Good Tuesday Morning,

May the Spirit of the Gospel and the Holy Word be Always on our Tongues, in our Hearts, Minds, and in our Hands.

Holy Virgin Mary and All Saints - Pray for us!

—

—

**Index Number 1917:**

—

In this morning's prayers and meditations I found myself Reflecting on what is Sane & Rational, the damage of our souls required and the levels of that damage needed to function under greater and greater levels of anti-Rationality, and similar.

I have been writing that killing our own babies and raising our children to accept such as normal and pretending and eventually being so damaged and soul-mutilated as to feel that killing our babies and allowing other to do so is acceptable .. that such is Insane. I was and am wrong because 'Sanity' is defined by the majority.

It is true to say that t is insane by standards that existed when I was born and that normal people – religious or not – were raised to throughout the extent of Christian and Abrahamic religions and the Relationship and Acceptance of God and man and such Laws made formal in the 10 Commandments – but much before then, that no society that accepted the Golden-Calf Vagina-god Satan and Her Sacrament of baby-murder did well except as a secrete powerful element that opposed all Goodness Truth, Righteousness, and Order and Repressed Love, Mercy, Charity, Faith and Hope – and Profited from the Sin&Death Rotting Fruits of such, the Powers that may be Gathered through such which our Science is only slightly aware of, and would be more but such is actively repressed as such gives insights into why tortured-to-death babies are so 'useful' to such Witches – the neural interconnection between the Multiverse and opportunity to know some of the likely futures, and such.

There are many real science experiments that show such - although when [rarely] discussed those implications are studiously ignored .. the tests of pre-cognition which show that under lavatory conditions and repeatable that people know the outcome or an event start moment before their senses and even the most direct neurological pathways can respond, indicating that we are each actually a

multidimensional being that extends across many very much the same and continuously changed realities – and as many religions profess before this and other science result shows – we are interlinked between each other in much the same way as we each are continuous across many slightly different Multiverses.

These conclusions are a little of what I have drawn on in my Model of the Holy, my Apologetics using what is know about science – if much has been repressed. And this is a Reality where Satan did not actively Rule and Control .. the Vatican II would have resulted in a Collage of Apologetics and drawn from Science and such experiments & results would have not been able to be suppressed.

Alas, Babylon! She will continue to Burn and Smoke and Screams will continue and spread through womanhood and mothers will continue to destroy our children and all Goodness, Life, Hope, Joy .. as we see She does with greater speed and power every Generation, while Witch-Casting Spells to make us believe if Jimmy-the-Janitor and similar were thrown in Jail for Her crimes that tomorrow will not be as Hideously worse then it clearly will be by any rational evaluation.

—

Which brings me back to the Insanity verse Rational. Since today we truly live in an Insane world by the standards many of us older people were raised by, but is normal and so 'sane' – we must use Rationality as our Standard. And Imagine with me the level of anti-Rational and cognitive crippling that is needed to somehow justify raising children to be acceptable to hire 'medical' Witches to torture their babies; sons and daughters, and our grandchildren and fellow national citizens to death on the whimsical desires of the female of them ..

.. the sexual chooser who otherwise might make a young and mid-aged life Lustfully for sexual ad other power repeatably jump from sexual encounter to sexual encounter and then murdering the Holy Dignified Product of such activity, and although such sound ridiculous it is exactly the life many of our daughter do, with the active support of us and the males who exchange the Holy enSlaved Entanglement with the murdered off-spring (in ways only those seeking insanity might venture to deeply look into in religious terms.)

—

Imagine the damage that we all must be under where such a situation is acceptable and seems and has seemed 'normal' and that world-wide Demonic Oppression we all under gives us a glimpse into many of the worlds and our own problems and the continuation of them despite some pretty obvious solutions and first steps – often many of them are immediately bringing of betterment yet we all – society and worldwide seem [Fungally Female-Evil Strangling] entangle with them as if they are a stone wheel and we being held at bottom of lake attached to it .. sure we [individually or as a society] can slip the noose and swim to Live but seem under some kind of spell of anti-Rational Oppression .. sure the house is on fire and I can stand-up and walk out yet there is this reason and another to stay with my coffee at the table and after all no one else seems to be leaving – perhaps the visible flames and the heat of the engulfed walls and the increasing smoke is only my imagination – that is what the others are saying and the TV says ...

—

Exactly how broken must your own rational abilities be to accept the whimsical murder of you unborn children, or the clear and growing other inJustice standards – fatherlessness, livelihood employment shipped over seas actually using you tax dollars to pay those companies, the active destruction [and risk to self and those close] of stating true or arguable true or defensible potions and statements, or allowing those powerful who by any true Rational measure Hate us and seek of death of us and all found genetic lines (Genocide)?

—

Since we have in my previous writing shown that many bits of information that is true and significant for us all but goes against the Satanic Witch Powerful controlling our society and every more suppressing and killing us .. that such information or points of view are quickly forgotten, that you may make some effort to link to topics such information .. anything to do with the Sacrament of Golden-Calf Satanists aspect of Their Religion that became Law through SCOTUS against all Rational application of Law to that point and since .. that you link any consideration of Abortion with the Repression of your and the world's Rational Ability in some aspect – say in the insanity in any standard pre-Satan Power over Nation and World – of raising children to be able to do much worse then when they reach the age of sexual maturity that they might go out and buy a kitten and-or puppy and play with it and then when done and before needing to feed it – take to a local Witches home nearby in every neighborhood and the hang-around while the kitten or puppy is gagged or voice-throat cut and then the puppy or kitten ripped apart while still living, and the Witches get to keep and perhaps sell or eat them.

Imagine raising children to accept the ability to do that to a baby, and raised to expect to support others in doing so .. and with that consider the broken minds from crib – Fatherlessness, repressed rationality and active support from every major institutions and those the 'oppose' such as Church had long Coined countless souls including own in collecting resources and diverting them from more effective ways of fighting such evil and insanity – to actively prevent any opposition to Satan and destroy fresh hopeful volunteers and those expecting and hoping to make a difference – the Bishops and others actively destroy any effective and active advancement (think of the numerous active attacks of Rosary effort by some Satanic clergy)

—

I hope this has given us more to consider and push-back against the World-Wide and internal formed Satanic Demon that is Oppressing of Rational abilities .. if you Repent and Seek Truth (God) at the least your ability to use your Rational God Given Talents and Abilities will return .. such has form me, and the Holy Clarity that follows – with Holy Mother Virgin Mary's Sacred Heart to Comfort – is .. is Infinite.

I Invite and Recommend it – especially if you seek Holy Meaning and to Fight Dragons and Adventures that Hell and Heaven are in Balance for. Many [young] men would greatly enjoy such for it's own Sake, I know – and to do such for the souls and Salvations of self and others .. Well, is that not enough already to Choose such?

A Protestant who argues against Trinity – good to consider and meditate on.

His arguments about Trinity generally are the 5th grade level '**3 is not 1!**' but often there are points to consider mixed in. This one is mostly about who debating theology is not useful and can drive some away – that often debaters have Pride and Ego. Not his best but there are references to his debate with Dr. Micheal Brown who is a Jewish convert and focuses on converting Jews to Christianity – and I have followed and very much value Dr. Browns work .. even as a Protestant he does Service to God & Man – he is twisted in his support of israel as connected to old Israel and if israel were not an expression of and some of the the Arms and hands of Satan with 'Nationhood', and is not the oldy one who's Rationalization still too Damage to see such Clearly – **God Bless him and us all!**, ..

I have not yet watched this but plan too – Rosanne is hilarious in interviews. I have seen at least one other and she is the kind of person you could easily pay to listen to her just talk .. I expect this will show-up with Malice especially!

I listened to enough so far to be sad how twisted her 'Jew' attachment and all the Narrative has warped her – Micheal already has displayed the kind of retarded mind-raping victim where Blind of the Golden-Calf [murdering enslaving Witch Talmud] mind-raping 'Jews' for whom regular Jews are a slightly different form of Cattle that is handled slightly differently – as evil-Tools to be used differently before sent to concentration camps to then use their deaths and pain to warp further others.

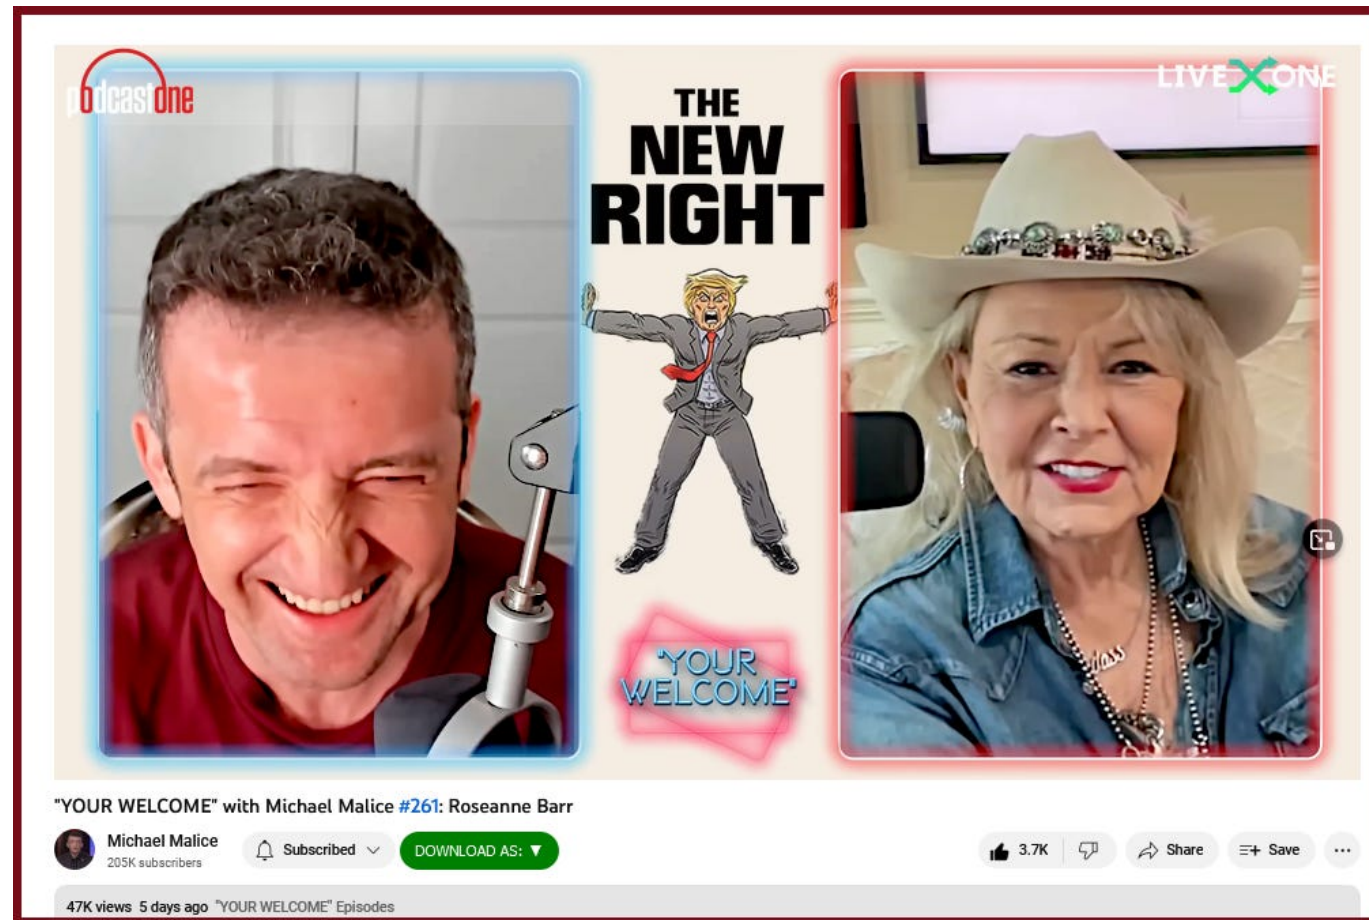

All that said – still some great points and perspectives .. watch Critically and enjoy!, ..

Some are arguing that the pretend 'Free Speech' of twitter is motivating YouTube change. These are window-dressing of course, in details it is a coat of white-wash over the rotting mind-raping Freedom-to-Hear Witches that is controlled by those that Hate us and

want us murdered before birth, suffering endlessly every waking moment when awake, confused, sin-filled, sickened and enslaved by Usury Dept, Medical, emotionally, .. Enslaved by the institutions that Hate us and want us suffering, where Elon and such are Golden-Calf Venture-Capital Satanic Witches and minions of such., ..

Good overview of history re-write for things within our recent memories – imagine the Lies and warped information and History from distant times like the white men [potential] fathers and Protectors of family, nations, Church, .. Genocide in the murders of Civil War, WWI & WWII and most still believe that Assad gas attacked own people and somehow the broken rationality of the active lies of the related UN groups that reverse the expert findings and media pushes the Color-Revolution and gov overthrow Blue-Helmets and our arming of Terrorist groups we were supposedly only recently fighting – with israel providing medical and arms along with this GreatSatan ..

.. and how insane is Trusting anything related to the Narrative, when 5.7 Millions of undead showing up in 1960 from WWII and the 5 unDead police from Jan 6th still walking and haunting us all.

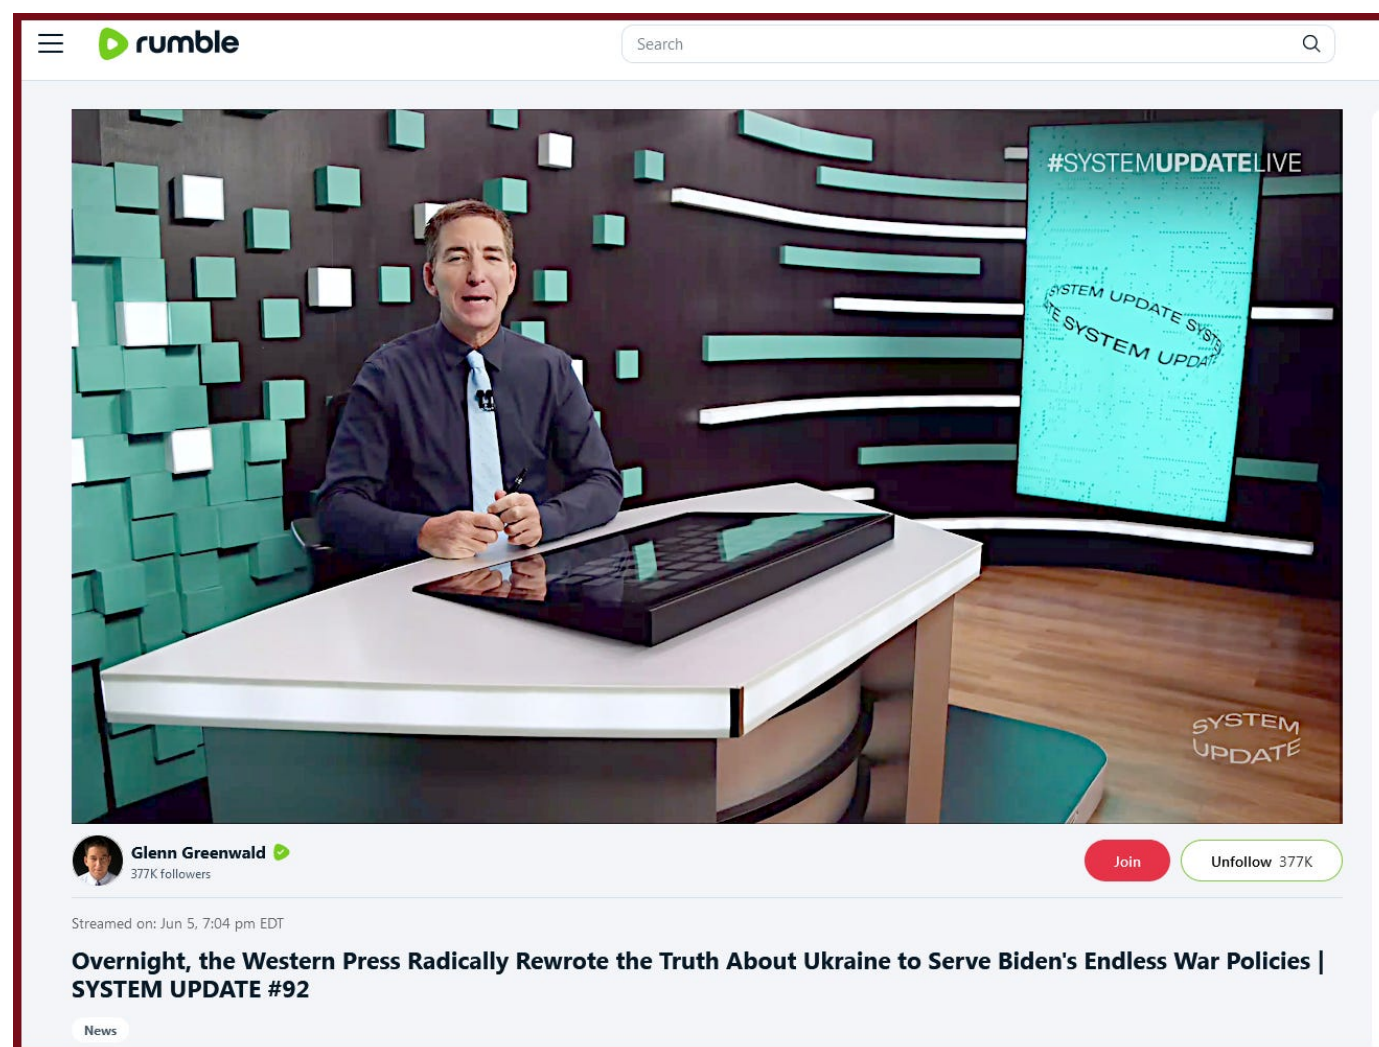

You either know and can remember this or are two Demonically Oppressed to be fictionally human yet., ..

## Time | Subject

[00:00](#) - Dr. John Vervaeke and Guy Sengstock delve into the transformative nature of dialogue in cultivating wisdom and collective intelligence:

<https://circlinginstitute.com/circling-dialogos>, Archived: <https://archive.ph/ecNXG>

[07:09](#) - Shawn Coyne is introduced; he brings to the table his 30-year expertise in book publishing.

[09:00](#) - Shawn shares the profound teachings of his book, The Story Grid, illuminating the structure and function of narratives.

[11:30](#) - Shawn expresses his fascination with John's work on the meaning crisis, leading to their professional collaboration.

[15:28](#) - Delving into how stories allow us to share experiences and construct a mutual understanding of the world.

[17:43](#) - Discussing the role of stories in facilitating effective communication and coordination in response to change.

[19:13](#) - Shawn sheds light on common misunderstandings and misinterpretations arising from mistaking parts of a story for the whole.

[21:44](#) - Stories as adaptive responses to change are explored, revealing their potential as simulations of reality.

[24:00](#) - Shawn highlights the pitfalls in storytelling, where people often mistake parts of the story for the whole.

[24:44](#) - The role of ideological possession in creating overly ordered stories, leading to misconceptions, is discussed.

[26:06](#) - John argues that a good story should enhance cognition to help people grasp the complexity of the world.

[27:30](#) - Shawn explores how stories can shape reality, with examples from popular culture.

[28:30](#) - Analyzing popular storytelling trends of dystopian and superhero-driven narratives in the past 10-15 years.

[30:07](#) - Shawn emphasizes the need to consider the audience's experience when creating stories, aiming to entertain and provide a cathartic experience.

[33:23](#) - Highlighting the crucial difference between complex stories and those that are ideologically driven or overly simplistic.

[36:18](#) - John engages Shawn in a discussion about the distinction between complicated and complex stories, and the "trying not to try" concept in the creative process.

[38:00](#) - Shawn emphasizes the criticality of embracing process over formula in writing and storytelling.

[39:24](#) - Using the analogy of Muhammad Ali's fight against George Foreman, Shawn illustrates the inherent complexity and strategy in storytelling.

[43:50](#) - Shawn discusses the concept of storytelling as a heroic journey, where the writer must undergo a transformative process to create a compelling narrative.

[55:12](#) - Shawn highlights the current gap in storytelling: the lack of a coherent narrative theory and its perception as an art, not a science.

[57:11](#) - Proposing a novel perspective, Shawn argues that using complexity and cognitive science can enhance our understanding of stories and their functions.

[58:10](#) - John appreciates Shawn's innovative approach, suggesting a future discussion to analyze popular stories.

[59:01](#) - Shawn talks about the value of analyzing masterpieces to understand how expert writers craft complex stories.

[01:00:00](#) - Shawn shares his ongoing project, analyzing The Matrix and its relevance to contemporary society.

Here is another of these. As I wrote – these are a good example of what many might consider doing especially if and when studying a subject .. ideally we all should have been adding such and maintaining in Wikipedia and in Realities where Golden-Calf Venture-Capital corpDragon Satanic control of that, Google, YouTube, Twitter, .. Big-Tech as well as all connected Sicken Western Institutions and gov .. such could and would normally have been a fantastic source that most thinking people would be directly adding too and helping each

other through.

What else can you think of that the broken Rationality that occurs to allow Baby-Murder and Birth-Control womanhood sickening and destruction of children, Fatherlessness, .. slide into Vagina-god Satanic Cnt-Hell?
