Good Sunday Morning,

May the Spirit of the Gospel and the Holy Word be Always on our Tongues, in our Hearts, Minds, and in our Hands.

Holy Virgin Mary and All Saints - Pray for us!

Index Number 1803:

[It is Sunday morning again and I must stay on a

schedule to be ready for ride to Mass, and afterwards will very likely spend time in our monthly coffee-hour event and not return until sometime early afternoon to finish any unfinished aspects of the publication of this. Your pardon is appreciated.]

This morning's prayers and meditations cover a number of groups of topics, and by now much has been lost – which is normal – only to come-back in full at some later prayer and medication period to be added-to or filled-in, as if loaded from some secondary virtual storage.

I mentioned in a recent post about how I felt this process I do regularly not only leaves a good useful trail of improvement and development of working theories, but all so in the meta aspect the actual improvement and refinement of communication and argument (proof reading, grammar, spelling mistakes aside – of course) and such is something that would be valuable to any student – whatever age.

The 'Public' aspect of it – with some discernment – forces social limits and also give the opportunity to work on modes of expression to touch different audiences .. all such is useful for all people at ages and writing skill levels about .. 8 years old .. and much better use of time then most '<u>*TikTok*</u>'

although I do not want to suggest I have not seen some powerful and effective TikTok videos – as a tool it Could be more widely used for social and personal positive advancement – as long as our Satanic Overloads allow

.. China down-to local Internet, Phone provider, Banking system, .. all of which have sown themselves to be worse then unreliable with a government court and other Institutional system that is controlled by the same Golden Calf Satanists and refuse to function in a healthy manner – sacrificing Truth, Justice, Order, .. in what seems clearly Goals the happen to destroy Faith, Hope, Charity, Truth, Justice, Order – with the normal system so filled with Female-Evil Sickened insane (baby-murder is insane) people that the Satanic top 3 levels of each system is free to spread horror and evil everywhere.

My intent was to mention this SubStack and - when the Satanic Witches allow – Facebook routine documentation and advancement of Ideas and Concepts I am doing here is something I use to do in a much less formal way with friends in early public school and older – unfortunately now without their direct feedback which seems to be not allowed or suppressed in this CntHell of Horror – yet I hope I have turned that to advantage as I have had to make Model Avatars of all the people I have every been personally connected too and Write to Them.

.. And so have 'replaced' the real living human people I used to have access to - the personal friends and mentors who now seems to have been replaced by AI Bot directed Demon-Manipulated Human forms pushing insanity and horror in general (except for the rare few that collect in some locations like in the Traditional Mass settings.) That general replacement seemed to dominate a little time after I started to work as a young man in the University as I tried to be hired from Work-Study to Staff and was noticed by the HR Witches and others – is as near as I can tell – who first threw-away by application and punished and required my Supervise to Apologize for not hiring some nonwhite non-man non-Christian-national-stock nonmeritless non-vicious-virtueless-vile-cnt to Poison further the howling Nightmare that many previous Witches and there Minions were spreading throughout Universities in the 1980's and spreading throughout and Poisoning Western society from there

As I was saying .. Some of the Glorious Potential of this process I am engaged with – although unequal to it's full Potential – was Glimped-At early in the start of Wikipedia, and I was so excited by it.

Like Google which originally was meritorious and used the peer-review citation model unsuppressed by mind-Raping Witches and Golden Calf venture capital Satanists it became the Standard and achieved Monopoly – like YouTube, Twitter, Facebook, .. all to then be Poisoned and Poisoning and causing what would have been near perfect Central location – Howled-Out in the evil for the creation of other forms often better because later generation improvement but the deConstruction of the system – no longer Central public-square like the concept of a Public Library – instead we have needlessly except for the insane evil policies under public resourced dependent and superimmunity .. we have a huge number of separate private libraries each reflecting the often twisted brain-F-ing cnt-policies and-or requiring some hoops to jump to start and-or to jump in every interaction.

I realize something was clearly wrong in general when <u>Wikipedia</u> was being actively demonized by media using Educators – Educators!

When such a system could and should have been embraced by them as a Tool .. assignments of adding to topics and entries from any and all subjects .. and eventually likely Lifelong Ownership of those entries and topics being clearly the way to use such .. not attack it because of some potential abuse to a model they too sadly retarded and lazy to change .. remember women with the Vag-Hive mind then dominated by destroying and driving out men in Education has become the norm, and the first Fart knee-jerk vomit that comes from one spreads like a virus and each then become unable and unwilling to change it – some Satanic Witch passes on what her-his Vagina-god Satan pushes and it become the unendingly pushed chunk-of-evil-Turd that ocupies most of modern Western womanhood's mentorship – soul sexually mutilation howling-(functionally)-evil Septic Vomit all why say and perhaps insanely thinking '*I am* Helping!' and '*It is because* I care!' ..

.. all while being uncorrectable at first because not enough men around to bring Sense and Perspective, and because every Turd (idea and VagFeelie) from such vomiting sickening baby-murdering horrors can not be countered by a man .. and few women will Stand against the Vagina-god directed Witch-Hive-Mind.

And since this is clearly – to all but the evil-Blinded Demon-Oppressed - a Witch-Matriarchal local-to-worldwide system of mind & gonad & Faith & Hope & Joy crushing and soul mutilating CntHell .. which suggest that the Goneness of every older women from power is needed, with those the display some level of Virtue as practiced and then some kind of usefully applicable skills and merit be brought back into society as something other then a Demonically-controlled souldestroying screeching horror .. and I am sure that if God sent a real Plandemic that mass killed every women within or entering menopause that acted anything like our normal modern Western woman that soon men and younger women would work together to prevent such howling vileness to be standard in development .. not torturing-to-death their babies or mind-Raping children and themselves might be a good spot to start .. and ending Birth Control – although being more esoteric then the average intentionally retarded person is likel to understand and-or the grasping hedonistic soul-destroying virtueless modern Western (Sicked) person would want to entertain .. to go against the 'god-of-Spread-Legs' that their Vaginagod Satan pushed to drive Hell-on-Earth and Sin, Suffering, Ignorance, ...

(Thought experiment – what would you change if you Loved women and wanted a reShape society so that most or any would die at menopause when now most become Septic Satanic Poisoning vomit-spewing Horrors?

.. note the effective use of Truth & Shock that emphasizes - and that brain-raping Witches would ban this over – and their minions and retarded [adult] children would use as an excuse to dismiss?)

But like Google, YouTube, Facebook, ..., Education, Research, Religious Apologetics, .. have all gone the way of Servicing of Satan .. and with the generational Fatherless Witch-mother retardation and soul-mutilation from crib only a small percentage of people can Look at Wikipedia – for example – and see not only a huge expansion of on-line information and a near religious order of husbandmanship of Truth in population possible – but is likely to instead be programmed with the Media Pushed Demonic-Objection of '**Plagiarism!**' and such .. Septic-Vomit Poison that only now is of Service as an example as I do here in seeing The Pattern that Female-Evil uses, and has used from crib and media – telling you what to think and limiting any information to shape that Brain-Raped evil and destruction of Potential and Goodness.

I also realized at that point that I was being actively Suppressed on-line as my suggestions were never even heard – except those I talked to in person who were very interested if they had some connection or interest in Education – indicating that like many good ideas today suppressed – would spread and be discussed.

.. of course a while ago I found with many already know – the Witches funded and directed by Satan have complete control – and any additions that does not support or expand existing lies or other satanic aspects will be refused .. for me it was the attempt at adding a drug-reaction I new about but was missing .. added with good references. I did not need to spend any more time as my experiences as a young man at university without direct local Witch support would be crushed and ignored automatically, which that was clearly the case in the now selectively-evil supporting corpDragon that mirrors womanhood today – if you could remove the hyper-empowered Demonic-Controlled festering evil – they would once again be people that you & society find not better they Gone. *May this be a Blessing to you and us all.* [And all our Futures, and future Multiverse Pasts.]

Okay – **out of editing time** and have to start publishing. Almost no comments on these good [looking] videos and article; ..

Image 'gender studies' and all other subjects instructed by people other then brain-Raping howling-Witches and demonic-controlled minions!

Because this girl is white, she was beaten unconscious by blacks. She then committed suicide because someone called her racist. The media ignores the truth about race relations in this country because it makes people uncomfortable.

• • •

This is the end result of anti-white education. Kids are taught in schools that white people are bad,

they are the most evil beings on the planet. Black & brown kids are convinced of this because it explains generational failure with the bonus of no accountability and they inevitably seek revenge.

The white kids are overwhelmed by white guilt and believe being labelled racist ruins their life. Blacks then beat white kids for being white, call them racist for reacting to the abuse and the white kids ends it all or they turn into victims forever and are ostracised until they leave school.

Teaching the holocaust this year has been an absolute nightmare.

I don't know what happened since covid but like half of my 8th grade boys think it's funny to say things I never would have expected to hear from someone their age. Why do they think it's ok?

We were watching a scene from Schindler's List when an African American student loudly blurted out "bruh Hitler was awesome" and the entire class thought that was hysterical. Another student called the movie "basically Jewish propaganda" because the director Steven Spielberg is Jewish and another student agreed. I had to stop the film to give a lesson about basic human decency which a few students resisted. I've heard everything from "Hitler looked cool" to "Jews actually do control everything" and multiple students actually started to debate if the holocaust even happened. I was dumfounded. Yesterday some students were laughing at Hitler quotes and saying they were "based" or true. I'm terrified for our future.

A Diversity Consultant making \$275k per year was just laid off from their job. Their job was to identify if potential employees were male or female and also what color their skin was. The market is healing.

I was just laid off from my job as a Diversity Consultant at a well known big tech company. My job was to identify if interview candidates were female or male, and also what color their skin was. I made \$275k a year bc I have a master's in Diversity & Gender Studies from Harvard. I don't know how I will ever make that much money again.

THIS IS THE BELLAMY SALUTE, THE ORIGINAL FORM OF SALUTE FOR THE "PLEDGE OF ALLEGIANCE." HITLER IN FACT TOOK THE SALUTE FROM AMERICA, AND AMERICA ABANDONED THE BELLAMY SALUTE AFTER THE RISE OF THE NAZIS TO DISTANCE THEMSELVES FROM THEIR OWN CREATION.

FRANCIS BELLAMY WAS AN AVOWED SOCIALIST WHO WROTE THE PLEDGE OF ALLEGIANCE TO SELL FLAGS TO SCHOOLS (HE WAS A FLAG SALESMAN), AND TO INDOCTRINATE CHILDREN WITH BLIND FAITH IN GOVERNMENT. SO REMEMBER THIS, WHEN YOU SUPPORT THE PLEDGE OF ALLEGIANCE, YOU'RE SUPPORTING SOCIALIST INDOCTRINATION OF INNOCENT CHILDREN.

The fact that millions of schoolchildren require medication on a daily basis so they can more easily assimilate into the culture of public schooling does not mean these children are damaged. It means something is very wrong with the whole idea of schooling.

One of the weirdest mainstream political beliefs is that secretive government agencies who did evil things in the past just don't do evil things anymore. This belief is based on literally nothing. It's believed because it's comfortable.

When you ask your Mom for McDonald's and she says We got McDonald's at home

EVERYONE WHO PAYS TAXES SHOULD ASK THIS QUESTION.

Why am I paying TAXES on my wages? Then paying sales TAXES to spend my money. Then paying income TAXES on money they already TAXED and paying property TAXES after I already payed sales TAXES on said property?

And you wonder why politicians on a public servant salary go into office with humble means and ending up millionaires.
