Good Sunday Morning,

Always on our Tongues, in our Hearts, Minds, and in

our Hands.

Index Number 1768:

[It is Sunday and I must rush to prepare for ride to Mass and then the after Mass Catholic catechism and theological class – for which goes into afternoon .. so I will be late editing and finishing up these Postings today.]

—

—

Yesterday furring our monthly afternoon breakfast there was general discussion of the State of the Church, and among other things are the Righteous Acting Priests who the Church leadership were actively destroying – specifically those preaching against Abortion, and that in any situation where an complaint existed – unJust or Just – that those and likely other priests were 'thrown under the Bus' by the bishops and leadership, and the compliance to civil authority in all things – even (I would add now) when clearly hostile to the Church.

I did not mention what I have recently suggest here – that like with our politics – that the Bishops were in effect 'controlled opposition' and serving the purpose of collecting resources that would have been effective in other ways – the Intent of the Flock – but pissing them away, actively wasting such into groups who's

effectiveness is clearly zero while destroying the enthusiasm and faith of those who volunteer and support them .. leadership places at the very best is incompetent and more likely Agents of Golden Calf Satanists.

.. I used the simple fact that recently people in the state of Texas seem to realize that the last 3 generations of those in charge that we all rusted and donated too where ineffective or worse, and did what could and should have been done within the first decade of the Horror of legal torturing babies to death by Witches.

I did not bring-up yesterday that the very fact that such a situation of legal murder of people who are Rightfully protected under the Constitution – and if you disagree my God have Mercy on you .. the day Witches and murdering mothers are treated as the Criminals they are will be a Good turning point in the GreatSatan Soul-Dead Zombie-Nation of Horror, and those active supporters who effect change in others to such evil end treated the same.

But that such anti-Constitutional situation in this example but across the board in so many others – and happening for so long – is a clear indication that whatever Legitimization the Federal Gov might have had through Law and Civil-War murdering Enslavement is gone .. along with Justification of the Monopoly on Violence – that it is only Threat and practice of Violence and Abuse that remain.

And clearly as reports from Canada, UK, Germany, Ukraine, .. indicate that this kind of Satanic Evil Leadership and coordination is Western Wide, and

those outside of the West who have interaction with us – and that is all of them – have Leadership that are either Active or reluctant Agents of the Great Satan Empire and the Golden Calf Satanists Banking System.

One aspect not mentioned and I was considering in my morning prayers and meditations is an extension of what I have already written about related to watching the Dying of our Nations, West, and our Souls – this Fever-Nightmare where we are tied to our bed thrashing while Witches torture and torment and Suck-off the pain and suffering .. the equivalent to our nation and the world in total – the spreading Sickness of what is commonly referred to as Globo-Homo society; baby-murdering, father-man destroying, women and children Sickening and recruiting for lives of horror Sin torment and death – to Burning in Hell.

Those one good thing is that as we loose what was clearly good, that we can identify .. like when the Witches cutting off our fingers and toes to suck-on and eat .. we can remember what a Joy and Pleasure it was to have had them, and how we were Blessed and that although we often did not good things with them, they were really useful ..

.. like all the positive things our Military once did for our nation, those things that were ignored and push-aside while the Satanic Golden Calf Vagina-god worshipers had control of it and used it to Cull good virtuous [potential] fathers, and traumatize the families and communities those men came from while pulling more and more taxes and other resources away from needed

purposes and helpful possible additions, while media defining the military as some Cartoon villain – conflating the clear evil it was put too to the institution, using Female-Evils; unTruth, inJustice, disOrdering thinking .. like blaming 'guns' on the deaths associated with them, and ignoring the Rightful ones, and examples were they not used effectiveness in stopping deaths of innocent and protection, and so much else – all turned into something the brain-raped average cnt women voter and their dog-male adult children and sex-enslaved or State-Threaten lovers, husbands, [assumed] father of their children.

The Peterson video clip which was focused on IQ that I included recently (and before that) which was discussing the minimum IQ requirements for military (being 84) and how something like on average 1 or 2 out of 5 men do not even reach that – and although he refused to bring up 'race' (Quoted because 'Ancestral Background' is a better way to think and discuss it) that I argue that since a huge percentage of people below that standard are not White, Jews, Pacific-Rim Asians .. come from Africa, India, Central America, and other places where the weather and food made planning for future not life-death, and delayed gratification not needed, and similar – that the fact that people can and will not discuss or address this issue and expect on a level playing field to compete when failure in the artificially cruel and murderously vile women & Satanists ruled nightmare Hell-Scape and not holding a more complicated job (for ever lessening wages) and navigating more artificial and needless complicated bureaucracy (IDs, Tax-systems, forms ..) society leaves

those groups in poverty, and worse.

And then to use such while knowingly screeching 'racism' and then attacking and destroying institutions, families, society by injecting meritless and often fatherless Wicked twisted virtueless into every area where they would never have been if based on merit and some low level of social competency and not being a F-ing howling evil cunt and vicious to others over some unreasoned and lie-based 'racism-sexism-kept-me-down!' crap is ..

.. is not unlike the Catholic Church deciding to turn half it's followers against the other half but forcing some Clown version of Mass on them and declaring the Form of Mass that 1500+ years of Saints came out of was somehow no longer Good.

And F-you if you refuse to see how insane all these things are. Demonic-Oppression .. Willful and continuous is something that needs to be address in this society – if it is only declaring Incompetence and not allowing any power over others and Corrections applied when they refuse to follow those limitations .. again – why is this radical thinking .. your thinking ability is Broken, and it is not 'education' or 'information' (although most are clearly being twisted by unTruth and Indoctrination) it is that your rational abilities are actively being demonically oppressed, and for many – too many – demonically controlled.

—

The military did offer a Stepping-Stone for those less fortunate without out the opportunities into what was back then to middle class life (middle class use to be

defined as owning home, car(s) and savings in bank that could last a family of 4 for 6 months if the single income job was lost or quit and looking for another) ..

.. but it occurred to me this morning that many of the young men in jail today would have at one point been offered the choice of entering into the military. It was a place where the rare fatherless troubled young man could go for the structure that they needed .. and such was valuable when our leaders were not actively murdering us and others for the Culling of men and fathers willing to Service (with virtue) and other countries similar men and fathers .. all under the public excuses of fighting communism, terrorism, .. when it was serving Satan and the Golden-Calf baby-murdering child-destroy woman and society Sickening 'Globo-homo' anti-rationality, anti-Christian, against; Life Joy Hope Love Goodness family children .. Future.

I imagine that most of us with any Rationality and awareness must feel as if we are chained to a wall of a home that the Witches and mob of fatherless retards and vicious cnts have set fire and dancing as those of us inside burn and wait too .. watching all the destruction and thinking – *'I remember how useful and good that now burning device was, or there goes so-and-so they use to be such a pleasure to talk too and they cooked and cared for neighbors when sick, and ..')* but for the entire society.

And those who are aware have seen the pattern of forced dual-choices and both heading to destruction, as well as all the normal system that existed to allow for

correction of that situation – courts or whatever all broken and controlled by mob members and Witches .. and see that the design is that whatever you do Secularly is designed to benefit evil and perhaps hasten the destruction for everyone, and that those who seem to be benefiting are only delaying what is planned for them – Coining the others so when they are chained to that wall they will have the realization that it is Just and they actively danced with the mob and Witches before.

Most need not look further than the State system of womanhood Sickening through Hyper-empowerment, and that it is clear for many to see – that there are too many common situations where the man has not Just recourse, where killing is the only real option and that is a failure situation also, with the possible benefit that one less twisted tool of evil (of which 1000s will step forward to replace) is gone, the non-biological 'mother' of the boy who's father is trying to stop the mutilation of (emotional, mental, physical) by the Witch mother is a sensational example where most of us think him killing her and then getting the treatment for the emotional damaged that causes a person is Just and good, and if he managed to kill every person who promoted such, and actively supported it, then that would be good also, and if he added all the older women in families of such horrors then few would not be unJust killings, and .. pretty soon most of the women with power in our lives would be dead – and that poor man would have to live with all that and all their sad Celebrating that would spread throughout the world, with peace and ...

But that similar happens at nearly every divorce with children involved – 80+ percent initiated by the mother and over half of them report the reason was because 'they were not happy' .. one wonders if the grave is not a reasonable place for such hyper-empowered twisted cnts – but them must instead realize that they have been warped and shaped into being a Curse on themselves and all they profess to care about – as well as likely a baby-murdering and lying parental defrauding cnt (and supporters of – as most now sick modern Western women are) .. that kind of evil is seen clearly in schools now – the teachers and the children being warped, as well as pushed in media and big-tech, with suppression and destruction to all who object.

—

Okay – I see I am basically out of time. Too bad I did not get near the other [Better] things I hope to write about .. but we clearly can not have good things anymore when standing ass-deep in Septic Female-Evil Vomit and Satanic tortured-to-death baby-pieces.

—

May this be a Blessing to you and us all. [And all our Futures, and future Multiverse Pasts.]

Good video.

The leadership of the Church have been destroying the most Virtuous and Effective Priests – which is what happened to the decent men and fathers in Western society back in the 1970's and on .. and I would assume that by then the Satanic influences had already well into the Church leadership as the Deafening Silence to the destruction of Fathers, the Wage destruction, .., and the Howling-Evil twisting of women into Septic Poisoning back-stabbing children destroying murdering horrors.

In recent years the bizarre fetish of turning oneself into a dog has become more popular among many LGBTQ circles.

One man in Japan, however, has taken things to the next level and spent over \$15,000 to turn himself into a Collie.

A man who goes by the name of Toco, bought a costume which took Japanese carpenter hours to make, in order for him to fulfill his obsession of being a dog.

Here's a video of Toco wearing the \$15,000 costume:

The longest government shutdown in

The longest government shutdown in history occurred in 2018-2019 because Trump asked for \$5 billion to build the wall.

The \$45 billion Ukraine aid in the Omnibus will bring our total given to that country over \$100 billion, enough to build 20+ walls on the southern border.

TEN STAGES OF GENOCIDE

- 1 Classification:** People are divided into *"us and them."*
- 2 Symbolization:** People are **forced** to identify themselves.
- 3 Discrimination:** People begin to face systematic discrimination.

4 Dehumanization: People equated with animals, vermin, or diseases.

5 Organization: The government creates specific groups (police/military) to enforce the policies.

6 Polarization: The government broadcasts propaganda to turn the populace against the group.

↑ YOU ARE HERE

7 Preparation: Official action to remove/relocate people.

8 Persecution: Beginning of murders, theft of property, trial massacres.

- 9 **Extermination:** Wholesale **elimination** of the group. It is “*extermination*” and not murder because the people are **not** considered human.
- 10 **Denial:** The government **denies** that it has committed any crime.

The image is a central graphic with a white background. At the top center is a blue Star of David. Below it, the text "Dual-Citizenship Dual-Loyalty" is written in a bold, black, sans-serif font. Underneath the text are two passport covers: the United States of America passport on the left and the State of Israel passport on the right. The US passport is dark blue with the eagle emblem and the text "PASSPORT", "United States of America", and "דרכון". The Israeli passport is also dark blue with the menorah emblem and the text "דרכון", "PASSPORT", "מדינת ישראל", and "STATE OF ISRAEL". Surrounding the central graphic are 25 small, square portraits of various US politicians, each with their name written below it. The names are: Blumenthal, Feinstein, Wyden, Bennet, Davis, Deutch, Cicilline, Cardin, Sanders, Schumer, Schiff, Schultz, Sherman, Shakowsky, Polis, Nadler, Yarmuth, Engel, Levin, and Lqwey.

Mass invasion of a country is an act of war. A government failing to protect a country is an act of treason.

The President and the Take Care Clause Article II, Section 3 of the Constitution requires the President to "take Care that the Laws be faithfully executed." This clause requires the President to enforce all constitutionally valid Acts of Congress, regardless of his own Administration's

view of their wisdom or policy. The clause imposes a duty on the President; it does not confer a discretionary power. The Take Care Clause is a limit on the Vesting Clause's grant to the President of "the executive power."
