Good Sunday Morning,
May the Spirit of the Gospel and the Holy Word be Always on our
Tongues, in our Hearts, Minds, and in our Hands.
Holy Virgin Mary and All Saints - Pray for us!

Index Number 1803:

[It is Sunday morning again and I must stay on a schedule to be ready
for ride to Mass, and afterwards will very likely spend time in our
monthly coffee-hour event and not return until sometime early
afternoon to finish any unfinished aspects of the publication of this.
Your pardon is appreciated.]

This morning's prayers and meditations cover a number of groups of
topics, and by now much has been lost – which is normal – only to
come-back in full at some later prayer and medication period to be
added-to or filled-in, as if loaded from some secondary virtual
storage.

I mentioned in a recent post about how I felt this process I do
regularly not only leaves a good useful trail of improvement and
development of working theories, but all so in the meta aspect the
actual improvement and refinement of communication and argument
(proof reading, grammar, spelling mistakes aside – of course) and
such is something that would be valuable to any student – whatever
age.

The 'Public' aspect of it – with some discernment – forces social limits
and also give the opportunity to work on modes of expression to
touch different audiences .. all such is useful for all people at ages and
writing skill levels about .. 8 years old .. and much better use of time
then most 'TikTok' although I do not want to suggest I have not seen
some powerful and effective TikTok videos – as a tool it Could be
more widely used for social and personal positive advancement – as
long as our Satanic Overloads allow ..

.. China down-to local Internet, Phone provider, Banking system, .. all
of which have sown themselves to be worse then unreliable with a
government court and other Institutional system that is controlled by
the same Golden Calf Satanists and refuse to function in a healthy
manner – sacrificing Truth, Justice, Order, .. in what seems clearly
Goals the happen to destroy Faith, Hope, Charity, Truth, Justice, Order
– with the normal system so filled with Female-Evil Sickened insane
(baby-murder is insane) people that the Satanic top 3 levels of each
system is free to spread horror and evil everywhere.

My intent was to mention this SubStack and - when the Satanic
Witches allow – Facebook routine documentation and advancement
of Ideas and Concepts I am doing here is something I use to do in a
much less formal way with friends in early public school and older –
unfortunately now without their direct feedback which seems to be
not allowed or suppressed in this CntHell of Horror – yet I hope I have
turned that to advantage as I have had to make Model Avatars of all
the people I have every been personally connected too and Write to
Them.

.. And so have 'replaced' the real living human people I used to have
access to - the personal friends and mentors who now seems to have
been replaced by AI Bot directed Demon-Manipulated Human forms
pushing insanity and horror in general (except for the rare few that
collect in some locations like in the Traditional Mass settings.) That
general replacement seemed to dominate a little time after I started
to work as a young man in the University as I tried to be hired from
Work-Study to Staff and was noticed by the HR Witches and others –
is as near as I can tell – who first threw-away by application and
punished and required my Supervise to Apologize for not hiring some
non-white non-man non-Christian-national-stock non-meritless non-
vicious-virtueless-vile-cnt to Poison further the howling Nightmare
that many previous Witches and there Minions were spreading
throughout Universities in the 1980's and spreading throughout and
Poisoning Western society from there.

As I was saying .. Some of the Glorious Potential of this process I am
engaged with – although unequal to it's full Potential – was Glimped-
At early in the start of Wikipedia, and I was so excited by it.

Like Google which originally was meritorious and used the peer-
review citation model unsuppressed by mind-Raping Witches and
Golden Calf venture capital Satanists it became the Standard and
achieved Monopoly – like YouTube, Twitter, Facebook, .. all to then be
Poisoned and Poisoning and causing what would have been near
perfect Central location – Howled-Out in the evil for the creation of
other forms - often better because later generation improvement but
the deConstruction of the system – no longer Central public-square
like the concept of a Public Library – instead we have needlessly
except for the insane evil policies under public resourced dependent
and super-immunity .. we have a huge number of separate private
libraries each reflecting the often twisted brain-F-ing cnt-policies and-
or requiring some hoops to jump to start and-or to jump in every
interaction.

I realize something was clearly wrong in general when Wikipedia was
being actively demonized by media using Educators – Educators!
When such a system could and should have been embraced by them
as a Tool .. assignments of adding to topics and entries from any and
all subjects .. and eventually likely Lifelong Ownership of those entries
and topics being clearly the way to use such .. not attack it because of
some potential abuse to a model they too sadly retarded and lazy to
change .. remember women with the Vag-Hive mind then dominated
by destroying and driving out men in Education has become the
norm, and the first Fart knee-jerk vomit that comes from one spreads
like a virus and each then become unable and unwilling to change it –
some Satanic Witch passes on what her-his Vagina-god Satan pushes
and it become the unendingly pushed chunk-of-evil-Turd that occupies
most of modern Western womanhood's mentorship – soul sexually
mutilation howling-(functionally)-evil Septic Vomit all why say and
perhaps insanely thinking 'I am Helping!' and 'It is because I care!' ..

.. all while being uncorrectable at first because not enough men
around to bring Sense and Perspective, and because every Turd (idea
and VagFeelie) from such vomiting sickening baby-murdering horrors
can not be countered by a man .. and few women will Stand against
the Vagina-god directed Witch-Hive-Mind.

And since this is clearly – to all but the evil-Blinded Demon-
Oppressed - a Witch-Matriarchal local-to-world-wide system of mind

is needed, with those the display some level of Virtue as practiced and then some kind of usefully applicable skills and merit be brought back into society as something other than a Demonically-controlled soul-destroying screeching horror .. and I am sure that if God sent a real Plandemic that mass killed every women within or entering menopause that acted anything like our normal modern Western woman that soon men and younger women would work together to prevent such howling vileness to be standard in development .. not torturing-to-death their babies or mind-Raping children and themselves might be a good spot to start .. and ending Birth Control – although being more esoteric then the average intentionally retarded person is likel to understand and-or the grasping hedonistic soul-destroying virtueless modern Western (Sicked) person would want to entertain .. to go against the 'god-of-Spread-Legs' that their Vagina-god Satan pushed to drive Hell-on-Earth and Sin, Suffering, Ignorance, ...

(Thought experiment – what would you change if you Loved women and wanted a reShape society so that most or any would die at menopause when now most become Septic Satanic Poisoning vomit-spewing Horrors?

.. note the effective use of Truth & Shock that emphasizes - and that brain-raping Witches would ban this over – and their minions and retarded [adult] children would use as an excuse to dismiss?)

But like Google, YouTube, Facebook, .., Education, Research, Religious Apologetics, .. have all gone the way of Servicing of Satan .. and with the generational Fatherless Witch-mother retardation and soul-mutilation from crib only a small percentage of people can Look at Wikipedia – for example – and see not only a huge expansion of on-line information and a near religious order of husbandmanship of Truth in population possible – but is likely to instead be programmed with the Media Pushed Demonic-Objection of 'Plagiarism!' and such .. Septic-Vomit Poison that only now is of Service as an example as I do here in seeing The Pattern that Female-Evil uses, and has used from crib and media – telling you what to think and limiting any information to shape that Brain-Raped evil and destruction of Potential and Goodness.

I also realized at that point that I was being actively Suppressed on-line as my suggestions were never even heard – except those I talked to in person who were very interested if they had some connection or interest in Education – indicating that like many good ideas today suppressed – would spread and be discussed.

.. of course a while ago I found with many already know – the Witches funded and directed by Satan have complete control – and any additions that does not support or expand existing lies or other satanic aspects will be refused .. for me it was the attempt at adding a drug-reaction I new about but was missing .. added with good references. I did not need to spend any more time as my experiences as a young man at university without direct local Witch support would be crushed and ignored automatically, which that was clearly the case in the now selectively-evil supporting corpDragon that mirrors womanhood today – if you could remove the hyper-empowered Demonic-Controlled festering evil – they would once again be people that you & society find not better they Gone.

May this be a Blessing to you and us all. [And all our Futures, and future Multiverse Pasts.]

Okay – out of editing time and have to start publishing. Almost no comments on these good [looking] videos and article; ..

Image 'gender studies' and all other subjects instructed by people other then brain-Raping howling-Witches and demonic-controlled minions!

Perhaps they would be more like Janice?, ..
