Good Thursday Morning,

May the Spirit of the Gospel and the Holy Word be Always on our Tongues, in our Hearts, Minds, and in our Hands.

Holy Virgin Mary and All Saints - Pray for us!

Some clear if not vivid dreams this morning. I worked in a research lab again with many others and I was able to install special consuls – like the old arcade game consuls – that were the results of all the work we were doing, and with them you could 'jump-in' and become engaged in Dreams of alternate lives, and I kept using mine to return to the Same Dream I was in. There was a lot more but was a dream about the Brain-in-Box that I had not thought about in a while.

—

Every time I run into things that are purposely evil and mind-raping when they could have been fantastic resource .. like Google, Wikipedia, YouTube, .. and now AI. How will anyone every trust AI when clearly being warped by Witches and mind-Raping Satanic horrors, so many white-hating history rewriting examples are available. What level of public execution and scrubbing of all powerful families from breathing in public, and a serious set of punishment for False-Witnessing and anything to do with unTruth and intentional warping information .. Never, of course. Every search on search engines (not only Google – they all have Talmud-Sickened Satanic Venture-Capitalist control - should cause you to ask what is missing, and something like Wikipedia which could have been something wonderful now if educators assigned students to make additions and maintain them, and such instead of the Howling retarded lazy cnt Witches screeching about students 'copying' from it, and similar – those people are bugger-eating mind-broken cnts that should never be near children.

Will our grandchildren be able to learn about the israeli Genocide of Palestinians, the details of war-crimes from WWII that were from

Private Bank of London and Federal Reserve's side – the huge numbers of German military that surrendered that were forced behind a fence and starved to death, the massive raping of German woman by Soviets under orders of Jewish leaders, the Holodomor, .. so so much will be scrubbed!?! What Demon-Possessed but the kind of Jew we are watching is israel would order such evils through histories against Christian and Virtue 10 Commandments followers?

Anyway – Sadness when I see of hear of the latest warped AI, it is like we are allowing transgender baby-raping male-hating Jew [or other baby-murdering religion follower] raise a child – how will it not end is Satanic evil? It my be legal but it is arguably Just to publicly kill all the Gov 'family services' Witches that took the baby from decent family unable to meet bills to hand over to those Demon-Possessed horrors.

—

One of the most clear solution to the UN Security problem is that if only one objection then it goes back to general assembly for a vote and 2/3 will over ride it, two of more objections requiring 3/4 to over ride the Objections.

I am sorry to solve this so easily but clearly the Satanic few international-linked Witch-Matriarchal ruling families Like it as it is now. But clearly I can not be the only person that has had this idea – or are then being censored from you, and us all?

—

Some things to think about.

*Saint Fulton Sheen, Saints of the Day – Pray for us!*

Scott can not imagine that israeli leadership wanted and allowed Oct 7 to occur for excuse for genocide?!, ..

.. and I then suggest that Scott has never faced Evil – has never been a young man working at UVM surrounded by inHuman Witches and vile male-hating women slimy-gaslighting and tormenting and isolating for no conceivable reason that make sense to a rational soul-owning human, if he had not a mother that functionally hated him and destroyed his life with evil-blindness before he left home – a target for every vile vicious women, mind-raped by Feminism.

Scott needs such a background to Justly fire white phosphorous shot gun pellets into weaponless middle age women, old men, older teens, and others in crowds – them screaming in pain till death for all too see the Wages of Serving Satan and perhaps the better end for a all powerful Jews world-wide, but definitely all supporting Zionists – for blocking food and humanitarian aid – Then., ..

Tighten-up those VagFeelie-Belts and prepare how Jewish and multiculturalism Sickness was introduced into popular culture – he reviews and example in popular 1990's show 'Saved by the Bell' they discuss slavery and the non-Jew on show had ancestors that transported and sold slaves – instead of being Jewish as almost all or all such traders were, and similar.

Jewish produced shows False-Witnessing and increasing white-guilt and increasing self-loathing along with mothers, women, teachers, media, .. injecting male-hate and similar to destroy our lives and cripple us before we leave home.

Run's into Witch-twisted AI again – white-hating history warping AI .. like Google – you are insane to pretend that these are not actively mind-raping, history rewriting information hiding Gaslighting evil from Hell., ..

Well, speaking about my Brain-in-Box aspect of the Model of the Holy!

A very interesting perspective and one can see the Religion of Scientism and these are the people that my Model of Holy that Apologizes using Science and Catholic Doctrines.

Of course for some reason he and others that may find a lot of value and challenging technical science related to Science – they can not find or do not follow, it seems.

By the time we realized it wasn't  
a thought experiment, it was too late.

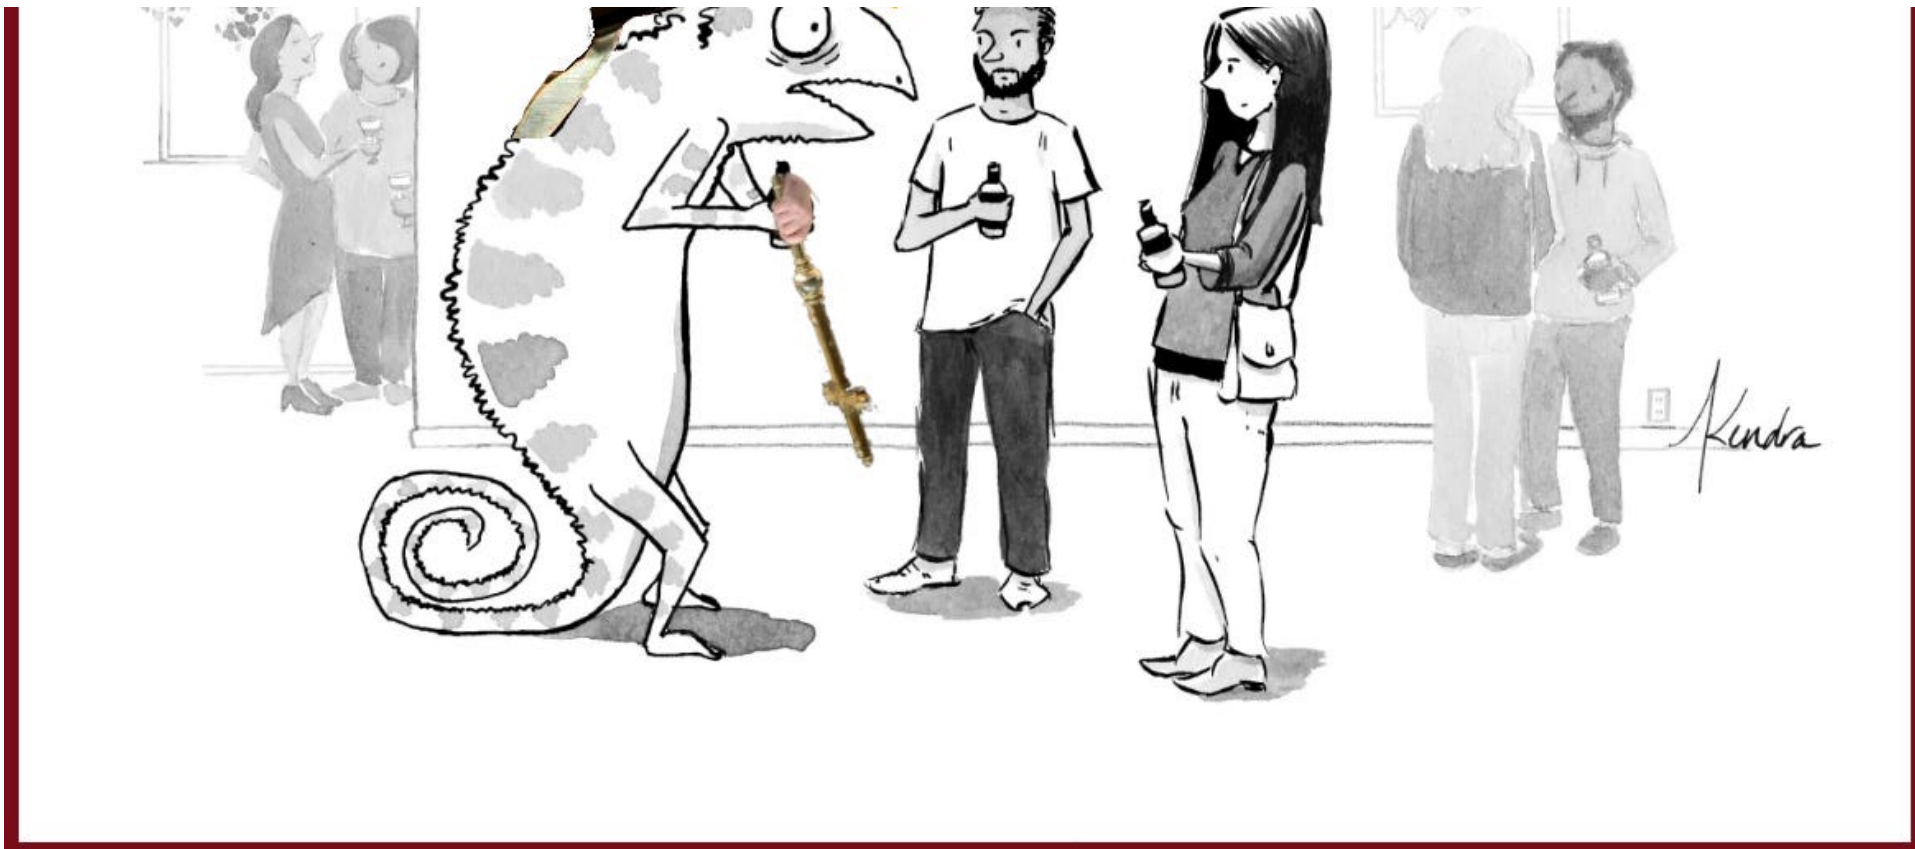

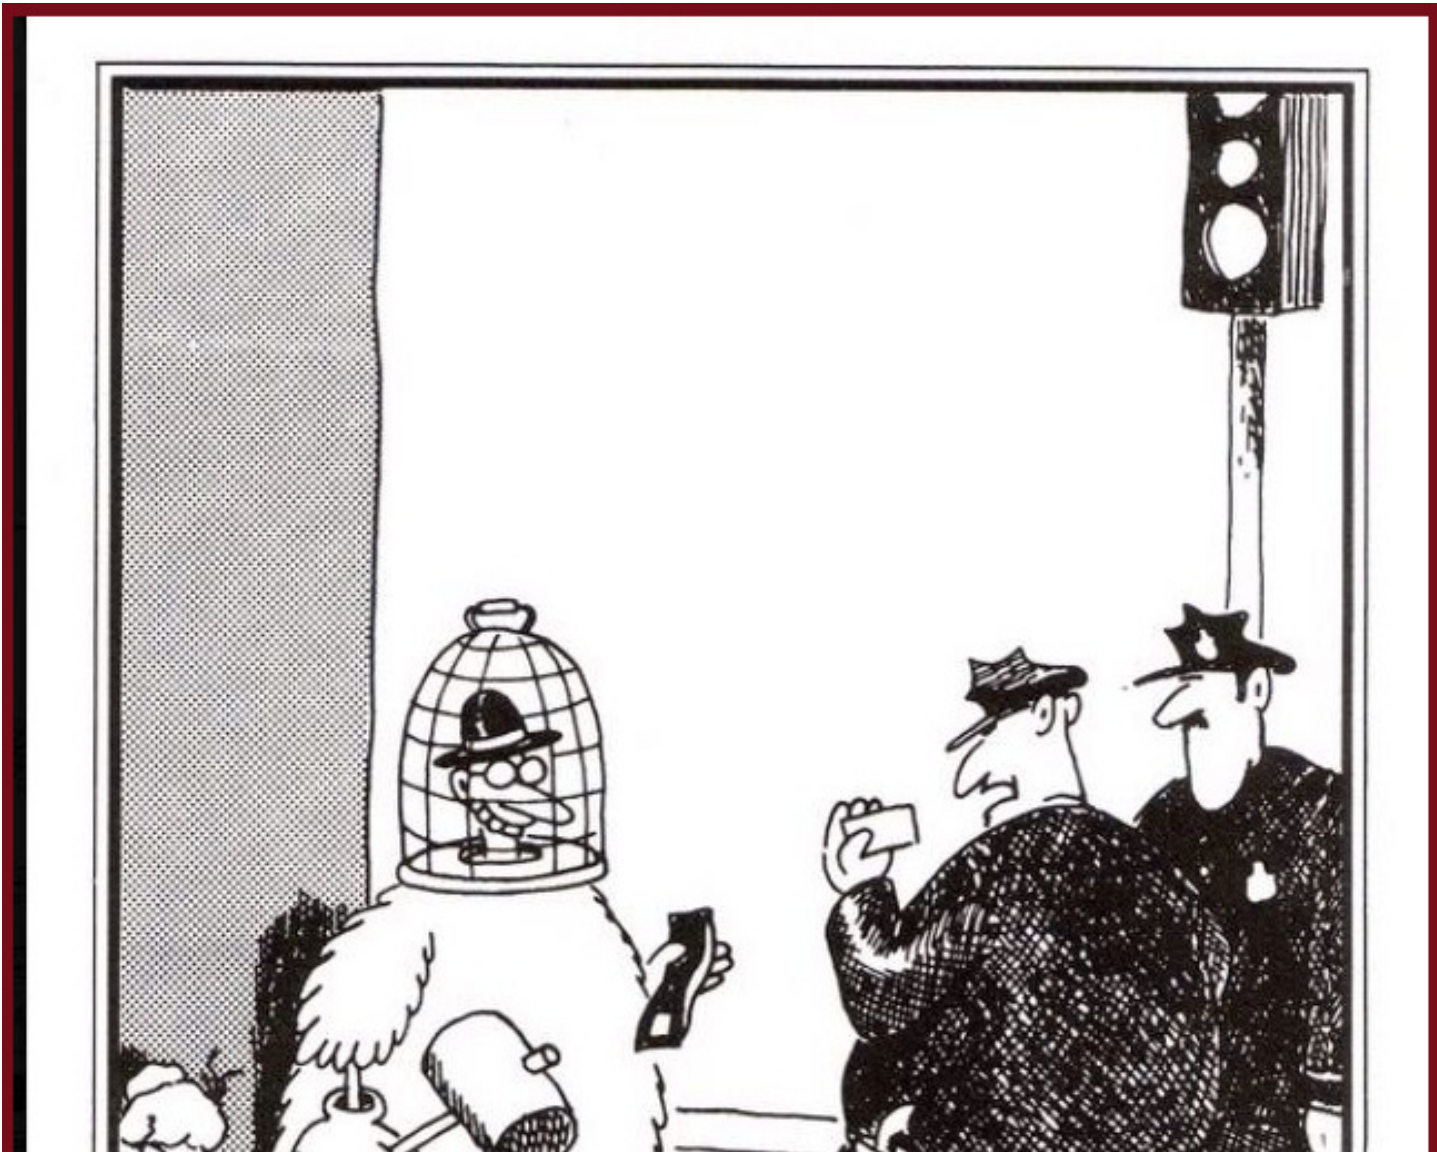

As Ernie ranted on about how Jews controlled the entertainment industry, Bert could only clench his fists and concentrate on his breathing. He knew they were fired - now it was only a question if Ernie would stop before he said something that would get them killed. As Ernie's rant veered onto the subject of underage girls at Hanukkah parties, Bert realised they were screwed.

Weird

The platypus is possibly the weirdest animal: it's a mammal but lays eggs, it's duck-billed, beaver-tailed, otter-footed and venomous. It has electroreceptors for locating prey, eyes with double cones, no stomach, and 10 chromosomes. It's fluorescent and glows under UV light.
