of those that gave them their lives, the exception from Bankruptcy of Education loans to enslave generations to Usury-enslaving evil-Jews and similar, endless wars, .. so many Satanic evil Western society israeli expanding actions .. and look at what Satan and the Jew Witches gave him – what he sold his soul for but him a disOrdered howling raging idiot in constant pain and confession – his prize he spent all his adult life destroying himself and us for.

What better Just reward then to be made examples of if not Burned to death in public as a Witch-minion then hanged to death for all to watch?, ..

Max is focusing on the cover-up of our attack on Germany and our powerful Jews continue destruction of the population of Western nations – us Cattle – until we all and all we love starving and freezing to death as such Christian Genocidal Satanic minions directed from Hell have been doing for over 70+, perhaps even hundreds of years. Genocide after Genocide by Jews.

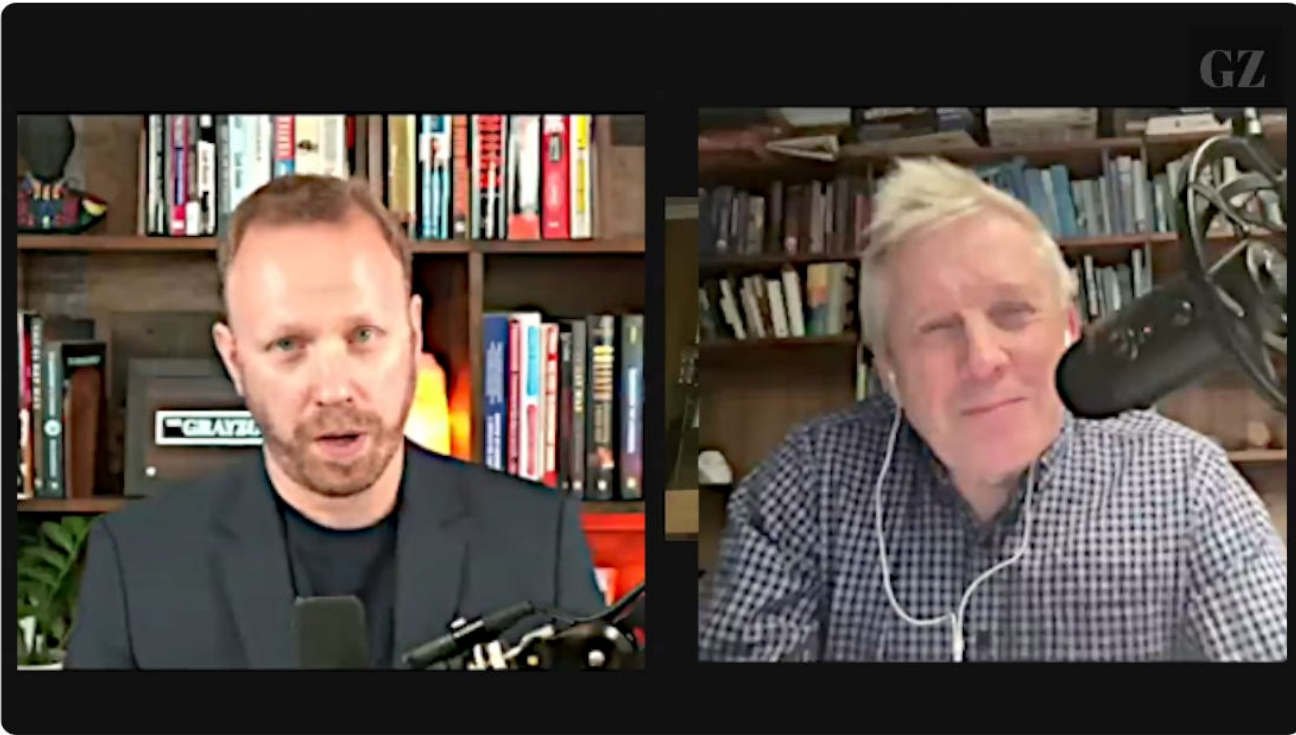

We can no longer trust to invest billions of dollars into something they do not have complete control in – they will destroy it and their will be no Justice – except the Justice all such people must be faced with – a knife in throat, the burning to death on stakes, the hanging to death over the corpses of all the Witches and older adults in their families and those in social and peer groups., ..

Plutarch, How To Tell Flatterer From Friend - Our Vulnerabilities To Flatterers

- \* Difficult to be just (dikaion) and unbiased (akros) judge of self
  - our self-love (philautia) gives flatterer operations in us
  - people are their first and greatest flatterer
  - flatterer contravenes "know thyself" - creates and ignorance
- \* Flatterers go after ambitious, beneficent
- \* Need to understand flatterers - prevent flattery
- \* Remembering our soul has two sides
  - truthfulness, love for what is honest
  - irrationality, love of falsehood, error
- \* Self-conceit about most noble qualities
  - we need to root out (ekthlein)
  - know thyself - your faults of vice, etc.

The way White people have been set against ourselves is the most fiendish and effective war tactic ever devised. And here is a crystal clear example of its efficacy.

This utter weakling was so self-loathingly Anti-White that he *killed himself* because a Black girl named Kiki said he's not Anti-White *enough*.

It's a new level of demoralization when white people don't just refuse to fight for their existence, but choose to be their own executioner.

To DEI For ...

A.F. Branco Cartoon—Many people feel that Boeing’s problems lately are due to its surrender to the Woke agenda, DEI (Diversity, Equity, and Inclusion).

By Cullen Linebarger – March 13, 2024

The woes continue to pile up for Boeing.

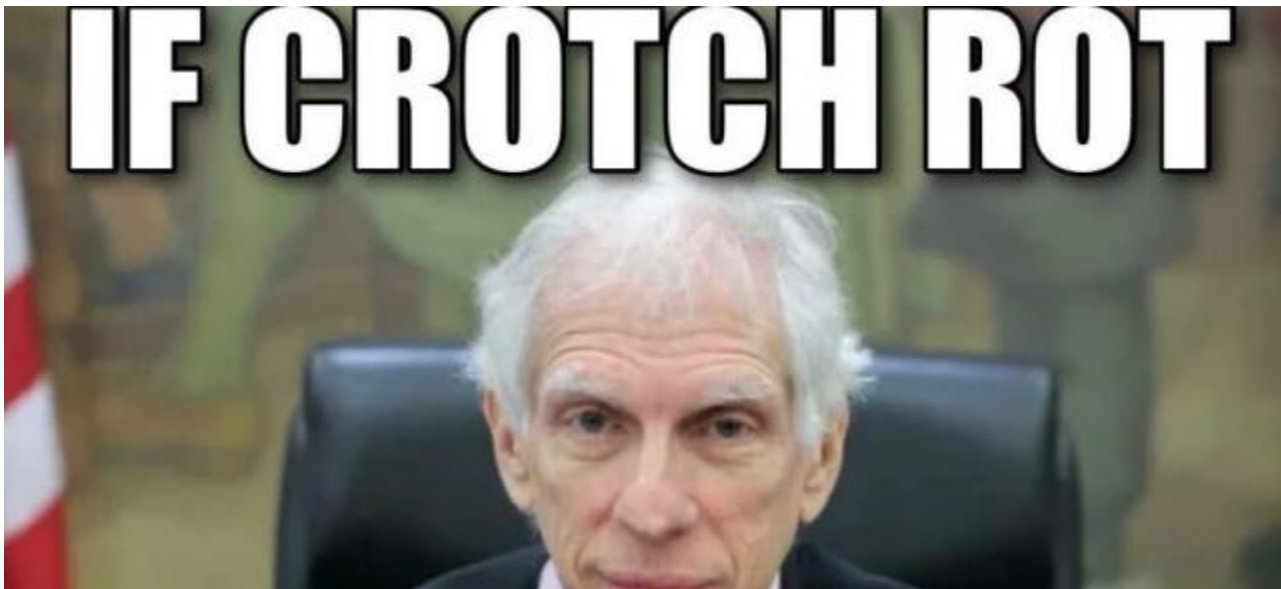

As NBC Bay Area reported, a scary scene unfolded Monday after one of the troubled manufacturer’s planes, a 777-300 jet, was forced to land due to fuel leaking from its right landing gear. The incident occurred just 10 seconds after United Airlines Flight 830 from Sydney to San Francisco took off. Video captured by plane spotter New York Aviation shows clear images of fluid spewing from the plane. A passenger video also shows the airline crew dumping fuel before the plane lands. ### Critics slam Canada for 'Orwellian' proposal to enable life sentences for speech crimes

The proposed Online Harms Act would lay the groundwork for provisions allowing for life imprisonment for advocating genocide.

"The Handmaid's Tale" author Margaret Atwood labelled the proposal "Orwellian," and voiced concerns over potential misuse and the policing of thought.

The WSJ and Fox compared the law – which permits provincial judges to mandate house arrest and fines

based on the belief that a defendant might commit an offense – to the premise of the 2002 movie, *The Minority Report*.

To top things off, a survey by the National Post suggests less than half of Canadians believe the bill will enhance safety.

Do Canadians **really** need any more reason not to kill every adult in every family not worried about rent, mortgage, food and medical costs?

## How fast does TikTok send users down the antisemitic rabbit hole?

TikTok feeds its users videos with little input. What makes it feed them antisemitism?

Though innocuous on the surface, conspiracy theories abound down the TikTok rabbit hole. *Graphic by Mira Fox*

The TikTok ban is not about national security. It's about closing a channel that the Deep State can't control because it isn't owned by one of their big tech puppets. You find truth on TikTok that has long been banned on Facebook and

Google. That's why it has to go and X is next.

# Jewish Federations of North America says TikTok is the ‘worst offender by far’ in driving antisemitism on social media

By Beth Harpaz, The Forward

Published March 7, 2024

The [Jewish Federations of North America](#) asked a

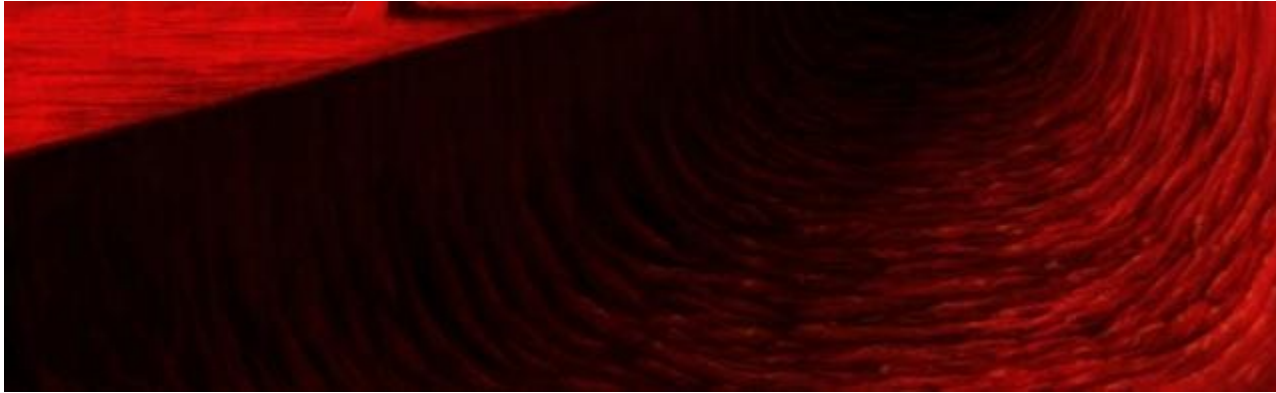

U.S. congressional committee to approve a bill that would allow the president to ban TikTok or force its China-based parent company to sell it.

“Social media is a major driver of the rise in antisemitism,” the JFNA said Wednesday in a letter to the House Energy and Commerce Committee, adding that TikTok “is the worst offender by far.”
