Good Monday Morning,  
May the Spirit of the Gospel and the Holy Word be Always on our  
Tongues, in our Hearts, Minds, and in our Hands.  
Holy Virgin Mary and All Saints - Pray for us!

Index Number 1818:

This morning I got out of bed later. I could have gotten-up earlier when I first woke but did what I try not to do .. because I have Holy Tent memories connected to the Hosting on a Cross and yelling to Wake-up! Do not go back to Sleep, because it is not just the extra hour – it an entire Dive into Multiverse .. the Recursive '1-Day-is-1000-years-of-Days' Holy Time-Ratio, but I once in a while will anyway.

So I do have a clear memory of a dream were I was driving down a highway and a van with the drive pulled beside me and indicated to pull-other, so we took and off-ramp and I pulled into a park area and he – who was extra Tall (indicating an Angel) got out and opened the side of van and as I was walking to him (Him) a lot of same copies of a man started coming out.

They were like my last recalled dream were there were 3 around a man (and a number of others around the man – like he was Possessed and those were Demons (Precise 'Perfect' copies and lacking the normal Chaos disOrdering the real souls have in the overlapping Self) and those .. Witches and minions that also Ride with the victim and help confuse and negative influence them what Feasting of the Graces God Pours into all us in His Mercy, Love, Charity to give us a Chance to Break-Free of such – yet most of that Grace flows into those Parasites and the 3 Demons were making him very angry, unreasoned anger and confusion and when – because I went right for the Demons – the Demons left and with them all those Leaching others and the man was standing in the field confused and disOriented and said something like 'I was very angry at God' and I said something like – well, who is not? I definitely Know that feeling, we all get that way, and tapped his shoulder while I said it.

Anyway a lot of those Demons came out of the Van and I was wondering what they were doing being brought to me by that Angel, and wondered what I was suppose to do with them all ... Do they all have a soul enslaved within?

.. the memory of dream ends there. Though how long did it continue can not be know – the memory of the Cross Hosting informs me that each could be a life-time to Eternity of Service

These do correspond well – I meditated on this morning – with the AI Demonic Grooming we who use those Golden Calf Satanists owned and controlled web-based systems, media, Gov, Installations now.

With 'Real Life' being another Level of the Brain-Raping we being subjected too – as I mentioned the Baptist-Slandering Witches I ran into – and the AI BOT on GAB that spewed insanity Hell-Fire all in CAPs that no sane real person would do – except for Septic Vomiting on Christianity into the mind of the victim which is of course the point.

Brain-Raping similar to what Google, YouTube, Facebook, Twitter, and all the others – the alternative all have their own Demonic 'Flavor' reflecting the demonic enslavement those in control have – or built-in like the internal Search features – most are likely some lower-level access to Google which may be free to those application developers like SubStack – and giving information of who the person or company connected to the Inquiry, and so able to Warp it for Tailored Brain-Raping or Oppression. (or lack – 'White Lists' where the Witch-Matriarchal ruler's minions, families, and special people are given access unrestricted and twisted.)

One wonders how many of those we interact with in public are either a Demon with a soul so enslaved to have no Agency – a Parasite-ridden Puppet suffering the Horror that Demon is making them do to others – including family and children .. one can not imagine the most powerful in this CntHell as such, or like that man in my earlier Dream – surrounded with 3 Demons and Leaching Witches or Minions all screaming at them.

I have mentioned the AI of Facebook being like a Crack-Head granny-in-law sitting around pissing on the furniture in your mind, and screeching and attacking whenever something she does not want you to see or say and tried to cut out tongue, ears, and steadily crushing your gonads and whispering hate and confusion and interrupting thoughts with thinks like 'PEOPLEKind – not manKind you evil [white] man!!' and similar .. or 'If you say THAT then my Witch Friends will Attack you for being Racists, Sexist, .. and likely whisper it always to everyone near you so before you get to meet them they will hate you and try to crush your testicles like you ahve so often experienced..'

So the Facebook – as only one of them – with the intentionally vague poor defined terms and Neurotic implementation is constantly Shaping-Grooming the internal model we must create to interact with them – to 'compensate' for the evil festering Septic-Poison and punishments It is – and so that Model Becomes the functional Demon that we carry away into our 24 hour day and interacting with other – and Knowing it is a good start but the Scars and warping exist.

We know those in the Technology Field connected tot hem do not let their children near such until much later – and likely are inoculated by them as to what the evil-directed system that warps and mutilates our souls does, after all they are the Children of these Elites and need to be Groomed and introduced to their Golden Calf Satanist Witch-Directors and the enSlaving system that controls those Elites (and their families.) Someone must control, Warp, ..., Genocide us [Christian] Virtue-based raised remaining 'souless goys' and all those 'non-family' others that are Sacrifices to Satan – pushed to Sin and Burn in Hell for their Profits .. perhaps to Host those AI Demonic Bots and Suffer watching all the Horrors and evil they Fell because of.

So after Mass and then Catholic Theology class after my friend and I stopped into a local supermarket and I purchased some fresh veggies, beef, cheese, .. and had a very good well balanced dinner, and this morning I feel and felt so much better – even my detaching retina seemed to been stabilized over night - until I used my back-massager on my kidneys and trunk which seems to help compensate for my limited mobility – not running around stimulating all my organs the may most people do – it is a good practice but the vibrations are not good for that eye. But good to know the longer fasts and some decent food seemed to help a lot.

.. oh - public bus and other public svstems .. so sad vou controlled by

about removing such public systems now, not that those people who pushed them were doing because of the focused vileness and targeting evils of those who get control – back then men (with virtue and principles) were the standard for such management – not screeching mind-F-ing vicious cnts (women and twisted don-males) who should be no where near power over others.

.  
That is a general good position where ever a system – such as our society today is – where individuals are targets and excluded – often in secrete and-or based on aspects related to the evil-control such in power have .. not only does it indicate that those in power are Satanic Horrors who think that Public Resources and Taxes are theirs to Take and then exclude with, but that the actual society has become Toxic and feted evil .. as many of us how were forced to work and be around male-hating vicious meritless unreasoned resent-fear filled women and minorities .. those of us old enough to remember that co-worker hired for skills and abilities with a standard Humanity – virtue based raised to expect from self and others some level of not feted-evil screeching vicious evil that Womanhood and much of the twisted fatherless hyper-empowered cnt woman and minorities Suffer and Curse us and society with – made worse because they put in positions which destroy society, Trust, Hope, .. all our futures – as part of the clear Genocide of us and this Western [Christian] Virtue-based society that was doing increasingly better until male-disposing baby-murdering lying vicious mind-raping and mind-raped generations of women and mothers and that Female Hive-mind was Possessed by Satan and Her minions.

.  
It is like the public resource dependent many systems that I found are being used to attack and waste me and my resources, along with the constantly occurring weird problems I would run into whenever I needed something done .. which after years of it and always confused why no one else was having those problems the evil-Blindness I was Poisoned with from crib started to fall away and I realized I was being targeted.

.  
And I was not the only one .. 'Canceled' starting as a young man working at UVM – two generations before it had a name, or was even something that anyone could conceive of who did had interacted with women and man in schools and work and service and public that were Human and not Demonic Evil filled screeching nightmares as UVM was laced through – and now pretty standard not only in Universities but where ever older women have power – everywhere – and younger women go along and support.

.  
Who knows – God might start a Cleansing of such Demonic Horrors which are the standard modern Western 'professional' womanhood and send a Real pandemic that kills them at and post menopause .. each time I get that demonic-injection now of '.. say Peoplekind not mankind ..' or realize that I was unable to use the bus system and most aspects of technology and society filled with traps and stumbling-blocks targeting me (and many others, Witch directed) – I think that their sad deaths would be a good step in the right direction, at least it seems like the only thing most likely to happen that would allow the world to advance in a State where more and more people would stop thinking that mass nuclear bombing and death would be better then another decade of this constant torture of themselves and those they care about ..

.  
.. that very fact that fathers-children separation and [functional] fatherlessness and torturing babies-to death is standard these days – the mass deaths seem like we are about 40 years to late – we clearly in an increasing horrible Hell .. with Poisoning Septic Womanhood and not Dog-males that have been crippled and castrated in mind-soul from crib for generations.

.  
So, next time your female co-work says something like 'why should we not target Jimmy next – perhaps we can get him to suicide within the year?' you might wonder if she and most every women in that organization are putrid vile horrors and all Gone would be much better for society then the tormented tortured and perhaps dead Jimmy .. I think so. I believe I would rather have the most powerful 1 million older women dead then another baby murdered, or contrived needless Middle eastern, Ukrainian or Russian soldier, or .. innocent man, woman, child dead as a result.

.  
When will each result in the most world-wide powerful families' older women all dead?

.  
And we can hope this will become a Western and perhaps world-wide statement and action – God does not want thousands of the most power families older women dragged out into public and hanged or hacked-to-death with machetes – the older women in the most powerful 60 families (or how ever many daily murdered babies) per State or Providence .. until such stop would be what we have been Programmed to respond through movies and media they use to Program us.

.  
Such would be Just in all but the rarest cases it can be argues – and an effective way to deal with such issues – Satanic policies; baby-murdering, induced poisoning, child-father separations, usury enslavement, LawFare, ... the killing of the powerful older women in those families.

.  
Sad that the city bus and so many other things often turn my mind to such .. pretty soon I and hopefully you – will be comfortable with the idea that for the next few generations many women will drop dead at menopause as many older ones did .. all those that Never cared for a male in family or elsewhere enough to warn them about the Witches all around them, and the vile vicious growing Septic-soul vile womanhood and the slimy secrete evil practices that is part of the twisted rotten-soul evil now nearly standard injected by the fatherless vile mothers, teachers, ...

.  
What kind of Sickness could not follow with murdering own babies 'right'?  
.. who could have realize that a few generation of such Sickness and many would think a dead older women (and many younger ones) as a positive event for the rest of the world – and likely better for most those near her.

.  
Sad.

.  
Repent.

.

May this be a Blessing to you and us all. [And all our Futures, and future Multiverse Pasts.]

Pretty ridiculous – but I suppose such unTruth and inJustices will be invisible to many.

.

This Female-Evil is clear, and many of us have suffered and some have Awoken, and realizing the mind-soul Raping evil is Satanic, and like those Septic Poisoning done to us actively by many older powerful women (see above morning meditations write-up) it is easy to consider the death of all supporters and those pushing such evils be a sad but maybe best .. if God struck them all dead we could have a moment of silence before the dancing and pissing on their graves and perhaps Looking at all the older women and mothers and family Witches wondering how long more their Cursed Breaths we must continue to suffer ..., ..
