[Posted early morning on GAB]

This morning my Publishing will have to wait until later morning or

earlier afternoon as I have morning Mass and then Breakfast with the men's group that does the monthly breakfast. My ride arriving soon and so must prepare.

I did put together my image last night, and the DropBox URL can get you a peek at what will be presented (some more might be added) if interested.

God Bless you and us all.

.. [**Back from Mass & Breakfast**]

I will add onto what I had already started - to finish it - and then discuss CS Lewis recent interesting point I read.

Oh, I did want to add that my crudeness in [yesterdays Post](#) (Click or see PostScript for URLs) Does make it hard to recommend for others – and I am not sure why I used that phrase and not something less crude, but even now I am reluctant to alter it .. it is the kind of thing that I would say to team-mates as a boasting motivation pep-talk kind of thing, a kind of

*'Here my .. my .. my **Theory** is Bigger then yours, I Dare you to Show Me Better – but Please Do!'*

Now, let me see if I can introduce this concept or Perspective the CS Lewis gave me .. after this, ..

This morning in my Prayers and meditations I reflected briefly on the Joyous Mysteries in the Rosary, and the Birth of Jesus in Bethlehem became significant to my Attention. Specifically the Old Testament Decreed that His birth would be in Bethlehem and so Relativity had been Shaped at that time to have the Roman Emperor Command a Census so that Holy Mother Mary was at that location – passing through – to fulfill that Event.

My reflections turned to how our lives and realities are so shaped, that aspects must come-to-pass and so long periods before in our understood history would be shaped to present them as so, often these are aspects that have no way of verifying but others that are key may be well documented.

Before anyone rejects this notion as Grandiose and too self-focused then I suggest you consider what I have argued my Model

of the Holy allows – that each of us is Loved by God more than all of Creations and everyone else in it. And this is possible because of the separate and overlapping Bubble Realities within the Holy Simulation, and that the sufferings, deaths, and pains – as well as other aspects of others can be Justified in that every soul Right-Ordered and Worthy to Share these incredible Bounties of His Love, Mercy, Charity, .. these Days-of-Bread Must Be willing to Serve God and you when God Directs it, to suffer and die if need be, and we are to Forgive such Trespasses and Debts – if we are to not be Entangled deeply in these – our Sins and fallen nature and not be Forgiven.

So this morning I was considering my Matriarchal Family Demons and the inJustices and evils of the Civil War at and around the time of a great grandmother's birth and her mother's traumatized soul effecting what was Burdened on her and then the turn of the 20th Century and the start of the Satanic Forms that are now destroying our world – the corporations redefined with immunity to the Golden-Calf Satan worshipers owners and directors, and the legal changes towards the Forms From Hell having 'Human-[legal]-Rights', and Usury EnSlaving and enabling changes to Banks and the formation of the Heart of Satan's forms – the Federal Reserve and the Pouring of resources through them into wars and death and horrors, always enforcing the drive of the Federal Government to be even more enslaving and warring and destructive to society, family, .., womanhood and the world.

The crippling of the Vatican and Church Leaders in the loss of Faith and Coining souls for the Powers that Science – replacing God and Prayer – they turned towards, and again the Golden-Calf Satan worshipers in the form of Communists targeting Western society as they were doing before pre-WW2 Germany that was crushed but not in America where they spread into every institution with significant power and now Openly Control Education, Media, Big-Tech, .. the 'communism' and like Feminism was always a Facade of Vagina-God Satanism.

And more, to the point were Birth-control and finally baby-murder Sacrifices to Satan, male-dispose-ability and the increasing vicious soul-Sicken womanhood and the fatherless generations of increasingly Damaged raised children cycle .. is the Horror that have twisted Western Society.

—

It is very possible that such could have been headed-off at any point through a Virtuous life but the environment .. Reality .. is a reflection of the increasing insanity and anti-rationality Holy Warning of what happens with the rejection of God and His Loving Laws, and accepting any crazy excuse that is handed to us so we can excuse Sin in ourselves and others, and so continue in the Spiral and now seeming Free-Fall .. this is likely the experience Every soul that rejects God and His Love, and embrace Satan and Her Love – the Burned carbon stubbed remains of fingers from the Burning Stove we repeatable forget over and over again .. yet Here We Are Again, with mutilated soul, body, mind, sexuality, retarded intellect to whatever level is needed to Pretend this is not an Torture Oven and we have so little time to turn away from Her until we Burned Again.

—

—

So Yesterday I was reading (Well, on an Audio Book - so I was Listening) and it was some of CS Lewis' shorter writings compiled.

The one that caught my attention was this concept that some people find it hard to Believe because in part the events of Jesus life, death, Resurrection, Ascension was so long ago that the very existence of such happened that long ago that it is as Hard to Believe as the His Miracles.

He also had introduced the idea that many people do not understand that our Western Society had developed from His teaching over thousands of years .. although a person might look at an old person and understand that person was Who there were from a life-time of experiences, that they were once a baby, and that many especially young can not even think along those lines.

It is a strange concept. Something I have trouble believing, like the science they trust and us daily did not exist 100 years ago, and hundred years ago was not very long ago .. there Grand parents parents childhood.

And it is such that I can start to understand the seeming common insanity I have been confused by when people rant-and-rave of how evil our ancestors were because the law treated wives, children as Property, as if that was not so much better then what

was the situation before, and using our system today of overly complex legal concepts as a comparison .. thinking such was possible and those ancestors were purposely choosing Not Too.

.. Seemingly as insane and retarded as accusing our settlers' ancestors hardship and deaths traveling across the country because they did not take an airplane!

The was emphasized after breakfast and discussing the students of a friend who believed the 'small-pox' blanket lie, which requires modern day germ theory to have been widely know enough to go into such plans, which did not exist. So twisting the Charity as a form of evil. Similar for the schooling of children of indigenous, as if an education and a change from the pissing on own walls and murdering neighbor for horse unable to read or write Purgatory the indigenous people suffered, where owning some of value greater than another man meant you likely would have to defend it with your life because instead of working and earning to have similar they would kill you if needed to steal yours – so no one every was able to do anything besides defend and threaten others.

So it is a kind of ignorance of the progression required, the System that respected Human Dignity and God's Law that you Must not steal, kill, ... and those who did not have that or did but tribally defined others as non-humans were sacrificing others, enslaving, and such and so were never able to move into all the comparably incredible feats that the West once had.

And now we have people who want that but not able or willing to accept the Philosophy and discipline that a Higher Trust society requires, the person sacrifices and Western Fathers and Men (Mothers and women also to a lesser degree in not openly expected to fight and die or work to death) .. the Men and Fathers that were Icons, Living examples Celebrated and Appreciated for the Service, Sacrificing .. that was part of the sex. The Virtue Expectations that us older men were raised under, and is going away with the father and male-hating and Western Virtue demonetization.

So with those Open Borders – the Open Wounds being supported by the younger people and retarded male-disposing women who have rarely Sacrificed or ever expect too – the insanely ignorant that think it is somehow possible to fill the body of a nation with a functional-disease of Virtue-rejecting Other'ing peoples .. people

who's culture and values consist of grasping and violence to others when they could – acquiring Power over others to abuse and rape through .. the Female-Evil slimness and untrustworthiness which so Sickened womanhood since the birth-control and anti-God Satan worshiping took it's Rotting Fruit in the West – those peoples that only family is to be treated better ..

.. where the West was founded on the Christian concepts of self-sacrifice and Love even our enemies and Wish All Well – that an enemy was a Brother who had gone astray or never had the Knowledge and Understanding the Jesus died to give us, and Better to Convert and Share then Kill or Suffer.

—

I think the point of the not understanding the generational improving changes and sacrifices could also been seen in the ignorant people's idea that everything is a zero-sum game, that is that a wealthy person has taken something from a poorer person .. that Wealth is not possibly endlessly added-too, like education .. a person who has learned academically, trade-wise, or through life experiences is somehow taken something from one who have not struggled for it, or too young, or ...

—

So .. the solution to ignorance is information and critical thinking ability. The Truth is a good place to start; that Ownership of wife, mother, children, even sisters was the Start of a Formal Legal System that did not even exist in the indigenous peoples, that before that the communities had not real law against a man killing a neighbor and taking those things from him while neighbors would sit still and be glad it was not them. That without even that first step the community could never advance beyond the Barbary, violence, and material poverty that the Europeans found in the indigenous.

The Open Boarder and other things that even most older women are too retarded to understand because the testicle crushing vile slimy male-hating horrors grasping our hard-earned money stolen from the modern-day vile Vomit-women's State-Lover beating to death fathers, husbands, and robbing us and impoverishing us and destroying families through, well .. I am not sure it is possible that such baby-murdering inHuman grasping vicious horrors and the majority that support the worst of them .. those that destroy men and children for the fun of it, even when no profit can be understood

by those of us with values and some kind of healthy soul and respect of others .. the debasing viciousness and their unHoly marriage with Power – the State and those that use those Weak and mind-F-ed hate-filled cnts, the too numerous Sicken older modern Western Woman who was raised and twisted until the Demon enslaved them so the Terror of Understanding the Horror they did to themselves and others .. those that they professed and sometimes even believed that they cared about .. I am not sure that it is not Terminal, that such is like a Terminal Case of Cancer that has been fed and allowed to fester and Poison and Spread that death seems like the situation we need to Face.

The Poison and Cancer is Everywhere. The very fact that the Truth and information that requires they look to there mutilated sicken festering selves throws them into a rage and insanity and the pattern of destroying the men (it is mostly men who try to Stand, in a form of ageless Roll of Protector) and the festering horrors use the Witch-Directed Female-Evil Poisoned female Hive-Mind and attack and destroy, making an example of them for others to see.

And the Vagina-god Satan Forms of Dragons, corpDragons, the Arm and Fist of Satan on earth that has Captured all powerful institutions and Administrative State have used that Western modern womanhood Cancer network of Horror and secrete seemingly invisible Tool of Horror ..

.. well, They support open-boarders for the clear goal of destroying the Virtue-Based West, as women have been destroying Fathers, men, children and all our Futures.

It is a hope that moments of Clarity can break-through to you to See this and Hear the source of the Demon Voices in society and within your own mind. The artificial injections that makes the insanity invisible or other's problem, although it clearly is hurting us all, and is destroying all of the Good in society, and society that is worth living in .. for many of us who believed the old value system had not been destroyed already and struggles in confusion when 'team members' that use to be hard-working like-minded and value-filled other men were replaced by self-centered unreason resent-filled male-hating vicious lying slimy grasping F-ing Nightmares who pretended not to be, and if you Ever noticed what a F-ing horror one was – or most were – you were Canceled from the society that was build on hard work and virtues of ancestors and you though

you were part of .. that it still existed and you were sacrificing and such when it was a soul-dead Female-Evil festering Corpse turned into a septic-filled Zombie covered in face-paint and dressed in high-heals and legs open inviting Death and Hell.

—

Sorry. It seems so clear, yet the mind-controlled Demon-oppression that is such a factor in the way of returning us to any path other than this free-fall into Horror get to me. Who do you know that is accepting or supportive of so much of these things that are destroying us .. the open borders for example?

How come such insanity and retardedness be allowed power over others - unless it Serves Satan?

—

Okay, this will have to be another Afternoon Post. I am sad because I had such a positive notion and pleased with the insights the CS Lewis gave, this kind of 'average person' who does not seem to See the Chain-events that build to Now, and so it is strange to them the idea of Projecting forward in a Arch that is basically invisible to them.

.. and such could give us some more Tools to Turn Away from the clear destruction we heading too.

Perhaps you can benefit and make more of it then I seem to be able too. I Hope, ..

May The Holy Ghost bring us all Holy Clarity and Clear Paths forward to Salvation, and Salvation of others.

-

And ..

-

May this be a Blessing to you and us all. [And all our Futures, and future Multiverse Pasts.]

It is too much of a self-destruction that removes the focus and discredited the Jews' Media information for me to wonder how much of that Billion that was taken from him by the powerful Golden-Calf Satan worshipers that are not mostly of a Tribe, .. how much of a Billion dollars would be offered to you to self-destroy yourself in such a clear way?

Now I understand the Memes '*Net and Yahoo*' and that mix of '*Swastika and Star of David*' I added in yesterday's post in the **Current Memes** section at bottom of Post I have added., ..

Here is another woman talking sense!

Violence is being pushed and designed – but those who will draw the violence will not be the international Witch-Matriarchal ruling families' older women leaders (Witches manipulating their Dog-males and Witches-in-training) who are responsible, seeking Sin and Horror and Death of souls – people unjustly attacking the wrong peoples, at least those only responding to injustices - and not the ones who are really responsible., ..

Here is the Prof. Peterson being an excellent interviewer and extracting clarity and shaping the conversation to many key points. If there were not a huge amount of other general information

pointing to everyone in power connected to directing the creation of the Plandemic and Shaping the absolute Opposite what any reasonable professional would have done and directed – then the general tone would not be so clearly ridiculous .. thumb-up ass waiting to ask some questions when any reasonable person would have hanged all those people and the older women in families of connected and been hone and breaking bread with family and neighbors Celebrating that evil Witches would not be as much of a Threat for them and their children.

But that aside – if it was not a clear case then Peterson's style and technique would be perfect.

The clots I've seen myself... and the way you have to manipulate and massage to get them to come out of the vascular system; I don't know how [anyone is] walking around with that in their vascular system at all. I mean, for it to even get to that point, I don't know how... they had to have been miserable... We're having a lot of issues with circulation and drainage...

I've seen quite a bit in my eleven years and never have seen these... I've seen plaque, I know what plaque looks like, [these clots are] not plaque... I've embalmed lots of decomp[osed] bodies that were well beyond postmortem and none of them had clots like this...

I don't know if you've ever seen uncooked calamari... the whiteness and the rubbery texture, that's exactly what it reminds me of... [The material that makes up the clot] is a substance. It's not a clot that you can smash like a normal clot; even a big heart clot you can squish it and it's going to go back to blood. These do not. At all..."

LEIL

RIGHT

Hi. As a religious Jew I can't understand your article defending Ye and praying for him even if you believe on some of his message but he has said blatant anti semitic comments and praised Hitler that killed 6 million Jews. I hope you don't think that is acceptable??

Perhaps you can't understand it because forgiveness of enemies is a Christian concept, not a Talmudic one. I encourage you to read the Gospel of Jesus Christ and accept Him as your Lord and Savior.

When law-abiding citizens carry a gun – criminals think twice before committing a crime.

When law-abiding citizens conceal & carry – criminals are confused.

When law-abiding citizens reveal & chamber – criminals flee.

When law-abiding citizens practice using their weapon – all people are safer.

And just when you are about to hit "share," an anti-gun supporter on your friends list will discourage you.

Stand up for our 2nd Amendment right to bear arms!

I just want to make a few things clear:

The Holocaust happened.

Hitler was a demonic figure.

And instead of giving it a platform, our political leaders should be calling out and rejecting antisemitism wherever it hides.

Silence is complicity.

Have you been mocking us since the beginning of recorded civilization!?

YES
