Good Thursday Morning,
May the Spirit of the Gospel and the Holy Word be Always on our
Tongues, in our Hearts, Minds, and in our Hands.
Holy Virgin Mary and All Saints - Pray for us!

Index Number 2186:

Strange dream of living in a monastery or similar and being woken-up
by our [old] Bishop (who has advance and moved away) shaking-me
and others in their Cells – I assume – because there was a lot to do to
prepare for the National or International Catholic conference we were
Hosting, and we all had jobs to complete to get ready for it.

I was trying to suggest that the children that people brought for the
Conference would enjoy a project of building a model of a water-front
on the beach of the lake out of rocks and sticks and legos and such ..
when I was an older boy their was a small lake that was spring fed –
the water ran into the lake and I could and did get many or most of
the kids to join-in trying to hold back the water from entering the lack
by building a dam out of rocks, sticks, sand, dirt, and would become
impressive engineering project .. I suppose I was thinking of that,
perhaps I was responsible to putting together such entertainment
and projects of the children that came along with parents to the
week-long conference.

I remembered some of my dreams from the morning before, that my
room was an Octagon shape that was a few stories up in a tower like
part of the house, where all the walls had windows except one wall
that was the door to the spiral staircase – I always loved spiral
staircases, how whimsical!

My younger brother and I where mid or late teens and would go out
with a BB-gun each and fight our neighbor kids – sneaking around
the woods and shooting at each other (with eye protection – likely)
and that was a regular weekend activity.

There were a lot of other aspects, but that was what I recalled later
yesterday and this morning.

The sunrise seems significantly earlier this morning – I did sleep a
little later but it is more then that – the days are lengthening quickly –
we must be near the time of year the rate of change is greatest.

I have been re-listening to Dean Koontz's 'Frankenstein' (Archive:
<https://archive.is/5Q3Ry>) series – recall Victor Frankenstein is the mad
scientist and not the monster he created. The book series has a twist
in the the Scientist is the evil man and the monster has changed over
the centuries and is not the Hero, or at least the Conscious of the
Stories, and comments often because of examples he comes across
on how the debasement of humanity that the Scientist does seems to
be limitless, brains in a tank to function as a secretary, his new 'race'
are locked into endless hopelessness and sterile limited emotion so to
be better slaves .. I though how much like Usury enslaving baby-
raping-to-death genocidal Talmud-Sickened Jews and their sick
enslaved minions fit this level of evil.

Like with Womanhood – allowing them to become so soul-rotting
Sick, immune to responsibilities of their evil crimes able to destroy
people and murder babies and husbands with other women and
Jewish-directed LawFare courts and society support, I wonder how
much the world now hates Jews .. it is not hard to consider a day soon
when no Jew will be safe, killed in the streets because driving them
away when their Poison became to great as 109 countries had tried in
history only postponed Satan's rise and Hell on earth that we have
today. Death as the surest Justice – them and all adults in family not
Repented and Converted from Vagina-God Satan worship and
following.

It is sad to think that perhaps such futures where post menopause
women and non-Christian non-Islam Jews are all killed for the safety
and defense of us and Future will be a reasonable and understanding
position – and perhaps Celebrated for the generations that baby-
murdering Talmud-Sickened Sickness still exists.

God Demands Love and not Death, and it is Loving to warn and
openly discuss that the death of all genocide supporters – baby-
murdering women, Zionists, Jews and other where neighbors and
others are less then Cattle and if they could find a way would force
endless suffering and horror into them (us) and out families and
future generations for the dollars and power, as they do and have,
murdering those whom otherwise they unable to evil-Profit from – a
level of Female-Evil that womanhood has mostly fully absorbed in
their often Sick rotting souls but with a more direct sliminess
manipulating version, a Male Satan – so good to communicate that
their deaths would be a benefit for us all and the world is something
that should be considered a Goodness – a Loving Correction.

Some things to consider as we hear another genocidal-supporting
delaying lie of a ceasefire on Monday to quiet everyone again,
allowing another 1000 murdered family members in Gaza and
bringing us closer to WWII in defense of Satan and Hell on Earth –
using our public resources, taxes, once good Name in this GreatSatan.

What! Ceasefire and humanity-aid fell through again – what a surprise

.. perhaps we should discuss the value of powerful Zionist hanging
dead on every major street over the corpses of their burned to death
Witch mothers and other Satanic older women in families and social
groups.

Saint Fulton Sheen, and all Saints of the Day – Pray for us!

May this be a Blessing to you and us all. [And all our Futures, and future Multiverse Pasts.]

One day I realized I was functioning as a 'Canary in a Coalmine' when in comes to Just or unJust Multiverse Paths.

With a very long track records of decent successful Christian lives in decent Places, a stability that requires insanity and (functional) destructive Hate from mothers and Witches to go off-track – like this F-ing Nightmare Female-Evil Poisonous Hell – as an indication and measure of how much Mercy many should receive., ..

Something is going on with GAB – the place I grab all those memes I put in SubStack version of this Daily Journal. Looks like GAB will require a professional (paid) version to post memes and such, so many will of the regulars I draw from will – like me – be unable to pay, so they may dry-up and my Status version will likely end there also. I do not know the details – perhaps GAB will still allow one or two per day without a Pro-version, but that is likely me making more sense then this world can expect.

Anyway – I'm a but sick of the lies the GAB founder's and others make of 'free speech' when I have clear screen shot of a link to a publish paper on Covid-19 being refused by GAB, and I have run into weird AI-Demon problems when discussions of Jews mentioned, as well as other times that I have not figured out – except possibly as a bug or abuse.

The best part is it will be one less place to update when I cycle through updating and completing URLs as part of the 'book-keeping' completeness – allowing more time for personal life or to look deeper into better videos to include or such.

Holodomor Part II – Jews murdering and Genociding again White Christian men, fathers, husbands, protectors of Families, Woman, Children .. but Jews murdering them and then rape-traffic remaining women and children, baby-murdering GloboHomo israel2 vacation and vacation homes built with our Taxes and public resources after further crippling us and the West but wasting and using such resources for Satanic Evil and destruction of the West., ..
