Good Tuesday Morning,

May the Spirit of the Gospel and the Holy Word be Always on our Tongues, in our Hearts, Minds, and Hands.

Holy Virgin Mary and All Saints - Pray for us!

Index Number 1614:

—

This morning's prayers and medications went a bit further and wider than I have experienced in a while, and I quickly jotted down just a few aspects I reflected on that I would like to Testify on;

1. Jesus & Mary, Son & Mother,
2. Truth, Justice, Order as one Arrangement of Masters – 3.1415,
3. Entanglement hang-over and new Days-of-Bread and Multiverse Paths,
4. Satan's rewarding Female-Evil disOrdering and Destroying .. for Profit.

1. Jesus & Mary, Son & Mother

I have written about the Male containing Female, and that Maiden

Mary is Jesus' Female part. I have also discussed that when [ever] Jesus Died [Dies] on His Cross in whatever Jacob's Ladder Level He occupies that He Casts His Female Part into the next lower Level and becomes the Immaculate Conception – the Holy Maiden Mary, the unFertilized Phoenix Egg of God, and the limit to the Depth of Jesus' Fall into total unreason, unTruth, inJustice, disOrder, Chaos, .. into Hell is where there exists no more possibility for a Saint Ann and a society that could raise Maiden Mary.

To expanding this in the concept I have outlined about His Fall .. that it continues except He Casts into the next best – not a Saint Ann, in a Satanic Ruled reality – where she forms our Mothers, and that we sons are no longer The Phoenix that is unchanging eternal Holy Perfect sameness (like the Mathematical Symbol of Pi – better example is the Natural Base logarithm e, who's Purity is maintained in Its derivative) but some degenerated form; Attenuated, deConstructed, Derivated, .. a distorted unPure Mirror Image or Cave Shadow which has been Contorted through many – possibly very many – levels of sinning mothers.

.. and of which when we Die to Cast our contorted Female Part out to next Jacob's Ladder Mother-to-be of ourselves.

That the [family] Demons which were Sucking-on and directing our Mothers at our Conception become the Dominating ones throughout our realities, and like the Parasite Model aspect of Demons I have written about – this continues and grows much worse – Over the Top Bad – until we are willing to Address them and the True Reality of Satan & Sin, and through God become [part of] the Antibody of such evil forces.

I reflected in this aspect to how within the Catholic Church for most and much of the Multiverse the Jesuits are a huge force of Good and Converter of Souls and Worlds, and in this reality they have been warped and twisted into the force of evil within the Church – Not All - of course, please do not distract me with your howling vileness and unCharity.

Think of a large business and you ave a key employee who is very important .. so when he is absent pretty soon things start to fall apart – the proper owner-manager would use these times of temp sickness or vacation to spot the weaknesses of the remainder and to 'beef-them-up' which not only protects the system for absences and improve managers of the conceptual system needs and .. but ultimately make the entire system – other employees or processes Better in general, and if systematically done – that is at every employees of some other key aspect – temp removal – and compensation for, cross training, machine improvements, etc the business – all employees, managers, and the overall understanding is improved.

I see the Holy Simulation Satan.exe as overall finding the Most Significant or Key Significant aspects of our Communed Soul and either removing it – or turning it into an active negative, and thus finding the weaknesses and then shaping the rest to compensate – so one return of 'normal' Goodness – like with the Jesuits no longer Demonically Controlled, back to the Aggressive Holy Directed Army of Pope, the Vicar of Christ, that the 'beefed-up' rest now improved - the entire Communed Soul is Better.

And of course we are seeing what happens when Fatherhood is

destroyed, and it's result to the Sickening of Womanhood and the Hell that Vomits forth from them as they procreate and demonically twisted the children over generations – and the State becomes clearly a force of Satan, along with the creating of the Monster Evil corpDragons, and such .. what better way to come to an Understanding them having to Suffer that feted Septic evil that such disOrdering (Hyper-empowering women, crushing men), inJustice (male-hate and unreasoned demonization, female immunity and uncorrectability, uncriticizeablity), and unTruth (Satan and Sin do not exist, we are meat-machines to torture-to-death and such, without dignity, ..)

—

2. Truth, Justice, Order as one Arrangement of Masters – 3.1415

I have argued that the Absorption of the further Jacob's Ladder Levels – out towards the Paradox of God Dead on His Cross – into Holy Israel, God Kingdom Come, is not unlike the process of calculating Pi using the summation of decreasing series, that if you want the correct digits out to the Nth place that for the Nth place to be absolutely correct, you would need to use your imperfect tools to calculate some number of places further – far enough that the errors which exists in those imperfect tools are too small to matter in the Nth place.

I have implied and do Argue that in the Holy Expansion of Israel – Jesus Christs Holy Church – that we extend not less then 3 Levels beyond, and that the Algorithm to minimize and correct for error is that each of those Levels has a [Profane but Holy-in-Training] Master that focuses on one of the Trinitarian Values (or Personalities, Flavors; Father, Son, Holy Ghost), those being Justice, Truth, Order respectively in all the different ordering, with repeats as tests and checks – for example if a soul does as well with one of those levels missing, then it can be assumed that the soul has correctly Modeled withing soul the values and responses – has Modeled The Master in that Personality at that Level.

—

My thoughts came from the direction that not all disOrdering can be considered Bad, when – for example – the Order of Priority [Truth, Justice, Order] and the 3 rd level version – where I exist – displays that there is an inJustice – and makes the correction to Better Justice – a disOrdering occur in that paradigm – a reOrdering to align with the new Better State.

The same for inJustice related to finding and correcting for unTruth, that once Less unTruth is found, both inJustice and disOrder in the old paradigm occurs to bring Better State.

That should be enough of an example to Pass Back to Holy Ghost, and many will get the outline and be able to expand. My Offering - from what I Sifted and Assembled from the Infinite Quantum Mind, ..

.. just a suggestion from within this Day-Dream in this recursive Dream – the male Form of Procreation. Conception.

—

3. Entanglement hang-over and new Days-of-Bread and Multiverse Paths

I Felt some surprise at my recent reflection of the sense of jumping

around the Multiverse Paths, in the Reading of those around me – as well as they might as well be different people as the 'Cave Shadow' they are .. the Kaleidoscopic Projection looked the the person I recently have been interacting with but internally they are only a fractional overlap of them, often some mix of SuperSet and SubSet, but different and a pretty reliable indication I have been shifted .. there are a LOT of signs like that (and not all need the ability to 'Ping' another soul, I use to getting a 'reading' from changes in piles of cloths and other detritus in my area! The Quantum States do not always Collapse to match) as the Holy Simulation can not be perfect to those who know what to look for.

This is something I often think about when I discuss or think about my older employment at UVM and my return back after my job in industry – and the Stark differences, as well as the original employment as a young man and the slide into Hell that started when I switch from my 'work-study' job to the salaried staff position and got the attention of the howling Witches in HR – in Administration back then.

.. and how much better it was when I returned (so sad I was so soul-crippled, carrying such horror and Crosses) the fantastic work and environment – the beginning indication of weirdness was when I was told that I should not bring my dogs into work with me when I stopped in on the weekends – when no one was around – the reason as well as the secrecy of who complained still strikes me as strange and touched on Vagina-god Satan Witch directed and I have never been able to resolve that, and I would generally say that any place you can not bring your dog to is not a good place – without very good reason, like death allergies of someone in same area.

I can spend a lot of time on trying to figure – to square it – with anything that is not vile and evil .. the excuse given and clearly not believed by the person was because groups object to dogs being used in science (which I do not disagree, the intentional prolonged torture of beagles by Satanic Powerful under some excuse recently in the news comes to mind) that someone would see me going in with my pet or coming out and .. their tiny evil retard brain would do something? .. and they would .. do something?!

Sure. Whatever.

What other [forced] lie will follow?

I felt and feel bad – as I am sure he had no choice. Someone 'higher-up' made a request.

Why? Did the dogs cause a problem with the Witch-Spells that were throughout the place?

Or would they react to those who would normally be able to travel unseen and unnoticed, the demonic horrors the haunt the place sucking of the souls of those enslaved? That have physical forms but otherwise with a world or device will make you forget they were there and the time spent under there control, and the dogs interfered with that? .. one can wonder.

The man who I respected clearly did not believe the excuse either .. and since on the weekends almost no one was ever around .. yea – something Satanic and slimy and likely I missed some significant Shift towards Evil, a Multiverse Jump that I hope I would not miss today. The place is jammed with Witches and those in real power are [almost] never those who hold the top positions.

—
Back to entanglement - things like unforgiveness .. in the Jumps if you stay entangled (and enslaved to a demonic-anchored State) you can end-up acting unJustly towards other – that might be Just if the same Day-of-Bread as when they Wronged you – for example.

By Ordering all things with God at top, and ideally all things Ordered correctly, including Passions, that those entanglement should drop away with the 'Garment' reality as we move Day-of-Bread to Day-of-Bread and Jumps though the multiverse .. tapping heals and saying 'there is no place like Israel, there is no place like Israel, ..' and being unEntangled and unEnslaved to Sin – !when that happens! – we will be Back in the Holy Tent, perhaps Holy Israel.

4. Satan's rewarding Female-Evil disOrdering and Destroying .. for Profit

There will be a video I meditated on including and should be below. I watched it last night waiting for the women who was spewing the Satanic Narrative lies to follow with But all that is only the false statements you are likely to hear, the real situations is ..

.. but with a kind of crushing sadness I realized that she was actually not going to do that – besides being to competent, and known interaction with the lawyer who is stating clearly with proof all the proof and reasoning and history as to why the narrative is not only False and unJust, but destructive to everyone of us (and her.)

And I meditated of the sliminess of modern [professional] Western womanhood and the Betrayal and Prostitutiveness of them, the destructiveness of make Grandness and Wonderful Aspects for the pocket change and the vicious gloating unreasoned putrid-soul hatred of others who go against the Witch-Matriarchy Vagina-god Satan Vagina-Supremacist Howling Baying Rabid-Dog female Hive-Mind of Horror that is everywhere and in power .. like the Western [Christian] Values-Hating immanent or fatherless Witch-twisted retard who smashes in the skull with a brick some older white man – perhaps advancing science or philosophy, a Champlain of real positive society change, or even just a father supporting a loving family – sneaking up or pretending to be friends and when back is turned smashing their skulls and future and lives – for the pocket-change.

Female-Evil.

And it is with Sadness that I once again realize that today – unlike when I was young – must assume that every women is a vile lying slimy vicious horror and protect ourselves and others from them, with the rarity is the opposite – a total switch from when I was young – before moving to this Center of Evil, Burlington Vermont – near UVM.

—

I was considering my post yesterday where I made a similar statement without all the 'not all' and other kneeling to the general retarded vicious Witch-twisted cnt minds that we must all crawl-to and never be able to walk and move freely knowing that most people are ready and trained and rewarded to crush our gonads if we do not “pay the Witches' tax” by crippling ourselves every step

of the way .. like when you say or write 'Mankind' and you can sort of hear all the demonic-mother's voices in everyone's head and the brokenness of their ability to follow the line of argument anymore because some are still entangled in the evil and for some the screeching is too loud and they can no longer continue .. and if physically present will have to interrupt or add when done – totally derailing in the Satanic Goal Realization of evil – that most people now say '*peoplekind*' or '*you should say ..*'

—

Recently somehow a conversation gave me a chance to bring up how the #PublicDataBase would prevent what problem was being discussed – that everyone including businesses and those who worked in businesses could have Records posted by anyone they wronged in some way, and that would follow them around (and so it would be the Sanctification of the now corpDragon international wide evil that was once only local Witch-Whisper-Web between nearly and justly powerless vicious lying cunts in gossip, that now destroys entire lives and families and brings death and suicide and murder and endless confused sufferings and frustration – a potentially good argument for some pretty extreme responses for the Satanic Evil festering in every family and every location where two or three women interact and where fatherless dog-males as becoming the norm in the generations of fatherless Witch raised, educated, rewarded, propagandized, .. [adult] children who start puberty more Satanic and Evil leaning each generation ..

.. where was I?

Oh, I barely got out a quick statement which was not even complete – maybe even only part of a sentence – a regular sentence not the 'rambling' ones like above, or at least no much like .. and Oh, why it would not work – even though it was clear she could not have an idea of what it was I was suggesting, nor would any of the interrupted objections be countered with even the basics .. because she once saw a movie where some kind of thing once turned bad – something that might or likely did not have anything to do with my suggestion .. on and on.

Modern Western womanhood. Disrespect, retarded, if it did not come from gov or 'professional' or approved then they will assume – since you are a man – it is evil and directed toward whatever weird twisted horror-thoughts they have been programmed, assume they have some idea of what you say and think, .. and all so hyper-empowered that the howling disOrdering unJustice Lying natural results that follow from them and as a result is all good and that any bad is because of you and would have been worse if they were not crushing testicles and spreading poison and vomit and sickness and ..

.. like an infant-minded retard playing with her own feces. When you start to suggest it unhealthy, she starts rubbing it all over you and the walls – while yelling “I'm Helping!!”

—

Which reminds me – because I did not claw on my knees with 'not all women' and such – I noticed a clear change in behaviors of the women I interacted with and observed .. you see now exists a chunk of writing that they can point to and – disregarding all the rest – knowingly lying – pointing to others and saying “**see this! clearly he is a ..**” women hater, predator, untrustworthy, or whatever. Lack

of sense, proportion, unreasoned inbreed and indoctrinated male-hate and fear, and such does the rest.

May God have Mercy.

What would be a good Cleansing would be if God sent a Real pandemic that killed only post menopause women who were the typical viscous vile baby-murdering child-taking (supporters of) male-hating lying howling-evil vile F-ing cnts that most [who are in power] are, and the Real pandemic stayed around and killed all those who went that way to much once past menopause .. and society make it expected that lying and other typical womanhood allowed sins were punished publicly – and the option for #TaserDuels (as I have outlined before – not the retarded version most of you will assume I mean and so laugh about and deride - you F-ing horrors!)

—

What is clear to me is we have long passed the point were regular conversation with such people is even possible.

.. Leaving only writing where you can outline uninterrupted, and no hyper-empowered screeching vile retard cnt can jump in with '*PEOPLEkind!*' or '*I once saw a movie that showed how what I imagine in my retarded fevered demonic-twisted cnt mind you were likely to say – because I can read your evil-male brain!*' or whatever is the spin of Vagina-god Satan Witch-twisted Demon-leaning thoughts Poisoning them - and so we must Suffer - at the time.

Womanhood .. such a good source for Holy Exercise towards Better Charity.

Sad – like the Jesuits .. once such a source of good, now a Burden and a Cross to Strengthen us.

—

—

May this be a Blessing to you and us all. [And all our Futures, and our future Multiverse Pasts.]

—

—

Here is what I have put together yesterday - mostly – and have not get to comment or even finish watching many of them, but I expect and believe each is worth some attention.

Yesterday's post (see PostScript below for URLs) was linked another good **Viva & Barnes** where Robert Barnes – who Megyn has had on and seems to know pretty well – makes clear Magyns lies and-or incompetence.

It is sad to say, but my impression is she is Sucking-Off Satan's Strap-On and openly lying, knowing very well that she is but 'bricking the scull of an older white man' and collecting what pocket change of 'virtue-signal' and 'going with Satanic female hive-mind' then Standing against such .. pitiful, and typical .. none but a Sainly women will Ever Stand against such odds – and she is being the typical example of why we must all assume these days - unlike when were were younger or lived in a more Just reality – that most [all powerful] women are slimy vile lying grasping virtueless male-hating baby-murdering family-destroying child-taking horrors .. and why not when so many are clearly so.

I have spent time explaining the slimy lying horror cnts that now is contained in [every?] group of 3 or more women working or near each other, back-stabbing howling evil F-ing lying slimy cnts is the standard to expect – inHuman life-destroying (baby-murdering, child-taking, .. typical modern Western womanhood, soul-destroying howling horrors) who coordinate their Witch-Whisper-Web and now is coordinated with the Witch-Matriarchy.

Life destroying horrors that men who are being targeted have not idea, unbelievable if you told them most would not believe such evil horrors are all around us - and if they did realize the years of life-twisting horror, with no possible way to stop or recourse – will be attacked if they try – which the only recourse is to quietly kill them – to prevent them from continuing destroying other's lives .. killing may be Just .. but would be Wrong. God Demands Love and not Death, and Demands better.
