Good Monday Morning,  
May the Spirit of the Gospel and the Holy Word be Always on our  
Tongues, in our Hearts, Minds, and in our Hands.  
Holy Virgin Mary and All Saints - Pray for us!

Index Number 2204:

This morning I spent some distracted time from early waking thinking of the Jew-Managerial Class I have worked under and how the 'Fat' of the success I was a large part increasing was poorly shared, while the manager of a different religion married and had two children and if such people were in anyway benefactors such as a Christian would likely have been, that my continued poverty would be a source of Shame at worst and at best the sharing to help with resources to find a mate and start a family – in the kind of Celebration of Life, Love, Joy that I had naturally directed to my manager in his overflowing Wealth of such, not realizing that some small part of it was my Wages withheld and stolen in most Justice standards.

Of course the Religion of Money, and sucking-life from indigenious peoples that they will always not be part of Leaches from Hell with a goal of not only sucking all Fruit that was generated but the starvation and Sickening of those under their control and authority.

We see this in the taking of Palestinian's land – a place where Muslims, Christian, and Jews lived together in peace, and the murder and torment and abuse and scrapping life from them while spreading like a Cancer, as all Talmud-Sickened Jews strive to do – all under pretending it is only the money, but that like so much we see around us with Corporations & Federal Gov that are active in genociding white Christian men by preventing them from employment and collecting resources to find mates and support a family – when such actions goes directly against Sense and Profits, where women and minorities are trading Gold for Turds when they are hired – vile vicious lying resent-filled walking Sickness – and adding such into any organization when hard working men and [potential] husbands and fathers is irrational and only in Genocidal goals makes sense ..

.. not unlike corporations deciding to push mutilation and sterilizations when such clearly is anti-profit and possible destruction of organization because the Talmud-Sickened and Sickening Venture-Capital Jew Witches, where the destruction of the organization is planned and know from top and all are positioned to Profit from the death, all but the employees and those not 'in-the-Cub' of Satan.

Of course a trade like Electrician would have provided me with the direct link between hours worked and wages and resources, unlike working in the Sciences or any profession where Managerial-Jews control the planned impoverishment and abuse, organized Witches and cnt vile male-hating women Gaslighting and filled with vicious un-reasoned resentment of people to retarded and stupid to be in those jobs and attacking others, blaming others for the fact they lack the merit and competency, and be surrounded by women best dead because they have been twisted into weapons from the crib and their male-hating vicious mothers – perfect to hire and drive away white men, drive away or cause pain and suffering and confusion to men who never been around such vile insane evil cnts .. because most 'professional' gender-studies women are so irrational and vicious and mind-F-ed they are Toxic Horrors. .. unlike such places where the natural work ethic of putting in extra hours and spending time being creative and effective is all a waste as all extra Fruit such creates will not be shared, and soon expected and perhaps criticized when not done all the time.

Interesting that I should basically wake thinking along these lines, a kind of defocusing of the Open Genocide the murderous Satanic Jews in israel is doing now, instead of open murder through West there was a Sterilization and Castration of white Christian men, and virtueless retarded baby-murdering vile resent-filled cnt womanhood with Black Jew-Hearts went right along over the generations – directed like the Bitches in Heat F-ing and destroying and Hate-spreading and murdering .. and rewarded by the Jew-Puppets every step along the way.

Some things to think about.

Saint Fulton Sheen, all Saints of the Day – Pray for us!

May this be a Blessing to you and us all. [And all our Futures, and future Multiverse Pasts.]

Part 2 [Part one included in yesterday's post] of what sounds like a building series on these themes related to the Dune Books.

Those themes from Book that will not be allowed into consciousness of Hollywood enslaved programmed populations – murderous pedophilia [in tunnels] for example as it is widely practiced by our Talmud Satanic demonic-possessed Jewish Powerful and many of their enslaved elites, ..

I expect despite the title subject that there will be something we not tired of hearing about and watching as Soros and other Jew-Puppets walk after clear criminal activity and other constant reminders that the argument of the death of all powerful families' adults would go a long way to cleaning Satan from our courts and other [Federal] systems of torture and abuse of us, ..

With a title like that we might expect great things discussed .. perhaps that Islam is Right about women, but do not go far enough – that women should always assumed to be lying or willing to lie, virtueless male-hating [baby and others] murdering walking horrors that should never have power over others of Believed without out separate actual hard information not Sickened by other women., ..

More on AI aspects .. waiting for them to discuss the warping and retardation of AI to Blind them to race IQ and other aspects that upset their and other's VagFeelies, living life-destroying lies and Cursing all our Futures with horror, unTruth, inJustice, Suffering, endless disOrder, constant struggle against things that make no difference because the Lies prevent all from seeing the clear connections and so solutions to problems may be found – instead Jews and evil others will profit from such struggles – sucking-life from the Strangled Fungal dying society and lives.

My goodness – I laughed.  
 I miss the old Friday and Saturday late night Stand-up shows on cable .. that routine - with a few beers.

Seems like you have to go to UK these days to hear good comedy – more white men comedians over there it seems, and few others are as funny. Men are funnier – it is a sexual attracting-mate trait - and white often skips the racial crap-on white men, and rarely need to go a slimy low, and when the topic comes up it is usually a kind of What the F- we were minding our own business keeping civilization going and the vile women and minorities driven by Satanic-Jews destroyed us through our own virtue and merit, using Satanic power-grab evil .. etc., etc. in a funny way., ..

### Beware The Idea of March, Part 1

**BlackRock**

Blackstone vices cheating with audacious exorbitance, but mostly on the basis of a rebranding strategy by the president and the chairman.

We need to be clear that neither the people who go to Denver, nor the investors they represent, are either communists or capitalists. Neither are they here on Monday or on Friday to rob the cash register of its money or to steal the bank.

their families.

Like my writings about vile vicious lying F-ing recent-filled insane murdering women and merciless minorities I have - and now most white men - have suffered as Curses on Life-Love-Joy and genocide of us - of course I have mentioned a number of times having worked and lived loved and in joy of life in two States around decent human being that were women and minorities of competency and virtue before moving to this Center of Evil - this Hell-on-Earth Burlington Vermont near UVM where fostering evil seems to be in most baby-murdering vicious lying F-ing women after 3 generations of Fatherlessness and mother we all bear the deal as child/birth of their last child - F-ing evil Satanic Jew-Witch Puppets of Hate and fostering Death.

And now each Honor is all through West and world - and I in my confusion watched it - evil-blinded in part from the physiological damage of that Honor of a NEVER, as most mothers are now - best Gone from children when they are 4th YO and NEVER allowed not supervised by decent father or Priest or some man to prevent their evil Sickness that is now womanhood and Demonic-possession throughout West.

But go ahead and pretend I never knew, live, worked-with, loved women and others - because Septic Vomits Female-Evil lies is your willing blind-fold and ear-plugs while your vomits Satanic evil learned from crib and murder babies mutilate children Poison and Curse all you touch and breath on.

Who not publicly hanged to death over the corpses of those horrors that rooked you so badly? Because God Demands Love and not Death - and Saying this and more is Love - correcting wrong, despite all my adult life being punished doing it - is Love.

They are never not designed to keep the public who have been cowardly misled in thinking through most of what is being sold by the politicians - in the pocket full of the Dollars from Alpha School, Intel 3000 was not so much marketing the Democrats with the Democrats for either allowing the scandal or for the understanding of the issue's solution.

Then a strong and strong parallel to some Western societies between medicine and religious faith, to our culture, for pretty much the same reasons - where in Western societies some people show medicine as a child communication with themselves, or as faith that even with the same technology, which is to be said, computerized and generic, where being 'computerized' or 'digitized' or 'networked' or 'connected' is a sign of progress, or a sign of modernity, it is a sign of progress.

The equality or solidarity that springs readily to mind or tongue, this is what the media/WH are pushing off - of the things they want people that attention (which they still do, and should) but they don't want to say anything about the media and their attention) - the 'Warrior' - having long left that line - has been replaced by a more subtle and insidious - and more in regard to representing what the media and the government have done - and should be doing - in the name of the 'Warrior'.

And that is the reason that the media/WH have equipped all these countries with the same 'Warrior' - and that is the reason that you should not be so glibly misled by the media and the government - and that is the reason that you should not be so glibly misled by the media and the government - and that is the reason that you should not be so glibly misled by the media and the government.

Then, what people can see have been thinking for a while now, as the media/WH have made a name change of the name 'Warrior' - and that is the reason that you should not be so glibly misled by the media and the government.

And that is the reason that you should not be so glibly misled by the media and the government.

And that is the reason that you should not be so glibly misled by the media and the government.
