Do you need a good Talking-At? Well, Here it is then.

I actually agree with most and those other aspects are Right-Directed and may be true.

One of Roy's positive aspect for me is that he brings up good points and contradictions – and more then once I have considered something and later meditated and decided that he has a significant point about something I had not yet thought about or that goes against some standard.

For example - Saint Paul's Roman citizen and so Directed Leanings .. Roy's making some issue about that led me to wondering what Catholicism could [also] have been [and now Be] if Saint Paul had been from a Chinese of Indian Empire and returned to Convert them, or we had a Modern Saint Paul that carried such There today .. what could our Mass be like – besides the Language differences, of course – and Still be a Reflection of The Church Triumphant and Pleasing to God.

Any thoughts on Good variations such might have Exposed?

.. I mean variations that do not Undermine like the Vatican II Holy Ghost Inspired but then Satanically twisted implementations and recent changes that Weaken and Poisoning The Body of Christ on Earth .. not that but something that is at least Parallel to the Traditional or perhaps more like a Messianic Judaism (a Judaism with roots in Jesus' per-Crucifixion period, like original Christians must have Celebrated - but refined and Discovered by Doctors and

Saints for 2000 years.)

This topic I recently discussed briefly in Post, [Multiverse Journal - Index Number 1724; November 25th, 2022, Friday Morning](#), (See PostScript below for URLs) where I briefly discussed the Sacrament of the Marriage Bed., ..

Sometime some aspect will 'Stand Out' – the music has color aspects in my mind .. like some of these guitar-riffs today. And Yes, *I did a drug* earlier at breakfast .. What kind?

.. a double **cup of Coffee!** Praise God.

(I think I mentioned I was Tasked to only drink coffee in social situations – which has been a pretty Loving Cross, it has stimulated a Lot of considerations of not only my inTemperance in coffee drinking, but in other things, and how such that I took for granted now is a special occasion, along with the social plus aspect .. and since I have been busy and not targeted in on a person to have a regular get together in building my last coffee was in after a week – at after Sunday Mass Class. .. An old friend from HS Dorm one year we would get together in evening after everyone was to check-in we would get together in his room an drink 'instant' coffee - water heated in a small electric tea-kettle thingy and chat. 'Will B.' and a character – I hope he is well, along with many of those guys. Matt, Dave, Chris, .. so many with the world ahead and so little of this kind of insanity that modality has forcrd on us – like an Abuse psycho mother to an older child who can not escape – trapped and isolated by Her, a torture toy while screeching '*I am doing it because I care!*'

A recent meme a came across mentioned how close people are to starting to Hang those '*in power*' but I would hope instead that concept that I suggested – if Something like that Had to happen, ..

.. is that Russia because of the Ukraine Globo-Homo Baby-

murdering family-society-women-children .. destroying Color-  
Revolutionary Satanic Horror Threat that this GreatSatan Empire  
has Captured the West under, that is response and with China,  
Iran, .. started collectively working together as Nations at war with  
the Dollar and banking industry using Sanctions as Weapon of  
Abuse, Death, Suffering, .. and War, and an uprising that everyone  
in the West and else-where could get behind.

The Usury Witch families' older women and those twisted Dog-men  
we all see when we see any of them, the sad Satanically twisted by  
Witch mother Venture Capitalist Golden-Calf Satan worshiping and  
followers, and like the Electrical Grid being used by an army  
wagging war against them – the Sanction devices – Banks, etc, .. -  
and those in Real control of those elites everyone would first think  
to hang, the ones giving them the power and the direction all  
hunted down in every corner of the West and beyond, and only  
turning themselves in – get to places to do tit before someone kills  
them – to be relocated into farms and camps and Repentance and  
such would turn them from the constant hellishly tormented like  
they have made most of us .. back into a life not directed by Satan,  
and us not Cursed by them, and the confusion and Witch Lies and  
Spells released and gone.

Nerdy Programming discussion!

(Only those who have serious interest in programming languages need consider watching.)

If a child does not hear a language that uses a phoneme for 'L' between age 6 months to 6 years their mind does not create 'a box' internally and loses the ability to 'Hear' those in language.

This is very cool insight into the human mind, development, blind-spots, and about maybe 50 other significant aspects this touches on – and DANG! it is hard to believe any educated person has not come across this kind of information in any of those 50 ways and looked into this .. did they forget how to Google? – or is **THAT Another Chunk of Information** that the 'Be Evil!' Google Witches decided was 'racist' and so hid? (like REAL Parental Fraud, or False Rape Studies?), ..

Early microscope

Today is Holodomor Remembrance Day, when we remember the countless millions of Ukrainians and Russians murdered by an engineered famine from the jewish communist government of the Soviet Union. In the future we will strive to make more Whites aware of this horrible genocide.

You might not know this but the white suits or extravehicular activity (EVA) are white to reflect the sun and be extra visible against the blackness of space where the orange jumpsuits are for astronaut prisoners who get sent to
